Best known as the divisive but iconic frontman of The Mission and a poster boy for the then fledgling gothic scene of the 1980s, Wayne Hussey has been making music since he was inspired to pick up a guitar by his childhood hero, Marc Bolan. As he began making his name in music with The Invisible Girls, Dead Or Alive, and The Sisters Of Mercy, Wayne was at first seduced and then ultimately corrupted, swapping the repression of his religious upbringing for its polar

opposite: a lifestyle of total hedonism. From his early days raised as a Mormon to being schooled in gender bending by Pete Burns, from his move to Liverpool in the late 1970s to his remaining fanaticism with Liverpool FC, *Salad Daze* is an all-encompassing account of Wayne's personal and musical journey up until the formation of The Mission.

**Powder Days** - Heather Hansman 2021-11-09

\*An Outside Magazine Book Club Pick\* "A sparkling account."—Wall Street Journal An electrifying adventure into the rich history of skiing and the modern heart of ski-bum culture, from one of America's most preeminent ski journalists The story of skiing is, in many ways, the story of America itself. Blossoming from the Tenth Mountain Division in World War II, the sport took hold across the country, driven by adventurers seeking the rush of freedom that

only cold mountain air could provide. As skiing gained in popularity, mom-and-pop backcountry hills gave way to groomed trails and eventually the megaresorts of today. Along the way, the pioneers and diehards—the ski bums—remained the beating heart of the scene. Veteran ski journalist and former ski bum Heather Hansman takes readers on an exhilarating journey into the hidden history of American skiing, offering a glimpse into an underexplored subculture from the perspective of a true insider. Hopping from Vermont to Colorado, Montana to West Virginia, Hansman profiles the people who have built their lives around a cold-weather obsession. Along the way she reckons with skiing's problematic elements and investigates how the sport is evolving in the face of the existential threat of climate change.

The Mammoth Cheese - Sheri Holman 2004  
An Our Town for our times, The Mammoth Cheese is beautifully crafted and driven by warm, vibrant characters as it follows the residents of rural Three Chimneys, Virginia, on their journey to re-create the original Thomas Jefferson-era, 1,235-pound "Mammoth Cheese." As the book opens, the town is joyously celebrating the birth of the Frank Eleven: eleven babies simultaneously born to Manda and James Frank after fertility treatments. But as autumn progresses and the babies weaken, the community seeks to redeem itself through the

making and transporting of a symbolic Mammoth Cheese to Washington, as a gift for the newly elected President Brooke. The cheese is the brainchild of August Vaughn, a farmhand by day and a President Jefferson impersonator by night, and the creation of Margaret Prickett, a single mother and cheese maker trying to save her century-old family farm. Sheri Holman seamlessly weaves together the lives of Three Chimneys, delving into her characters' inescapable family histories as they grapple with religion, divorce, politics, and unrequited love. The Mammoth Cheese is a triumphant exploration of the burdens and joys of rural America and the debts we owe to history, our parents, and ourselves.
