*The Elves' Prophecy* - Jodie Forrest 1996  
What would you do if you suddenly became both infinitely psychic and unable to tell even the smallest lie? And if you were also exiled from your homeland, destitute, and unhappily in love with a darkly seductive Elf who'd forced you to undertake an impossible quest? Such is the Fate of Tomas the Rhymer, the reluctant poet-hero of this historical fantasy, wherein the Celtic and Norse realms of Elves, gods and spirits converge with Viking Age Europe's real events and shifting world-views -- and evoke some haunting parallels with our own era's rapid changes.

Skymates - Jodie Forrest 2002

In this positive, and radically expanded edition of their classic book on the astrology of relationships, Steven and Jodie Forrest emphasize freedom of choice, honest communication, and mutual psychological understanding as the keys to satisfying, lasting intimacy. Drawing on countless hours with clients, the Forrests weave a coherent blend of astrology, modern psychology and reincarnation. Beginners as well as professional astrologers will particularly love the extensive and detailed "cookbook" sketches of planets in the relationship houses. Saturn in your House of Marriage? Your Sun squares your partner's Venus? Just look it up. The first edition of SKYMATES became a cult classic; this new one goes light years further.

*Her Sky Mates* - Meg Ripley 2020

I went from soaring in planes to soaring right into huge responsibilities. With the death of my mother, Queen Omera, my time had come. Ready or not, I had to face the wind with my feathers at my back and my Griffin beak held high. With my sister Althea in the thick of it, and my two other sisters off searching for the three mates that would bind their magic forever, I was clueless as where to even start. Waiting for a sign began to feel pointless...until an ill-fated fall from my weekly bungee adventures brought more than just exhilaration. My mind was focused on the danger ahead, those Dark Shifters threatening the very existence of our

species, but magic and fate hid gifts around each corner. Alo, Frodi, and Arsenio weren't expected but they became my mind, body, and soul. But just because I've got my new family at my back, doesn't mean I'll win the fiery battle ahead. From beyond the grave evil stirs and its sights are set on the stone that calls to me in my dreams. As I climb the icy slopes to freedom for all, I can't help but wonder if I'll take them all with me into the frigid grounds below. Fate plays no part in the battle for the Shifters. This is a fast burn standalone reverse harem shifter romance. Readers 18+.

**Sky Mates** - Ilse Lefton Schlaitzer 1944

Town & Country - 1957

**The Ascendant** - Jodie Forrest 2013-03

How do you face the world? Are you centred? Are you poised? How well do you handle blind dates and job interviews? Your astrological Ascendant, the sign rising in the east at your

birth, is the face you wear in the world, your social self, your astrological "clothing". Its just as important in your birth chart as your Sun and Moon. How well do you really understand it? Join astrologer and novelist Jodie Forrest as she examines the Ascendant through the lenses of the arts, psychology, relationships, evolutionary astrology and metaphysics. Beginners or professional astrologers will deepen their knowledge of the rising sign. With exercises for further study, topics include: Why the Ascendant may be the most overlooked and least understood member of the Primal Triad (Sun, Moon, and Ascendant); What exactly is the Ascendant?; Several working metaphors for the Ascendant, and how to apply them when analysing charts; How the Ascendant interacts with the Sun and the Moon; The ruler of the natal Ascendant; Aspects to the natal Ascendant; Dynamic events involving the Ascendant (transits, progressions and arcs); Rectification tips for the Ascendant. Includes an extensive

Ascendant "cookbook" for each rising sign.  
Falcon: Sky Mates (Intergalactic Dating Agency)  
- Susan Grant 2020-11-10  
In book #2 of the sweet and steamy sci-fi romance Sky Mates series, intelligence officer Lt. Dee Wilson pushes way out of her envelope with her hot alien-cyborg flight instructor. Can she help it if his expert maneuvers have her seeing stars? Dee is afraid of flying. But she'll do anything for the chance to enter the Sky Mates program and be matched with a loving mate of her own. To overcome her greatest fear, she enlists the help of a big alien warrior with bravery to spare. Sky Warrior Falcon is under intense pressure to return to his home planet with a Sky Mate. He can't believe his luck when the sweet and smart redhead instructor who's enchanted him since he arrived at Galactic Top Gun School turns out to be his match. Except, the only thing she seems passionate about is going out of her way to avoid him. Is she hiding something? When he discovers she's signed up

for lessons at a fear-of-flying clinic, he switches places with her instructor. If she's serious about going sky high, he'll make sure it happens with him. Determined to see Dee reach new heights, Falcon finds out that when it comes to true love, the sky is definitely not the limit. But will his planet allow their most talented pilot to pair up with a mate who's firmly grounded? For a sweet and steamy, Texas-two-stepping, afterburner blasting, galaxy-spanning adventure, join the world of SKY MATES and read FALCON today! (An Intergalactic Dating Agency story.) **Disney Villains Enamel Pin Set** - Mary Strong  
2021-04-06

It's good to be bad! Display your love for the darker side of Disney with this exclusive enamel pin set. Includes: Three 1" enamel pins -- one each of Cruella De Vil, Maleficent, and Ursula A mini book profiling twelve classic Disney Villains Skymates II - Steven Forrest 2013

A person whose life drifts away from the 'blueprint' of his or her birthchart grows dull, flat and depressed. It is the same for a couple -- if their life together departs from the spirit of their composite chart, their relationship runs out of gas. They stop talking. Sex evaporates. They would rather watch TV than look into each others' eyes. In this book the Forrests give you all the tools you need to explore this powerful astrological technique -- theory, real-life practical examples, and an extensive 'cookbook' section where you can jump-start your interpretations by looking up the precise meaning of any configuration. In the first volume

of 'Skymates' they showed us how to compare charts. Now , they take it a step further, proving that the whole is always greater than the sum of the parts.

