Books Do Not Have Wings - Brynne Barnes 2016-09-01
This whimsical, rhyming tale whirls readers through all the fantastic things that can be found between the pages of a book. From a pirate adventure to a fairy fete, *Books Do Not Have Wings* explores all the wonderful things a book is that go way beyond its cover and pages.
StarSeeker Tome 2 : GetBackers - Olivier SOUBITEZ

Starseeker: Baptism By Fire - Jason Gaston 2015-12-04
Ten years after the most costly war in human history came to a close, an ancient ship of unimaginable power is discovered drifting between hostile neighbors and race is on to capture it and exploit its incredible secrets that could affect the balance of power in the entire galaxy. To mitigate this crisis, Earth sends its newest and largest starship, the Starseeker, a vessel created to stop wars before they start. Manned by both human and alien officers, her mission is to promote understanding and friendship among galactic neighbors. Commanding this ship is Captain Ken Hiller, a man pulled

from retirement and put back in the one place he dreamed of returning to, but soon, Captain Hiller realizes that his simple mission is more complicated than he prepared for as Starserker not only has to fend of enemies from the outside, but also those from within. Not to mention the alien relic itself which seems to have other plans.

Asteroid Alert - Elaine Raphael 2000

In 2050 Noah, Sera, and Jiji experience both excitement and fear as they embark on their assignment aboard Starseeker, a space station designed to find and destroy large asteroids endangering the Earth. Color illustrations.

Star Seeker - Wesley Finch, IV 2015-08-26

Children of Charon is the introductory book to the third cycle in the Star Seeker Universe saga. The Confederate Stellar Systems is a nation torn by war. Our teen protagonists struggle to find sense and meaning in a world of refugees and space trash picking at the bones of civilization. All of this while grappling with changes in their lives and responsibilities standing on

the threshold of adulthood - a threshold being forced on them prematurely by the necessities of war.

Starseeker - Diane Gronas 2014-11-18

Starseeker: Flower of Tamaroon is a space adventure with echoes of a Cinderella tale. For untold generations, frigid planet Treya has been kept habitable by the Firestar. The satellite manipulates the weather to create warm regions suitable for farming and industry. But now the Firestar is failing and a perpetual winter is closing in. Annie Roeshell, at age fifteen, dreams of joining the brave Starseekers who search the galaxy for a means to save their planet. But her deepest reason for joining the corps is to find her parents. They could be waiting for her on the mysterious planet of Tamaroon with what the Starseekers hope to find. Before she can start her search, Annie must pass the test and complete Starseeker training. But an attack by Dark Knights could lead to war and the end of missions to space. They seek absolute mastery of Treya's dwindling resources by targeting the handsome prince of Gosar, and for some reason, they have Annie in their sights as well.

Warning! This Book May Contain Life - Richard A. Kershaw 2002-09

Someone once said that the contents of the average head would astound those that were brave enough to peep inside. This is that very journey. A humorous and satirical, yet thought provoking tale awaits you within the contents of these pages. This is a tale of lost love, forgotten dreams and banished hopes as we journey through the treacherous regions of the mind. There is madness and mayhem, laughter and tears. You may even find yourself on the way. Or lose yourself. The choice is yours. Just turn the pages. There's a mirror on every one. There is chance that some may not return. But if a

traveller you are, then a traveller you will always be. Perhaps it is time to venture inwards. But be warned; This book may contain life.

The ShortTube 80 Telescope - Neil T. English 2019-09-14

Welcome to the first comprehensive guide to one of the world's most popular telescopes: the ShortTube 80 refractor. With its ultra-portability, versatility, and relatively low cost, this telescope continues to delight generations of stargazers. Starting in the field under a dark sky, the author walks the reader through a typical evening of stargazing, where the ShortTube 80 brings many astronomical treasures into focus. From there, he provides an in-depth account of the optical properties of the ShortTube 80 refractor and the accessories and mounting arrangements that maximize its potential both as a spotting 'scope by day and an astronomical 'scope by night. The main text discusses how the versatile ShortTube 80 can be used to study deep sky objects, the Sun, the Moon, bright planets and even high-resolution projects, where the instrument's features can be optimized for the observation of tight double and multiple stars. It explores how the ShortTube 80 can image targets using camera phones, DSLRs and dedicated astronomical CCD imagers. Packed with practical advice gained from years of firsthand stargazing experience, this book demonstrates exactly why ShortTube 80 has remained a firm favorite among amateur astronomers for over three decades, and why it is likely to remain popular for many years to come.

