The T.B. Joshua I Know - Hephzibah Bisola Johnson 2017-04-12
This is a compilation of a true-life accounts which took place in a Cult Community called The Synagogue, 'church' of all Nations, Ikotun-Egbe, Lagos, Nigeria; where the author was trapped through hypnotism, and

brainwashing for over a decade with other devotees. She documented her journey into this community who use religious garb to cover their nefarious operation in other to lure the naive, vulnerable, gullible, and the innocent into occultism. She narrates how they lived, how they

were systemic initiated into the dark world by deceit, and were terrorised to swear allegiance to secrecy. They also became instruments of deception in the hands of T. B. Joshua to deceive visitors to the Synagogue. Finally, her escape was a grand style of Jehovah where others lost their lives. This is purely to EDUCATE people and to give ALL THE GLORY back to God, for His Amazing Saving Grace, His constant Love and His abiding Presence. She said, "If I should denied the world this truth, I became a partaker of evil and Hellfire would have been my eternal abode. I am under obligation and indebted to share; I cannot keep it to myself; it burns in my bones. I will also like to use this as a means of restoring the souls of those who have fallen away due to this global deception of

T.B. Joshua." This Book is a societal mirror for everyday people, it is saying that, each one of us has the ability to enter into relationship with God individually without depending on another man as a connector. Jesus Christ has made the way. This is to stand as a guide to the blind, as a warning to the gullible, and as a light to the simple; because what causes people to panic, and run helter skelter in search of an intermediary between them and their Creator is still prevalent in the world, such as sickness, affliction, trouble, confusion, disease, barrenness, joblessness, etcetera. What drives people to run from one prophet to another prophetess both false and genuine, which can cause them to eventually fall into error is still

at large. Those things that pressurizes people daily, and can cause them to be knocking on the doors of prayer contractors and spiritual arrangers, intending to cut deals with 'God' if possible; rather than to go on their knees and be calling upon their Creator for Mercy and a turnaround is still thriving in the world today. Evil seems to run rampant everywhere. What we need is Peace in God and holding unto His Word. These agents of satan are only having breakthrough at your breakdown. Beware of miracle peddlers, Beware of false prophets, and Beware of false teachers, Jesus warned. This is their time, Run for your life!

TB Joshua The Misunderstood & Misrepresented Prophet at SCOAN - Ambassador Orejo Monday Ogbe
Never a time like our time has the church being so divided on diverse metrics than now. We see each other as rivals rather than brethren. We spend too much time arguing over

scripture, the right or the wrong denomination, doctrines, creed, who is a man or woman of God and who isn't, who is a devil and who is a saint. Most believers usually only have fellowship with those in their own church or group. This segregation is divisive to the detriment of the singular mandate Jesus gave every believer to go out and make disciples of all nations teaching them to obey all that He has commanded us – Matthew 28:19,20. The early church was one, this was Jesus praying for his church in John 17:21-23. Let's spend the time that we spend fighting each other by showing the love of Christ, giving our time to helping others supporting the church as commanded. The assignment of making disciples of all nations cannot be handled by one ministry even if it

has 2 billion members. Every part has a function that others can't supply effectively. The eye is not the leg and the leg is not the hand. Each part of the body of Christ is optimized for a particular function that displays the diversity of our heavenly Father. I have written this book – TB Joshua, the misunderstood and misrepresented prophet at Synagogue Church of All Nations (SCOAN) to draw us to the need to extend a hand of fellowship with SCOAN and our brothers and sister in other fellowships around the world. This cannot happen without knowledge of the ministry. Only in knowledge can understanding come. I met TB Joshua one-on-one in April 2010 in his office and have fellowshiped with the ministry more than three times. This is driven by our burden

in otakada.org to see the body of Christ united in spirit. By the time you are done reading this book, you will gain information you never had before on the need for unity as shown to me by Christ on the 22nd of April 2006. You will be desirous to engage other ministries like SCOAN as you will see the need to open channels of communication with other ministries beyond your own so that you will be an answer to Christ prayer on unity because of your selfless action to engage lovingly with other brethren. Monday Ogwuojo Ogbe "Now let's put this all together: Jesus prayed in John 17 that the Body of Christ would be united with the Godhead in the same way that He Himself is united with His Father. The implication is that when people see us, they have seen the Father. And if they don't

believe us on account of our words, they should believe us on account of our works, because we are to do greater works than Jesus did. That is the kind of unity that will cause the world to know that the Kingdom of God has come near them!" - Kris Vallotton The Invasion of the Funky Pastors - Harry N Agina 2010-03-15
When I left Nigeria as a boy for the USA in search of the proverbial greener pastures there was Christianity and there was the African Culture in Nigeria, both of which I had grown up in. Christianity fed me with the word of God, while my African Culture made me desirably and proudly different from a white man, an Indian, Mexican, or Asian. That was many years ago in the mid1900s. Today when I visit my little remote African village to enjoy some of the

