We meet the expense of you this proper as capably as easy pretentiousness to get those all. We have enough money Systematic Theology An Introduction To Biblical trine Wayne A Grudem and numerous book collections from fictions to scientific research in any way. among them is this Systematic Theology An Introduction To Biblical trine Wayne A Grudem that can be your partner.

Systematic Theology Pack - Wayne A. Grudem
2016-08-30

The Systematic Theology Pack contains everything you need to gain an in-depth understanding of Christian theology, whether you are enrolled in a class or learning on your own. It includes the bestselling textbook Systematic Theology by Wayne Grudem, a corresponding set of 57 chapter-by-chapter video lectures, and a laminated study sheet.

The Person of Christ - Stephen J. Wellum
2021-01-15

"From beginning to end, Scripture unveils from shadow to reality that Jesus is God the Son incarnate." Some people think of Jesus as a great prophet or a wise philosopher; others see him as an important religious leader or even a revolutionary. In this addition to the Short Studies in Systematic Theology series, Stephen Wellum challenges these claims as he argues for the divinity of Jesus according to Scripture and in line with creedal Christianity. In this brief introduction, we are invited to rejoice in the centrality of Christ—who as both God and man reconciles us to God.

Spirit and Power - William W. Menzies
2011-05-03

The times have long passed when Pentecostals were viewed as Protestantism's untouchables. Today, the shock waves from Azusa Street have influenced countless Evangelicals worldwide. But if dialogue between Pentecostals and Evangelicals has awakened within the latter a thirst for the power of God's Spirit, it has

challenged Pentecostals to examine their theology more deeply in the light of his Word. Just how firm is the biblical foundation on which they stand? Spirit and Power provides a cutting-edge look at Pentecostal theology. It addresses the concern expressed by its authors and echoed throughout charismatic churches today: "Although our Pentecostal forefathers intuitively grasped the correlation between the reality they experienced and the promise of Acts 1:8, they did not always articulate their theology in a manner that was convincing to other believers committed to the authority of Scripture." In response, theologians William and Robert Menzies explore Pentecostalism in a scholarly and current light. Spirit and Power is no mere paraphrase of dated approaches. It is a fresh and penetrating look at the whys and wherefores of Pentecostal doctrine that sets a new standard for Spirit-filled theology. Whatever your persuasion may be as a Christian, this book's thoughtfulness, balance, and biblical integrity will help you appreciate more fully the strengths of the Pentecostal stance. Laying the groundwork for an accurate understanding of Luke's writings in particular, the authors help you grasp the foundations of Pentecostal theology from the standpoints of history, hermeneutics, and exegesis. Then, in Part Two, they give you an in-depth look at specific Pentecostal concerns: the baptism of the Holy Spirit as a blessing subsequent to salvation, evidential tongues, signs and wonders, healing in the atonement, and more. You'll deepen your understanding of

the basis for Pentecostal beliefs. And you'll gain a feel for the mutually beneficial dialogue that continues between Pentecostals and Evangelicals today.

Reformed Systematic Theology, Volume 1 - Joel Beeke 2019-03-14

The church needs good theology that engages the head, heart, and hands. This four-volume work combines rigorous historical and theological scholarship with application and practicality—characterized by an accessible, Reformed, and experiential approach. In this volume, Joel R. Beeke and Paul M. Smalley explore the first two of eight central themes of theology: revelation and God.

Systematic Theology - Norman L. Geisler 2002-07-01

This stand-alone, in-depth reference work is the culmination of the author's thirty-plus years of study, teaching, and research. The extensive Part One, Introduction--or preconditions--sets this work apart from other systematic theologies available today. Here Geisler examines the realities of the Christian faith including the existence of God, inescapability of truth, the nature of revelation, and guidelines for interpretation. Part Two, Bible, presents the origin of the Scripture, its inspiration, inerrancy, and much more.

Everyone's a Theologian - R. C. Sproul 2019-06-06

Many people react negatively to the word theology, believing that it involves dry, fruitless arguments about minute points of doctrine. They prefer to focus on the basic truths of Scripture and may even declare, "No creed but Christ." Yet as Dr. R.C. Sproul argues, everyone is a theologian. Any time we think about a teaching of the Bible and strive to understand it, we are engaging in theology. Therefore, it is important that we put the Bible's varied teachings together in a systematic fashion using proper, time-tested methods of interpretation so as to arrive at a theology that is founded on truth.

