Hammer's Slammers - David Drake 1989-07-25

The Complete Hammer's Slammers - David Drake  
2010-02-02

The Second of Three Volumes Collecting the Complete Best-Selling Series That Rocketed David Drake to Military Science Fiction Stardom. This Omni-trade paperback volume collects the first four novles in the series: At Any Price, Counting the Cost, Rolling Hot, and The Warrior- all have been out of print and unavailable for several years.. Neither stainless white knights nor bloodthirsty killers, the Slammers are competent

professionals, with recognizable human flaws, engaged in a deadly business. Their interanl conflicts, set against vivid scenes of battle, make their stories exciting and compelling. This is the second of the three volume set presenting for the first time the entire genre-defining Slammers series in uniform Omni-trade paperback volumes, with new intoductions by major SF figures and new afterwords by David Drake. Each volume will also include a Slmmers story not collected in previous Slammer's books. "Fans of Drake's edgy stories of a mercenary tank regiment in a future not all that different from our present will rejoice

{at the publication of} the entire series in three volumes. Drake, a Vietnam vet who served in the Blackhorse Regiment, use prose as cold and hard as the metal alloy of a tank to portray the men and women of Hammer's Regiment.... In his depiction of combat, Drake rivals Crane and Remarque."

*Black Tartan Slammer* - Gordon Kidd 2013-03

The Black Tartan Slammer approaching the latter stages of a frustratingly unfulfilled professional tennis career enlists the assistance of two middle-aged male friends, who hail from her native Scotland, and who have made considerable

personal and financial sacrifices to help facilitate one highly probable final attempt to win Wimbledon, or any one of the other Grand Slam events in New York, Melbourne or Paris. The ensuing adventure follows her progress over a season as she travels to New York in the first instance and then Melbourne and Paris, before returning to London. The resultant journey ultimately encounters unconventional sexual tension and relationships, a kidnapping ordeal, an unplanned pregnancy dilemma, drug abuse, an unsolicited lesbian encounter, forged legal contracts, murder investigation, allegations of

racism and intimidation, a ball girl blackmail scandal, soccer glory, share investment fraud, corporate corruption, bribery and financial ruin...with some highly entertaining tennis played in between. Compulsively readable.

**Star Slammers: the Complete Collection** - Walter Simonson 2015

Once upon a time, there was a race of men who could out-shoot, out-fight, and out-kill anybody. They were paid fabulous sums to act as mercenaries. The practice became so lucrative, they decided to go into business. They became the most successful businessmen in history, and

they called themselves...The Star Slammers!

**The Complete Hammer's Slammers** - David Drake  
2009-10-06

The Best-Selling Series That Rocketed David Drake to Military Science Fiction Stardom. The First of Three Volumes Collecting the Complete Series. With a veteran's eye for the harsh and gritty details of war, David Drake depicts a futuristic analog of tank combat in his Hammer's Slammers fiction. The Slammers are neither cartoon heroes nor propaganda villains; rather they are competent professionals engaged in a deadly business. The inevitable conflicts between

policy, necessity, and human nature make Drake's Slammers fiction instantly identifiable and utterly compelling. This is the first of a three volume set presenting for the first time the entire genre-defining Slammers series in a uniform trade paperback set, with new introductions by major SF figures and new afterwords by David Drake. Each volume will also include a Slammers story not collected in previous Slammer's books. "Fans of Drake's edgy stories of a mercenary tank regiment in a future not all that different from our present will rejoice [at the publication of] the entire series in three volumes. Drake, a Vietnam

vet who served in the Blackhorse Regiment, uses prose as cold and hard as the metal alloy of a tank to portray the men and women of Hammer's Regiment. . . . In his depiction of combat, Drake rivals Crane and Remarque." —Publishers Weekly, reviewing the Night Shade hardcover edition

[The Slammer](#) - Robert Allyn Goldman 2020-11-09

The American prison system has gone off the rails. Originally started in the country by King George III, the pre-American Revolutionary prisons were inhuman and savage petri houses of filth and diseases. The first post-Revolutionary

prisons were not much better; in fact, the Civil War prisons rivaled the inhumanity of pre-Revolutionary ones. It was not until Reconstruction when the stark realities of American prisons were viewed by highly educated overseers as shameful and repugnant. A new language referenced the need to view conceptually a new type of prison: a reformative one that would prepare the prisoner for post-incarceration life. However, throughout the near century and a half, the politicians in charge of legislation have done little to change the culture of prison warehousing. This story will concentrate

