**Trivia for Smart Kids** - Cooper The Pooper 2020-10  
Want to quench your little genius's thirst for knowledge? Then keep reading... Don't you just burst with pride when your child tells you something new they learned in school? Like when they can list all 50 states or maybe say a short phrase in Spanish. Whether your child is showing promising signs of future genius, or you just want to have a quiz buddy to help you on trivia night, encouraging your child's curiosity is always a good idea. Aside from what they learn in school, having other sources of facts and general information will help your child become more well-rounded. Also, it's the perfect time to maximize their learning when they're still building the foundation of their knowledge and absorbing information like a sponge. From simple truths to obscure facts, you can find them in this quirky collection of questions about all sorts of topics. In Trivia for Smart Kids, you will discover: ● A refreshing way to combine learning and play time in one family-friendly game ● 9 kid-friendly categories of factoids, both silly and illuminating, that will capture your child's attention ● Curious tidbits about the wonderful world of animals that will surely have your child reading in amazement ● Space-tastic facts that could prove useful for a future career as an astronaut ● The city on two continents, Joan of Arc's nickname, the soup that contains saliva, and other pieces of information that your child will find fascinating ● A fun multiple-choice format that will teach your child how to solve problems by elimination ● Just how much your child still remembers from all those bedtime stories and fairy tales you've read to them And much more. Knowing information like how many years snails can sleep may seem like a useless skill, but they're an accessible gateway into discovering new interests and passions. It can be the start to a lifelong passion about science, history, food, and more. Plus, these interesting facts make for great conversation at the dinner table. General trivia is more than just small details about arbitrary things. They're a great way to engage your child and teach them about the world. Cooper the Pooper even traveled the world looking for the most interesting trivia he could find. No other dog would go to these lengths just to bring your child fascinating facts about all sorts of subjects. So don't let Cooper down, and let your child find out what fun facts our adventurous author has learned from his travels. If you want to expand your child's growing knowledge (and your own) with a fun and amusing game you can do with the whole family, then scroll up and click the "Add to Cart" button right now.

Disguise learning time as fun family bonding time. Studies have found that when kids associate learning with a strong positive emotion, they're more likely to retain information. What if you could give them this without piling on extra homework or trying to make fractions more interesting? Learning should be fun. And when it's done right, children shouldn't even be aware that it's happening. In times of need, fun trivia games are your secret weapon... and as an added bonus, you'll even boost your chances of winning future pub quizzes! Asking and answering trivia questions has been shown to not only enhance children's intelligence, but also their memory. And when this is incorporated into your family's quality bonding time, it creates the ultimate activity sure to tick off any parent's boxes. In *537 Hilarious Trivia Questions for Kids: Questions and Answer Book for Kids*, you'll find hours of fun and knowledge. You'll discover: A guaranteed way to capture even the most reluctant learner's attention 537 fun and engaging questions to challenge the whole family Easy-to-find answers so no one is left in the dark A foolproof way to keep the little ones occupied during long car rides Unusual facts that your kids will be dying to find the answers to--and even learn from in the process A rich mixture of pop culture, sports trivia, and general knowledge questions Questions that allow the adults to learn just as much as the children A refreshing alternative to dry workbooks and school quizzes And much more. It can be hard to justify quality family time when you're worrying about making sure your kids are prioritizing their education--but you don't have to choose. Research shows that learning is most successful when it's fun. Is there any better excuse to put down the homework and start playing together?
