Managing Behavior in Organizations - Jerald Greenberg 2005

This excellent paperback provides a brief, yet comprehensive tour of the scientific and practical highlights of organizational behavior (OB). It gets right to the point by focusing on essential concepts and practices that those in business really need to know. It allows readers to understand and appreciate the essentials of OB as a practical and scientific field by providing a good balance between research/theory and practical applications for the concepts presented. A long list of cutting-edge topics are covered in this easy-to-understand, conversationally-written book. It includes integrated coverage of Internet/Web-based organizational behavior concepts with special treatment of e-commerce, and includes practical tips and suggestions telling readers how to apply OB in their own jobs. Coverage includes: individual behavior, group behavior, and organizational processes. A especially handy reference for practicing managers and executives in corporate training programs.

Strategic Management: Text and Cases - Alan Eisner 2013-09-23

Strategic Management: Text and Cases, Seventh Edition, written by the well respected authors Dess/Lumpkin/Eisner/McNamara provide solid treatment of traditional topics in strategic management as well as thorough coverage of contemporary topics such intellectual assets, entrepreneurship, innovation, knowledge management, internet strategies, crowdsourcing, environmental sustainability. The accessible writing style and wealth of new and updated illustrations, which clarify the most difficult topics, make this title an excellent resource for your students. The new case selections emphasise variety, currency, and familiar company names. The cases are up-to-date in terms of both financial data and strategic issues. This group of cases gives both instructors and students unparalleled quality and variety. Based on consistent reviewer feedback, these selections combine comprehensive and shorter length cases about well known companies.

Strategic Management in Action - Mary K. Coulter 2002
This integrates the most current strategic management theories and practices in an engaging and exciting format. Features include : comprehensive cases at the end of the text including companies such as Amazon.com, Levi-Strauss and Starbucks ; and a companion web site (www.prenhall.com/coulter) which gives students access to online study guides, Internet resources and related exercises.

Strategic Management - Gregory G. Dess 2005
Strategic Management: Text and Cases, 2nd Edition, by Dess/Lumpkin/Eisner is both readable and rigorous - written for today's student. A rocket-ship in its first edition, the revision continues to provide solid treatment of traditional topics in strategic management, as well as contemporary topics like entrepreneurship, knowledge management, and internet strategies. The prestigious author team understands the importance of thorough, modern concepts illustrated by rich, relevant and teachable cases. The new case selections emphasize variety, currency, and familiar company names. The cases are up-to-date in terms of both financial data and strategic issues. This group of cases gives both instructors and students unparalleled quality and variety. Based on consistent reviewer feedback, these selections combine comprehensive and shorter length cases about well known companies.

Realizing Business Model Innovation - Martin Trapp
2014-02-06

Today's profound environmental dynamics render it increasingly difficult for firms to sustain business models with returns above the industry average. Business model innovation aims to seize a new opportunity by crafting the right new business model. It offers firms a path back to high returns and profitable growth. However, risk aversion and organizational rigidities may immobilize established industry players. Martin Trapp employs an explorative multiple-case study covering large European corporations to identify management practices. These practices support business unit

managers in successfully realizing business model innovation and, together, establish a deliberate, strategic-level management approach.

Strategy - David J. Ketchen 2008

Encyclopedia of Management - Marilyn M. Helms 2006
This updated fifth edition of Encyclopedia of Management covers more than 300 topics in management theories and applications, written by academics and business professionals. All information has been reviewed and edited by the esteemed Dr. Marilyn M. Helms, sesquicentennial endowed chair and professor of management at Dalton State College.

Strategic Management - Gregory G. Dess 2009-10-15

Impact of Diversity on Organization and Career Development - Hughes, Claretha 2014-11-30

Today's workforce represents individuals of various backgrounds and experiences. The influence of such individuals is becoming an important component in the workplace and researchers continue to explore the challenges of understanding the connection between employee profiles and the overall success of a company. Impact of Diversity on Organization and Career Development brings together a reflective discussion on the previous approaches and strategies of companies in relation to the paradigm shift in workplace equity of today's workforce. By examining both old and new strategies, the research included in this publication will present a unique approach for future company enhancement and employee success. This publication is an essential reference source for researchers, practitioners, managers, and students interested in the effects of multicultural representation on both a company and its employees through professional growth and advancement.

