The Passionate Church - Mike Slaughter 2016-04-21

It's good to talk about ministry. It's better to do it, and do it passionately. In 2008, the United Methodist Church lifted up "Four Areas of Focus" for ministry, and churches have responded. But at Ginghamburg Church, in the rust-belt town of

Tipp City, Ohio, the church has been doing exciting and effective ministry in those four areas for 35 years and more. Engaging in Ministry with the Poor Improving Global Health Developing Principled Christian Leaders Creating New and Renewed Congregations The work has led to a host of creative ministries and organic growth...because they were meeting the needs of their community and their world as the hands and feet of Christ. The book comes with a built-in facilitator Guide to encourage pastor peer groups and other leadership groups interested in deepening the discussion.

Suzuki GSX-R - Marc Cook 2005

The first GSX-R was created in 1985 as a groundbreaking departure from the ponderous sportbikes of the day. That revolutionary motorcycle took a time-honored racing credo to heart: light is right. (And another one: It can never be too fast.) Never before had the performance and design of a race bike been so

faithfully carried over to the street. In the seven generations since, Suzuki has remained true to the concept of the original GSX-R: to build the most serious, track-worthy sportbike. What's more, the company's engineers have been relentless in their pursuit to refine and improve the bike.