Percy's Museum - Sara O'Leary 2021-04-01

A sweet story about embracing change, the excitement of discovery and the wonder of nature and new friends. A young boy moves from the city to a new home in the country. He misses his friends, but at least it's

summertime – flowers are blooming, baby birds are hatching, and caterpillars are transforming into butterflies. Enraptured by the natural world, Percy climbs trees, tastes wild strawberries and tries to catch fish in the river with his bare hands. Percy also likes to draw pictures of what he has seen that day. He collects interesting leaves and rocks, and insects in jars. Percy discovers that being alone doesn't have to be lonely, but explorers often share their findings. So, he creates a way to share his collection with others ... Percy's Museum is a sweet story about embracing change, the excitement of discovery and the wonder of nature and new friends. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.2.3 Describe how characters in a story respond to major events and challenges.

The Hunters' Haunt - Dave Duncan 2014-04-01

First seen in *The Reaver Road*—"a fun, very readable fantasy with agreeable, intelligent characters"—Omar the Storyteller returns (Metaphorosis Reviews). Omar often gets into trouble as a result of his role as the world's greatest storyteller. The wrong tale told at the wrong time to the wrong audience could prove fatal. When a slighted innkeeper threatens to kill Omar by tossing him out into the vicious storm that rages just outside the door, Omar has the chance to redeem himself by using his gift. If he can top the most outrageous tales invented by the inn's guests, he may get away with his neck intact. Soon, Omar not only tells a series of stories that would astonish the most gifted bard, but also corrects the errors of the others and weaves everything together into one absolutely compelling tale of adventure.

Star Seeker - Theresa Heine 2006

With my lunar lasso I'll loop Saturn's bright rings, And

brand all his moons With the mark of the wind.

Restitution - C E Marshall 2020-01-27

Restitution is the third book in the series that began with *When Evil Calls*. We now follow Chris and Mary's struggle to be accepted among the Dragonia whom they have joined. As the accident that turned Mary into one of the Dragonia, and subsequently Chris followed, has made them the most powerful individuals seen for centuries there is resentment among those in government. We follow their battle to change society for the better, to overcome evil once more, and to raise their new children. Finally there is the attempt to return to Earth

Rollercoasters: Starseeker Reading Guide - Frances Gregory 2009-02-12

Twinkle, Twinkle, Little Star and Spaceship, Spaceship, Zooming High - Wes Magee 2018-01-18

Read Along or Enhanced eBook: Read the traditional nursery rhyme *Twinkle, Twinkle Little Star* first, then enjoy a fun new rhyme. Can you make up a rhyme of your own?

Jofi - Ellen Tisdell McKinsey 2008-08

When three teenagers—a short, chunky, redheaded Texan, his nemesis, a tall, skinny, bully of Native American descent, and the bully's lovely blond-haired twin—all fall off San Francisco's Fisherman's Wharf, it's only the beginning. The trio will travel back to the time before the Great Flood, where they will be forced to conquer the demonic forces of King Airsod, his demon hordes, and his maniacal sidekick, Prince Reek. They will have to face all their worst fears about issues around loneliness, death, divorce, and growing up before they ultimately find their way home—as friends—having

restored the world-and their perception of it-to one where choice and love for the Great Lord prevail.

Starseeker - Phil Porter 2007

Phil Porter is the winner of the Arts Council Childrens' Award for his play "Smashed Eggs."

The Heart of Darkness - Shawn Cady 2013-01-15

The World of Aurora is a place of perils. War has wracked its empires, the Old Ones, both good and evil, have taken interest, and dark, sinister powers conspire in the shadows. And when Augdenguld finds one of its largest cities suddenly unresponsive, a small band of heroes finds an even greater enemy than the elves or the barbarians of the northern wastes. The Lich Lord has set his gaze upon their mortal world, and has readied an army to take it, piece by bloody piece. The Dreadborne has come! Lord Surthath, Old One of Fate and Knowledge, knows well the terrible forces that the Lich Lord serves, but how can one slay a foe that is already dead?

Blue Rider - Geraldo Valério 2018-03-01

"[A] dazzling vision of the way art transcends the everyday." – Publishers Weekly, STARRED REVIEW On a gray and crowded city sidewalk, a child discovers a book.

