Falling in Love with the King of Beasts -
AimeeLynn 2021-07-27

Elia is a poor university student until the night she's taken to the world of the Anima—ruled by humans whose ancient hearts pulse with the blood of animals. There she's forced into a battle to the death. But when Elia survives, and refuses to kill her final opponent, the King must either kill Elia himself, or take her as his mate. Reth, the brutal King of the Beasts with the blood of lions, shocks everyone when he chooses the weak, human Elia to become his Queen. He promises her every comfort of his wealth and position—but he is clear: She will not warm his bed. He chose her to defeat those that were trying to corner him

into blending his Leonine line with the Wolves. Elia needs the help of the Anima to become stronger and rule them well. But the vengeful Wolves see only a weak human that brought them shame. As Elia and Reth grow closer, the wolves are determined to destroy her. Will Reth and Elia admit their feelings for each in time to fight for the Kingdom—and their lives—against the villainous wolf-tribe? Or will the wolves kill Elia and steal the throne? [Mature content - no sexual violence] ***** He stalked towards her, chin low so the shadow cast by his hard jaw cut across the thick fur collar of his vest. His hair had fallen over his eyes in the scuffle, so he peered at her through it like a lion in the grass. With each step, his graceful, rolling gait reminded her of a predator stalking its prey. Despite the forest floor littered in twigs and leaves, he didn't make a sound. "Wh-who are you?" Elia stammered,

backing away, her hands up. He met her step for step until she came up hard against the tree behind her—and didn't stop until he loomed over her, so broad his shoulders and chest made a wall in front of her. She could feel the heat rising off his skin in the cool, night air. "I am the Leonine King." His voice was a dark, husky gravel. Behind him a chorus of wheezes, howls, and chirps of agreement rose from the people watching. "And you are?" "Elia," she breathed. "Elia," he growled, leaning in closer, bringing with him the scent of pine and rain and the musk of something distinctly male. "I am Reth." He said the name with a strange, guttural roll in his throat. "I am King of Beasts. I am Clan Leader, and I am Alpha of WildWood." Several snarls rose from the crowds behind him then, but he ignored them. Elia swallowed as he leaned in until the scruff on his jaw rasped her cheek. "I am the King," he said, "And you will be my mate." The forest behind him erupted. (Cover Art used by permission. Heir of Fire - Sarah J. Maas 2014-09-02

The heir of ash and fire bows to no one. A new threat rises in the third book in the #1 bestselling Throne of Glass series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth.

That truth could change her life-and her future-forever. Meanwhile, monstrous forces are gathering on the horizon, intent on enslaving her world. To defeat them, Celaena will need the strength not only to fight the evil that is about to be unleashed but also to harness her inner demons. If she is to win this battle, she must find the courage to face her destiny-and burn brighter than ever before. The third book in the #1 New York Times bestselling Throne of Glass series continues Celaena's epic journey from woman to warrior.

The Love of a Lycan - jikanyotomare 2020-12-18

Download Webnovel and chereads to read *The Love of a Lycan* A year ago Raine was discharged from mental institution and had to live in the orphanage. It wasn't the best place. At least not for someone like her. Until one faithful night she met him. *** He stopped the car. The clutched on the blanket tightened as Raine wonder if she did something wrong. She could feel it when Torak reached out his hand at her. Will he hit me? Raine shivered with that thought. Torak pulled back the hoodie off her head and gently tucked her hair behind her ear. "Don't." He said firmly, "I want to see you, don't hide yourself..." ***** "The spirit of the guardian angel will breathe new life into human child. Three guardian angels will be born into terrestrial world once again and the three of you will be their protectors." "Protectors!!?" Jedrek snapped.