Urban Ministry - Harvie M. Conn 2010-02-26
No. 3 in the 2002 Academy of Parish Clergy Top Ten Books of the Year! Cities--the anvil of civilization, the center of power, the metaphor for society itself--have been with us for thousands of years. Here converge piety and trade, security and politics. Yet just two hundred

years ago only 3 percent of the world's population lived in cities. Today half does. Despite this tremendous explosion of urban growth, the work of the church has generally lagged behind. The city presents serious challenges that cry out for answers: poverty, racism, human exploitation and government corruption. How can the church move ahead in the midst of these demands with the gospel of hope? Here, in one comprehensive volume, Harvie Conn and Manuel Ortiz, two noted scholars and proven practitioners of urban ministry, address the vital work of the church in the city. Their dual goal: to understand the city and God's work in it. Through four great waves of development, Conn and Ortiz trace the history of the city around the world. Then they tackle the critical issue of a biblical basis for urban mission. How does the Bible view the city? Are we closer to God in the country than the city? Does the Bible have an anti-urban bias? These questions are given a thorough analysis that unveils God's urban mandate as reflected in both Old and New Testaments. From this foundation the authors unpack the multifaceted nature of the city as place, as process, as center, as power, and as a place of change and stability. They move us beyond fragmented stereotypes to a new way of seeing that is holistic enough for a fully biblical ministry to develop. In addition, Conn and Ortiz lay out what the social sciences have to offer urban mission, including ethnographic and demographic studies. While showing how such studies have identified unreached cities and unreached groups within cities, they do not become captive to research but demonstrate how to keep kingdom priorities in view. Finally, Urban Ministry focuses on the essential element of leadership. While there are many books on the topic, little has been said about the particular issues and needs of urban leadership. Therefore, the authors give significant attention to developing and mentoring leaders while equipping the laity for ministry in the city. This is the essential text for bringing God's kingdom to the city through the people of God.

Systematic Theology - Wayne A. Grudem 1994
The Christian church has a long tradition of systematic theology, that is, studying theology and doctrine organized around fairly standard

categories such as the Word of God, redemption, and Jesus Christ. This introduction to systematic theology has several distinctive features: - A strong emphasis on the scriptural basis for each doctrine and teaching - Clear writing, with technical terms kept to a minimum - A contemporary approach, treating subjects of special interest to the church today - A friendly tone, appealing to the emotions and the spirit as well as the intellect - Frequent application to life - Resources for worship with each chapter - Bibliographies with each chapter that cross-reference subjects to a wide range of other systematic theologies.

1 Peter - Wayne A. Grudem 2015-02-24

Wayne Grudem offers comment on the book of 1 Peter.

Systematic Theology - Norman L. Geisler 2005-09-01

A culmination of decades of study, teaching, and research. This is truly a systematic theology for the twenty-first century.

Systematic Theology Workbook - Wayne A. Grudem 2020-12-08

This workbook accompanies Wayne Grudem's highly regarded Systematic Theology. Following the textbook's structure, it features review material and exercises for every chapter, and all major areas of Christian doctrine are covered, including: The Word of God God Humanity Christ and the Holy Spirit The Application of Redemption The Church The Future The workbook further maintains the clear writing, friendly tone, and frequent applications to life found in the textbook. Students will benefit from this hands-on engagement with the important teachings in Systematic Theology.

An Introduction to Christian Theology -

Richard J. Plantinga 2010-03-18

Far from being solely an academic enterprise, the practice of theology can pique the interest of anyone who wonders about the meaning of life. Inviting readers on a journey of 'faith seeking understanding', this introduction to Christian theology - its basic concepts, confessional content, and history - emphasizes the relevance of the key convictions of Christian faith to the challenges of today's world. In the first part, this book introduces the project of Christian theology and sketches the critical context that confronts Christian thought and practice today. In a

second part, it offers a survey of the key doctrinal themes of Christian theology - including revelation, the triune God, and the world as creation - identifying their biblical basis and the highlights of their historical development before giving a systematic evaluation of each theme. The third part provides an overview of Christian theology from the early church to the present.

