Magical Capitalism - Brian Moeran 2018-07-16
This volume of essays examines the ways in which magical practices are found in different aspects of contemporary capitalist societies. From contract law to science, by way of finance, business, marketing, advertising, cultural production, and the political economy in general, each chapter argues that the kind of magic studied by anthropologists in less developed societies – shamanism, sorcery, enchantment, the occult – is not only alive and well, but flourishing in the midst of so-called 'modernity'. Modern day magicians range from fashion designers and architects to Donald Trump and George Soros. Magical rites take place in the form of political summits, the transformation of products into brands through advertising campaigns, and the biannual fashion collections

shown in New York, London, Milan and Paris. Magical language, in the form of magical spells, is used by everyone, from media to marketers and all others devoted to the art of 'spin'. While magic may appear to be opposed to systems of rational economic thought, Moeran and Malefyt highlight the ways it may in fact be an accomplice to it.

Perplexities - Ricarda Denzer 2013

Plain Roots - Becki Willis 2018-11

Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain

community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.

The Light from Zion - Britt Lode 2017-01-01

Today there are many people among the nations of the world who are drawn to the Jewish people and desire the sweetness of the Torah and its teachings. It has been difficult for non-Jewish people to find such teachings - until now. This groundbreaking book is a collection of essays on the weekly Torah portions and the holidays from twelve leading rabbis of Israel, written specifically to address the interests of a Christian audience. This is the world's first book of Torah written by Orthodox rabbis especially (but not exclusively) with pro-Israel Christians in mind. These Orthodox rabbis are enabling the fulfillment of the words of Zechariah 8:23: "In those days it will happen that ten men, of all the different] languages of the nations, will take hold, they will take hold of the corner of the garment of a Jewish man, saying, 'Let us go with you, for we have heard that God is with you' "

Morium - S.J. Hermann 2014-09-20

A GRIPPING SUPERNATURAL THRILLER - Book 1 of the MORIUM TRILOGY If you had the powers to avenge yourself... would you? Bullied... Years of shame... Lexi and Nathan knew pain. MORIUM is the story of Alexandria and Nathan... and Stacy. Three teenagers who were victims of bullying all through high school. They kept their torment a secret from their family and tried to cope in their own way. They only had each other. Their friendship saw them through the seemingly endless years of suffering. But hope was in sight... they will be graduating soon. The vision of a new life away from the bullies and the constant humiliation, gave them something to look forward to. If only that day came sooner. One night, Lexi and Nathan saw an object fall from the sky and went to investigate. As they touched the rock, a strange power entered their bodies. Suddenly, they're not helpless anymore. They can get revenge for all the suffering and pain they had to endure. How will they use these powers? MORIUM discusses the moral dilemma of doing what's right against getting revenge. When your dignity has been shattered and your life has been a living hell... what is RIGHT?

Rosh Rapid Review: General Surgery

Rotation Exam - Emily Oslie 2020-02-19

This is book 2 of 7 of the Rapid Review for the Rotation Exam series. Developed by the same Rosh Review team who brought you the popular Rosh Review Qbank. The Rapid Review for the General Surgery Rotation Exam details every national content blueprint topic into a "what you need to know" for your General Surgery Rotation Exam. This book provides a high-yield review of the pathophysiology, diagnosis, lab analysis, treatments and more. Includes beautifully designed color teaching images for visual learners. Organized so you can add your own notes. Easy to take with you to class, a cafe, or library. The content in the Rapid Review book series is different from the content in the Rosh Qbank. Nonetheless, the Rapid Review book series serves as a perfect companion to the Rosh Qbank. Learning and education is a dynamic process, one that is never ending. Once we commit to a life in medicine, we commit to a life

of learning. The Rosh Rapid Review book series is best suited to serve as an adjunct to your medical education. It is not meant as a primary source, rather it should help you organize your thoughts and provide ancillary knowledge for a more robust education. We are counting on you to not just regurgitate facts, but rather, paraphrasing Dr. Elizabeth Blackburn, to learn how it all works. We are privileged to be in the role of caretaker and thus have a responsibility to our patients to be the most knowledgeable we can be. Use this book on your learning journey. At some point, you will grow out of it. But in the meantime, we hope the hard work by the dedicated Rosh Review team can play just a small role in helping you reach your goals and achieve your dreams.