cultural values that I have missed so much while in the western world, my brethren in the village tell me that the culture is no more. Indeed, the entire Christian community of Nigeria seems to be heading towards the notion that the African Culture is suddenly out of fashion. The people's excuse is that they have seen the light in their new wave Christianity. Some traditionalists are not taking the culture-abuse lying down, and with their fire-for-fire response to the Christian zealots, there is truly a war of cultures in Nigeria. I am right in the middle of it, and this is my story. I must prepare my reader's mind for my general hardnosed criticism of Nigerian Commercial Church in this story. I lament that too many Christians are willfully making mischief, and a

whole lot of money, all in the name of God. I am a devout Christian, and would never advertently say one bad word against Christianity, or any religion for that matter. My grouse is with the growing number of mischievous (funky) pastors, their zombie-like followers, their gross misinterpretation of the Holy Bible, and the war that they have declared against the African Culture. One might even say that my criticism is venomous, but I call it brutally frank, or frankly brutal.

Healing and Deliverance Ministry - T. B. JOSHUA 2020-04-24

In Christianity, deliverance ministry refers to cleansing a person of demons and evil spirits to address

problems manifesting in their life as a result of demonic presences, which have authority to oppress the person. God offers us healing and deliverance through the cross of Jesus Christ. To receive this healing we need to trust in God and believe in the Bible which says on the cross Jesus Christ took our sicknesses upon Himself. Isaiah 53:5, "By His stripes we are healed." Political Spiritualities - Ruth Marshall 2009-08-01

After an explosion of conversions to Pentecostalism over the past three decades, tens of millions of Nigerians now claim that "Jesus is

the answer.” But if Jesus is the answer, what is the question? What led to the movement’s dramatic rise and how can we make sense of its social and political significance? In this ambitiously interdisciplinary study, Ruth Marshall draws on years of fieldwork and grapples with a host of important thinkers—including Foucault, Agamben, Arendt, and Benjamin—to answer these questions. To account for the movement’s success, Marshall explores how Pentecostalism presents the experience of being born again as a chance for Nigerians to realize the promises of political and religious salvation made during the colonial and postcolonial eras. Her astute analysis of this religious trend sheds light on Nigeria’s contemporary politics, postcolonial statecraft,

and the everyday struggles of ordinary citizens coping with poverty, corruption, and inequality. Pentecostalism’s rise is truly global, and Political Spiritualities persuasively argues that Nigeria is a key case in this phenomenon while calling for new ways of thinking about the place of religion in contemporary politics.

TB Joshua - Servant of God - Gary J Tonge 2021-06-01

TB Joshua, Servant of God is a new biography of TB Joshua (1963-2021) which he personally approved shortly before his unexpected passing to be with the Lord. freedom and religious pluralism. These, however, are rarely mere facts on the ground ? they are legal, political, social, and theological projects that require considerable effort to realise. This volume ? compiling the proceedings of the third annual conference of the African Consortium for Law and Religion Studies ? focuses on various issues which vastly effect the understanding of religious pluralism in Africa. These include, amongst others, religious freedom as a human right, the importance of managing religious pluralism, and the permissibility of religious practice and observance in South African public schools.

Rejoice And See What Happens Next -
Kedmon Nyasha Hungwe 2022-04-05
Temitope Balogun Joshua (1963-2021)

of Lagos, Nigeria, was a renowned minister of the gospel of Jesus Christ. He was greatly endowed with the spiritual gifts of teaching, prophecy, healing, deliverance, and discipleship. His philanthropic work stretched across the continents, touching the needy in Africa, the Americas, the Caribbean, Europe, the Middle East, and Asia. He was a friend and confidant of heads of state and governors. He was above all a friend of the poor, the marginalized, and a fatherly figure to orphans, widows, and the displaced. This book was mostly completed in 2020 and is presented as such. It unfolded as a work of faith with a dawning recognition that T.B. Joshua's ministry was the most consequential event since the days of Christ's apostles. Therefore, this

work is a personal testimony of watching and reflecting on the treasure trove of his teachings. He was a teacher par excellence. Through his deep relationship with the Lord Jesus Christ, people witnessed a seamless and powerful connection between the spoken word, signs and wonders, and the quality of life lived. My wife and I had the privilege of meeting with Prophet T.B. Joshua on the afternoon of November 26, 2019, having shared a draft copy of the book with him. He graciously embraced our efforts and offered the most generous encouragement, including a financial gift to meet the costs of publication. For that we are forever thankful. The purpose of T.B. Joshua's life was encapsulated in a message entitled, "The Beauty of Our