The Doctrine of Scripture - Mark Thompson 2022

"Centered on the words of Scripture and especially the teaching of Jesus himself, this volume unpacks the doctrine of Scripture as taught by the church through the ages, helping to strengthen readers' confidence in God's word"--

Introduction to Biblical Interpretation - William W. Klein 2017-03-28

Introduction to Biblical Interpretation, now in its third edition, is a classic hermeneutics textbook that sets forth concise, logical, and practical guidelines for discovering the truth in God's Word. With updates and revisions throughout that keep pace with current scholarship, this book offers students the best and most up-to-date information needed to interpret Scripture. Introduction to Biblical Interpretation: Defines and describes hermeneutics, the science of biblical interpretation Suggests effective methods to understand the meaning of the biblical text Surveys the literary, cultural, social, and historical issues that impact any text Evaluates both traditional and modern approaches to Bible interpretation Examines the reader's role as an interpreter of the text and helps identify what the reader brings to the text that could distort its message Tackles the problem of how to apply the Bible in valid and significant ways today Provides an extensive and revised annotated list of books that readers will find helpful in the practice of biblical interpretation Used in college and seminary classrooms around the world, this volume is a trusted and valuable tool for students and other readers who desire to understand and apply the Bible.

Systematic Theology, Second Edition - Wayne A. Grudem 2020-11-24

The most widely-used text of the last 25 years in its discipline, Systematic Theology by Wayne

Grudem has been thoroughly revised and expanded (all 57 chapters) for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. With several hundred pages of new content, this new edition now includes the following distinctive features. Updated, fuller analysis of several recent controversies within evangelicalism, including the eternal relationship between the Father and the Son in the Trinity, the question of God's atemporal eternity, the role of women in the church, "seeker-sensitive" churches, miraculous gifts of the Holy Spirit, and contemporary worship music. New, thoughtful critiques of open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming Completely revised, stronger chapter on the clarity of Scripture Completely revised, stronger chapter on creation and evolution (including a longer critique of theistic evolution) New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels Additional material respectfully explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies All Scripture quotations updated from RSV to ESV An explanation of why monogenes in John 3:16 and elsewhere should be translated as "only begotten" rather than merely "only" (this is a change from the first edition) A contemporary worship song added at the end of each chapter (while retaining the traditional hymns as well) Numerous other updates and corrections Part of the brilliance of Systematic Theology over the years has been its simplicity and ease of use. Each chapter follows the same structure. First, there is discussion of the doctrine being considered, such as justification or the Trinity or the deity of Christ. An explanation of where that doctrine is supported in the Bible and possible objections follow. Personal application and key terms to know for personal growth are then provided. Chapters also include a scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you are someone who thinks theology is

hard to understand or boring, then this new edition of Systematic Theology will likely change your mind.

[Christian Ethics](#) - Wayne Grudem 2018-07-20

What does the Bible teach about how to live in today's world? Best-selling author and professor Wayne Grudem distills over forty years of teaching experience into a single volume aimed at helping readers apply a biblical worldview to difficult ethical issues, including wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, business practices, environmental stewardship, telling the truth, knowing God's will, understanding Old Testament laws, and more.

[The Christian Faith](#) - Michael Horton 2011-01-04

Michael Horton's highly anticipated *The Christian Faith* represents his magnum opus and will be viewed as one—if not the—most important systematic theologies since Louis Berkhof wrote his in 1932. A prolific, award-winning author and theologian, Professor Horton views this volume as "doctrine that can be preached, experienced, and lived, as well as understood, clarified, and articulated." It is written for a growing cast of pilgrims making their way together and will be especially welcomed by professors, pastors, students, and armchair theologians. Features of this volume include: (1) a brief synopsis of biblical passages that inform a particular doctrine; (2) surveys of past and current theologies with contemporary emphasis on exegetical, philosophical, practical, and theological questions; (3) substantial interaction with various Christian movements within the Protestant, Catholic and Orthodoxy traditions, as well as the hermeneutical issues raised by postmodernity; and (4) charts, sidebars, questions for discussion, and an extensive bibliography, divided into different entry levels and topics.

