Contemporary Sociology - M. Francis Abraham 2014-12-25

Previously published: Oxford, UK; New York: Oxford University Press, c2006.

Sociology - CN Shankar Rao 2012

This textbook has been comprehensively written to acquaint the students with the fundamental concepts of sociology as well as provide an introduction to the diverse field of sociology. Students will be introduced to the origins of sociology as a discipline and would get acquainted with relevant topics such as inequality, institutions, control, change, disorganisation & problems in the society. Topics such as applied sociology and social thought have also been provided to give a complete overview of the subject. This textbook not only caters as a primary text to the undergraduate students of Sociology but is also a useful reference for postgraduate students and aspirants appearing for various competitive examinations.

Rural Sociology - Shambhu Lal Doshi 1999

With reference to India.

Fundamentals of Sociology - Gisbert 1973

The third, expanded edition of this well-known text on sociology has detailed analyses of the economic system, industry, population and food supply. Importance has been given to forces such as industrialisation and the Green Revolution that have helped to shape modern India. A comprehensive text, useful to both teachers and students.

Indian Sociological Thought - B. K. Nagla 2013-10-25

This book assists in understanding the various perspectives of Indian society, which has passed through a long evolutionary process, from monarchy to feudalism, colonialism, and democracy. Officially, India is now a plural, democratic, technological, industrial, and capitalistic society. Numerous sociological thinkers from India are discussed in the book, as well as a few Western sociologists who have done research in India and have developed their own perspectives on Indian society. The main perspectives are structural-functional, dialectical-historical, cultural, and subaltern. This second edition has been thoroughly updated and revised to include extended discussions on Irawati Karve and Andr Bteille, in indological and social stratification perspectives, respectively.

Old Gods, New Enigmas - Mike Davis 2020-10-06

Is revolution possible in the age of the Anthropocene? Marx has returned, but which Marx? Recent biographies have proclaimed him to be an emphatically nineteenth-century figure, but in this book, Mike Davis's first directly about Marx and Marxism, a thinker comes to light who speaks to the present as much as the past. In a series of searching, propulsive essays, Davis, the bestselling author of *City of Quartz* and recipient of a MacArthur Fellowship, explores Marx's inquiries into two key questions of our time: Who can lead a revolutionary transformation of society? And what is the cause—and solution—of the planetary environmental crisis? Davis consults a vast archive of labor history to illuminate new aspects of Marx's theoretical texts and political journalism. He offers a "lost Marx," whose analyses of historical agency, nationalism, and the "middle landscape" of class struggle are crucial to the renewal of revolutionary thought in our darkening age. Davis presents a critique of the current fetishism of the "anthropocene," which suppresses the links between the global employment crisis and capitalism's failure to ensure human

survival in a more extreme climate. In a finale, *Old Gods, New Enigmas* looks backward to the great forgotten debates on alternative socialist urbanism (1880–1934) to find the conceptual keys to a universal high quality of life in a sustainable environment.

Caste and Race in India - Govind Sadashiv Ghurye 1969

Over The Years This Book Has Remained A Basic Work For Students Of India Sociology And Anthropology And Has Been Acknowledged As A Bona-Fide Classic.

Sociology for Law Students - Supreme Court Cases 1993

The Principles of Sociology - Herbert Spencer 1921

Indian Social System - Ram Ahuja 1993

Social Issues of India -

Structure of Hindu Society - Bose 1996

This book appears in English translation more than a quarter of a century after its first appearance in Bengali. The lucid and scholarly translation from the original *Bangla Hindu Samajer Goran* has been done by Andre Beteille. Prof. Beteille's introduction analyses the qualities of Bose's mind and work, especially as illustrated in this book and his preface to this revised edition enriches this valuable study. The author has undertaken an ambitious task in which he has attempted to identify the organising principles of Hindu society, the factors which ensured its continuity for centuries, and the forces by which it is ultimately weakened. This book is impressive in its design. It brings together, within a single framework, approaches which are ordinarily practised separately by ethnographers, Indologists and social historians.