Contemporary Strategy Analysis Text Only - Robert M. Grant 2014-09-23

Robert M. Grant combines a highly accessible writing style with a concentration on the fundamentals of value

creation and an emphasis on practicality in this leading strategy text. In this new edition, he includes an even greater focus on strategy implementation that reflects the needs of firms to reconcile scale economies with entrepreneurial flexibility, innovation with cost efficiency, and globalization with local responsiveness. This edition also incorporates some of the key strategic issues of today including: post-financial crisis adjustment, the continuing rise of China, India and Brazil, and the increased emphasis on ethics and sustainability. Coverage is also provided on strategy in not-for-profit organizations. Contemporary Strategy Analysis, 8th Edition, is suitable for both MBA and advanced undergraduate students. It has been adopted by leading business schools all across the world.

Organization and Administration of Adult Education

Programs - Steven W. Schmidt 2016-08-01

Administrators of adult education programs work in dynamic and ever-changing environments. They are continually challenged with a myriad of issues related to program budgeting, marketing, strategic planning, funding, human resources, and other topics. With decades of real world experience in the field, Steven Schmidt and Susan Yelich Biniecki have developed a practical guide for those who are involved in the organization and administration of educational programs for adults.

Whether you work in the human resource department of a corporation, a grass-roots community organization, a higher education unit, a consulting company, or any other type of organization that provides adult education, this book is for you. In a no-nonsense approach, Organization and Administration of Adult Education Programs: A Guide for Practitioners "talks" to you as an administrator about topics that are important to you. Guidelines, processes, and procedures discussed in the book can help to make you a more effective practitioner. Scenarios, role plays, and activities are also included for classroom use and personal reflection.

Mastering Strategy: Workshops for Business Success - Michael R. Braun 2014-01-27

Fun to read yet full of powerful business information, this guide provides a comprehensive toolkit for crafting winning strategies in today's competitive environment. • Presents the most effective and useful strategy concepts and frameworks in a condensed, easy-to-grasp and entertaining manner that anyone or any business can benefit from • Provides many current and classic examples to show the application of the frameworks, making key concepts easy to understand • Organizes information in a logical order where concepts presented in previous workshops provides the base for additional ideas or strategies, giving readers a synergistic, comprehensive picture of strategic challenges and opportunities • Shows readers not just how to craft marketing strategy but also how to advocate for their strategic ideas

Strategic Decisions - Vassilis Papadakis 2012-12-06

Over the past ten years, there has been growing interest in the process of strategic decision-making among both managers and researchers. Strategic decisions are important for five main reasons: They are large-scale, risky and hard to reverse; they are a bridge between deliberate and emerging strategies; they can be a major source of organizational learning; they play an important part in the development of individual managers and they cut across functions and academic disciplines. Strategic Decisions summarizes the current state of the art in research on strategic decision-making, with chapters prepared by leading strategy researchers. The editors also present implications for current application and proposed directions for future research.

Strategic Management - Fred R. David 2015

"In today's economy, gaining and sustaining a competitive advantage is harder than ever. Strategic Management captures the complexity of the current business environment and delivers the latest skills and concepts with unrivaled clarity, helping students develop their own cutting-edge strategy through skill-developing exercises"--Publisher's website.

Sustainable Strategic Management - Jean Garner Stead

2017-09-08

"Sustainable strategic management" refers to strategic management policies and processes that seek competitive advantages consistent with a core value of environmental sustainability. This book has been specifically written as a text to augment traditional graduate and undergraduate management courses on strategic management. It fills the need for a strategy text that gives full attention to sustainability and environmental protection. The authors have structured the book to follow the usual order of topics in any standard management text. Sustainable Strategic Management also features an on-going, chapter-by-chapter case study (Eastman Chemical Company) that exemplifies many of the principles of environmentally sound management practices. From creating organizational visions, to formulating goals and strategies, to strategy implementation and evaluation, this book provides readers with new ways of thinking about their organization's role in the greater society and ecosystem. From the Authors' Preface: Ours is the first book to integrate sustainability into strategic management. It covers the full gamut of strategic management concepts and processes that would be expected in any quality strategic management book, and it does so in a way that thoroughly weaves sustainability into each and every one of them. Students using this book understand such things as: why reducing materials and energy intensity is an effective functional level strategy, why socially differentiated products command premium prices, and why a business ecosystem pursuing a vision of social and ecological responsibility can dominate its market. Further, because the book is relatively short, reasonably priced, and very thorough in its coverage of strategic management concepts and ideas, it can be used either as a stand-alone text for graduate and undergraduate strategic management courses, as a supplement to another book, or as one of a group of short texts.

