Why Small Groups? - C. J. Mahaney 1996

Do you want to get on the fast track to Christian maturity? Small groups provide the ideal context for working out our salvation together. Whether you attend a small group or lead one, this book will raise your vision and inspire you

to excel in the areas of service to which God has called you. And if you don't attend a small group? All the more reason you may want to read *Why Small Groups?* and let it change your life. The authors are all pastors from various Sovereign Grace Ministries churches.

Renewal Theology - J.

Rodman Williams

2011-05-03

Renewal Theology deals with the full range of Christian truth from within the charismatic tradition. Previously published as three separate volumes, Renewal Theology represents the first exhaustive, balanced articulation of charismatic theology. Renewal Theology discusses: Book One--God, the World, and Redemption - Book Two--Salvation, the Holy Spirit, and Christian Living - Book Three--The Church, the Kingdom, and Last Things. As theology, this work is an intellectual achievement. But it is much more than that. The author urges the church to undertake its task of theology in the proper spirit: - an attitude of prayer - a deepening sense of reverence - an ever-increasing purity of heart - a spirit of growing love - a theological approach rooted in the glory of God. Done in

such a spirit, theology becomes a faithful and powerful witness to the living God.

Understanding the Big Picture of the Bible -

Wayne Grudem 2012-05-31

How do I get more out of my Bible reading? What was going on during the gap between the Old and New Testaments? How do all the books of the Bible fit together as a whole? This book answers these questions and puts clear, readable Bible study aids at your fingertips. It contains thirteen essays from some of today's best evangelical scholars including C. John Collins, Thomas Schreiner, Gordon Wenham, and Darrell Bock, and will help you to: See the big-picture storyline of the Bible Understand the theology of the Old and New Testaments Read the different sections of Scripture effectively Know what happened between the testaments In addition to essays on each genre of the

Bible, the book addresses the general Greco-Roman world and specific Jewish groups at the time of the New Testament. To aid in putting Bible passages in context, it also includes timelines of the Old and New Testaments and intertestamental events. Useful as both a general overview of the Bible and as a tool for more specific reference and training, this book will help you grow in your understanding of Scripture and your ability to apply the Bible to life.

Christian Ethics - Wayne Grudem 2018-07-20

What does the Bible teach about how to live in today's world? Best-selling author and professor Wayne Grudem distills over forty years of teaching experience into a single volume aimed at helping readers apply a biblical worldview to difficult ethical issues, including wealth and poverty, marriage and divorce, birth control, abortion,

euthanasia, homosexuality, business practices, environmental stewardship, telling the truth, knowing God's will, understanding Old Testament laws, and more.

Introducing Christian Doctrine - Millard J.

Erickson 2015-08-11

Leading evangelical scholar Millard Erickson offers a new edition of his bestselling doctrine text (over 100,000 copies sold), now thoroughly revised throughout. This book is an abridged, less technical version of Erickson's classic Christian Theology. Pastors and students alike will find this survey of Christian theology and doctrine to be biblical, contemporary, moderate, and fair to various positions. It is a practical and accessible resource that applies doctrine to Christian life and ministry. This book is supplemented with helpful web materials for students and professors through Baker Academic's Textbook

eSources.

Politics - According to the Bible - Wayne A. Grudem
2010-09-28

A variety of perspectives exist within the Christian community when it comes to political issues and political involvement. This comprehensive and readable book presents a political philosophy from the perspective that the Gospel pertains to all of life so Christians should be involved in political issues. In brief, this is an analysis of conservative and liberal plans to do good for the nation, evaluated in light of the Bible and common sense. In this groundbreaking book, recognized evangelical Bible professor Wayne Grudem rejects five mistaken views about Christian influence on politics: (1) "compel religion," (2) "exclude religion," (3) "all government is demonic," (4) "do evangelism, not politics," and (5) "do politics, not evangelism."

He proposes a better alternative: (6) "significant Christian influence on government." Then he explains the Bible's teachings about the purpose of civil government and the characteristics of good or bad government. Does the Bible support some form of democracy? Should judges and the courts hold the ultimate power in a nation? With respect to specific political issues, Grudem argues that most people's political views depend on deep-seated assumptions about several basic moral and even theological questions, such as whether God exists, whether absolute moral standards can be known, whether there is good and evil in each person's heart, whether people should be accountable for their good and bad choices, whether property should belong to individuals or to society, and whether the purpose of the earth's resources is to bring benefit to mankind.

