Customary International Humanitarian Law - Jean-Marie Henckaerts 2005-03-03

Customary International Humanitarian Law, Volume I: Rules is a comprehensive analysis of the customary rules of international humanitarian law applicable in international and non-international armed conflicts. In the absence of ratifications of important treaties in this area, this is clearly a publication of major importance, carried out at the express request of the international community. In so doing, this study identifies the common core of international humanitarian law binding on all parties to all armed conflicts. Comment Don:RWI.

Guide to BDSM - Donna Prince 2020-04-16

You or your partner are fascinated by BDSM, but don't know how and where to start? Everything you need to know, you will find it in this book. Most of what people think about BDSM, is wrong. In reality BDSM is not degrading women or men and you will also understand that it's not as obscure as you think. And also the concept of "pain" we are talking about is not what people think. You will also understand that having the role of the Dom is not just about having pleasure, on the contrary, the Dom has the role of giving pleasure and discipline to the submissive. He must have pleasure in giving pleasure and not simply receiving what he wants. This book is intended for both Dominant and Submissive training. It's also perfect for those who haven't experience in this world. This is a taste of what you will find in this book: What is BDSM and Why? Introducing BDSM to your Partner What is

Dom's Guide To BDSM Vol. 2 - Matthew Larocco 2015-09-03 "Dom's Guide to BDSM" was specifically written for Doms/Masters. In Volume 2 of this series, we're going to focus on how to better communicate with a sub, and how to go back and forth with role playing. We're going to teach you how to express yourself, how to read your sub and look for cues, and how to go about getting a real life BDSM relationship started. We're also going to discuss how to train your sub accordingly and with a purpose. This is important and is an often-neglected part of the BDSM community. The highly sensationalized, "purely sexual" relationships you read about or see depicted in TV or movies is not the only type of relationship forged. Some relationships really are all about personal missions, self-improvement and getting in touch with suppressed inner feelings. We will cover this as well as the most important part of BDSM dominance—having a plan. You will learn how to be an excellent Dom and it all starts with a few simple steps. Note: If you have not read Volume 1 in this series (Dom's Guide To BDSM Vol. 1: 49 Must-Know Tips On How To Be The Perfect Dom/Master Your submissive Will Truly Respect & Admire), it is highly recommended that you do so before taking on this book.

Submissive Training - Elizabeth Cramer 2015-03-05

Nothing will prepare you for a life of submission in the same way as your formal training. Submissive training isn't just a "good idea" when it comes to creating a BDSM relationship. It is essential. "Submissive Training: 23 Things You Must Know About How To Be A Submissive" is designed to help you know what to expect when you go through training with a new Dom. Every couple is unique and every Dom may have different ways of teaching you the systems of service he prefers. However, these are the basics all trained subs and slaves learn and employ in daily life. Rushing into a relationship or service contract with a Dom without training puts the future of your time together at risk. All of the arguments, resistance, misunderstandings and hurt feelings that go with a new submissive's experiences can be eradicated by a period designated for learning, listening, trial and error. Even if you have been with a previous Dom you will need to go through an abbreviated training time to ensure your patterns and understandings match one another. Training is a way to "get in the same rhythm" and find the perfect groove. If you are a Dom, this guide is the perfect gift to give to your new sub. If you are a sub, this guide will teach you how to go through your submissive training. As you go through these things on the journey to become the woman you were made to be, you will be tested but you will also be proud, joyful and, perhaps for the first time in your life, you will be at peace.