Way of the Reaper - Nicholas Irving 2016-08-09
From the New York Times Bestselling Author and Co-Star of Fox's American Grit comes a rare and powerful book on the art of being a sniper. *Way of the Reaper* is a step-by-step accounting of how a sniper works, through the lens of Irving's most significant kills - none of which have been told before. Each mission is an in-depth look at a new element of eliminating the enemy, from intel to luck, recon to weaponry. Told in a thrilling narrative, this is also a heart-pounding true story of some of The Reaper's boldest missions including the longest shot of his military career on a human target of over half a mile. In Iraq and Afghanistan, Nick Irving earned his nickname in blood, destroying the enemy with his sniper rifle and in deadly firefights behind a .50 caliber machine gun. He engaged a Taliban suicide bomber during a vicious firefight, used nearly silent sub-sonic ammo, and was the target of snipers himself. *Way of the Reaper* attempts to place the reader in the heat of battle, experiencing the same dangers, horrors and acts of courage Irving faced as an elite member of the 3rd Ranger Battalion, 75th Ranger Regiment, while also examining the personal ramifications of taking another life. Readers will experience the rush of the hunt and the dangers that all snipers must face, while learning what it takes to become an elite manhunter. Like the Reaper himself, this explosive book blazes new territory and takes no prisoners.

EmpreLiderazgo - Dave Ramsey 2012-05-22
Todo lo que siempre quiso saber sobre cómo montar y hacer prosperar un negocio...cuando no tiene a quien consultar Su compañía solo será tan fuerte como sus líderes. Son ellos, esos hombres y esas mujeres, quienes pelean la batalla cotidiana bajo la bandera que constituye su identidad. ¿Son valientes o indecisos? ¿Dirigen a un equipo motivado o se limitan solo a manejar empleados? ¿Se les valora? Su equipo no puede prosperar más allá de su capacidad, lo que me hace pensar en otra pregunta: ¿Estamos creciendo, prosperando? No importa si hoy se encuentra en el escritorio como gerente ejecutivo o en un cubículo como gerente de mandos medios o ante una mesa de juego en la sala de su casa que por el momento constituye su nueva empresa...Este libro le servirá de guía práctica para conducir su empresa, paso a paso, a donde la quiera llevar. Estamos hablando de la vida real. Así es cómo en verdad funcionan los negocios. Se trata de un tesoro de principios que han sido puestos a prueba desde las trincheras a lo largo de más de veinte años y que le servirán para que lidere con confianza y seguridad.

Shadow Ops: Fortress Frontier - Myke Cole
2013-01-29

The Great Reawakening did not come quietly. Across the country and in every nation, people began to develop terrifying powers—summoning storms, raising the dead, and setting everything they touch ablaze. Overnight the rules changed...but not for everyone. Colonel Alan Bookbinder is an army bureaucrat whose worst war wound is a paper-cut. But after he develops magical powers, he is torn from everything he knows and thrown onto the front-lines. Drafted into the Supernatural Operations Corps in a new and dangerous world, Bookbinder finds himself in command of Forward Operating Base Frontier—cut off, surrounded by monsters, and on the brink of being overrun. Now, he must find the will to lead the people of FOB Frontier out of hell, even if the one hope of salvation lies in teaming up with the man whose own magical powers put the base in such grave danger in the first place—Oscar Britton, public enemy number one...