In the end, he stopped walking and turned his back to look at the moon goddess from far distance away, his eyes glistening red with anger. His wolf was livid. "Why do you think we will help?" Kace asked while narrowing his black obsidian eyes, his wolf took control of him. He was the youngest among the three and the less temperamental among them. The three of them were cursed by Selene because of their ferocious action to gain supreme power and authority. The moon goddess didn't bless them with a mate as a punishment of their atrocious way and forced them to involve in this deadly war with the demons. "You will turn us into a slave for those sickly creatures!?" Torak asked incredulously. "Aren't you afraid that we will snap them into two?" The guardian angel was so fragile and they as lycanthropes didn't appreciate the weaknesses. "No, you will not." Selene said patiently. "You will not be their slave nor hurt them, you will cherish them in every way possible." Jedrek laughed menacingly upon hearing this, they didn't care about the resurrected of the beast, once they crossed their territory, with or without the guardian angel he would tear their body apart. "I will be the last person they will see, once I find them." He was referring to both the guardian angel and the demon. But, the next voice from Selene was laced with mirth when she spoke. "You will not hurt your mate."

The Call of the Wild - Jack London 1903

Broken Wolf - Young 2021-10-15
Is there such a thing as second chances?Our
mission is simple: track down my mother and find
a way to save my sister from the witches. Should

be easy, except in our world, nothing ever goes to plan, especially when you're traveling with four sexy, Viking Alphas who are ready to start a war to take ownership of the Savage sector? and me! The more I spend time with them, the more I feel my mind, body, and soul bending to their wills and desires. This complicates things, especially when my past returns with vengeance. As if that wasn't bad enough, the dangerously wicked Alphas I've grown close to have been cursed to remain by my side whether they want to or not, making it much harder to trust them. Because sometimes betrayal by those closest to you can end up destroying you.

Hacker, Hoaxer, Whistleblower, Spy - Gabriella Coleman 2015-10-06

The ultimate book on the worldwide movement of hackers, pranksters, and activists collectively known as Anonymous—by the writer the Huffington Post says “knows all of Anonymous’ deepest, darkest secrets” “A work of anthropology that sometimes echoes a John le Carré novel.” —Wired Half a dozen years ago, anthropologist Gabriella Coleman set out to study the rise of this global phenomenon just as some of its members were turning to political protest and dangerous disruption (before Anonymous shot to fame as a key player in the battles over WikiLeaks, the Arab Spring, and Occupy Wall Street). She ended up becoming so closely connected to Anonymous that the tricky story of

her inside–outside status as Anon confidante, interpreter, and erstwhile mouthpiece forms one of the themes of this witty and entirely engrossing book. The narrative brims with details unearthed from within a notoriously mysterious subculture, whose semi-legendary tricksters—such as Topiary, tflow, Anachaos, and Sabu—emerge as complex, diverse, politically and culturally sophisticated people. Propelled by years of chats and encounters with a multitude of hackers, including imprisoned activist Jeremy Hammond and the double agent who helped put him away, Hector Monsegur, Hacker, Hoaxer, Whistleblower, *Spy* is filled with insights into the meaning of digital activism and little understood facets of culture in the Internet age, including the history of “trolling,” the ethics and metaphysics of hacking, and the origins and manifold meanings of “the lulz.”

Soul Taken - Patricia Briggs 2022-08-23

Mercy Thompson, car mechanic and shapeshifter, must face her greatest fears in this chilling entry in the #1 New York Times bestselling series. The vampire Wulfe is missing. Since he's deadly, possibly insane, and his current idea of “fun” is stalking me, some may see it as no great loss. But, warned that his disappearance might bring down the carefully constructed alliances that keep our pack safe, my mate and I must find Wulfe—and hope he's still alive. As alive as a vampire can be, anyway. But Wulfe isn't the only

one who has disappeared. And now there are bodies, too. Has the Harvester returned to the Tri-Cities, reaping souls with his cursed sickle? Or is he just a character from a B horror movie and our enemy is someone else? The farther I follow Wulfe's trail, the more twisted—and darker—the path becomes. I need to figure out what's going on before the next body on the ground is mine.

Wanted by the Elven King - Charlene Hartnady
2017-08-12

From the bestselling Chosen Series Keto is soon to be crowned. He doesn't feel quite ready even though it's a day he's been working towards his whole life. There are many changes he wants to bring about, all for the betterment of his people. He has a kingdom to run and a council to win over. Elven kings can be voted out of power by their councils. So has she and all for the better. Still tall and athletic, but curved in all the right places, and just as feisty as ever. So damned uncivilized and he loves every minute. Find an elven female... do it now ... he must keep his focus on a future mate. Keto wants

the vampire female one last time though...just once. Then he'll see about a mate...an elven mate. It's not like he has a choice! This Story Contains strong sexual themes/language and is not intended for readers under the age of 18.