After addressing these foundational questions, Grudem provides a thoughtful, carefully-reasoned analysis of over fifty specific issues dealing with the protection of life, marriage, the family and children, economic issues and taxation, the environment, national defense, relationships to other nations, freedom of speech and religion, quotas, and special interests. He makes frequent application to the current policies of the Democratic and Republican parties in the United States, but the principles discussed here are relevant for any nation.

Christian Beliefs - Wayne Grudem 2010-07-16

Business for the Glory of God - Wayne Grudem 2003-11-06

Can business activity in itself be morally good and pleasing to God? Sometimes business can seem so shady-manipulating the "bottom line," deceiving the

consumer, or gaining promotions because of whom you know. But Wayne Grudem introduces a novel concept: business itself glorifies God when it is conducted in a way that imitates God's character and creation. He shows that all aspects of business, including ownership, profit, money, competition, and borrowing and lending, glorify God because they are reflective of God's nature. Though Grudem isn't naïve about the easy ways these activities can be perverted and used as a means to sin, he knows that Christians can be about the business of business. This biblically based book is a thoughtful guide to imitating God during interactions with customers, coworkers, employees, and other businesses. See how your business, and your life in business, can be dedicated to God's glory.

Making Sense of the Church - Wayne Grudem 2011-01-25

Taken from the bestselling Systematic Theology text, the Making Sense of Series offers people bite-size pieces of seven core biblical doctrines. Making Sense of the Church provides a clear biblical basis, clarity in the explanations, application to life, and much more for the doctrine of the Church.

The Meaning of the Millennium - Robert G.

Clouse 1977-04-01

Robert G. Clouse brings together four scholars to debate various views on the millennium: George Eldon Ladd, Herman A. Hoyt, Loraine Boettner and Anthony A. Hoekema.

Christology - Gerald O'Collins 2009-07-09

In this fully revised and updated second edition of his accessible account of systematic Christology, Gerald O'Collins continues to challenge the contemporary publishing trend for sensationalist books on Jesus that are supported neither by the New Testament witness nor

by mainline Christian beliefs. This book critically examines the best biblical and historical scholarship before tackling head-on some of the key questions of systematic Christology: does orthodox faith present Jesus the man as deficient and depersonalized? Is his sinlessness compatible with the exercise of a free human will? Does up-to-date exegesis challenge his virginal conception and personal resurrection? Can one reconcile Jesus' role as universal Saviour with the truth and values to be found in other religions? What should the feminist movement highlight in presenting Jesus? This integral Christology is built around the resurrection of the crucified Jesus, highlights love as the key to redemption, and proposes a synthesis of the divine presence through Jesus. Clear, balanced, and accessible, this book should be valued by any student reading systematic

theology, anyone training for the ministry in all denominations, as well as interested general readers. "Free Grace" Theology - Wayne Grudem 2016-07-18 Must the gospel message include a call for people to repent of their sins? "No," say Free Grace advocates. Is evidence of a changed life an important indication of whether a person is truly born again? "No, again," these advocates say. But in this book, Wayne Grudem shows how the Bible answers "Yes" to both of these questions, arguing that the Free Grace movement contradicts both historic Protestant teaching and the New Testament itself. This important book explains the true nature of the Christian gospel and answers the question asked by so many people: "How can I know that I'm saved?" *Biblical Foundations for Manhood and Womanhood* - Wayne Grudem 2002-10-04 For years a debate has raged over how to define

true masculinity and true femininity. While there is agreement that men and women share equally in the privilege of being made in God's image, some views of manhood and womanhood blur God-given gender distinctions. Wayne Grudem assembled a team of distinguished writers to show how egalitarian views destroy God's ideal for your relationships, marriage, and life purposes. The contributors to this book include: John Piper, Pastor of Bethlehem Baptist Church, Minneapolis, Minnesota Bruce A. Ware, Senior Associate Dean of the School of Theology and Professor of Christian Theology at The Southern Baptist Theological Seminary Richard W. Hove, Director of Campus Crusade for Christ at Duke University Daniel Doriani, Dean of the Faculty and Professor of New Testament at Covenant Theological Seminary Daniel R. Heimbach, Professor of

Christian Ethics at Southeastern Baptist Theological Seminary Peter Jones, Professor of New Testament at Westminster Theological Seminary in California These writers explore key issues, including the interchangeability of male-female roles, the meaning of submission, and the historical novelty of egalitarian interpretations of Scripture. This book will demonstrate how some views of manhood and womanhood tamper with our understanding of God's character and why the extremes of male domination and feminism destroy the beauty of our sexual differences-differences that celebrate the excellence of men and women as God created us.