Christology - Gerald O'Collins 2009-07-09

In this fully revised and updated second edition of his accessible account of systematic Christology, Gerald O'Collins continues to challenge the contemporary publishing trend for sensationalist books on Jesus that are supported neither by the New Testament witness nor by mainline Christian beliefs. This book critically examines the best biblical and historical scholarship before tackling head-on some of the

key questions of systematic Christology: does orthodox faith present Jesus the man as deficient and depersonalized? Is his sinlessness compatible with the exercise of a free human will? Does up-to-date exegesis challenge his virginal conception and personal resurrection? Can one reconcile Jesus' role as universal Saviour with the truth and values to be found in other religions? What should the feminist movement highlight in presenting Jesus? This integral Christology is built around the resurrection of the crucified Jesus, highlights love as the key to redemption, and proposes a synthesis of the divine presence through Jesus. Clear, balanced, and accessible, this book should be valued by any student reading systematic theology, anyone training for the ministry in all denominations, as well as interested general readers.

A Biblical-Theological Introduction to the Old Testament - Miles V. Van Pelt 2016-05-31

The Old Testament is not just a collection of disparate stories, each with its own meaning and moral lessons. Rather, it's one cohesive story, tied together by the good news about Israel's coming Messiah, promised from the beginning. Covering each book in the Old Testament, this volume invites readers to teach the Bible from a Reformed, covenantal, and redemptive-historical perspective. Featuring contributions from twelve respected evangelical scholars, this gospel-centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God's plan to redeem the world through Jesus Christ.

Systematic Theology - Robert Letham 2019-11-19

This comprehensive systematic theology by respected theologian Robert Letham covers the whole field of Reformed Christian doctrine from biblical, historical, and theological angles. Letham begins with God's ultimate self-revelation as the Father, the Son, and the Holy Spirit in indivisible union, continuing on with the works of God in creation, providence, and grace. He draws deeply from Scripture and important voices from the church to provide a clear and concise articulation of the Reformed faith. He also addresses current issues such as feminism, charismatic gifts, sexual ethics, environmentalism, other religions, the nature of

truth, and civil liberties. Each chapter is followed by discussion questions, with a glossary of terms included at the end. This work grounds theological understanding and practice in the life and ministry of the church, accessible to pastors, students, scholars, and anyone who desires to understand, believe, and live scriptural doctrine more fully.

Systematic Theology - Louis Berkhof 2022-07

This is the most important 20th century compendium of Reformed Theology. Louis Berkhof's loyalty to the well-defined lines of the Reformed faith, his concise and compact style and his up-to-date treatment have made this work the most important twentieth century compendium of Reformed theology. 'The work seemed particularly important to me', writes the author, 'in view of the widespread doctrinal indifference of the present day, of the resulting superficiality and confusion in the minds of many professing Christians, of the insidious errors that are zealously propagated even from the pulpits, and of the alarming increase of all kinds of sects. If there ever was a time when the church ought to guard her precious heritage, the deposit of the truth that was entrusted to her care, that time is now'. Professor Berkhof died in 1957, at the age of 83. He was an outstanding American teacher and the author of some 22 books. After two pastorates, he began his long career as professor at Calvin Seminary, Grand Rapids, in 1906. Here he remained for 38 years, devoting his talents and immense stores of knowledge to the training of men for the ministry. His *Systematic Theology* was his magnum opus, being revised and enlarged during his lifetime until it reached its present final form.

Systematic Theology - John M. Frame 2013

A biblical, clear, cogent, accessible, comprehensive, and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years.

Systematic Theology Workbook - Wayne A. Grudem 2020-12-08

This workbook accompanies Wayne Grudem's bestselling *Systematic Theology* and features student-friendly review material and exercises.

Bible Doctrine - Wayne A. Grudem 2014-10-28

How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus

fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then "systematic theology" is no abstract term. It's an approach to finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine. It's easy to understand—and it's packed with solid, biblical answers to your most important questions.