The Uses of Sociology - Peter Hamilton 2002-08-16

The Uses of Sociology discusses whether sociological knowledge is important. It introduces students to the main ways in which sociology is practised in the world and explores the major debates concerning its social purposes. Explores questions concerning the usefulness of sociology and the problems involved in engaging in social intervention. Includes readings which students can use to evaluate the usefulness of different sociological perspectives. Compares and contrasts different sociological traditions, and their engagements with 'the social'. Forms part of a four-book series on sociology and society. For more information about this book and the Sociology & Society series, visit the accompanying website at <http://www.blackwellpublishing.com/ou>

Indian Social Problems - CN Shankar Rao 2017

This book entitled 'Indian Social Problems: A Sociological Perspective' provides a glimpse of many social problems that have been haunting the Indian society since years, decades, and even centuries. Though India is fast developing, it has lots of regional, cultural, linguistic and religious diversities. These diversities are also reflected in its social problems. This book covers social problems which are general in nature and common to the whole nation such as population problem, poverty, unemployment, child labour,

urbanization, youth unrest, problems of the aged, family disorganization, corruption, crime and delinquency, etc. This book is prepared mainly to cater to the needs of the undergraduate and postgraduate students. Most of the universities in India have prescribed one paper on 'Indian Social Problems' either at the undergraduate or postgraduate level. The book also covers topics that are included in the syllabi of IAS, NET, SLET, KAS and other national- and state-level competitive examinations. It also contains lessons that form part of MBA, nursing and five-year law courses. Such students and examinees will definitely find the book highly helpful.

Sociology - John Macionis 2009-01-01

Rural Sociology in India - A.R. Desai 1994

Emile Durkheim and the Reformation of Sociology - Stjepan Gabriel Meštrović 1993

This book proposes a new representation of Emile Durkheim, as the philosopher and moralist who wanted to renovate rationalism, challenge positivism, reform sociology, and extend Schopenhauer's philosophy to the new domain of sociology. Above all, it highlights Durkheim's vision of sociology as the 'science of morality' that would eventually replace moralities based on religion.

The Sociology of Literature - Diana Laurenson 1978

Urban Sociology in India - M. S. A. Rao 1974

Social Problems in India - Ram Ahuja 1997

Tritiya-Prakriti: People of the Third Sex - Amara Das Wilhelm 2010-05-18

Tritiya-Prakriti: People of the Third Sex is a collection of years of research into a topic seldom discussed or easily found within the Hindu/Vedic scriptural canon. Based entirely upon authentic Sanskrit references and modern concurring facts, the book guides us through the original Hindu concept of a "third sex" (defined as homosexuals, transgenders and the intersexed), how such people were constructively incorporated into ancient Indian society, and how foreign influences eventually eroded away that noble system. It discusses how this concept can be practically applied in today's modern world, the importance of all-inclusiveness in human society, and the spiritual principle of learning to transcend material designations altogether. Tritiya-Prakriti: People of the Third Sex will be a valuable source of reference for anyone interested in Hindu/LGBTI studies whether they are newcomers to the field or seasoned veterans of Vedic knowledge. It offers a veritable treasure trove of fresh information and ideas that will likely challenge the reader to rediscover and rethink Hinduism's traditional understanding and treatment of gay, lesbian, and other gender-variant people within its culture. "The recognition of a third sex in ancient India and Hinduism is highly relevant in many ways. Our own modern-day society has only recently begun to understand sexual orientation, transgender identity, and intersex conditions, and our legal and social systems are just beginning to catch up with and accommodate such people in a fair and realistic way . . . yet ancient India had already addressed and previously resolved this issue many thousands of years ago in the course of its own civilizations development. Indeed, there is much we can learn from ancient India's knowledge regarding the recognition and accommodation of a 'third sex' within society." -Amara Das Wilhelm "In India there is a system where such people (the third sex) have their own society, and whenever there is some

good occasion like marriage or childbirth, they go there and pray to God that this child may be very long living." -A.C. Bhaktivedanta Swami Prabhupada "Gay and lesbian people have always been a part of society from Vedic times to our postmodern times. They should be accepted for what they are in terms of their sexual orientation and encouraged like everyone else to pursue spiritual life." -B.V. Tripurari Swami "Initially, I did not really allow myself to go deep in trying to understand the third sex. I figured that this was necessary only for those who are insensitive, arrogant and fundamentalist . . . who think that they are compassionate and tolerant while basically being superficial and even condescending. It is quite amazing how most of us can be so prejudiced about so many things and not even know it . . . I thank you and several others for your compassion and for your tolerance in making efforts to educate your Godfamily, so that we can be more authentic servants of the servant." -H.H. Bhakti Tirtha Swami

The Sociology of Literature - Jane Routh 1977

Company Law Procedures - Bloomsbury Publishing 2021-11-20