Dom's Guide To Submissive Training - Elizabeth Cramer
2015-03-06

A Dom/sub relationship doesn't just happen. It is a finely crafted and designed system of expectations and joys. In order for you and your submissive lady to "fit" one another and create a lasting, happy union there must be a period of training. It does not matter if your sub has thirty years of experience in submission or just read 50 Shades of Grey and decided to try it herself. She will need to be trained for the best relationship to emerge. "Dom's Guide to Submissive Training" was specifically written for doms/masters. It is designed to provide you with a step-by-step blueprint on how to train your new sub. It goes from preparation all the way down to the closing ceremony including advanced techniques & tips. Training can be one of the most exciting, challenging and fun parts of the relationship. A well-trained sub will not only serve you in the capacity you deserve, but will have built up the two most important elements in any BDSM relationship - trust and consistency. Following the instructions in this guide will allow you to show yourself as a worthy master, who is in control, experienced and able to guide you both to the best possible life.

Dom's Guide to Submissive Training - Elizabeth Cramer
2013-12-06

There are two foundational pillars of a BDSM relationship between a Dom and a sub: consent and trust. Everything else in the relationship - the fun, the love, the discipline, the eroticism, the tears and the journey - are all built on those standards. Both consent and trust require honest communication in order to thrive. The vast majority of that communication begins long before the training begins. In "Dom's Guide to Submissive Training Vol. 2," I listed 25 things you must know about your new sub if you want to

create a satisfying relationship with a devoted submissive. It's not enough to just ask "What do you like?" or "Would you like to be my sub?" You need to know things about your sub that are deeper, more practical and helpful. Without the knowledge of these 25 things, you may be able to create momentarily excitement but it will surely turn into a frustrating short-term relationship headed for drama, disaster and end. Following this guide allows your sub to communicate freely and provides a mechanism for her to reveal her true self - even if she doesn't have the words to do so. There are a million things subs want their Doms to know. These questions will help your sub tell you.

131 Dirty Talk Examples - Elizabeth Cramer 2015-03-01

Are you one of those people who want to spice up their love life with the addition of dirty talk, longing to hear certain words or phrases whispered, moaned, growled, or simply uttered but just plain don't know how to get started? The first thing to understand is that dirty talk isn't dirty. There's nothing shameful or wrong about it. Men and women are hard-wired differently. Men like to hear, while women like to visualize, and that's completely natural too. A man wants to hear what their partner wants done to them, or wants to do for them before it's done. Hearing the words, screamed, moaned, whimpered, or whispered just flat out does it for most men. Women like to hear the words and imagine what those words or phrases will mean to them, how their partner will react, or how something will feel, even seconds or milliseconds beforehand, giving their brains time to process the possibilities, thus heightening the sensations. In this guide you will learn 131 tried-and-tested, proven-to-work phrases you can use for getting your partner in the mood, during foreplay, during & after love making. Both for-man & for-woman phrases are included. You will learn many ways to get started talking dirty and how to build it up gradually so you are comfortable & sound confident when you say them. Using correctly they will make your lover addicted to your voice & drive him/her wild in bed.

Dom's Guide To Submissive Training Vol. 3 - Elizabeth Cramer 2015-03-08

You may think that every Master has a huge house filled with either gothic décor or fluffy white couches, and a ridiculously full selection of paddles, straps, whips, crops, restraints, sex toys, and bondage gear. Fortunately, you don't have to pay a hundred dollars for a specialty flogger or purchase a wedge from Extreme Restraints for three hundred bucks in order to be a great Dom and provide your sub with hours of bondage, spanking and fun. Most of the things you need to give your submissive the spanking of a lifetime, a punishment to fit the crime, or just an incredible bondage experience can be found right in your own home. Your sub will not only enjoy the variety of experiences in her sessions but also appreciate your creativity. "Dom's Guide to Submissive Training Vol. 3" gives you 31 common objects you already own or can purchase for minimal cost and keep right out in the open that will enhance your BDSM relationship and provide you and your sub hours of pleasure. Aside from the cost savings, there is another benefit to using everyday objects in your BDSM training and session fun - discretion. Not every person can be seen walking down the street or through an airport with a leather whip in his hand or a wooden paddle in his bag. Many Doms must conceal their activities from employers, social circles, or vanilla spouses. Common objects make it easier to engage in important rituals without detection.

