Seven Practices of Effective Ministry - Andy

Stanley 2008-08-19

There's no scoreboard in the sanctuary, and the only plate is probably for the offering. But every church leader needs to know how to win, and every congregation needs to know when to cheer. This insightful book speaks to every church leader who yearns for a simpler, more effective approach to ministry. An engaging parable about one overwhelmed pastor is followed by an overview of seven successful team practices, each one developed and applied in a ministry setting. Reinforced by relevant discussion questions, these clear, easy, and strategic practices can turn any ministry into a winning team. Your ministry is perfectly designed to produce the results you are currently experiencing. If you are satisfied with those results, you don't need this book. If not, it's time for a change. Like your own personal trainer, *7 Practices of Effective Ministry* is an

insightful guide for any leader who yearns for a simpler, more effective approach to ministry. Here are seven strategic principles that when put into play will bring focus and clarity to everything you do and turn your ministry into a winning team. Story Behind the Book Looking for ways to help pastors faced with hectic lives and depleted resources, Andy Stanley, Reggie Joiner, and Lane Jones decided to write a parable about the complicated life of a local pastor. Rather than come straight at those in ministry with formulas and lists, they engage readers in an effort to have them identify with the character. "For many years, I practiced and taught church growth. What I have witnessed as a member at North Point takes church growth to a whole new level. Andy and his team communicate principles that will add value to you and the church you love." -John C. Maxwell, founder, The INJOY Group "Every professional athlete recognizes the value of solid coaching. The best are always working to get better. From what I've seen at North Point, these seven practices can improve the game of any church in America." -John Smoltz, Cy Young Award-winning pitcher "The practices covered in this book are down-to-earth, practical, and come from real difference-makers who know what church leadership is all about. Andy, Reggie, and Lane have definitely hit the ball out of the park with the 7 Practices of Effective Ministry." -Ed Young, Jr., senior pastor, Fellowship Church

The Christian world has been rocked by the number of prominent leaders, in both church and parachurch organizations, who have been compromised by moral, ethical, and theological failures. This pace-setting volume addresses this alarming problem and offers Christian leaders valuable guidance in dealing with the inherent risks of their work. Using biblical and current examples, the authors describe the characteristics of five types of leaders and the problems that are most likely to develop if their particular dysfunctions develop unrestrained. McIntosh and Rima offer a series of steps for leaders to consider so they can take control of their dark side and learn to harness its creative powers. This edition includes a new introduction, updated information throughout, a

self-assessment tool, and other additional material. Includes endorsements from John Maxwell, Leighton Ford, Leith Anderson, and Rob Angel.

Spiritual Influence - Mel Lawrenz 2012-07-24
"If you are in a position of positive influence, if you exercise leadership in any way, your faith in God gives you a power—a hidden power—that will allow you to make an enduring difference in the lives of other people and organizations. But how does that power work?" So says Mel Lawrenz in this fresh look at leadership which offers practical and biblical guidance to believers who want to have a deep influence and who want to know: What is the proper use of authority and power? Where do good ideas come from? How can we deal with failure? What does God expect of us? Drawing from more than thirty years of experience in pastoral ministry, Lawrenz writes for Christians in any position of influence. This book provides a new baseline for 21st century Christian leadership, addressing issues such as: • building integrity • seizing opportunities • exploring new horizons • speaking into crises • receiving power • accepting authority • promoting truth • managing expectations • dealing with criticism
Using real-life examples, key Scripture passages, and history, Lawrenz shows that when believers align their responsibility to lead with the teaching of Jesus and the work of God's Spirit, their spiritual influence will have integrity and enduring effectiveness. "Lawrenz gives us hope that the leadership pendulum which has swung from "over-spiritualized" to "de-spiritualized" in recent generations may have finally come to rest where it always belonged—upon Jesus Christ." - Skye Jethani, Senior Editor, Leadership Journal, from the foreword "It is exciting to think about believers at every level of society rising to a new call to exercise powerful spiritual influence. In his newest book, *Spiritual Influence*, Mel Lawrenz has given us all a new baseline for leadership that is personal, wise, and spiritual. It spans the generations and reaches across cultures. Just think what will happen if believers in positions of influence tie into the wisdom and the power that comes from God in order to bring

restoration in our broken world!" - Mark Batterson, Lead Pastor, National Community Church in Washington, D.C.