That evening, the child begins to read and is immediately carried beyond the repetitive sameness of an urban skyscape into an untamed natural landscape. The child experiences a moment of true joy, and as if in response to that single blissful moment, people seem to come alive in all the other rooms of the apartment block. Thanks to the power of one book, an entire society is transformed. In creating this book, Geraldo Valério was inspired by the German Expressionist group known as Der Blaue Reiter (The Blue Rider), which formed in Munich in 1911 and included painters Franz Marc and Wassily Kandinsky. These artists sought to find the

spiritual significance in art, with an emphasis on form and color. In turn, Valério has created a wordless book that speaks volumes about how art can transform us beyond the sometimes-dreary world of the everyday. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.1.1 Ask and answer questions about key details in a text.

Pocket Rocks - Sheree Fitch 2004-09-01

No matter how hard he tries, Ian Goobie can't do the things that the other children in his class can do. Then he finds a rock, a rock that fits perfectly into his pocket, a rock that touches all his senses and whisks him away into a whole other world. From then on, as long as he has a rock in his pocket, Ian Goobie can begin to cope with his daily challenges. That is until he stuffs so many rocks in his pockets that his pants fall down right outside in the schoolyard.

The Starseeker Gambit - Robert E. Birnschein 2012-11-11

After decades of worldwide prosperity and growth the Earth's populace has swollen past the brink of overpopulation. With unchecked industrialization and global resources nearing depletion, nature's delicate balance is tipping toward a dark future. The starships Eagle and Starseeker are part of a slowly growing interstellar fleet tasked with searching nearby star systems. Chartered by the United Earth government, their goal is to find a suitable life-supporting planet for a burgeoning humanity to colonize. Crewed by daring civilian explorers and planetary scientists the expeditionary ships have crossed hundreds of light years of space, yet have failed to discover such a planet. Bold political maneuvering has already put the future of their fleet in jeopardy, and uncharted space is fraught with dangers of its own, but when the crew of the Eagle

discover a saboteur in their midst their mission takes on a far darker edge.

Starseeker - Tim Bowler 2011-11-03

Luke is in trouble. Skin and the gang have a job for him. They want him to break into Mrs Little's house and steal the jewellery box. They want him to prove that he's got what it takes. That he's part of the gang. But Luke finds more than just a jewellery box in the house. He finds something so unexpected it will change his life forever . . . This is a wonderful, rich novel, written with lyricism, drama and power. Tackling issues of loss, love, and healing, and filled with the sense of a universe bursting with music, it is unputdownable from the first page to the last.

Joy in Mudville - Robert Raczka 2014-04-01

It had been only twenty-four hours since Mighty Casey struck out, plunging fans of the Mudville team into gloom and despair. But a new game day dawned, and Casey once again proved his might with a homer in the eighth. The Mudville nine took a one-run lead, but in the bottom of the ninth, their hurler walked three straight. Bases loaded and the starting pitcher spent, the Mudville manager was not bullish about his bullpen. With the game on the line, he called for rookie Joy Armstrong to take the mound. Could she bring joy to Mudville again?and prove that a girl can play ball as well as any boy?

Rollercoasters: Starseeker Reader - Tim Bowler
2009-02-19

Rescue in Space - Elaine Raphael 2000

While exploring strange signals coming from a large asteroid, Noah and Sera must disobey an order to rescue their friend Jiji when her animal lab is struck by asteroid fragments.

StarSeeker : 1.Rencontres - Olivier SOUBITEZ

Harry and the Hot Lava - Chris Robertson 2014-07-15

Harry is a little boy with a big imagination. One day, a simple game of "don't step on the hot lava" turns into an adventure he'll never forget! This children's picture book features the iconic art of Chris Robertson and has fun simple text perfect for beginning readers and story time.

Starseeker - S. A. McClure 2019-08-14

Second Rule of the Coven: Survive at All CostsAfter barely surviving the assassination attempts against them, Iris and Emma finally unlocked the powers they possessed all along. But at what cost?Liam is gone and Iris cannot accept that he went with Grandmother Rel willingly. The coven of blood-thirsty witches is still out there, searching for them with the intent to kill. And, the twins are now responsible for a cohort of people who had been enslaved in animal form for centuries. Together, Iris and Emma have the power to break spells and find the ones they love most, but will it be enough?A darkness is growing in Mitier, and they have only just begun to discover its danger.