The BDSM Playbook - Elizabeth Cramer 2017-07-03

Are you having trouble coming up with scenes to try in your BDSM relationship? Do you feel silly reenacting movies or porn or just draw a blank when asked for suggestions? You have come to the right place! In "The BDSM Playbook," we're going to review 51 scenes that you can try and adapt to your own lifestyle and routine. They are separated into categories of Beginners (sexual and nonsexual), Earning Trust, and Extreme Power Plays. These scenes will teach you characters, behaviors and thinking patterns that will help you forget yourself and start thinking in terms of finishing scenes and following your "natural" emotions. They will also help you to let go of all inhibitions and give yourself to the

scene, whether as a Dom or sub. All of the scenes are highly malleable to your own purposes. You can also add more players and delegate responsibility with multiple Doms or bring other subs into the scene to give the Dom even more power and enjoyment. Once you try these 51 BDSM scenes, you will be an advanced player capable of creating even more captivating ideas!

Training Your Wife To be Submissive - John Jacob 2020-06-21
Marriage is a universal human institution which has formed the foundation of the family throughout history. While the traditions surrounding marriage ceremonies, the rights and obligations of marriage, the way of choosing one's marriage partner, and even who one is permitted to marry may differ from culture to culture, the essential necessity of marriage has long been recognized economically, legally, spiritually, and socially as the primary social institution for raising children. It is widely recognized that marriage provides the proper setting for cultivating love between a man and a woman, and for the fulfillment of both. Challenges to the institution of marriage in the twentieth century, although significant and with some limited validity, nonetheless failed to provide a viable alternative. Marriage is the prerequisite for building a family, and the family is the fundamental unit of human society. The future of human society appears to depend more on efforts to understand how to build healthy marriages than on promoting alternatives. It's a horrible feeling when you recognize that things aren't working in your marriage. A failing marriage is the worst relationship catastrophe that you can imagine. It leaves a trail of pain, anguish, and disenchantment. You may want to be together but feel that there is too much broken or wrong with your relationship to make that happen. It's not an easy thing to admit that things aren't going well, but the good news is that you can help to get things back on track. You can work through the biggest challenges if you align and address the issues that are bringing you both down. This will involve both of you and a willingness to admit when your marriage is broken, what went wrong and made you and your spouse bring you to the verge of a broken marriage and then find ways to repair the broken marriage.

Dom's Guide To BDSM Vol. 1 - Matthew Larocco 2015-08-19
Much of what we've "heard" about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss: - How to think and act like a Dom - What the slave expects from you - What not to do and what instincts you do NOT want to follow - Your motivation and your goals - How to find out a sub's taboo - How to negotiate, find agreement and ensure that game play is always safe - How to make a slave yearn for you and desire to be controlled by you - And much more...

Submissive's Guide To BDSM Vol. 3 - Matthew Larocco 2016-08-01
One thing we can all agree on in our "safe, sane and consensual" lifestyle is that punishment must feel good. Pain must ultimately be pleasurable. And any sort of masochism or sadism must work in the context of pleasing the sub. In BDSM culture, it seems relatively easy to get the hang of the attitude, the behavior and the words. But in terms of logistics, as in how to properly discipline or punish a sub, things do get a bit more complicated. And that's why we're devoting this entire book on how to play right and how to punish the sub so that she likes it, rather than the Dom abusing her and violating trust—the ultimate sin in the game of discipline.

We're also going to cover some of the more "fringe" topics of BDSM, including health risks, extreme pain, unique psychological states and how you as a sub can protect yourself. This will be of crucial interest to you as a sub or switch or Dom, since it's best to understand the logistics and motivations of both roles before you fully submit. You may also discover that as you take precautions and grow in knowledge, more extreme practices may appeal to you. At the very least, you will always know what a Dom means by some of these code words and what they imply sexually or in punishment. It's always a good idea to stay informed and never take chances—never assume anything! Because in BDSM, assuming anything of your Dom can be a big mistake. To get truly healthy and pleasurable BDSM experience, these are the topics you surely don't want to miss!