on the facts that keep the unfortunate in miserable sardine cans without any provable consideration for change. Our politicians are the nation's lifeline for change, and yet many should be switching places with the incarcerated. If there is ever going to be a sincere change in the warehousing of human beings, there has to be a will for compassion and the election of politicians who do more than mouth false promises. A country is only as good as its least fortunate. Providing an atmosphere to allow for self-actualization rather than big government handouts starts with health, the family unit, and especially

education. Recidivism is the default issue. Only a minority get out with a sense of pride and the ability to reconstruct a decent life, and there is often a latent prejudice against former prisoners. Finding a "second chance" vocational opportunity or an avenue back to school for youth is an absolute must. Prisons provide training in some areas, but nowhere meeting the needs of the large prison populations. This a generational issue which has never been fully remediated. The book takes on the central issues underpinning the ever continuum of prison expansion.

**The Complete Hammer's Slammers - David Drake**

2010-11-02

The Third of Three Volumes Collecting the Complete Best-Selling Series That Rocketed David Drake to Military Science Fiction Stardom. This Omni-Trade paperback volume collects the two full-length novels, *The Sharp End* and *Paying the Piper*, plus “*The Darkness*,” a novelette which has not appeared in previous *Slammers* books. The *Hammers* are very flawed and imperfect human beings—but they know their jobs, and they get those jobs done, one way or another. If your nation or your planet is under attack, and you want plaster saints to save the

day . . . well, lots of luck, and it's been nice knowing you. But if you really want your chestnuts pulled out of the fire, hire Colonel Hammer's troops. They'll never win a beauty contest, or even a consolation prize for "most congenial," but they'll win the war—because they're the best. They're Hammer's Slammers. This is the third of a three volume set presenting for the first time the entire genre-defining Slammers series in uniform Omni-trade paperback volumes, with new introductions by major SF figures and new afterwords by David Drake. Each volume will also include a Slammers

story not collected in previous Slammer's books. "Fans of Drake's edgy stories of a mercenary tank regiment in a future not all that different from our present will rejoice [at the publication of] the entire series in three volumes. Drake, a Vietnam vet who served in the Blackhorse Regiment, uses prose as cold and hard as the metal alloy of a tank to portray the men and women of Hammer's Regiment. . . . In his depiction of combat, Drake rivals Crane and Remarque." —Publishers Weekly, reviewing the Night Shade hardcover edition

**Planet Slammer #2** - Matthew Grant 2019-05-06

EEP was a bounty hunter for the colony planets, but she knew too much, so the government framed her. Now a "criminal" herself, she's being sent to Planet Y, the prison planet, where every evil man, woman, and mutant she ever put away is waiting for her on this... PLANET SLAMMER!!!!

In this second issue, Matthew Grant (aka mattchee) brings you this even more action-packed adventure filled with brain melting monsters, mutants, and unlikely foes... I mean friends! Tasked with taking out the Mutant Warlord, EEP must first defeat his henchmen, the Skelliors! Who knows what treachery awaits as

EEP battles to find her place on this hostile planet!

Planet Slammer #3 - Matthew Grant 2020-02-11

Planet Slammer: EEP was a bounty hunter for the colony planets, but she knew too much, so the government framed her. Now a "criminal" herself, she's being sent to Planet Y, the prison planet, where every evil man, woman, and mutant she ever put away is waiting for her on this... PLANET SLAMMER!!!!

When last we saw her, EEP and her new found friends, Ivy and the nameless U-Warrior, had defeated the Mutant Warlord and his vicious Skelliors. Using money stolen from the

Warlord, Ivy hired Captain Va'Leox to take them to their freedom out at sea. But will the sea be any safer for our EEP and company? Probably not, but find out for sure in issue three of Planet Slammer! More action! More monsters! More fun! It's all here, so what are you waiting for? Dive in!

**Grand Slammer** - Madison Johns 2019-10-15

Take me out to the ballgame takes on a whole different meaning for Agnes and Eleanor.

Baseball might be America's favorite pastime, but someone forgot to tell the spectators that a killer is roaming the stands. When Agnes and Eleanor discover the body of a concessions worker, it's

game on for the sleuths. They soon find a letter-one from the killer detailing a deadly plan, and it's up to Agnes and Eleanor to stop the murderer in time.

Dunkin' Dazza's Soaring Slammer - Andrew Einspruch 1997

Darrin and his friends try to lift their basketball team out of the basement. Supa Dooper Chapter Book.

