Oxford Guide to English Grammar - John Eastwood 1994

The Oxford Guide to English Grammar is a systematic account of grammatical forms and the way they are used in modern standard English. It is designed for learners at intermediate and advanced levels and for teachers, and is equally suitable for quick reference to details or for the moreleisured study of grammatical topics. The emphasis is on meaning in the choice of grammatical pattern, and on the use of patterns in texts and in conversations.

GRAMMAR SCAN(THIRD EDITION) - MICHAEL SWAN 2009-08-01

Politics and the English Language - George Orwell
2021-01-01

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature— his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' – Irish Times

A Comprehensive Grammar of the English Language -
Randolph Quirk 2010

Thinking about Language Teaching - Michael Swan
2012-02-09

Contains eighteen academic and pedagogical articles and seven satirical pieces. Brings Michael Swan's best known and most widely cited articles together in a single book for the first time. This creates a unique and valuable resource both for people already familiar with these articles and for those discovering them through this collection. Articles were all originally published in leading journals such as Applied Linguistics and the English Language Teaching Journal All articles are published in their original form, but each one has an introduction by the author written specifically for this book, giving readers a historical and personal perspective on the topics discussed. Suitable for a wide audience, including teacher trainers, practising and trainee teachers, as well as academics and researchers.

Grammar for English Language Teachers - Martin Parrott 2010-01-14
An invaluable resource helping teachers at all levels of experience to develop their understanding of English grammar. Grammar for English Language Teachers is designed to help practising and trainee teachers to develop their knowledge of English grammar systems. It encourages teachers to appreciate factors that affect grammatical choices, and evaluates the 'rules of thumb' presented to learners in course materials. Consolidation exercises provide an opportunity for teachers to test these rules against real language use and to evaluate classroom and reference materials.
