2019-11-25

Have you ever wanted to learn Spanish and have fun at the same time? Most of the time, teaching books are boring. They always have the same kind of format: Two (sometimes more) people talking about where the library is, or where to find Juan. That's boring, and to be honest, it's not a great way to learn the language (not to mention that they don't always talk about things that you might encounter in your daily life, for example, a judgmental ghost, being the last man on Earth, or maybe find that the love of your life has been stolen). But in this book, I will give you 20 short stories that will range from science fiction to romance, everything in between and sometimes even more. These stories will give

you an entire picture of the Spanish language, and how to appreciate the subtlety of the language. The Spanish language is rich, full of small differences between the different countries. Things that might be one way in Argentina might be different in Spain or Mexico. But don't worry, with this book, you will have a firm grasp on the language, and you will be able to understand and have a conversation with any Spanish speaker. After each story, there will be a questionnaire section where you will answer questions about the stories in Spanish. I really suggest to grab a blank page, and write down the answers, or the small assignments that you will be given (don't worry, they won't be long!). Remember to write them in Spanish, so you can practice and use the language. Also, in this section, you will find grammar and fun facts not just from the stories themselves, but from the inspirations behind them, and facts about living in a Spanish country. I hope you like them. All these stories are written from my heart, and I

deeply hope that you will find them funny, mysterious, romantic, or at least entertaining. That's my goal as a writer, and I hope you enjoy your time reading (and learning!) Get your copy now!

Answers in the Pages - David Levithan
2022-05-10

A bold, timely novel about speaking up and coming out as parents lobby to ban a beloved book from the school curriculum by New York Times-bestselling author David Levithan. When Donovan left his copy of *The Adventurers* on the kitchen counter, he didn't think his mom would read it—much less have a problem with it. It's just an adventure novel about two characters trying to stop an evil genius...right? But soon the entire town is freaking out about whether the book's main characters are gay, Donovan's mom is trying to get the book removed from the school curriculum, and Donovan is caught in the middle. Donovan doesn't really know if the two boys fall in love at the end or not—but he does

know this: even if they do, it shouldn't matter. The book should not be banned from school. Interweaving three connected storylines, David Levithan delivers a bold, fun, and timely story about taking action (whether it's against book censors or deadly alligators...), being brave, and standing up for what's right.

The Fun Spanish - Kimberly Garcia 2018-07-20 Spanish sentences were written by a native Spanish speaker and a professional teacher of business Spanish. Many individuals not familiar with various Spanish dialects will erroneously perceive differences in dialect as incorrect. The sentences are correct. The Fun Spanish is a fun, beginning Spanish program which teaches Spanish the Charlotte Mason way, step by step, one fun phrase at a time. Elementary children read fun Spanish sentences, write fun Spanish

sentences, and draw fun silly pictures to aid in memory retention. With The Fun Spanish children draw pictures of green cats, orange rats, fish in trees, and blue houses with wings. Verb conjugations included are the following: ser (to be), estar (to be), tener (to have), vivir (to live), comer (to eat), jugar (to play), saltar (to jump), ver (to see), oír (to hear), dormir (to sleep) and querer (to want). Besides verb conjugation, prepositions, and a host of vocabulary, children using The Fun Spanish also learn the fundamental structure of Spanish sentences. At one lesson every two weeks, The Fun Spanish is a yearlong program.

Learn Spanish - Scott Beckett 2019-06-12 ARE YOU LOOKING FOR A MORE EXCITING WAY TO LEARN SPANISH? ARE YOU BORED TO DEATH OF THE SAME OLD STUDY ROUTINE? WANT TO MAKE LEARNING SPANISH SO FUN IT'S ADDICTIVE? If you answered "yes" to any of these questions then keep reading... Studies show that the number

one cause of why people quit learning a new language is... Yes, you guessed it! BOREDOM. Language students typically give the same reasons for why they quit: "I just don't feel excited about it anymore." "I'm bored to death of the same old routine." "My textbooks are painfully boring!" Out of all the obstacles they face, boredom is the language learning killer. So, what's the solution? It's simple. Read the next line carefully and try to picture the scenario in your mind. What emotions do you feel when you read it?... "The housemaid's scream is as sharp as the shards of Venetian glass surrounding the corpse." -Spy My Shadow by Elspeth Antonelli If I asked you, "Who screamed?", "Why did she scream?", and "What surrounded the corpse?" I bet you could tell me in a heartbeat. But why so easy? It's because it's so damn intriguing. Emotions like suspense, intrigue, and excitement intensify your concentration, help you remember and retain what you learn, and most important, help you

maintain consistency and interest in your language studies. This book will help you do just that!