*Planet Slammer #4* - Matthew Grant 2020-10-15

Planet Slammer: EEP was a bounty hunter for the colony planets, but she knew too much, so the government framed her. Now a "criminal" herself,

she's being sent to Planet Y, the prison planet, where every evil man, woman, and mutant she ever put away is waiting for her on this... PLANET SLAMMER!!!! After escaping the clutches of the evil Sea-King, EEP and her new friends, Ivy, the Nameless U-Warrior, and Captain Va'Leox, had fled into the caves below the surface of Planet Y. But it turns out that the Sea-King is a bigger threat than they had anticipated. Now it's up to them to battle for the future of the Planet that they reluctantly call home! Don't miss this thrilling fourth installment of PLANET SLAMMER!

**The Complete Hammer's Slammers: Volume 3 -**

David Drake 2010-11-01

This three volume set presents for the first time the genre-defining Slammers series in a uniform hardcover set. This volume features the final two Slammers novels, The Sharp End and Paying the Piper, as well as an original novelette, The Darkness. This volume will feature an introduction by Barry Malzberg. At the publisher's request, this title is sold without DRM (Digital Rights Management).

**The Complete Hammer's Slammers: Volume 1 -**

David Drake 2009-10-01

With a veteran's eye for the harsh and gritty

details of war, David Drake depicts a futuristic analog of tank combat in his Hammer's Slammers fiction. The Slammers are neither cartoon heroes nor propaganda villains; rather they are competent professionals engaged in a deadly business. The inevitable conflicts between policy, necessity, and human nature make Drake's Slammers fiction instantly identifiable and utterly compelling. Slammer - Tabatha Vargo 2015-08-20

The last place Christopher Jacobs, aka X, thought he'd find himself was behind bars. Ten years later, the boy he used to be is gone. In his place is the shell of a man with murder under his belt. Any emotion he once had was left under the gavel when he was given life in prison. That is until the new nurse in the infirmary joins the block. Putting your hands on a prison employee will get you the hole, but some things are worth their punishment, and something tells him Lyla will be worth more than he bargained for. Lyla

Evans isn't sure about her new job at a maximum security prison, but showing uncertainty and weakness isn't an option. Taking care of murders and rapist isn't ideal, but survival is key. She's warned ahead of time about a prisoner named X, but when she's attacked, it's the dangerous X that saves her. Fraternizing with the prisoners is forbidden, but sometimes the most forbidden things are the sweetest.\*\*WARNING\*\* This book is NOT for the faint of heart. If you have issues reading about abuse (physical or mental) then please DO NOT read this book. 18+ for sexual content, language, and violence."HOLY MOTHER

OF ALL THINGS HOLY! What on earth did Tabatha do to my heart?! She ripped it out, stomped all over it, and shoved the broken thing back in... and I loved every minute of it. I think." ~Heather, Give Me Books"I just cannot put into words how much I loved Slammer!!! Be prepared for a ride of a lifetime with X and Lyla!" ~ Kara, Give Me Books"A haunting, unconventional love story I will never forget." ~Ella James, USA TODAY bestselling author of Sloth"If you're looking for a mushy sweet romance, this is not the book for you. If you want to read something that is unlike anything else out there and that will

surprise you and leave you in complete shock, then READ THIS BOOK. Without a doubt the best book I've read in a long time. It's dark, twisted, violent, but it's unique and shocking and unpredictable." ~ Author Amy McClung"I hope you're ready for the best mind fuck of your life, because this book is going to give it to you and give it good!" ~ Michele, Devilishly Delicious Book Reviews

*Grammar Slammer* - English Teacher X

2013-10-06

English Teacher X is back again, to apply his numerous years of hard-won experience (as well

as his vicious cynicism and disturbed sense of humor) to one of the thorniest topics in the world of Teaching English as a Foreign Language: GRAMMAR! Grammar rules are of small help in learning to use a foreign language, but they are of great use in quieting anxious or know-it-all students who constantly challenge the teacher, and in impressing bosses and managers, not to mention succeeding in job interviews for TEFL positions. English Teacher X provides a thorough look at some of the most common grammar points which come up in TEFL classes, and gives clear and detailed explanations of them, as well

as dialogues explicitly showing how to present and practice the information in class. Topics examined include: PARTS OF SPEECH AND TERMINOLOGY VERB TENSES COMMONLY CONFUSED WORDS AND EXPRESSIONS THINGS STUDENTS WILL TRY TO TEST YOU WITH HOW TO PRACTICE ALL THIS STUFF and many more. WARNING! The book is filled with heaping helpings of English Teacher X's usual sarcasm, obscene language, and crude humor, as well as his notoriously nihilistic outlook on the profession of TEFL. Please don't buy it if that kind of thing offends you.

