The Chateau - Penelope Sky 2020-10-27

I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit...she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it...but he brings me little hidden tools...as if he's giving me the means. Like he wants me to be free.

The Year of Faith - Mitch Pacwa 2012-08-15

Our society is struggling with what Pope Benedict has called "profound crisis of faith that has affected many people." In response, the Holy Father has called us all to a Year of Faith from October 2012 to November 2013. We see the signs all around us: the demand for science to prove everything before we can believe it, the role of media and celebrities who deny the existence of God and denounce the role of the Church, and the ease in which we can all isolate God and faith into only one part of our life. In a follow-up to his best selling St. Paul Bible Study for Catholics during the year of St. Paul, Fr. Mitch Pacwa once again leads Catholics to a deeper understanding of Pope Benedict's call to action for the year. Perfect for individual or group study, this book is a wonderful guide to experiencing a conversion, growing in faith, and following Jesus Christ more closely. It shows us how to integrate every component of our life – relationships, morality, work, recreation, and all – into a meaningful whole. Make the most of Pope Benedict's Year of Faith, walking hand in hand with Fr. Pacwa as he guides you through the beauty and insights of Scripture in relationship to your everyday life.

China CEO - Juan Antonio Fernandez 2011-08-31

CHINA CEO: A Case Guide for Business Leaders in China Some Western business leaders are moving into China without any clear knowledge of the many pitfalls they will encounter: the weak rule of law, forceful governmental intervention, a scarcity of managerial talent, the likelihood of counterfeiting, the fast paced business environment and surprisingly aggressive local competitors. This book uses case studies to both illuminate and examine these key managerial challenges. Each case focuses on a specific topic and is complemented with commentaries from professors and executives who have extensive front-line experience in China. The cases are the product of three-year research and are well-tested in MBA and executive courses. The authors' philosophy is that readers can learn most effectively through the experience of others captured in real cases! The book includes a broad range of companies, such as Emerson, Eli Lilly, General Motors, Peugeot, Carrefour, Daimler-Chrysler, Picanol. It also includes more personal experiences concerning the many challenges of expatriate-living in China, some of whom have started their own businesses. The book provides concise but insightful analysis to help readers to get the most from the case studies. As a result, this book will help you get better prepared to face the varied challenges you will find in China. These cases complement the material presented in a previous work, China CEO: Voices of Experience from 20 International Business Leaders, also published by John Wiley & Sons.