Biblical Doctrine - John MacArthur 2017-01-13
Long-Awaited Systematic Theology by Well-Known Pastor, Author, and President of the Master's Seminary Doctrine isn't just for theologians—it's important for every Christian because it shows us who God is and how we should live. Systematizing the robust theology that has undergirded John MacArthur's well-known preaching ministry for decades, this overview of basic Christian doctrine covers topics such as God the Father, Jesus Christ, the Holy Spirit, the Bible, salvation, and more. Comprehensive in scope yet written to be accessible to the average reader—with non-technical vocabulary, minimal footnotes, and a helpful bibliography—this volume offers Christians a solid foundation for what they believe and why.

Retrieving Eternal Generation - Fred Sanders 2017-11-21

Although the doctrine of eternal generation has been affirmed by theologians of nearly every ecclesiastical tradition since the fourth century, it has fallen on hard times among evangelical theologians since the nineteenth century. The

doctrine has been a structural element in two larger doctrinal complexes: Christology and the Trinity. The neglect of the doctrine of eternal generation represents a great loss for constructive evangelical Trinitarian theology. Retrieving the doctrine of eternal generation for contemporary evangelical theology calls for a multifaceted approach. Retrieving Eternal Generation addresses (1) the hermeneutical logic and biblical bases of the doctrine of eternal generation; (2) key historical figures and moments in the development of the doctrine of eternal generation; and (3) the broad dogmatic significance of the doctrine of eternal generation for theology. The book addresses both the common modern objections to the doctrine of eternal generation and presents the productive import of the doctrine for twenty-first century evangelical theology. Contributors include Michael Allen, Lewis Ayres, D. A. Carson, Oliver Crisp, and more.

Essential Christian Doctrine - John MacArthur 2021-03-03

A Concise Summary of Biblical Truth by John MacArthur Doctrine not only equips you with more knowledge about God, it also shapes your affections toward him and directs your actions for him—but it can be difficult to know where to begin. This concise handbook, developed from John MacArthur's larger work *Biblical Doctrine*, is an entry point for studying theological topics such as the Bible, the Holy Spirit, the church, and more. As MacArthur walks through the essentials of the Christian faith doctrine by doctrine, he'll not only encourage your heart and mind, but also empower you to proclaim the faith that was "once for all delivered to the saints" (Jude 3).

What Is Biblical Theology? - James M. Hamilton Jr. 2013-11-30

Is the Bible just a random collection of old stories, or is there something more going on within the pages of Scripture? Is it possible that the ancient books of the Old and New Testaments are part of a single, unified story, begun long ago but extending into our world today? In this introduction to biblical theology, professor James Hamilton orients Bible readers afresh to the overarching story line of Scripture, helping Christians read and interpret the Bible as the biblical writers intended and as the early

Christians read it. Examining Scripture's key symbols, patterns, and themes, Hamilton helps readers truly grasp—and be transformed by—the theology of redemption contained in God's Word. God is Love - Gerald Bray 2012

Traces the common theme of God's love through the Bible categorically -- from God's love for himself and his creation to the cross as the ultimate expression of God's love.

Introducing Biblical Theology - Sigurd Grindheim 2013-03-14

This book teaches students how to make sense of the Christian bible as a unity, in the context of the story of Jesus.

An Introduction to Systematic Theology - Cornelius Van Til 2007

Evangelical Theology - Michael F. Bird 2013-10-29

Evangelical Theology is a systematic theology written from the perspective of a biblical scholar. Michael F. Bird contends that the center, unity, and boundary of the evangelical faith is the evangel (= gospel), as opposed to things like justification by faith or inerrancy. The evangel is the unifying thread in evangelical theology and the theological hermeneutic through which the various loci of theology need to be understood. Using the gospel as a theological leitmotif—an approach to Christian doctrine that begins with the gospel and sees each loci through the lens of the gospel—this text presents an authentically evangelical theology, as opposed to an ordinary systematic theology written by an evangelical theologian. According to the author, theology is the drama of gospelizing—performing and living out the gospel in the theatre of Christian life. The text features tables, sidebars, and questions for discussion. The end of every part includes a “What to Take Home” section that gives students a run-down on what they need to know. And since reading theology can often be dry and cerebral, the author applies his unique sense of humor in occasional “Comic Belief” sections so that students may enjoy their learning experience through some theological humor added for good measure.