BDSM Primer - Elizabeth Cramer 2015-03-03
BDSM is a whole different world where people speak in their own formal and informal language, have rules and social norms, and create expectations based on everything from names to symbols you employ. As a sex educator and an active member in the BDSM community, I found most information floating around to be inaccurate and some even unhealthy. As a primer this guide will demystify the world of BDSM and present it in a straightforward and easy-to-understand way to you. This guide is more than just a list of who and what. It is a map that will take you into the heart of the BDSM lifestyle, explore the motivations and expectations, and offer suggestions for the safe and sensual journey you are undertaking. In "BDSM Primer for Women", you will learn: - The vocabulary, roles, and rituals - The reasons you may want to participate in this lifestyle - Ways and places to get started - Safety concerns and legal issues - Emotions, consequences, and actions - What actions meet what needs - What kinds of fetishes meet what kinds of needs - How to communicate healthfully - How to create your sexual self - And much more...

Tucket's Ride - Gary Paulsen 2008-12-24
Francis Tucket and his adopted family, Lottie and Billy, are heading west in search of Francis's parents on the Oregon Trail. But when winter comes early, Francis turns south to avoid the cold, and leads them right into enemy territory--the Mexican War of 1848. Francis and the children are captured by desperadoes, but loyalty, courage, and the element of surprise offer hope for survival.

Circular No. A-11 - Omb 2019-06-29
The June 2019 OMB Circular No. A-11 provides guidance on preparing the FY 2021 Budget and instructions on budget execution. Released in June 2019, it's printed in two volumes. This is Volume I. Your budget submission to OMB should build on the President's commitment to advance the vision of a Federal Government that spends taxpayer dollars more efficiently and effectively and to provide necessary services in support of key National priorities while reducing deficits. OMB looks forward to working closely with you in the coming months to develop a budget request that supports the President's vision. Most of the changes in this update are technical revisions and clarifications, and the policy requirements are largely unchanged. The summary of changes to the Circular highlights the changes made since last year. This Circular supersedes all previous versions. VOLUME I Part 1-General Information Part 2-Preparation and Submission of Budget Estimates Part 3-Selected Actions Following Transmittal of The Budget Part 4-Instructions on Budget Execution VOLUME II Part 5-Federal Credit Part 6-The Federal Performance Framework for Improving Program and Service Delivery Part 7-Appendices Why buy a book you can download for free? We print the paperback book so you don't have to. First you gotta find a good clean (legible) copy and make sure it's the latest version (not always easy). Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. If you find a good copy, you could print it using a network printer you share with 100 other people (typically its either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the bound paperback from Amazon.com This book includes original commentary which is copyright material. BDSM - do these four letters bring shivers of pleasure - or pain down your back? There are many misconceptions about what BDSM is, but if approached with the idea that it is a conscious lifestyle choice, it might be more properly understood. Or do you find yourself wondering what would the perfect submissive do, what would they say, how would they act, what would they wear, and so on? Being a submissive involves a lot more than submitting to your Dom's will, dressing up and speaking down. You have to pay attention to your whole being - how you think, react, feel, position yourself, speak and look. In this book, we will explore the oft-taboo subject of BDSM and you will learn: Tips on how to present yourself as a perfect sub, things you have to prepare and look out for 17 hottest sub roleplay roles that you can use to titillate your Dom 239 naughtiest BDSM dirty talk examples to arouse each other to greater sexual heights If applied all these correctly, it can actually elevate your love life, so here's to exploring new and exciting world!

