Featuring the first 17 episodes ever aired, *The Seinfeld Scripts* contains all the great lines that have kept us laughing for years: the pilot episode, "The Seinfeld Chronicles," where it all began; George introduces his importer/exporter alter ego Art Vanderlay in "The Stakeout"; Kramer becomes obsessed with cantaloupe in "The Ex-Girlfriend"; Jerry and George meet Elaine's dad in "The Jacket"; is Jerry responsible for a poor Polish woman's death when he makes "The Pony Remark"?; Jerry and Elaine decide to become intimate again in "The Deal"; what will George do when he is banned from the executive bathroom in "The Revenge"?; and Jerry, George, and Elaine wait for a table in "The Chinese Restaurant." It's all here: the award-winning writing of Seinfeld, "the defining sitcom of our age". Created by Larry David and Jerry Seinfeld. Elaine: My roommate has Lyme disease. Jerry: Lyme disease? George: She calls me up at my office she says, "We have to talk." Jerry: The four worst words in the English language. Kramer: What a body. Yeeaaaah...that's for me. Dating Your Character - Marilyn R. Atlas 2016-09-16

Dating Your Character: A Sexy Guide to Screenwriting for

Film and TV is based on the principle that interesting characters actually are co-creators in the writing process. It's organized into some of the standard stages in an evolving, romantic relationship, launched by a couple of chapters that encourage you to take some personal inventory: - Casting Your Ideal Character - The Meet Cute - The First Date - Serious Dating - Moving In Together - The First Fight - Making A Commitment - Hitched Or Ditched On the way to a kind of trust and growing intimacy, the structure of the book traces the first flush of excitement, any awkward hiccups in communication, and the recognition and reconciliation of your different POVs. Most books approach character development using a winnowing process involving general categorization and list-making. But, not much in the way of a truly in-depth synthesis of the collage of "facts" in the character's biography. The NYC method doesn't start from the outside in. It doesn't layer physical descriptions onto archetypal outlines, then color in the flaws and motivation to make that thumbnail sketch more personal. NYC focuses on the importance of the individuality of characters: their eccentricity, drive, and relative "basis in fact" - inspired in part by people you know or you yourself.

Three Uses of the Knife - David Mamet 2013-08-14

The purpose of theater, like magic, like religion . . . is to inspire cleansing awe. What makes good drama? And why does drama matter in an age that is awash in

information and entertainment? David Mamet, one of our greatest living playwrights, tackles these questions with bracing directness and aphoristic authority. He believes that the tendency to dramatize is essential to human nature, that we create drama out of everything from today's weather to next year's elections. But the highest expression of this drive remains the theater. With a cultural range that encompasses Shakespeare, Brecht, and Ibsen, *Death of a Salesman* and *Bad Day at Black Rock*, Mamet shows us how to distinguish true drama from its false variants. He considers the impossibly difficult progression between one act and the next and the mysterious function of the soliloquy. The result, in *Three Uses of the Knife*, is an electrifying treatise on the playwright's art that is also a strikingly original work of moral and aesthetic philosophy.

In God We Trust - Jean Shepherd 2010-10-27

The beloved, bestselling classic that became the movie,

A CHRISTMAS STORY -- humorous and nostalgic Americana, reissued in a strikingly designed paperback edition. Before Garrison Keillor and Spalding Gray there was Jean Shepherd: a master monologist and writer who spun the materials of his all-American childhood into immensely resonant--and utterly hilarious--works of comic art. In *In God We Trust: All Others Pay Cash* represents one of the peaks of his achievement, a compound of irony, affection, and perfect detail that speaks across generations. In *In God We Trust*, Shepherd's wildly witty reunion with his Indiana hometown, disproves the adage "You can never go back." Bending the ear of Flick, his childhood-buddy-turned-bartender, Shepherd recalls passionately his genuine Red Ryder BB gun, confesses adolescent failure in the arms of Junie Jo Prewitt, and relives a story of man against fish that not even Hemingway could rival. From pop art to the World's Fair, Shepherd's subjects speak with a universal irony and are deeply and unabashedly grounded in American Midwestern life, together rendering a wonderfully nostalgic impression of a more innocent era when life was good, fun was clean, and station wagons roamed the earth. A comic genius who bridged the gap between James Thurber and David Sedaris, Shepherd may have accomplished for Holden, Indiana, what Mark Twain did for Hannibal, Missouri.