Achievement." The message is also a pointer for what he passionately believed for others who encountered him. The following are his words. It takes faith to maintain your position to the end. The beauty of our achievement is when you are no longer living and the achievement is still there, lingering on in the eyes of and ears of children yet unborn. We are not necessarily blessed by God because of today. It's not necessarily because of today you are blessed, but you are blessed because of tomorrow when you are no longer living. That achievement continues to live so that our children can be influenced in a positive way by our achievement. You will no longer live to educate them, to tell them the right way to follow, but your achievements will be there to talk to

them. Your concentration is so much on what you want to achieve, what you need. That is your concentration. You want to be this; you want to be that. Vanity upon vanity! If you are known today and you are not known tomorrow, what is the value of it? If your name is written today, and vanishes tomorrow, what is the value? Please think about tomorrow. I have been particularly struck by the freshness, vitality, authenticity, simplicity, and power of the SCOAN message. It is my hope that this book will increase our understanding of who God is, the grace of our Lord and Savior Jesus Christ, and the enduring work of the Holy Spirit. The work of T.B. Joshua encapsulates that great proclamation of our Lord when he declared, "The Spirit of the Lord is on me because he has anointed me to proclaim good

news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to set the oppressed free." (Luke 4:18 [New International Version]) T.B. Joshua has showed every indication of following this anointed path. He is worthy of careful study and emulation, as our Lord and Master directs, "Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father." (John 14:12 [NIV]) This work is for those that genuinely want to learn. It is my hope that those who are blessed by it will contribute toward the SCOAN charity, Emmanuel TV.

Reasons You Should Not Visit the Synagogue 'church' of All Nations - Bisola Hephzi-bah Johnson 2019-11-03
Immediately after my story of incarceration in the Synagogue which was featured in my first Book began to go viral, other victims of T.B. Joshua from different walks of life got contagious through the act, and courageously spring out of their shell to share with me their personal negative experiences in the Synagogue. The wound many of them had licked privately for many years, and concealed the shame, loses, and embarrassments under the garments of plague of silence. Our silence is on

the other hands empowering the psychopaths that are into fakery, molestation, and diabolical acts. We don't want to enable them, this is why we are sharing our stories for others to learn. Some of the stories are hilarious, while majority of them are frightening, disheartening, and sorrowful. I decided to have them shared with you in this book for the same reason why I did mine. To be a light to those who grope in darkness. Spiritual and Physical killings are rampant in the Synagogue, 'church' of all Nations, which is one of the things that cushions T.B. Joshua' demonic powers. I believe no reasonable person will seek for protection, healing or deliverance in such a damned place. The acts of Fatai Balogun alias T.B. Joshua of the Synagogue of

satanism and lawlessness can no longer be hidden or covered up, God is helping those that were wounded and abused in this unholy place called the Synagogue to find strength to expose T.B. Joshua, despising the shame so that others may learn and never fall prey of the RAVENING WOLVES (Matthew 7: 15).

Covid Conspiracy Theories in Global Perspective - Michael Butter

2023-02-21

Covid Conspiracy Theories in Global Perspective examines how conspiracy theories and related forms of misinformation and disinformation about the Covid-19 pandemic have circulated widely around the world. Covid conspiracy theories have attracted considerable attention from researchers, journalists, and

politicians, not least because conspiracy beliefs have the potential to negatively affect adherence to public health measures. While most of this focus has been on the United States and Western Europe, this collection provides a unique global perspective on the emergence and development of conspiracy theories through a series of case studies. The chapters have been commissioned by recognized experts on area studies and conspiracy theories. The chapters present case studies on how Covid conspiracism has played out (some focused on a single country, others on regions), using a range of methods from a variety of disciplinary perspectives, including history, politics, sociology, anthropology, and psychology. Collectively, the authors reveal that, although there

are many narratives that have spread virally, they have been adapted for different uses and take on different meanings in local contexts. This volume makes an important contribution to the rapidly expanding field of academic conspiracy theory studies, as well as being of interest to those working in the media, regulatory agencies, and civil society organizations, who seek to better understand the problem of how and why conspiracy theories spread. *The Eyes of Darkness 2* - T. My Encounter with T.B. Joshua - Paul Akarigbo 2017

The T.B. Joshua I Know - Bisola Johnson 2018-05-30

This is a compilation of true-life accounts that took place in a Cult Community called The Synagogue, 'church' of all Nations, Ikotun-Egbe,