Trinitarian Theology beyond Participation - Maarten Wisse 2011-08-11
Maarten Wisse develops a critique of dominant trends in contemporary theology through a re-reading of

Augustine's De Trinitate. Theological topics covered include the thinking about the relationship of between God and World as participation of the finite in the infinite, Christology as a manifestation of this ontology of participation, Trinity as a model for our relational mode of being and deification (theosis) as the purpose of salvation. Key figures are brought in conversation with an Augustinian alternative to these trends, such as Wolfhart Pannenberg, Joseph Ratzinger, Denys Turner, John Milbank, Catherine Pickstock and Graham Ward.

Bible Doctrine - Wayne A. Grudem 1999
This is an abridgment of Grudem's highly commended Systematic Theology intended for laypeople and nonprofessionals.

Systematic Theology, Second Edition - Wayne A. Grudem 2020-11-24
The most widely-used text

of the last 25 years in its discipline, Systematic Theology by Wayne Grudem has been thoroughly revised and expanded (all 57 chapters) for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. With several hundred pages of new content, this new edition now includes the following distinctive features. Updated, fuller analysis of several recent controversies within evangelicalism, including the eternal relationship between the Father and the Son in the Trinity, the question of God's atemporal eternity, the role of women in the church, "seeker-sensitive" churches, miraculous gifts of the Holy Spirit, and contemporary worship music. New, thoughtful critiques of open theism, the "new perspective on

Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming Completely revised, stronger chapter on the clarity of Scripture Completely revised, stronger chapter on creation and evolution (including a longer critique of theistic evolution) New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels Additional material respectfully explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies All Scripture quotations updated from RSV to ESV An explanation of why monogenes in John 3:16 and elsewhere should be translated as "only begotten" rather than merely "only" (this is a change from the first edition) A contemporary worship song added at the

end of each chapter (while retaining the traditional hymns as well) Numerous other updates and corrections Part of the brilliance of Systematic Theology over the years has been its simplicity and ease of use. Each chapter follows the same structure. First, there is discussion of the doctrine being considered, such as justification or the Trinity or the deity of Christ. An explanation of where that doctrine is supported in the Bible and possible objections follow. Personal application and key terms to know for personal growth are then provided. Chapters also include a scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you are someone who thinks theology is hard to understand or boring, then this new edition of Systematic Theology will likely change your mind.

New Dictionary of Theology

- Martin Davie 2016-04-27
This classic one-volume reference work is now substantially expanded and revised to focus on a variety of theological themes, thinkers and movements. From African Christian Theology to Zionism, this volume of historical and systematic theology offers a wealth of information and insight for students, pastors and all thoughtful Christians.

A Clear and Present Word

- Mark D. Thompson
2016-03-11

A lack of confidence in the clarity or perspicuity of Scripture is apparent in Western Christianity. In this New Studies in Biblical Theology volume, Mark Thompson restates the doctrine of the clarity of Scripture. He surveys past and present objections, engages with contemporary hermeneutical challenges, and expounds the living God as the Guarantor of his accessible, written Word.

Christian Beliefs - Wayne

A. Grudem 2005

"This readable guide to twenty basic Christian beliefs is a condensation of Wayne Grudem's award-winning book on systematic theology."--Back cover.

Historical Theology - Gregg Allison 2011-04-19

Most historical theology texts follow Christian beliefs chronologically, discussing notable doctrinal developments for all areas of theology according to their historical appearance. And while this may be good history, it can make for confusing theology, with the classic theological loci scattered throughout various time periods, movements, and controversies. In *Historical Theology*, Gregg Allison offers students the opportunity to study the historical development of theology according to a topical-chronological arrangement, setting out the history of Christian doctrine one theological element at a time. Such an

approach allows readers to concentrate on one tenet of Christianity and its formulation in the early church, through the Middle Ages, Reformation, and post-Reformation era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. Allison references the most accessible editions of these notable theologians' work so that readers can continue their study of historical theology through Christian history's most important contributors. *Historical Theology* is a superb resource for those familiar with Wayne Grudem's *Systematic Theology* or interested in understanding the development of Christian theology.

Systematic Theology Workbook - Wayne A. Grudem 2020-12-08

This workbook accompanies Wayne Grudem's bestselling

Systematic Theology and features student-friendly review material and exercises.