The Criminal Investigation Process - Peter W. Greenwood 1977

Call Me Francis Tucket - Gary Paulsen 2011-08-31

Francis Tucket now feels more confident that he can handle just about anything. A year ago, on the wagon train, he was kidnapped from his family by a Pawnee hunting party. Then he escaped with the help of the mountain man Mr. Grimes. Now that he and Mr. Grimes have parted ways, Francis is heading west on his Indian pony, crossing the endless prairie, trying to find his family. After a year with Mr. Grimes, Francis has learned to live by the harsh code of the wilderness. He can cause a stampede, survive his own mistakes, and face up to desperadoes. But when he rescues a little girl and her younger brother, Francis takes on more than he bargained for. All of a sudden he's in charge of Lottie and Billy, a family of his own. Fast-paced and exciting, *Calling Me Francis Tucket* continues the journey begun in *Mr. Tucket*, taking readers deeper into the American West, and deeper into Francis's changing knowledge of what it takes to survive on a new frontier.

BDSM Basics for Submissives - Dealing with the Mental and Emotional Side of Submission - Michelle Fegatofi 2014-09-24

Over the years, I have found a lot of helpless and sometimes clueless submissives that were mentally and emotionally abused by dominants. They each felt like they deserved anything they got and never even questioned the dominants about their behavior. One of the hardest things to learn as a new submissive in the world of BDSM is how to navigate and deal with the whirlwind of mental and emotional stress that can come from being in a D/s or M/s relationship. Many people believe they are not allowed to feel any bad feelings, think bad or wrong thoughts, and always have to be a happy submissive. As humans, we all have to deal with negative feelings and thoughts from time to time, even though we may be submissives. This guide is a tool that will help you understand, analyze, and deal with different types of emotions and mental stresses associated with being a submissive.

The contents of The Construction Chart Book are relevant to owners, contractors, unions, workers, and other organizations affiliated with the construction industry, such as health providers and workers compensation insurance companies, as well as researchers, economists, trainers, safety and health professionals, and industry observers.

Submissive's Guide To BDSM Vol. 1 - Matthew Larocco 2016-05-03

What does it really mean to be a submissive, or sub? Much of what we see in BDSM practice, especially in the mainstream, focuses on how to become dominant and act like the ideal Dom or Master, or "Top." However, a lot of newcomers are confused as to how this works. They vaguely understand that the submissive or sub or slave is supposed to obey. But they don't understand the emotional dynamics, or how to act like the ideal sub, or even how to enjoy the experience. That's what this book is going to teach you: How to be a better sub, and have a happy & healthy BDSM lifestyle. Here are just some of the things you will discover in volume 1 of "Submissive's Guide To BDSM": - Why you want to experience punishment... - The science of pain & pleasure... - Type of Doms to beware of... - How to pick the right Dom just for you... - How to protect yourself from wannabe Doms and predators... - The right way to explore taboo fantasies in BDSM... - Type of limits and when & how to use them... - How to communicate with your Dom... - Common mistakes new subs make... - How to "train" your Master... - How to "fire" your Dom if it's not working out... - And much more...

Model Rules of Professional Conduct - American Bar Association. House of Delegates 2007

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Submissive Training Vol. 3 - Elizabeth Cramer 2015-03-06

There are a number of reasons a woman may choose online submission. It's a good way to ease into the community by making friends and observing other people at a safe distance. Creating an online persona allows women to keep their real names and identifiers private. This not only helps maintain physical safety but also gives her the freedom to talk about sexual fantasies and naughty ideas without fearing judgment from other people or consequences on the job. Online submission also allows for a sexual experience rooted in the world of fantasy. A woman can take on any role or persona she wants, and perform acts she would not be willing or able to do in real life. She can express emotion, devotion and talk as dirty as she likes without feeling self-conscious or uncomfortable. While the scenarios sometimes described in online submission can be pure fantasy (seemingly endless sexual romps with multiple orgasms and no pain or soreness), the feelings of lust, love, loyalty, friendship, and arousal are all very real and can be a part of a vibrant sexual life. This Submissive Training guide will take you into the world of online submission, along with safety protocols and techniques for making the digital fantasy a physical reality. You will also learn how to make the transition from online submission to a real life meeting.