Escape the Past - K. Gail McAbee 2005

In a world not too unlike our own, an escaped slave is on the run for his life. Naked and defenseless, struggling to escape from the ravaging hounds on his trail, Valerik knows that he will die. But at the last possible moment, a reprieve stands before him, in the form of Madryn, an enigmatic wanderer on a quest for her lost innocence. Together these two will dare all to right a most grievous wrong-and to prevent their world from being overcome by the darkest evil.

Nimesh the Adventurer - Ranjit Singh 2020-06-01

A big imagination can make even the dullest journey a dazzling adventure. Nimesh is walking home from school. Except...there happens to be a shark in the corridor. And a dragon in the library! And why would crossing the road lead to the North Pole? A fun-filled story about a little boy with a BIG imagination! Derby Children's Picture Book Award 2019 shortlist. Cogan Diversity Picture Book Award 2019 longlist. North Somerset Teachers' Book Award 2019 longlist. "The perfect picture book example of how to celebrate inclusion"—The Independent "An inclusive, funny, joyous book for all"—Playing by the Book "We had to read this book next in our group because one little boy was actually bouncing up and down in his seat and saying, 'When are we going to read Nimesh the Adventurer?'"—Cogan Diversity Picture Book Award

Star Seeker - Theresa Heine 2019-09-01

Journey through the night sky on a poetic trip that blends adventure, imagination and science to teach the basics of our solar system. Includes endnotes about the planets, stars, moons, constellations and even a little mythology.

Wild One - Jane Whittingham 2017-11-09

Can you stretch like a cat or hang like a bat? This little one can do those things and so many more as she bounds energetically through her day. Author Jane Whittingham's sprightly couplets take her from the park to the pool, to dinner and bed, while Noel Tuazon cleverly illustrates the animal companions of a child's imagination. Published in a sturdy format with a padded cover, rounded corners, and extra-heavy paper, this picture book is perfect for sharing with wiggly, little wild ones of your own. And as the last pages are turned, the story's final, sweet "goodnight" will leave the

liveliest listeners ready to snuggle like a bear at bedtime.

Wormhole - C E Marshall 2019-12-30

Having defeated the evil that forced the inhabitants of Paxlene, both human and animal to seek refuge at night in well lit locations. They attempt to return to Earth but reach it just before a large asteroid crashes into the Earth. They manage to cocoon a few isolated places then turn their faces back towards Paxlene. Shortly into their journey they discover that they can no longer access their controls and their course has been changed. Intercepted by friends from Paxlene both vessels are pulled towards, but not into, what they believe to be a black hole. They are met by another vessel whose occupants beg for help in sorting a problem on their planet. After much discussion and a visit to Paxlene, they agree to go with the strangers, although they are aware that there is something strange about them. They find that what they believed to be a black hole is in fact a Wormhole through space. They pass through and come out in a new galaxy and land on the planet Traymar. As they come in they are confronted by dragons. Their new friends cannot understand why they are so calm. As when they approached it appeared the whole planet was on fire. Adventure follows and two of our characters are eventually changed. They have to work hard to be accepted into this society. Another form of evil is encountered and defeated followed by another attempt to return to Earth. The story continues with the final book 'Restitution'.

Star Seeker Perils of Pyrax - E. w. Finch,, III
2018-02-26

Newly minted Second Lieutenant Wesley Edwards and the crew of the Ambassador have strayed beyond the frontier. Searching for an elusive enemy, they challenge boundaries they never thought they would face and cross to the other side. These are not borders found on any Astrographic map, but challenges of the human soul. While reaching for the light, darkness claws at their feet. Wesley is not alone in wondering if he will ever find his way back...and will he ever recognize himself in a mirror again. The Perils of Pyrax is the middle book to the third cycle in the Star Seeker Universe saga.