[The Struggle in the Old Slammer](#) - Tadatada  
2023

*In the Slammer with Carol Smith* - Hortense  
Calisher 2013-11-05

A finely observed and lovingly detailed portrait of  
a woman attempting to find a community and  
understand her own troubled history After  
spending two decades in jails, psych wards, and

halfway houses for her peripheral involvement in a radical students' bombing plot, thirty-six-year-old Carol Smith winds up squatting in a tattered space in Spanish Harlem. She spends the majority of her vagrant days socializing with her homeless neighbors, arguing with a testy social worker, and wandering the streets with Alphonse, a wayward South African wino and self-professed actor. Alphonse proves to be an inspiring force, and soon Carol is weaning herself off antidepressants as the sifting of her memories—mostly of her upbringing by two aunts in Massachusetts—creates a chance for

redemption.

blowing stories...

Slammers Down - Todd Johnson 1988

Success or failure, life or death--it's in the  
reader's hands. The reader is Lt. Bromley of the  
intergalactic mercenary force of Hammer's  
Slammers. A transport has crashed. Men are hurt  
and the wreckage is scattered. Ammo and

medical supplies are low and the crash site is not  
secured. The men are in deep trouble unless  
someone acts fast!

Slammer - Allan Guthrie 2009

Young prison officer Nicholas Glass is finding the  
stresses of the job increasingly hard to handle.  
Bullied and abused by inmates and colleagues  
alike, every day is getting longer than the one  
before. When a group of cons use outside help to  
threaten his wife and daughter, Glass agrees to  
help them out with a 'favour'. But, as their threats  
escalate, and one favour leads to another, Glass  
grows ever closer to breaking point. And when

glass breaks, it shatters...

**Cocktails with Gin** - Source Wikipedia 2013-09

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 31. Chapters: 20th Century (cocktail), Alabama Slammer, Alexander (cocktail), Aviation (cocktail), Bijou (cocktail), Bloodhound (cocktail), Breakfast martini, Bronx (cocktail), Classic cocktails, Clover Club Cocktail, Corpse Reviver, El Malecon cocktail, Fallen Angel (cocktail), Fluffy duck, French 75 (cocktail), Gibson (cocktail), Gimlet (cocktail), Gin and tonic, Gin bucket, Gin pahit,

Hangman's Blood, Hanky-Panky cocktail, Harlem Mugger, List of martini variations, London Fog (cocktail), Long Island Iced Tea, Martini (cocktail), Mickey Slim, Moon River (gin cocktail), Negroni, New Englander (cocktail), Old Etonian (cocktail), Paradise (cocktail), Pegu Club (cocktail), Pink Gin, Pink lady (cocktail), Salty dog (cocktail), Singapore Sling, South Side (cocktail), Sweet Melissa, The Last Word (cocktail), The Rickey, Tom Collins, Vesper (cocktail). Excerpt: The Rickey is a category of mixed drinks closely resembling a highball made from a base spirit, half of a lime squeezed and dropped in the glass,

and carbonated water. Little or no sugar is added to the Rickey. Originally created with bourbon whiskey in Washington, D.C. at Shoomaker's bar by bartender George A. Williamson in the 1880s, purportedly in collaboration with Democratic lobbyist Colonel Joe Rickey, it became a worldwide sensation when mixed with gin a decade later. Since 2008 the Rickey has enjoyed a resurgence with the revival of classic cocktails and a group of Washington D.C.-based bartenders, known as the DC Craft Bartenders Guild establishing July as Rickey month. It was also featured with Bourbon by political

commentator and amateur mixologist Rachel Maddow on the Martha Stewart show for election night, 2008. Rickeys made with gin (typically referred to simply as gin rickeys) are among the most favored of the varieties of the drink with alcohol included. The...

simple, effective techniques for improving your teenager's behaviour.

*The Slammer* - The The Slammer 2018-03-13  
With Assault Mouse and Military-Style Tablet in hand, The Slammer applies Alinsky Rule #5 graphically to ridicule Leftists & other Enemies of America. ..".I can tell you that the artwork is fantastic and the politics are just right, so to speak. I think you will enjoy The Slammer's hilarious, incredibly vibrant cartoons, which send up not only our liberal friends but the RINOs many of you probably like even less." - Keith Koffler, Author of "Bannon: Always the Rebel"