Care and Nurture for the Submissive - Elizabeth Cramer 2015-03-05

Submission can be described by a lot of words but "easy" isn't one of them. Discovering and honoring your desire to submit takes courage, strength and passion. Learning to follow the lead and rhythm set by another, and stretching your limits to accommodate training and service can challenge and exhaust you. The discipline to hold your tongue, retrieve your paddle, or wait around endlessly while knot after knot is being tied as part of a bondage ritual drains your energy. Submission stretches, taxes, pushes, and exposes your body and soul to the whim and desire of another. Submissive women need support, care and nurture to continue on this journey in a healthy fashion. "Care and Nurture for the Submissive" offers tips, understandings, and pathways to tend the fragile and beautiful souls of submissive women. Self-care is not selfish; it is essential. Only when you are taking care of yourself as a healthy, whole being can you give that self to another with a full

heart and free joy.

The BDSM Code: 79 Tips to Turn Your Vanilla Sex Life into a Dungeon Full of Fun - Elizabeth Cramer 2018-08-04

Interested in BDSM and a kinky sex life? The problem is, that maybe you're in a committed relationship and can't just go out and find a sub or a Dom to play with. All this sexual revolution going on and you're stuck in a vanilla relationship. Maybe you should have experimented with kink back when you were single, right? Wrong! If anything, being in a committed relationship is the BEST way to improve your sex lives and reach really exciting peaks that you never thought possible. Think about it: you already have established trust with your partner, you already have their respect and their full attention. Now all you have to do is SHOW them how easy and enjoyable experimenting can be. Don't try to sell it, but show them how much fun the two of you could be having. You can introduce elements of BDSM, role playing and kink into your "vanilla" bedroom, even if you're thinking right about now, "My partner would never go for that!" What we're going to show you in this book are tips on how to turn your "vanilla relationship" into something that you both can be excited and passionate about — a "dungeon of fun", so to speak. You really can have the sexy and smoldering marriage you always wanted but never thought possible. Here are some of the "troubleshooting" subjects we will cover in "The BDSM Code": - Explaining BDSM to someone who doesn't understand - How to remove the stigma of "abusive" sex - Why sexual kink is nothing to be afraid or ashamed of - How to help yourself and your partner confront the most taboo of fears and fantasies - How to repair a sexless marriage - How to get over fear of your naked body (or your partner's) - How to be more dominant if you're naturally shy - And what to do if your kink or your partner's kink is way over the top and freaky By the end of the book you're going to feel confident about talking to your partner about sex, fantasies and new ideas. We're going to show you how to do it with class, good taste and above all, respect for the good relationship you have going.

Submissive Training Vol. 2 - Elizabeth Cramer 2015-03-06

Whether you have always dreamed about life in a collar or just discovered a desire to be sexually adventurous, there is a place for you in the fetish world of submission. The culture of kink, once thought to be limited to couples who wore leather pants and played slap-and-tickle in the bedroom, has grown into a varied and well defined umbrella for sexual identity. Because fetish culture, like all cultures, grows and changes with the people who practice it, there are distinct roles and categories that developed to help women define their preferences and find like-minded people and playmates. Women in BDSM relationships no longer have to start with the basic tenets of submission to wrap that skin around their differences. Now you can look into the whole spectrum of submissive behavior and find the place you feel most fulfilled and comfortable. From women who enjoy the occasional bondage session handcuffed to their headboard to the girls who want to be fed out of a bowl and locked in a crate at night - there is a place for everyone. In this Submissive Training guide we will look at twelve subcultures of submission (including the New Misogyny), explaining the overall principles and practices of each one and illustrating the pros and cons inherent in each style of sexual diversity. All people are different and you may not find one that covers everything you like, or don't like - but chances are you'll see something in one of these subcultures that makes you say, "That's what I want."