Everybody Sleeps (But Not Fred) - Josh Schneider
2015-04-07

A boy who will do anything to avoid bedtime finally "meets his match in this hilarious" illustrated children's book "sure to leave readers in stitches" (Kirkus, starred review). Every kind of bird and beast has to sleep, from the monkeys in the jungle to the whales in the ocean to the ants under the ground. But not Fred. His to-do list is far too long! Armed with plenty of imagination, this determined little boy and his attempts to resist bedtime are sure to strike a chord with today's over-scheduled families. Drowsy animals of all stripes look on in disbelief as Fred keeps on going and going and going, until . . . Could it be that, after so much activity, even Fred needs to rest? Shhh. Close the book softly, and please let Fred sleep

When Evil Calls - C E Marshall 2019-11-20

A whole class of boys disappear without trace from their school. Another set of boys apparently witness what

happened but are physically prevented from describing what they saw for some months. This latter group of boys separate to follow their own careers, marry and raise children, but are eventually all brought together again in an engineering capacity – despite earlier interests. Working together they devise new alloys and electronic communication devices. They build a model of machine they believe will travel through space – at the same time secretly building the parts for a full size machine. The model is tested in front of witnesses and performs perfectly but disappears from all monitoring systems for most of the test flight. While testing the new communication device a message is received from their old school friends who vanished those years ago. It takes some convincing of others that these boys (men now) are still alive but permission is given for the full size machine to be built. Whole families are smuggled aboard the machine which, rather than going for a test flight, heads for the planet where their old friends are waiting. On arrival they find that all the people there have to be underground at night and in well lit places; any person, or animal, left outside at night is found dead the next day. They explore the planet, make friends with unknown animals, but are caught outside at night. A call for help is answered and they all survive, but now have a mission to destroy the darkness. They return to Earth to pick up people versed in ancient magics and return to Paxlene where, after adventures the darkness is defeated. An attempt is made to return the special people to Earth but fails as the Earth is about to be hit by a giant Asteroid. They are able to cocoon parts of the Earth and shield them from the catastrophe, but it all happens too quickly for anyone to be returned home. They try return to Paxlene,

now free of evil, where they plan to help to build new societies out in the open, but something takes over their controls. The story continues with 'Wormhole', and will conclude with a third tale which has a working title of "Restitution".

The Star Seeker - Maggi Charles 1987

Star Seeker: Sentinels of Cis - E. Finch 2018-06-17

The Star Seeker Universe is Young Adult fiction written for adults; a throwback to mid-century modern stories of the first generation of sci-fi authors. It's space opera at its finest with gangster saurians, leonid warrior monks and ursid musketeers. Family friendly, it's a fun ride for everyone, young and old alike. Ship plans and star charts adorn the back of each book. Come, suit up, and adventure through the stars once again! Adventure 9: In orbit around a distant sun named Cis, Wesley and the crew of the Ambassador discover one of the Universe's hidden miracles - a star with four planets in the habitable zone. Already stretched to the breaking point operationally, the Scouts encounter a malevolence older than the Confederate Star Systems itself: guardians in possession of higher technology than their own. As their equipment fails them, the Scouts are thrown back on their own resourcefulness: quick wits and quick action. The Sentinels of Cis is the conclusion to the third

cycle in the Star Seeker Universe saga. "These are the stories that Heinlein penned in his early years, with touches of Niven and Edgar Rice Burroughs." Chris Fennell, Sculptor, Fennell Studios "The only Christian book I've read about teenagers adventuring in space. It reminded me of Ender's Game, only it's less dark. Eowyn Lewis, Musician "It takes me back to the days when I played the Traveller RPG. It's a clean, fun story geared for teenagers who are interested in Sci-Fi adventure in the far future. Greg Svenson, Beta Tester: Original D&D Mysterious aliens, deadly planets and reprobate space pirates: it's all here. Check out The Perils of Pyrax and the other books in the Star Seeker Universe. Adventures in space; hours of family-friendly sci-fi fun.

Shepherd Starseeker - Neile Stallings 2014-08-29

Two women meet online and form the closest of friendships. Pip Harrington, a once joyful and independent woman struggles to overcome a debilitating anxiety disorder that threatens to destroy her life. Maggie Kearney, a shy introvert from South Africa chooses to seclude herself in her LA apartment after a paparazzi photo brings public ridicule upon her. Although they have never met, these two strangers buoy each other through five years of turbulent times. Now as their worlds are destined to collide, Maggie struggles to conceal her true identity from the only friend she's ever had. A surprise discovery leads Pip to question if she can find a haven of safety and hope without betraying her friend, or the man they both love. Immersed in secrecy and glamour, Shepherd Starseeker explores the enigmatic forces that guide our paths to cross and help us connect in a sea of uncertainty.