Nigeria; where the author was trapped for over a decade with other devotees through hypnotism and brainwashing. She had documented her journey into this community, who uses religious garb to cover their nefarious operation to lure the innocent into occultism. She wrote how they lived, how they were systemic initiated into the dark world of deceit, and terrorized to swear secrecy allegiance. Finally, her escape was a grand style of Jehovah. This is to EDUCATE people and to give ALL THE GLORY back to God, for His Amazing Saving Grace, His constant Love and His abiding Presence. She said, "If I should denied the world this truth, I became a partaker of evil and Hellfire would have been my eternal abode. I am under obligation and indebted to share; I cannot keep it

to myself; it burns in my bones. I will also like to use this as a means of restoring the souls of those who have fallen away due to this global deception of T.B. Joshua." This Book is a societal mirror for everyday people, it is saying that, each person has ability to discover who God is individually, without depending on another man. This is to stand as a guide to the blind, as a warning to the gullible, and as a light to the simple; because what causes people to panic, and run helter skelter in search of an intermediary between them and their Creator is still prevalent in the world, such as sickness, affliction, trouble, confusion, disease, barrenness, joblessness, etcetera. What drives people to run from one prophet to another prophetess both

false and genuine, which can cause them to eventually fall into error is still at large. Those things that pressurizes people daily, and can cause them to be knocking on the doors of prayer contractors and spiritual arrangers, intending to cut deals with 'God' if possible; rather than to go on their knees and be calling upon their Creator for Mercy and a turnaround is still thriving in the world today. Evil seems to run rampant everywhere. What we need is Peace in God and holding unto His Word. These agents of satan are only having breakthrough at your breakdown. Beware of miracle peddlers, Beware of false prophets, and Beware of false teachers, Jesus warned. This is their time, Run for your life!

The Devil's Eyes - T. B. JOSHUA
2020-04-07

Everyone gets a dirty look now and then, and we usually think little of it (especially if we deserved it). For most of us it is soon shrugged off, but in many places belief in "the devil's eyes" is taken very seriously, and requires immediate action to avoid harm. The evil eye is a human look believed to cause harm to someone or something. THE BOOK, THE DEVIL'S EYES is an eye opener to the works and attacks of the devil towards humanity in power in and around us and how to avoid them squarely. In it, you will discover 7 signs of a wicked heart and husband, evil person, symptoms and characteristics of a hardened

possessed person, and how beginners on witchcraft got started and how it hurt them afterward. Through the book you will understand exorcism scary and demon angels and list of famous freemasonry decree and celebrities you long to know. Reasons Why You Should Not Visit the Synagogue 'church' of All Nations -
Bisola Hephzi Johnson 2019-11

Immediately after my story of incarceration in the Synagogue which was featured in my first Book began to go viral, other victims of T.B. Joshua from different walks of life got contagious through the act, and courageously spring out of their shell to share with me their personal negative experiences in the Synagogue. The wound many of them had licked privately for many years, and concealed the shame, loses, and embarrassments under the garments of plague of silence. Our silence is on the other hands empowering the psychopaths that are into fakery, molestation, and diabolical acts. We don't want to enable them, this is

why we are sharing our stories for others to learn. Some of the stories are hilarious, while majority of them are frightening, disheartening, and sorrowful. I decided to have them shared with you in this book for the same reason why I did mine. To be a light to those who grope in darkness. Spiritual and Physical killings are rampant in the Synagogue, 'church' of all Nations, which is one of the things that cushions T.B. Joshua' demonic powers. I believe no reasonable person will seek for protection, healing or deliverance in such a damned place. The acts of Fatai Balogun alias T.B. Joshua of the Synagogue of satanism and lawlessness can no longer be hidden or covered up, God is helping those that were wounded and abused in this unholy place

called the Synagogue to find strength to expose T.B. Joshua, despising the shame so that others may learn and never fall prey of the RAVENING WOLVES (Matthew 7: 15).

Pentecostalism and Politics in Africa

- Adeshina Afolayan 2018-06-29

As the epicenter of Christianity has shifted towards Africa in recent decades, Pentecostalism has emerged as a particularly vibrant presence on the continent. This collection of essays offers a groundbreaking study of the complex links between politics and African Pentecostalism. Situated at the intersection between the political, the postcolonial, and global neoliberal capitalism, contributors examine the roots of the Pentecostal movement's extraordinary growth; how Pentecostalism intervenes in key social and political issues,

such as citizenship, party politics, development challenges, and identity; and conversely, how politics in Africa modulate the Pentecostal movement. Pentecostalism and Politics in Africa offers a wide-ranging picture of a central dimension of postcolonial African life, opening up new directions for future research.
