Never Far Away is a short story and resource for the parent who has a child that doesn't like to separate from them when time for school or work. It has illustrative pictures and content for the parent and child to interact before they go about their day.

Solitude - Robert Kull 2010-10-05

Years after losing his lower right leg in a motorcycle crash, Robert Kull traveled to a remote island in Patagonia's coastal wilderness with equipment and supplies to live alone for a year. He sought to explore the effects of deep solitude on the body and mind and to find the spiritual answers he'd been seeking all his life. With only a cat and his thoughts as companions, he wrestled with inner storms while the wild forces of nature raged around him. The physical challenges were immense, but the struggles of mind and spirit pushed him even further. Solitude: Seeking Wisdom in Extremes is the diary of Kull's tumultuous year. Chronicling a life distilled to its essence, Solitude is also a philosophical meditation on the tensions between nature and technology, isolation and society. With humor and brutal honesty, Kull explores the pain and longing we typically avoid in our frantically busy lives as well as the peace and wonder that arise once we strip away our distractions. He describes the enormous Patagonia wilderness with poetic attention, transporting the reader directly into both his inner and outer experiences.
