**Soul Cats** - Tamara Schenk 2022-01-11

“Life often offers miracles; you just have to see them and take action.” - Max Sometimes life calls upon us to take matters into our own paws. Soul Cats is a book that carries with it a very special and personal mission. The dying wish of “soul cat” Max was for his human guardian to write this very book, as he passed away just a few short weeks after. Within the pages lies a story overflowing with deep love between Max, Flix, Howy, and their human guardians. Together, their love is the prevailing force that sees them through times of significant challenges. Our animal-human relationships exist on a plane of consciousness that transcends that of our relationships between other humans. Soul Cats puts the reader in the perfect center of our animal-human relationship, engaging in a journey about communication, true connection, distress, and the light that gets us all through it. We all come with our own mental and physical baggage, something that older cats from the animal shelter share in common with us. Soul Cats explores the symbiotic healing power of cats and their humans caring for one another until they one day cross the rainbow bridge on their own terms. Soul Cats is teeming with stories—following the alpha cat Max, cerebral thinker Flix, and the ever-bright Howy. The cats and their human guardians experience situations laced with joy and emotion, but also those of profound and sobering reality. At its core, Soul Cats makes an indisputable case for how conventional medicine, natural healing methods, and energy clearing work can create a powerful trinity

of relief and deep meaning in our lives. The experience of reading Soul Cats is one that touches the soul of the reader. It's a beautiful story that weaves together courage, deep care, and shows the power that a legacy of love can produce. “Let love and joy be your guiding principles.” - Howy

**Buddhism, Diplomacy, and Trade** - Tansen Sen 2003-01-01

Relations between China and India underwent a dramatic transformation from Buddhist-dominated to commerce-centered exchanges in the seventh to fifteenth centuries. The unfolding of this transformation, its causes, and wider ramifications are examined in this masterful analysis of the changing patterns of interaction between the two most important cultural spheres in Asia. Tansen Sen offers a new perspective on Sino-Indian relations during the Tang dynasty (618-907), arguing that the period is notable not only for religious and diplomatic exchanges but also for the process through which China emerged as a center of Buddhist learning, practice, and pilgrimage. He proposes that changes in religious interactions were paralleled by changes in commercial exchanges. For most of the first millennium, trading activities between India and China were closely connected with and sustained through the transmission of Buddhist doctrines. In the eleventh and twelfth centuries, however, secular bulk and luxury goods replaced Buddhist ritual items. Moreover, policies to encourage foreign trade instituted by the Chinese government and the Indian kingdoms transformed the China-India trading circuit in *The Medical Intuition series ebook bundle* - Tina M. **The Empath's Toolkit** - Anna Sayce 2018-10-04

If you're reading this, you may be a highly sensitive empath, who is able to pick up - and even absorb - other peoples' energies. However, many empathic people are 'overwhelmed empaths' (meaning that their high empathy has gone into a state of overdrive.) Here are some signs you are an overwhelmed empath: You feel other peoples' emotions vividly and profoundly, and have trouble shaking off the energies afterwards, even after the other person has moved on. You often have a hard time working out whether you're feeling your own energies and emotions, or someone else's. You have become a hermit and withdrawn socially in order to avoid other people's energies. You cannot visit crowded places such as shopping centres, stadiums, train stations, or nightclubs because the energies are so overwhelming. You feel physical aches and pains, or manifest physical signs of nervousness or sickness, around certain people. When it comes to movies, TV and books, you do not like watching or reading anything that features sad or difficult experiences for the characters. You often find yourself playing the role of counsellor and caretaker in your relationships and friendships, but you find it a draining role to take on. You often wish that other people would follow your advice and get their lives back on track. Your relationships are a source of obligation and stress, either because you self-sacrifice, have a hard time saying 'no' to people, or take it upon yourself to help others with their problems. You feel like your empath gifts are a curse, and you wish you could be less sensitive. If you resonated with the above statements, the usual advice for empaths that you will find in many books and online articles (such as boundaries, lifestyle adjustments, and shielding visualisations) are NOT effective for you as an overwhelmed empath. They avoid the root causes of the problem - a bit like putting a sticking plaster on an infected wound. Anna is a professional intuitive with a decade of experience working with empathic clients. And in this book, she gives NEW insights to explain the following: The reasons you became an empath in the first place (hint: it usually happens in childhood) and how this is the key to bringing your empath gifts back into balance - and staying there. Why our amazing empath gifts are a key part of our soul's purpose - and how we can integrate them into our lives in a healthy way. What is the 'emotional projection' trap and how it affects you as an empath. The fascinating link between overwhelming empathy and your past lives. Effective & fast techniques for cleansing your auric field of 5 different types of energy debris that most empaths pick up on a regular basis. Powerful methods for healers, intuitives, counsellors and bodyworkers to keep their aura and work spaces clear of client energies. A quiz to find out which empath gifts you have (out of 8 different types). Overwhelmed empaths: this book will show you how to come back into balance with your amazing empath gifts and integrate them into your life, so that you can be more centered, happy and healthy. AND if you wish, share them with a world where they are sorely needed!

Haunted by the brutal execution of Jesus, his brother Yakov dwells in constant fear of persecution in lakeside Galilee where the Romans rule with bloodstained hands. When the other disciples elect him as their new leader, he decides to form a secret society in the shadows of the Jerusalem Temple. One day, an affluent tentmaker from Tarsus named Paul approaches Yakov with a wild tale of Jesus having risen from the dead as the long-awaited Messiah. But to the disciples, their beloved Jesus was just a humble teacher, not a god. And they saw him die, they even entombed his body. Saul scoffs at their objections and insists that only his version of Jesus as the Savior is true, and a bitter battle of faith ensues. Now the disciples must fight to keep Jesus's message of oneness with God alive. Can they succeed in a world where the rich and powerful always prevail? Spanning three decades, against a backdrop of increasingly violent Roman rule, *THE HOLY CONSPIRACY* is a tour de force of love and faith, arrogance and humility from one of our most inspirational new authors.

The Soul's Journey and How It Affects Your Life - J.M. Farley 2019-08-19

On ending up in a too familiar situation after years of emotional and physical pain, I began searching for answers as to why all these difficulties kept happening. It was at this life threatening time that I was first approached by the energy vibration of the four archangels. Due to the fact I had always seen spirits as physical people, I didn't believe the angels instructions, but after another very special visitation where they showed themselves to me — which is no easy feat for them,— I agreed to write their words; and that's how this book manifested. As I wrote, my life began to make sense, which now enables me to live with more awareness of what part I have to play in my soul's journey opening my eyes to wonderful new possibilities. When angels speak, do you listen? I did, and now you too can experience the higher healing knowledge of how your soul's journey affects your human existence, and how you can work with your soul to ease life's impact. So give yourself permission to engage with the timeless angelic knowledge that will enable you to encounter a freedom never felt or known before.