Making Sense of Salvation - Wayne A. Grudem

2011-02-01

With clear writing—technical terms kept to a minimum—and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of Salvation* explores God's common grace to redeem those who will be saved, and to demonstrate his goodness, mercy, justice, and glory. Topics include but are not limited to the order of salvation—from God's choice of people to be saved to the chosen people receiving a resurrection body; effective calling—the act of God the father speaking through the human proclamation of the gospel to summons people to himself in saving faith; regeneration—a secret act

of God in which he imparts new spiritual life to us; and glorification—when Christ returns and raises from the dead the bodies of all believers for all time who have died. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of Salvation* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

The Cross and Salvation (Hardcover) - Bruce Demarest

2006-08-01

With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of

salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross—and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

Systematic Theology -

Robert Duncan Culver 2005

Robert Culver wrote Systematic Theology with the goal of creating a treasure trove for the student of the Bible. No previous knowledge of theology demanded, this volume is written in an essentially readable way and is the perfect core to the library of anyone who loves to learn. Subjects include: the doctrine of God, the doctrine of man as created, the doctrine of man as fallen, the doctrine of salvation, the doctrine of last things, and the doctrine of Christ.

Bible Doctrine - Wayne A.

Grudem 2014-10-28

How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then "systematic theology" is no abstract term. It's an approach to

finding answers every Christian needs to know. Bible Doctrine takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like Systematic Theology, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of Bible Doctrine.

It's easy to understand—and it's packed with solid, biblical answers to your most important questions. Making Sense of Man and Sin - Wayne Grudem 2011-01-25

Taken from the bestselling Systematic Theology text, the Making Sense of Series offers people bite-size pieces of seven core biblical doctrines. Making Sense of Man and Sin provides a clear biblical basis, clarity in the explanations, application to life, and much more for the doctrine of Man.

Systematic Theology - Robert W. Jenson 2001
The concluding volume of Robert Jenson's 'Systematic Theology' considers the work of God, examining the nature and role of God and God's works of creation.

Systematic Theology - Louis Berkhof 2022-07
This is the most important 20th century compendium of Reformed Theology. Louis Berkhof's loyalty to the well-defined lines of the

Reformed faith, his concise and compact style and his up-to date treatment have made this work the most important twentieth century compendium of Reformed theology. 'The work seemed particularly important to me', writes the author, 'in view of the widespread doctrinal indifference of the present day, of the resulting superficiality and confusion in the minds of many professing Christians, of the insidious errors that are zealously propagated even from the pulpits, and of the alarming increase of all kinds of sects. If there ever was a time when the church ought to guard her precious heritage, the deposit of the truth that was entrusted to her care, that time is now'. Professor Berkhof died in 1957, at the age of 83. He was an outstanding American teacher and the author of some 22 books. After two pastorates, he began his long career as professor at Calvin Seminary, Grand Rapids, in

1906. Here he remained for 38 years, devoting his talents and immense stores of knowledge to the training of men for the ministry. His Systematic Theology was his magnum opus, being revised and enlarged during his lifetime until it reached its present final form.

Understanding Scripture

- Wayne Grudem

2012-02-29

Originally featured as articles in the ESV Study Bible, these eighteen essays have been repurposed and republished in a convenient format. Covering a diverse range of essential subjects, including how to read the Bible well and why it is reliable, the essays delve into specific topics such as world religions, canon, and archaeology. Useful as both a general overview of the Bible and as a tool for more specific reference and training, readers of this book will grow in their understanding of Scripture and their ability to apply the Bible to their lives. Pastors,

lay leaders, students, and other Christians engaged in studying God's Word will benefit from this collection, written by notable contributors, including J. I. Packer, John Piper, David Powlison, and Vern Poythress.

Theological Foundations -

John J. Mueller 2007

Here, a team of award-winning teaching scholars has come together to create an introductory text that offers a truly unique and innovative contribution to the discipline of theological studies. This "first book" provides students of any religious tradition with the foundational skills, vocabulary, conceptual understanding, and research abilities that they need to succeed in theology and religious studies.

Theological

Foundations provides the following: Ten chapters that introduce the major sub-disciplines of theology creating a well-rounded source for understanding

the discipline as a whole Contributions that are clear, accessible, and steeped in content A strong basis for vigorous intellectual and personal exploration of life and our relation to God Flexibility that allows the instructor to assign

readings in any order that fits his or her syllabus A one-of-a-kind, integrated library research component, "From the Reference Librarian," which teaches students the foundational skills needed for successful study in theology and in any academic discipline