Wolf Rampant Trilogy - Aimee Eaterling
2017-01-07

Meet Terra Wilder, a shiftless shifter uncomfortable in her own animal skin. Throw in a healthy helping of Wolfie Young, a bloodling alpha who's more wolf than man. Mix with a dash of Terra's controlling father and Wolfie's sadistic brother. Then fold in a heaping handful of unconventional outcasts. The result is a unique werewolf world that has been described as a "good choice for Patricia Briggs fans." This compilation contains the full text of *Shiftless*, *Pack Princess*, and *Alpha Ascendant*.

Broken Blade - J.C. Daniels 2014-01-06

Kit Colbana: assassin, thief, investigator extraordinaire. Now broken. She always expected her past to catch up with her but never like this. Haunted by nightmares and stripped of her identity, she's retreated to Wolf Haven, the no-man's land where she found refuge years before. But while she might want to hide away from the rest of the world, the rest of the world isn't taking the hint. Dragged kicking and screaming back into life, Kit is thrust head-first into an investigation surrounding the theft of an ancient relic...one that she wants nothing to do with. Her instincts tell her

it's a bad idea to just leave the relic lying about, but finding it might be just as bad. Forced to face her nightmares, she uncovers hidden strength and comes face to face with one of the world's original monsters. If she survives the job, she won't be the same...and neither will those closest to her.

Drakas! - S.M. Stirling 2000-11-01

THINK ABOUT HISTORY. NOW MAKE IT WORSE... The Domination of the Draka begins as a British possession in Africa, but soon becomes far more. Absorbing refugees after the American Revolution, and later the Civil War, the Draka become a people bred to rule with an iron fist. They permanently enslave the peoples of Africa, when they do not simply kill them. But this does not slake the Draka thirst for power. Sweeping across the world, the Draka empire engulfs nation after nation, shackling into servitude all who are not Draka. Europe, Asia, and finally all the Earth and its colonies throughout the Solar System fall before the might of the Draka. But empires are not faceless monoliths; they are made of individuals, complex humans with their own hopes and dreams. And so one might ask: Who are the Draka? What sort of people does the Domination rule? The Draka would have many different answers... ..and this is their story.

The Global Investigative Journalism Casebook - Mark Hunter 2012

Spell of the Highlander - Karen Marie Moning 2009

The Bride Hunt - Jane Feather 2004-03-02

In Jane Feather's dazzling, irresistible romance, London's most charming matchmakers are faced with a ruinous lawsuit—and now Prudence, the brainy, beautiful middle sister, must save them. Soon after the Duncan sisters' personals service turns a profit, their controversial newspaper *The Mayfair Lady* offends a powerful earl—who is now determined to demolish them in court. In dire need of counsel, the women turn to England's most sought after young barrister. Sir Gideon Malvern is notorious for his aggressive style—and his love of a challenge. Spirited Prudence, with her beauty unsuccessfully hidden behind spectacles and frumpy clothes, provides him with exactly that. But how in the world will the Duncan sisters be able to afford Gideon's fee? Prudence proposes a barter: Gideon defends their case; they find him a bride. It's an exchange of services even this most cynical single barrister cannot refuse.

Chosen by the Vampire Kings - Charlene Hartnady 2016-07-26

Every hundred years, tradition dictates that all

eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as she's concerned it's an outdated, sexist event and if it wasn't mandatory she so wouldn't be here. It's not important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, there's no going back. But her home is in Sweetwater. Being forced to live amongst the vampire species...big gulp...forced to mate with a vampire...is not what she had in mind for herself. Maybe she can convince him to let her go, to pick again. If not, she'll have to find a way to escape his - very muscled and rather delicious - clutches.

Talking to Strangers - Malcolm Gladwell

2019-09-10

Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination

of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? *Talking to Strangers* is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.