Lead Like Jesus Revisited - Ken Blanchard 2016-04-19

"The more I read the Bible, the more evident it becomes that everything I have ever taught or written about effective leadership over the past 25 years, Jesus did to perfection. He is simply the greatest leadership role model of all time." Effective leadership—whether on the job, in the community, at church, or in the home—starts on the inside. In this revised classic, renowned leadership expert Ken Blanchard guides you through the process of discovering how to lead like Jesus. Before you can hope to lead anyone else, you must know who you are. Every leader must answer two critical questions. One deals with your relationship to Christ. The other with your life purpose. Whose are you going to be? Who are you going to be? Learning to lead like Jesus can be described as the process of aligning

two internal domains (the heart and the head) and two external domains (the hands and the habits). These four dimensions of leadership form the outline for this very practical and transformational book, from which you will learn how to: Integrate your faith with your role and responsibility as a leader Identify your priorities Build your relationship with God in a new and personal way Move from success to significance Lead out of service rather than self-interest Put the love of Jesus into action With simple yet profound principles from the life of Jesus, and dozens of stories and leadership examples from his own life, Ken Blanchard once again shows us the way effective leaders lead.

Flesh - Hugh Halter 2014-02-01

Christ's Body, Human Flesh If we're honest, no one really cares about theology unless it reveals a gut-level view of God's presence. According to pastor and ministry leader Hugh Halter, only the incarnational power of Jesus satisfies what we truly crave, and once we taste it, we're never the same. God understands how hard it is to be human, and the incarnation—God with us—enables us to be fully alive. With refreshing, raw candor, *Flesh* reveals the faith we all long to experience—one based on the power of Christ in the daily grind of work, home, school, and life. For anyone burned out, disenchanted, or seeking a fresh honest-to-God encounter, *Flesh* will invigorate your faith.

Spiritual Discipleship - J. Oswald Sanders
2017-07-04

"Take time and trouble to keep yourself spiritually fit." — 1 Tim. 4:7, J. B. Phillips Translation As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. They know that God is watching over their faith, but they also take Scripture's command seriously: "work out your own salvation with fear and trembling, for it is God who works in you." They take pains, by His power, to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to

be—not one devised by man or even other Christians. You'll learn: The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study.

Lead - Paul David Tripp 2020-08-24

The church is experiencing a leadership crisis. What can we do to prevent pastors from leaving the ministry? For every celebrity pastor exiting the ministry in the spotlight, there are many more lesser-known pastors leaving in the shadows. Pastor and best-selling author Paul David Tripp argues that lurking behind every pastoral failure is the lack of a strong leadership community. Tripp draws on his decades of ministry experience to give churches twelve gospel principles necessary to combat this leadership crisis. Each of these principles, built upon characteristics such as humility, dependency, and accountability, will enable new and experienced leaders alike to focus their attention on the ultimate leadership model: the gospel.

Leadership as an Identity - Crawford Loritts
2009-01-01

Ask yourself this question: What type of character qualifies the people God chooses to use? The question itself assumes an atypical answer, simply because it leaves out so much. To ask only about one's character seems inadequate when defining a leader. We surely need to ask about character, but also about personality, communication skills, IQ, education, previous experience, and more... don't we? Crawford Loritts disagrees. He answers the question with four simple words: Brokenness, communion, servanthood, and obedience. These four traits form the framework for *Leadership as an Identity*. By examining each trait, Loritts undermines many pervasive assumptions about leadership that are unbiblical. According to Loritts, God doesn't look for leaders like the world does. He looks for disciples, and ironically, as these disciples follow Him, they will lead.