Foundations of Systematic Theology -

Thomas G. Guarino

2005-05-01

Guarino argues in this book that the doctrinal form of the Christian faith, in its essential characteristics, calls for certain theoretical exigencies. This is to say that the proportion and beauty of the form is not served or illuminated by simply any presuppositions. Rather, a determinate

understanding of first philosophy, of the nature of truth, of hermeneutical theory, of the predication of language and mutual correlation is required if Christian faith and doctrine are to maintain a recognizable and suitably mediative form. Failing to adduce specific principles will lead either to a simple assertion of Christian truth, in which case the form of Christianity becomes less intelligible and attractive—or one will substitute a radically changed form, which is itself inappropriate for displaying the fundamental revelatory narrative of faith. The house of Christian faith possesses a certain proportion of structure; the form will sag badly if one removes an undergirding item, or if one beam is replaced with another of variable shape or size. The form's beauty will either be obscured, no longer clearly visible, or the form will become something quite different, no longer

architecturally related to what was originally the case. The intention of this book is to discuss those doctrinal characteristics considered fundamental to the Christian faith, as protective of its revelatory form and, concomitantly, to examine the theoretical principles required if such form is to remain both intelligible and beautiful.

Making Sense of the Church - Wayne A. Grudem
2011-02-01

With clear writing and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of the Church* explores the community of all true believers for all time—the church. Topics include but are not limited to the invisible church—the church as God sees it; the visible church—the church as Christians on earth see it; the purity of church—the degree of freedom from wrong doctrine and

conduct; the primary purpose of the church—ministry to God, believers, and the world; the power of the church—its God-given authority to carry on spiritual warfare, proclaim the gospel, and exercise church discipline; and spiritual gifts—abilities empowered by the Holy Spirit and used in any ministry of the church. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, Making Sense of the Church helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

The Gift of Prophecy in the New Testament and Today (Revised Edition) -

Wayne Grudem 2000-11-07

What does the New Testament teach about the spiritual gift of prophecy? What is it? How does it function? Can evangelical Christians use it in their churches today? This updated, comprehensive

work answers such questions and points the way to a renewed understanding of the gift of prophecy--an understanding that suggests how the body of Christ may enjoy one of the Holy Spirit's most edifying gifts without compromising the supremacy of Scripture.

"This conservative evangelical scholarly work gives a solid theological basis for further development of a practical theology of spiritual gifts." -- John Wimber, Vineyard Christian Fellowship
"Careful, thorough, wise, and to my mind, convincing." --J.I. Packer
"...a fresh, biblically sound, readable contribution...its depth of scholarship, pastoral solidity, and cautions against abuses are special strengths. Highly recommended." --Vern S. Poythress, Professor of New Testament Interpretation, Westminster Theological Seminary
"If Grudem's convincing thesis could be

heard, a new path of dialog could perhaps be opened up in the Christian community. The research, clarity, and typical Grudem candor continue to make this the finest book on the subject to date." --L. Russ Bush, Professor of Philosophy of Religion, Southeastern Baptist Theological Seminary "...thorough, biblical, and practical. It deserves the attention of all who are concerned about the spiritual development of the church today." --Stanley Horton, Distinguished Professor Emeritus of Bible and Theology, Assemblies of God Theological Seminary

Recovering Biblical Manhood and Womanhood (Revised Edition)

- John Piper
2021-01-11

A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of

evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like *Recovering Biblical Manhood and Womanhood* help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

Systematic Theology, Second Edition - Wayne A. Grudem 2020-12-08

This new edition of Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features: Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship

music. New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on

contemporary worship music. Numerous other updates and corrections. Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you think theology is hard to understand or boring, then this new edition of Systematic Theology will change your mind.

New Dictionary of Christian Ethics & Pastoral Theology - David J. Atkinson
2013-11-21
Encompassing a wide range of topics--from the timely (health care and business

ethics) to the traditional (atonement, suffering and the kingdom of God)—this work features an easy-to-use reference system and eighteen articles that introduce readers to key themes in moral, pastoral and practical theology. Edited by David J. Atkinson and David F. Field with consulting editors Arthur Holmes and Oliver O'Donovan.

Systematic Theology -

Systematic Theology - John M. Frame 2013

A biblical, clear, cogent, accessible, comprehensive, and practical summary of Christian belief by one of the most important and original American theologians of the last hundred years.

Systematic Theology - Wayne A. Grudem
2009-05-18

The Christian church has a long tradition of systematic theology, that is, of studying biblical teaching on centrally important

doctrines such as the Word of God, redemption, and Jesus Christ. Wayne Grudem's bestselling *Systematic Theology* has several distinctive features: A strong emphasis on the scriptural basis for each doctrine Clear writing, with technical terms kept to a minimum A contemporary approach, treating subjects of special interest to the church today A friendly tone, appealing to the

emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross-reference subjects to a wide range of other systematic theologies. Systematic Theology - Robert Lewis Dabney 1996 Rich in content and stimulating in style, Dabney's work continues to be tremendously helpful.