Pestilence (The Four Horsemen Book #1) - Laura Thalassa 2021-06-04

Kiss of Steel - Bec McMaster 2012-09-01

"Action, adventure, steampunk, and blazing hot seduction...Bec McMaster offers it all."—Eve Silver, author of *Sins of the Flesh* A brilliantly creative debut where vampires, werewolves, and clockwork creatures roam the mist-shrouded streets of London... When Nowhere is Safe Most people avoid the dreaded Whitechapel district. For Honoria Todd, it's the last safe haven. But at what price? Blade is known as the master of the rookeries—no one dares cross him. It's been said he faced down the Echelon's army single-handedly, that ever since being infected by the blood-craving he's been quicker, stronger, and almost immortal. When Honoria shows up at his door, his tenuous control comes close to snapping. She's so...innocent. He doesn't see her backbone of steel—or that she could be the very salvation he's been seeking.

Nineteen Minutes - Jodi Picoult 2013-01-22

The daughter of a judge in a New Hampshire school shooting case witnessed the events but cannot remember the last several minutes of the attack.

Principles of Fraud Examination - Joseph T. Wells 2014-04-21

Accountants have historically had an important role in the detection and deterrence of fraud. As

Joe Wells' *Principles of Fraud Examination* 4th edition illustrates, fraud is much more than numbers; books and records don't commit fraud – people do. Widely embraced by fraud examination instructors across the country, *Principles of Fraud Examination*, 4th Edition, by Joseph Wells, is written to provide a broad understanding of fraud to today's accounting students – what it is and how it is committed, prevented, detected, and resolved. This 4th edition of the text includes a chapter on frauds perpetrated against organizations by individuals outside their staff—a growing threat for many entities as commerce increasingly crosses technological and geographical borders.

Covert Game - Christine Feehan 2018-03-20

Treason, torture and temptation haunt the GhostWalkers in their most dangerous adventure yet, as Christine Feehan's #1 New York Times bestselling series hits an explosive new high. Rescuing an industrial spy from the hands of a criminal mastermind is a suicide mission for the GhostWalkers. And there's no one more up to the task than Gino Mazza. He's the perfect killing machine—a man driven by demons so dark and destructive that his blighted soul has given up trying to find solace. But his laser-sharp focus on his target has transformed into something nearing desire. A treasonous senator dangled top secret GhostWalker data in front of a Chinese crime lord, and he bit. Zara Hightower, one of the

world's leading experts on artificial intelligence, was sent in to psychically wipe the crime lord's computer network. She succeeded, but at a huge cost. Now she's the captive of a man who has descended into paranoid madness. Torture and death await her... But GhostWalkers never leave one of their own in enemy territory. And it's up to Gino to save Zara, or kill her if it turns out she's led them into a trap. Either way, heaven or hell won't stop him...

Chosen by Fate, Rejected by the Alpha - Deni
Chance 2020-11-06

Eighteen-year-old Trinity is unlike any other werewolf in her pack. For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway." What is the sexy, brooding Alpha going to do? The elders are making him hold these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha

Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? "This cannot be!" I roared. "There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." "I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other?

Breaking Dawn - Stephenie Meyer 2008-08-02

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for

Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1

bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

[The Beautiful](#) - Renée Ahdieh 2021-06-29

Now in paperback, the first book--an instant bestseller--in the sumptuous, sultry, and romantic YA vampire series from New York Times bestselling author Renee Ahdieh. In 1872, New Orleans is a city ruled by the dead. But to seventeen-year-old Celine Rousseau, New Orleans is a safe haven after she's forced to flee her life as a dressmaker in Paris. Taken in by the sisters of the Ursuline convent, Celine is quickly enraptured by the vibrant city becoming embroiled

in the glitzy underworld, known as La Cour des Lions, after catching the eye of the group's enigmatic leader, Sébastien Saint Germain. When the body of one of the girls from the convent is found in Sébastien's own lair--the second dead girl to turn up in recent weeks--Celine must battle her attraction to Sébastien and suspicions about his guilt along with the shame of her own horrible secret.

Pre-Incident Indicators of Terrorist Incidents -

Brent L. Smith 2011-01

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

The Smoke Thief - Shana Abé 2005-09-27

For centuries they've lived in secret among

northern England's green and misted hills. Creatures of extraordinary beauty, power, and sensuality, they possess the ability to shape-shift from human to dragon and back again. Now their secret—and their survival—is threatened by a temptation that will break every boundary. . . .