**Postcolonial Astrology** - Alice Sparkly Kat  
2021-05-18

Tapping into the political power of magic and astrology for social, community, and personal transformation. In a cross-cultural approach to understanding astrology as a magical language, Alice Sparkly Kat unmaskes the political power of astrology, showing how it can be channeled as a force for collective healing and liberation. Too often, magic and astrology are divorced from their potency and cultural contexts: co-opted by neoliberalism, used as a force of oppression, or distilled beyond recognition into applications that belie their individual and collective power. By looking at the symbolic and etymological histories of the sun, moon, Saturn, Venus, Mercury, Mars, and Jupiter, we can trace and understand the politics of magic--and challenge

our own practices, interrogate our truths, and reshape our institutions to build better frameworks for communities of care. Fearless, radical, and fresh, Sparkly Kat's Postcolonial Astrology ushers in a new wave of astrology revival, refusing to apologize for its magickism and connecting its power to the spirituality and politics we need now. Intersectional, inclusive, and geared towards queer and POC communities, it uses our historical and collective constructs of the planets, sun, and moon to re-chart our subconscious history, redefine the body in the world, and assert our politics of the personal, in astrology and all things.

*Mothman Sightings, The* - Blake Hoena  
2019-08-01

Strange sightings around the quiet town of Point Pleasant, West Virginia set off a town-wide hunt for the flying "Mothman" with glowing red eyes. What was this creature, and what did its appearances mean? Detailed illustrations tell the story of the Mothman sightings in this high-

interest graphic narrative based on real-life accounts. A timeline and possible explanations let readers think critically and look beyond the stories to decide what they believe about this mysterious beast.

Renegade Beauty - Nadine Artemis 2017-11-14

Rethink conventional notions of beauty and wellness, abandon established regimes and commercial products, and embrace your “renegade” beauty In this essential full-color guide, Nadine Artemis introduces readers to the concept of "renegade" beauty—a practice of doing less and allowing the elements and the life force of nature to revive the body, skin, and soul so our natural radiance can shine through.

Anyone stuck in perpetual loops of new products, facials, and dermatologist appointments will find answers as Artemis illuminates the energizing elements of sun, fresh air, water, the earth, and plants. This book is a comprehensive resource for anyone who wants to simplify their self-care routine, take their

health into their own hands, and discover their own radiant beauty.

**Hawk: Sky Mates (Intergalactic Dating Agency)** - Susan Grant 2020-10-15

In a small town in Texas, a woman on a mission meets a big alien warrior with a tender heart... Commander of the fierce air warriors of Sky's End, Hakkim "Hawk" comes to Earth for business, not pleasure. The future of his remote world depends on his squadron finding their perfect matches and flying partners. With responsibility for the mission's success resting on his shoulders, finding his own mate never occurs to him—until he crosses paths with the Terran pilot assigned to work with him on Project: Sky Mates. Fighter pilot Captain Kelly "Crackers" Ritz has always been better at flying than dating. Jets can be dangerous, but they'll never break your heart. Avoiding love has been easy—until she's selected to be the liaison for a team of mysterious alien pilots. She feels an instant connection with their part-cyborg leader. But she's supposed to work with him, not fall for him—isn't she? With only a few weeks to go

before he has to return home, can Hawk convince Kelly to take a chance on love before he's forced to leave her forever? Join the world of SKY MATES and read HAWK today! *Only Love is Real* - Brian Weiss 2020-05-01

A "beautiful and sensitive" tale of true love that transcends time, from the multi-million bestselling author of *Many Lives, Many Masters* (Gary Zukav, author of *Seat of the Soul*). Recommended by Kendall Jenner. In *Many Lives, Many Masters*, a skeptical Dr. Brian Weiss found his life changed profoundly after curing a patient using past-life therapy. Now he takes his research into transcendental messages one breathtaking step further. He portrays two strangers, Elizabeth and Pedro, who are unaware that they have been lovers throughout the long centuries -- until fate brings them together again. He shows how each and every one of us has a soulmate whom we have loved in past incarnations and who waits to reunite with us now. And he opens up entirely new worlds for all of us everywhere, based on a single, powerful

truth...

**The Rulership Book** - Rex E. Bills 2007-06

This volume, a directory of astrological correspondences, is the result of a research project that drew together the thoughts of many others into a reference book, assuming the role of a dictionary to astrologers, but vastly more complete. It is the only place where all sign, planetary and house rulerships have been brought together and put in a good workable order. It is organized in such a way that one can use the book for quick and easy reference, and it eliminates the need to search through various other volumes. In four parts: an alphabetical listing, a listing by planets, a listing by signs, a listing by houses. Plus an Appendix with special

listings: principal bones of the body, principal veins of the body, chart of an organization, flavors and handwriting forms. Enthusiastically endorsed and used by professionals and students

alike, no reference library is complete without this best-selling volume.

**Vogue** - 1958