Epic: An Around-the-World Journey through Christian History - Tim Challies 2020-03-31
33 fascinating objects. 1 amazing story. Join

author and pastor Tim Challies as he embarks on a three-year journey spanning multiple continents and some of the most unusual places in the world. Tim introduces you to thirty-three carefully selected objects that help you understand the long and complicated history of Christianity in a unique and creative way. Beginning with Jesus and the early church, Challies looks at: The importance of graffiti on an ancient jail cell The creedal significance of a carving on a museum statue The enduring importance of ancient manuscripts and books And much more! Along the way, you'll discover the story you're already a part of. Epic features: An epic journey: 24 countries, 6 continents, 75 flights, 80 museums Beautiful full-color book design featuring the objects and Tim's journey The complete experience: a 10-episode documentary is also available, taking you on location and providing an immersive experience for understanding the history of Christianity "Together we will listen to these voices of the past tell us the epic story of what God has done and continues to do in our world today." - Tim Challies

The Trinity - Scott Swain 2020-10-06

Practical Theology for the Church Today The Trinity is one of the most essential doctrines of the Christian faith, as it reveals a magnificent truth about God—that he is one God eternally existing as three distinct persons. While Christians often struggle to find the right words to describe the union of Father, Son, and Spirit, the Bible gives clarity concerning the triune God's activity in nature (creation), grace (redemption), and glory (reward). In the second installment of the Short Studies in Systematic Theology series, theologian Scott Swain examines the Trinity, presenting its biblical foundations, systematic-theological structure, and practical relevance for the church today.

A Biblical-Theological Introduction to the New Testament - Michael J. Kruger 2016-05-31
Read the New Testament from a biblical-theological perspective. Featuring contributions from nine respected evangelical scholars, this volume introduces each New Testament book in the context of the whole canon of Scripture, helping anyone who teaches or studies the Bible to apply it to the church today.

Christian Theology - Millard J. Erickson

1998-08

A new edition of leading theologian Millard Erickson's classic text.

Systematic Theology - Wayne A. Grudem

2008-07-01

Zondervan Get an A! Study Guides Trustworthy information, easy access. Six pages packed with critical information provide an ideal study aid for students and a quick, helpful reference for pastors. Information on the sheets comes from Dr. Wayne Grudem's award-winning Systematic Theology, an introduction with a strong emphasis on the scriptural basis for each doctrine and teaching, clear writing, frequent application to life, and a contemporary approach to subjects of special interest to the church today. No more hunting through textbooks, laboring over self-made study cards, or fumbling with sticky notes. These durable, three-hole-punched, laminated pages provide a quick overview of systematic theology in a handy, at-a-glance format. Great for understanding the often complex doctrines, preparing for exams, refreshing your memory, writing papers, or preparing sermons.

Historical Theology - Gregg Allison 2011-04-19

Most historical theology texts follow Christian beliefs chronologically, discussing notable doctrinal developments for all areas of theology according to their historical appearance. And while this may be good history, it can make for confusing theology, with the classic theological loci scattered throughout various time periods, movements, and controversies. In Historical Theology, Gregg Allison offers students the

opportunity to study the historical development of theology according to a topical-chronological arrangement, setting out the history of Christian doctrine one theological element at a time. Such an approach allows readers to concentrate on one tenet of Christianity and its formulation in the early church, through the Middle Ages, Reformation, and post-Reformation era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. Allison references the most accessible editions of these notable theologians' work so that readers can continue their study of historical theology through Christian history's most important contributors. Historical Theology is a superb resource for those familiar with Wayne Grudem's Systematic Theology or interested in understanding the development of Christian theology.

Systematic Theology Video Lectures - Wayne A. Grudem 2016-09-06

Systematic Theology Video Lectures---a companion to the popular textbook, Systematic Theology, by Wayne Grudem---provides 57 easy-to-follow lessons, each corresponding to a chapter in the book, introducing students to the basics of Christian doctrine. The lectures feature a strong emphasis on the Scripture, clear teaching, and a contemporary approach.

Systematic Theology/Historical Theology Bundle - Wayne A. Grudem 2015-10-27

A collection that includes two of our most exemplary textbooks, Systematic Theology and Historical Theology. The ebook will provide an introduction to Biblical and Christian doctrine.