Dubbed the Smoke Thief, a daring jewel thief is confounding the London police. His wealthy victims claim the master burglar can walk through walls and vanish into thin air. But Christoff, the charismatic Marquess of Langford, knows the truth: the thief is no ordinary human but a “runner” who's fled Darkfrith without permission. As Alpha leader of the dra'kon, it's Kit's duty to capture the fugitive before the secrets of the tribe are revealed to mortals. But not even Kit suspects that the Smoke Thief could be a woman. Clarissa Rue Hawthorne knew her dangerous exploits would attract the attention of the dra'kon. But she didn't expect Christoff himself to come to London, dangling the tribe's most valuable jewel—the Langford Diamond—as bait. For as long as she could remember, Rue had lived the life of a halfling—half dra'kon, half mortal—and an outcast in both worlds. She'd always loved the handsome and willful Kit from the only place it was safe: from afar. But now she was no longer the shy, timid girl she'd once been. She was the first woman capable of making the Turn in four generations. So why did she still feel the same dizzying sense of vulnerability whenever he was

near? From the moment he saw her, Kit knew that the alluring and powerful beauty was every bit his Alpha equal and destined to be his bride. And by the harsh laws of the dra'kon, Rue knew that she was the property of the marquess. But they will risk banishment and worse for a chance at something greater. For now Rue is his prisoner, the diamond has disappeared, and she's made the kind of dangerous proposition a man like Kit cannot resist. . . . In this bewitching novel, Shana Abé transports us into a world of exhilarating romance and magic.

Hunt Mates - Mary Hughes 2017-11-01

Her whole future is endangered by a theft. When her new boss finds out, will he condemn her or save her? “What a brilliant, action packed, paranormal adventure and romance this proved to be!” ~Splashes Into Books on Mind Mates A theft. They think it's me. I can tell by their scent. I don't care what any of them think—except for him. My new boss is big, strong, and handsome...and though his scent is luscious, I can't read it. That's impossible. Iota wolf shifter Emma Singer has just snared a coveted job at Gabriel Light's Choice Buy store when a pricey high-tech phone is stolen—and it looks like Emma's the thief. How can she convince her new boss she's innocent? Wizard prince Gabriel Light has bigger problems than the fact that his store has been robbed. A

chance touch of his new hire lights a bonfire of lust in him. But witch + shifter = stupidly huge taboo. If the Witches' Council finds out, they'll have his head. Literally. Yet the more Gabriel uncovers about the crime, the more unsettled he is. Especially when the thief returns and seems to be deliberately targeting Emma...

Morphology of the Folk Tale - V. Propp

2010-06-03

This seminal work by the renowned Russian folklorist presents his groundbreaking structural analysis of classic fairytales and their genres. One of the most influential works of 20th century literary criticism, Vladimir Propp's *Morphology of the Folk Tale* is essential reading for anyone interested in examining the structural characteristics of fairytales. Since it first appeared in English in 1958, this groundbreaking study has had a major impact on the work of folklorists, linguists, anthropologists, and literary critics. "Propp's work is seminal...[and], now that it is available in a new edition, should be even more valuable to folklorists who are directing their attention to the form of the folktale, especially those structural characteristics which are common to many entries coming from different cultures."—Choice

Wicked Intentions - J. T. Geissinger 2017-07-18

In the Caribbean for his best friend's wedding, ex special-ops officer Ryan McLean meets a beautiful woman in the hotel bar. Their connection

is immediate and intense, and they spend a passionate night together with pleasure as their only goal. But when Ryan wakes the following morning to discover the beautiful woman vanished--along with millions worth of jewels from the safe of the Saudi prince staying next door--he realizes he was duped. He becomes determined to find the mystery woman and bring her to justice...if only he could forget how explosive their chemistry was. A notorious thief known as the Dragonfly, Mariana has only more more job to do until she can retire, but the sexy-as-hell Marine she spent one sultry tropical night with is hot on her heels at every turn. She has to outwit him to stay out of jail, but fighting their magnetic attraction soon becomes a game neither one of them can resist. When Mariana's last job goes dangerously wrong and she needs Ryan's help to survive, he has to decide if their game of cat and mouse is only a game, or if he can trust this beautiful thief with something no woman has ever stolen: his heart.

