**Not Easily Broken** - T. D. Jakes  
2006-10-11

When life forces them apart, a couple struggles to save their marriage from destruction -- and rediscover the meaning of true happiness -- in this inspiring novel from New York Times bestselling author T.D. Jakes. Clarice and Dave Johnson have different visions of meaning and success. He is satisfied coaching little league and running a janitorial service in his blue jeans and pick-up truck; she is driven to climb the social ladder and display

her success with designer labels and luxury cars. After years of disagreeing about what true happiness and love really are, Dave and Clarice are finally facing the breaking point of their marriage. When Clarice's leg is crushed in a car wreck, the obvious truth is finally exposed: her injuries aren't the only pain that needs immediate attention. As they struggle to find restoration, Dave and Clarice learn the importance of promises made and kept -- and the truth that help sometimes comes from unlikely places.

*DIVLOVE. The Sweetest Word in Any Language. /div Male Vs. Man* - Dondre Whitfield  
2020

Males look to be served. Men look to be of service. Emmy Award-nominated actor best known for his role on *Queen Sugar* and transformational speaker Dondre Whitfield challenges us to be real men in this provocative look at the power found in serving others. Too many males abuse the

power they have. Often those males grow up without healthy role models and so, while they look like men, they act like boys. Only now there are adult consequences to their actions. And many of us are caught in the shifting cultural ideas about manhood, unsure of how to make sound decisions or truly be a man. Every day we find evidence that the role of men at home, at work, and out in the world is deeply misinterpreted. In *Male vs. Man*, Dondr Whitfield equips us to become men rather than simply "grown males." Men are healthy and productive servant-leaders who bring positive change to their communities. Males are self-serving and stuck in negative cycles that we hear and read about daily. They create chaos instead of cultivating calm. *Male vs. Man* is an uplifting playbook for men who want to level up. It will help men and women alike understand what real manhood is, based on biblical wisdom as well as hard-earned lessons from someone who has been there. With practical guidance

and a strong spiritual foundation, Dondr shows how to cultivate the life-changing spiritual, emotional, and psychological attributes of servant leadership at home, at work, and in our communities. [The Heart's Invisible Furies](#) - John Boyne 2017-08-22  
Named Book of the Month Club's Book of the Year, 2017  
Selected one of New York Times Readers' Favorite Books of 2017  
Winner of the 2018 Goldsboro Books Glass Bell Award  
From the beloved New York Times bestselling author of *The Boy In the Striped Pajamas*, a sweeping, heartfelt saga about the course of one man's life, beginning and ending in post-war Ireland  
Cyril Avery is not a real Avery - or at least, that's what his adoptive parents tell him. And he never will be. But if he isn't a real Avery, then who is he?  
Born out of wedlock to a teenage girl cast out from her rural Irish community and adopted by a well-to-do if eccentric Dublin couple via the intervention of a hunchbacked Redemptorist nun, Cyril is

adrift in the world, anchored only tenuously by his heartfelt friendship with the infinitely more glamorous and dangerous Julian Woodbead. At the mercy of fortune and coincidence, he will spend a lifetime coming to know himself and where he came from - and over his many years, will struggle to discover an identity, a home, a country, and much more. In this, Boyne's most transcendent work to date, we are shown the story of Ireland from the 1940s to today through the eyes of one ordinary man. The Heart's Invisible Furies is a novel to make you laugh and cry while reminding us all of the redemptive power of the human spirit.

Overcoming the Enemy - T. D. Jakes 2000-07

Prepare Yourself For Battle!  
Satan is patient. He's devious. And he plans to bring you down. How prepared are you to fight the devil? Spiritual warfare is so much more than just telling the devil to leave you alone. It requires an absolute dependence on God

and the weapons He provides to see you through every situation victoriously. In this final study of Ephesians, T.D. Jakes tackles the tough questions regarding spiritual warfare: Why does your loving heavenly Father make you fight to possess all He has given you? What strategies does Satan use in an attempt to control your will? Why is prayer the only way to victory in spiritual warfare - and to seeing results in the natural realm? If you're tired of feeling beat down and crushed by the devil's schemes in your life, the principles in this book are your keys to becoming more than a conqueror. Your enemy is strong, but God is stronger still...and He's given you everything you need to win!

**Instinct** - T. D. Jakes  
2014-05-06

Tap into your God-given intuition and start achieving ultimate success with this inspiring #1 New York Times bestseller from Bishop T.D. Jakes. If you have ever felt misaligned, this book is for you. If you have lost the rhythm, the

passion, or the thrill of living in alignment, then keep reading. As He did with the very cells that comprise our bodies and the dry bones that were joined together for new life, God has given us deeper instincts to be attracted to those things that fit a higher and better purpose. Never settle for less than God's best for your life. Some people have the courage to move beyond the ordinary, from the methodical mediocre into the revolutionary realization of where they belong. You can have this sense of belonging only when you connect to your core calling. The calling to creativity, the calling to teach, to give, to build, are all part of allowing your instinct to guide you to the "something more" that you suspect is out there. If you are ready to break through the confines of where you are and discover where you are meant to be, then Instinct is your key!!--EndFragment--

Grit - Angela Duckworth  
2016-05-03

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to

succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-genius everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In *Grit*, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she’s learned from interviewing dozens of high achievers—from JP Morgan

CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll.

“Duckworth’s ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among *Grit*’s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, *Grit* is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (The Wall Street Journal).

*Before You Do* - T.D. Jakes  
2012-12-11

In his new book *Before You Do*,

bestselling author Bishop T.D. Jakes turns his attention from repositioning yourself for a life without limits to cultivating relationships in the best way possible with the most important people in your life: parents, children, spouses and others who are your most beloved and in need of your support. As one of America's most trusted advisors, counsellors, and pastors, Jakes teaches us what to do before we: propose marriage; consider divorce; send our children off to school; put our elders into assisted living situations or other treatment facilities, and so many more major steps each of us are faced with taking at some point in life. He uses the lessons he has learned from his own marriage and family life as well as others to encourage and inspire people to give and receive the greatest love possible.

**Extreme Ownership** - Jocko Willink 2017-11-21

An updated edition of the blockbuster bestselling leadership book that took America and the world by

storm, two U.S. Navy SEAL officers who led the most highly decorated special operations unit of the Iraq War demonstrate how to apply powerful leadership principles from the battlefield to business and life. Sent to the most violent battlefield in Iraq, Jocko Willink and Leif Babin's SEAL task unit faced a seemingly impossible mission: help U.S. forces secure Ramadi, a city deemed "all but lost." In gripping firsthand accounts of heroism, tragic loss, and hard-won victories in SEAL Team Three's Task Unit Bruiser, they learned that leadership—at every level—is the most important factor in whether a team succeeds or fails. Willink and Babin returned home from deployment and instituted SEAL leadership training that helped forge the next generation of SEAL leaders. After departing the SEAL Teams, they launched Echelon Front, a company that teaches these same leadership principles to businesses and organizations. From promising startups to Fortune 500

companies, Babin and Willink have helped scores of clients across a broad range of industries build their own high-performance teams and dominate their battlefields. Now, detailing the mind-set and principles that enable SEAL units to accomplish the most difficult missions in combat, Extreme Ownership shows how to apply them to any team, family or organization. Each chapter focuses on a specific topic such as Cover and Move, Decentralized Command, and Leading Up the Chain, explaining what they are, why they are important, and how to implement them in any leadership environment. A compelling narrative with

powerful instruction and direct application, Extreme Ownership revolutionizes business management and challenges leaders everywhere to fulfill their ultimate purpose: lead and win.