Corporate Level Strategy - Olivier Furrer 2016-04-13

The challenges faced by diversified corporations—firms that operate in more than one industry or market—have changed over the years. In this new edition, Olivier Furrer helps students of corporate strategy to consider the impact of critical changes in resources, businesses and headquarters roles on the firm's ability for establishing and sustaining corporate advantage. New to this edition are stimulating pedagogical features and additional material such as a new chapter on the theoretical foundations of multibusiness firms, along with a host of new examples from across the world. A companion website supplements the book, providing PowerPoint slides, a test bank of questions, and lists of suggested case studies.

Leading Change in Multiple Contexts - Gill Robinson Hickman 2009-07-15

The first book to bring together both leadership and change theories, concepts, and processes, *Leading Change in Multiple Contexts* uses a consistent framework and the latest research to help readers understand and apply the concepts and practices of leading change. Leadership and Nursing Care Management - Diane Huber 2013-09-24

Research Notes in each chapter summarize relevant nursing leadership and management studies and show how research findings can be applied in practice. Leadership and Management Behavior boxes in each chapter highlight the performance and conduct expected of nurse leaders, managers, and executives. Leading and Managing Defined boxes in each chapter list key terminology related to leadership and management, and their definitions. Case Studies at the end of each chapter present real-world leadership and management situations and illustrate how key chapter concepts can be applied to actual practice. Critical Thinking Questions at the end of each chapter present clinical situations followed by critical thinking questions that allow you to reflect on chapter content, critically analyze the information, and apply it to the situation. A new Patient Acuity chapter uses evidence-based tools to discuss how patient acuity measurement can be done in ways that are specific to nursing. A reader-friendly format breaks key content into easy-to-scan bulleted lists. Chapters are divided according to the AONE competencies for nurse leaders, managers, and executives. Practical Tips boxes highlight useful strategies for applying leadership and management skills to practice.

Understanding and Managing Diversity - Carol P. Harvey 2012

Written for courses in human resource management and

organizational behaviour, this text combines varied readings, cases and exercises to prepare students to enter an increasingly broad workplace where diversity must be understood.

Strategic Management (color) - 2020-08-18

Strategic Management (2020) is a 325-page open educational resource designed as an introduction to the key topics and themes of strategic management. The open textbook is intended for a senior capstone course in an undergraduate business program and suitable for a wide range of undergraduate business students including those majoring in marketing, management, business administration, accounting, finance, real estate, business information technology, and hospitality and tourism. The text presents examples of familiar companies and personalities to illustrate the different strategies used by today's firms and how they go about implementing those strategies. It includes case studies, end of section key takeaways, exercises, and links to external videos, and an end-of-book glossary. The text is ideal for courses which focus on how organizations operate at the strategic level to be successful. Students will learn how to conduct case analyses, measure organizational performance, and conduct external and internal analyses.

Strategic Management: Creating Competitive Advantages - Theodore Peridis 2018-02-19

Dess Fifth Canadian Edition reflects the state-of-the-art thinking in the field of strategic management and brings into focus the Canadian business landscape and the uniqueness of Canada's economic, political, historical, and social evolution. The Fifth Edition preserves the tradition of strategic management, while at the same time bringing it to life for students by introducing the topics that concern practicing managers today: shared value creation, globalization, disruptive technology, rapid innovation, ethics, corporate social responsibility, governance, and entrepreneurship.

Management in a Dynamic Environment - Rico Baldegger 2012-07-09

This book provides basic management knowledge in a clearly structured way. Fundamental aspects of management are described, on the basis of which a model of the enterprise is outlined. This allows readers to find their way around easily, to reflect, then to set new approaches in context and examine them in a critical light. The practical examples, the interpretation questions, and the short case studies at the end of the chapters facilitate the transition from theory to practice.

Strategic Management - Gregory G. Dess 2021

Project Management in Practice - Samuel J. Mantel 2011
Project Management in Practice, 4th Edition focuses on the technical aspects of project management that are directly related to practice.