The Sibylline Oracles (Annotated Edition) - Milton S. Terry 2012

This is the extended and annotated edition

including * an extensive annotation of almost 10.000 words about the oracles in religion * an interactive table-of-contents * perfect formatting for electronic reading devices THE Sibyls occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl "who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods." The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent

collection of oracles was made, but, if so, there is now no certainty that any fragments of them remain.

Darkfever - Karen Marie Moning 2006-10-31

MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims

the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . Women Who Run with the Wolves - Clarissa Pinkola Estés Phd 1995-08-22
NEW YORK TIMES BESTSELLER • One million copies sold! “A deeply spiritual book [that] honors what is tough, smart and untamed in women.”—The Washington Post Book World
Book club pick for Emma Watson’s *Our Shared Shelf* Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society’s attempt to “civilize” us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature.

Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

[The Tiger and the Wolf](#) - Adrian Tchaikovsky
2016-02-11

The first in the *Echoes of the Fall* series, *The Tiger and the Wolf* is an epic fantasy novel by Adrian Tchaikovsky, winner of the Arthur C. Clarke Award and British Fantasy Award for Best Novel. ‘One of the most interesting and accomplished writers in speculative fiction’ – Christopher Paolini
In the bleak northern crown of the world, war is coming . . . Maniye’s father is the Wolf clan’s chieftain, but she’s an outcast. Her mother was queen of the Tiger and these tribes have been enemies for generations. Maniye also hides a deadly secret. All can shift into their clan’s animal form, but Maniye can take on tiger and wolf shapes. She refuses to disown half her soul so escapes, rescuing a prisoner of the Wolf clan in the process. The killer Broken Axe is set on their trail to drag them back for retribution. The Wolf chieftain plots to rule the north, and controlling his daughter is crucial to his schemes. However, other tribes also prepare for strife. Strangers from the far south appear too, seeking

allies in their own conflict. It's a season for omens as priests foresee danger and a darkness falling across the land. Some say a great war is coming, overshadowing even Wolf ambitions. A time of testing and broken laws is near – but what spark will set the world ablaze? Continue this sweeping coming-of-age fantasy with *The Bear and the Serpent*.

The Wretched of the Earth - Frantz Fanon
2007-12-01

The sixtieth anniversary edition of Frantz Fanon's landmark text, now with a new introduction by

Cornel West First published in 1961, and reissued in this sixtieth anniversary edition with a powerful new introduction by Cornel West, Frantz Fanon's *The Wretched of the Earth* is a masterful and timeless interrogation of race, colonialism, psychological trauma, and revolutionary struggle, and a continuing influence on movements from Black Lives Matter to decolonization. A landmark text for revolutionaries and activists, *The Wretched of the Earth* is an eternal touchstone for civil rights, anti-colonialism, psychiatric studies, and Black consciousness movements around the world. Alongside Cornel West's introduction, the book features critical essays by Jean-Paul Sartre and Homi K. Bhabha. This sixtieth anniversary edition of Fanon's most famous text stands proudly alongside such pillars of anti-colonialism and anti-racism as Edward Said's *Orientalism* and *The Autobiography of Malcolm X*.

Pretty Hostage - Julia Sykes 2019-11-12

A dark romance from USA Today bestselling author Julia Sykes "She's yours now." With those three words, my boss gives me a gift: permission to kidnap and keep the woman I've wanted for years. Ever since we were teenagers, I've denied my desire for Sofia. Despite her father's involvement in running our cocaine empire, Caesar Hernández has carefully sheltered her from the brutal realities of our world. She's always been far too innocent and pure for me to drag her out of her charmed life and into my depravities.

But Caesar chose to betray my ruthless boss. He'll have to prove his loyalty once again if he doesn't want any harm to come to his beloved daughter. I have her now, and he's well aware of my sadistic proclivities. I tried to save her from this, but I can't fight my savage nature when Sofia is in my home and under my command. She'll learn to obey me unquestioningly if she wants to earn any of her freedoms back. Sofia's

going to be my good girl, fulfilling all the dark fantasies I've suppressed for years. I'll do whatever it takes to keep my pretty hostage. If anyone tries to steal her from me, I'll start a war to protect my most precious possession. Sofia is mine, and I'll never let her go.