Rusch to Glory - Rebecca Rusch 2014-10-01
Rebecca Rusch is one of the great endurance athletes of our time. Known today as the Queen of Pain for her perseverance as a relentlessly fast runner, paddler, and mountain bike racer, Rusch was a normal kid from Chicago who abandoned a predictable life for one of adventure. In her new book *Rusch to Glory: Adventure, Risk & Triumph on the Path Less Traveled*, Rusch weaves her fascinating life's story among the exotic locales and extreme conditions that forged an extraordinary athlete from ordinary roots. Rusch has run the gauntlet of endurance sports over her career as a professional athlete-- climbing, adventure racing, whitewater rafting, cross-country skiing, and mountain biking--racking up world championships along the way. But while she might seem like just another superhuman playing out a fistful of aces, her empowering story proves that anyone can rise above self-doubt and find their true potential. First turning heads with her rock climbing and paddling skills, Rusch soon found herself spearheading

adventure racing teams like Mark Burnett's Eco-Challenge series. As she fought her way through the jungles of Borneo, raced camels across Morocco, threaded the rugged Tian Shan mountains, and river-boarded the Grand Canyon in the dead of winter, she was forced to stare down her own demons. Through it all, Rusch continually redefined her limits, pushing deep into the pain cave and emerging ready for the next great challenge. At age 38, Rusch faced a tough decision: retire or reinvent herself yet again. Determined to go for broke, she shifted her focus to endurance mountain bike racing and rode straight into the record books at a moment when most athletes walk away. Rusch to Glory is more than an epic story of adventure; it is a testament to the rewards of hard work, determination, and resilience on the long road to personal and professional triumph.

Janey the Vet - Janey Lowes 2020-03-19

'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle
In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a makeshift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet

many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.

F*cking History - The Captain 2020-08-11

History that doesn't suck: Smart, crude, and hilariously relevant to modern life. Those who don't know history are doomed to repeat it. Too bad it's usually boring as sh*t. Enter The Captain, the ultimate storyteller who brings history to life (and to your life) in this hilarious, intelligent, brutally honest, and crude compendium to events that happened before any of us were born. The entries in this compulsively readable book bridge past and present with topics like getting ghosted, handling haters, and why dog owners rule (sorry, cat people). Along the way you'll get a glimpse of Edith Wharton's sex life, dating rituals in Ancient Greece, catfishing in 500 BC, medieval flirting techniques, and squad goals from Catherine the Great. You'll learn why losing yourself in a relationship will make you crazy--like Joanna of Castile, who went from accomplished badass to Joanna the Mad after obsessing over a guy known as Philip the Handsome. You'll discover how Resting Bitch Face has been embraced throughout history (so wear it proudly). And you'll see why it's never a good idea to f*ck with powerful women--from pirate queens to diehard suffragettes to Cleo-f*cking-patra. People in the past were just like us--so learn from life's losers and emulate the badasses. The Captain shows you how.

Dead of Eve - Pam Godwin 2012-10-22

"The writing, the action, the characters...I can't praise it enough. No one writes Dystopian like Pam Godwin, but this book is so much more than a post apocalyptic tale." ~ Alta Hensley, USA Today Bestselling Author A virus devastates humanity. Few men survive. The rest are monsters. The women are dead, except Evie. Through a quirk in her genetics, she survives. When her physiology begins to evolve, she must come to terms with what she is and accept her

role in finding a cure. The mutated hunt her. The men brutalize her...except three. Cryptic warrior, contrite lover, caring enemy; they are fiercely protective of the last living woman, but divided in their own agendas. Can they come together to protect the only hope for humanity? Evie must survive. Heart of Eve (FREE) can be read in any order between the books. Contains erotica, alpha male, priest, sci-fi, paranormal, horror, dystopian, dark romance, apocalyptic, post-apocalyptic, adventure, action, suspense, thriller

Applied Time Series Econometrics - Helmut Lütkepohl 2004-08-02

Time series econometrics is a rapidly evolving field. Particularly, the cointegration revolution has had a substantial impact on applied analysis. Hence, no textbook has managed to cover the full range of methods in current use and explain how to proceed in applied domains. This gap in the literature motivates the present volume. The methods are sketched out, reminding the reader of the ideas underlying them and giving sufficient background for empirical work. The treatment can also be used as a textbook for a course on applied time series econometrics. Topics include: unit root and cointegration analysis, structural vector autoregressions, conditional heteroskedasticity and nonlinear and nonparametric time series models. Crucial to empirical work is the software that is available for analysis. New methodology is typically only gradually incorporated into existing software packages. Therefore a flexible Java interface has been created, allowing readers to replicate the applications and conduct their own analyses.
The Gentle Weapon - Moshe Mykoff 1999