America - Michael A. Cadore 2011-04-28

Rethinking Strategic Management - Thomas Wunder 2019-09-06

This book offers innovative ideas and frameworks for sustainable strategizing to advance business by scaling-up its positive impact, which is so urgently needed at this time in the 21st century. It shows practitioners how to effectively deal with socio-ecological systems' disruptions to their operating environments and play an active role in transforming markets toward a sustainable future. In short, the book demonstrates how to make business sense of sustainability, highlighting new approaches and examples that translate sustainability into strategy and action. The ultimate goal is to provide a path toward a thriving future for both business and society. This book was written for strategy practitioners and decision makers who want to understand why sustainable strategizing is important in today's business world and are seeking actionable business knowledge they can apply in their companies. It was also written for students of management and can be used as a supplemental text to support traditional graduate and undergraduate management courses.

Management and Magic Strategy and the Art of Seduction The Soft Underbelly of Hard Data Strategy as destiny Jack Welch on Planning The Seven Deadly Sins of Planning Strategy One Step at a Time and many, many more. Why not have a good time reading a strategy book for a change?

Mergers and Acquisitions - Success Or Failure? - Svenja Grä14Sgen 2011-05

Project Report from the year 2010 in the subject Business economics - Business Management, Corporate Governance, grade: 1,0, course: Strategic Management and Business Policy, language: English, abstract: Mergers & Acquisitions (M&A) are an increasingly important instrument for direct investment and growth in companies all over the world. They are very complex procedures, prior researches show that approximately 64% of all M&A's do not produce the expected benefits, more than 50% do not even repay the investment (Boglarsky, 2005). Common reasons, assumed by experts, are lacking preparation, management mistakes and insufficient compatibility. The explanation why M&A's are still so attractive are the very high profit opportunities. (Wirtz, 2003) This research aims to investigate on the importance of strategic management and corporate governance for the success of M&A's. It will provide deeper understanding of the relationship between those very important aspects and the success of one of the most critical investment strategies. To conduct the research, two very different Mergers of DaimlerChrysler and Sony Ericsson were analysed and compared. The DaimlerChrysler merger on the one hand is often regarded

to as one of the best examples of failure. Taking the situation before the merger, it could have been a very successful event. Mismanagement and lacking implementation of corporate governance though, destroyed every possibility of a profitable future. Sony Ericsson on the other hand is a very successful Joint Venture, even though there were some difficulties at the beginning. Thanks to a very clear vision, culture and the determination to learn, Sony Ericsson is today one of the leading companies in the mobile market. We are interested to see, how the theory of mergers and acquisitions can be applied to companies of our day to day life and how important strategic management and corporate governance really are for the success of a company.

Strategic Management: Concepts - Frank T. Rothaermel 2014-01-09

Strategic Management: Concepts 2e by Frank T. Rothaermel combines quality and user-friendliness with rigor and relevance by synthesizing theory, empirical research, and practical applications in this new edition, which is designed to prepare students for the types of challenges they will face as managers in the globalized and turbulent business environment of the 21st century. With a single, strong voice that weaves together classic and cutting-edge theory with in-chapter cases and strategy highlights, to teach students how companies gain and sustain competitive advantage.

Updated sections on Current Issues and Trends reflect the latest topics in the field. NEW! Relevant Web Sites boxes provide authoritative resources for additional research.

Performance Leadership™ - Karen Moustafa Leonard
2016-05-05

A fearsome aspect of management is the performance appraisal. It has become a byword for unfairness and irritation among employees. Some management writers are even proposing in doing away with it. We agree that the current method of appraisal is unsustainable and counterproductive. In this book, we discuss Performance Leadership™ - the idea of leading employee performance, which should be the focus of management. Just doing appraisal or evaluation is not enough. Managers must incorporate the entire model of performance management and use it to lead within their workgroup, department, or organization. We walk managers through the steps of Performance Leadership, discussing the benefits and pitfalls of each step. The idea of making performance management work as a leadership style is new and simple, but it takes dedication to complete the task. This book is valuable for supervisors, managers, human resource staff, and others - anyone who needs to manage performance!

The New Faces of Organizations in the 21st Century -
Mohammad Ali Sarlak 2010
