**America Is Not the Heart** - Elaine Castillo 2018-04-03

Named one of the best books of 2018 by NPR, Real Simple, Lit Hub, The Boston Globe, San Francisco Chronicle, The New York Post, Kirkus Reviews, and The New York Public Library "A saga rich with origin myths, national and personal . . . Castillo is part of a younger generation of American writers instilling literature with a layered sense of identity." --Vogue How many lives fit in a lifetime? When Hero De Vera arrives in America--haunted by the political upheaval in the

Philippines and disowned by her parents--she's already on her third. Her uncle gives her a fresh start in the Bay Area, and he doesn't ask about her past. His younger wife knows enough about the might and secrecy of the De Vera family to keep her head down. But their daughter--the first American-born daughter in the family--can't resist asking Hero about her damaged hands. An increasingly relevant story told with startling lucidity, humor, and an uncanny ear for the intimacies and shorthand of family ritual, *America Is Not the Heart* is a sprawling, soulful debut about three generations of women in one family struggling to balance the promise of the American dream and the unshakeable grip of history. With exuberance, grit, and sly tenderness, here is a family saga; an origin story; a romance; a narrative of two nations and the people who leave one home to grasp at another.

Filipino English and Taglish - Roger M. Thompson 2003-10-16  
English competes with Tagalog and Taglish, a mixture of English and Tagalog, for the affections of Filipinos. To understand the competing ideologies that underlie this switching between languages, this book looks at the language situation from multiple perspectives. Part A reviews the social and political forces that have propelled English through its life cycle in the Philippines from the 1898 arrival of Admiral Dewey to the 1998 election of Joseph Estrada. Part B looks at the social support for English in Metro Manila and the provinces with a focus on English teachers and their personal and public use of English. Part C examines the language of television sport broadcasts, commercials, interviews, sitcoms, and movies, and the language of newspapers from various linguistic, sociolinguistic, and sociocultural perspectives. The results put into perspective the short-lived language revolution that took place at the turn of the twenty-first century.

**When Lola Visits** - Michelle Sterling  
2021-05-18

Four starred reviews! In an evocative picture book brimming with the scents, tastes, and traditions that define a young girl's summer with her grandmother, debut author Michelle Sterling and illustrator Aaron Asis come together to celebrate the gentle bonds of familial love that span oceans and generations. For one young girl, summer is the season of no school, of days spent at the pool, and of picking golden limes off the trees. But summer doesn't start until her lola—her grandmother from the Philippines—comes for her annual visit. Summer is special. For her lola fills the house with the aroma of mango jam, funny stories of baking mishaps, and her quiet sweet singing in Tagalog. And in turn, her granddaughter brings Lola to the beach, to view fireworks at the park, and to catch fish at their lake. When Lola visits, the whole family gathers to cook and eat and share in their happiness of another season spent together. Yet as summer transitions to fall, her lola must return

home—but not without a surprise for her granddaughter to preserve their special summer a bit longer. \* BookPage Best Books of the Year \* The New York Public Library's Best Books of the Year \* Kirkus Best Books of the Year \* An ALSC Notable Children's Book of the Year \* A CCBC Choices Pick of the Year \*

**Philippine Folk Tales Compiled** - Mabel Cook Cole 2017-09-21  
Stories seventeen to twenty-three are

regarded as fables and are told to amuse the children or to while away the midday hours when the people seek shaded spots to lounge or stop on the trail to rest. Most of them are known to the Christianized tribes throughout the Islands and show great similarity to the tales found in the islands to the south and, in some cases, in Europe. In many of them the chief incidents are identical with those found elsewhere, but the story tellers, by introducing old customs and beliefs, have moulded and colored them until they reflect the common ideas of the Tinguian. The third group includes stories from several wild tribes who dwell in the large island of Mindanao.
