Stealing Fire from Heaven - Nevill
Drury 2011-03-02

The Western magical traditions are
currently undergoing an international

resurgence. In *Stealing Fire from Heaven*, Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems. Gnosticism and the Hermetica, the medieval Kabbalah, Tarot and Alchemy, and more recently, Rosicrucianism and Freemasonry, collectively laid the basis for the modern magical revival, which first began to gather momentum in Europe at the end of the nineteenth century. Western magic has since become increasingly eclectic, drawing on such diverse sources as classical Greco-Roman mythology, Celtic cosmology, Kundalini yoga and Tantra, shamanism, chaos theory, and the various spiritual traditions associated in many different cultures with the Universal Goddess. Drury

traces the rise of various forms of magical belief and practice, from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality. He also explores Chaos Magick and the occult practices of the so-called Left-Hand Path, as well as twenty-first-century magical forays into cyberspace. He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred--a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as "stealing fire from heaven." Considered in this light, Drury argues, modern Western magic can be regarded as a form of alternative spirituality in which the

practitioners seek direct engagement with the mythic realm.

The 72 Sigils of Power - Zanna Blaise
2015-09-04

When you look at these glorious,

mystical Sigils in a specific state of mind, magic happens. The magic happens within you and is reflected in your world. This book contains two types of magic. Contemplation Magic can give you great insight and wisdom, and will help you develop abilities and create new aspects of your personality. Results Magic can be used to make changes in the world around you. This is the simplest form of magic known, but it works. Each Sigil of Power contains one of The 72 Names of God. These are mighty three-letter words, written in Hebrew. These sacred names are a trigger for real magic. There is one small problem - there's lots of misinformation out there when it comes to the 72 Names. Although there are some first-rate books, and even a few useful websites, there's a lot of poorly

researched material that will lead you away from the magic. Often the names are incorrectly listed, badly drawn or their secrets are concealed. Here, the 72 Names of God are presented as visual Sigils, complete with the secret Words of Power that activate them. There are detailed instructions for working on inner change and outer magic. More than 300 individual powers are explored in this book. The Names are written as clearly and beautifully as possible, bound by a solid circle to enhance your focus. Each letter was handcrafted, based on traditional techniques and the visual requirements of modern readers. The Names in this book are the most accurate and accessible that you can find. You will discover how to: Use the names to access angelic

power. Work with Contemplation Magic to gain insight and wisdom. Use Results Magic to change yourself and your world. Attract the things, people and events that will make you happy. Banish pain, loneliness, sadness and regret. Develop new character traits. Discover your true will and inner needs. When you work with these Sigils of Power you will gain a stronger connection to yourself, and the better you know yourself the easier it is for all your desires to manifest. That is the real power of Divine Magic.

The second style of magick is evocation, where the angel is called to appear visibly, so that you can receive wisdom, guidance and change more directly. The powers conveyed by these

angels are immense, because they connect you to your deepest self, making it easier to progress through life, attracting the situations and people that will bring you the most happiness. When things are difficult, these angels offer sanctuary and emotional healing. You will discover: A simple ritual process requiring no special tools. 42 unique Angelic Sigils, never before published. Liber Null & Psychonaut - Peter J. Carroll 2022-06-01

"The most original and probably the most important writer on Magick since Aleister Crowley."—Robert Anton Wilson, author of the Prometheus Rising and other works Peter Carroll's classic work has been profound influence on the Western magical world and on the practice of chaos magick in particular. In Liber Null and Psychonaut, Carroll presents an approach to the practice of magic that draws on the foundations of shamanism and animism, as well as

that found in the Greek magical papyri, the occult works of Eliphas Levi and Aleister Crowley, and the esoteric meditative practices of classical India and China. Also very much at work in the text are 20th century scientific ideas of quantum physics and chaos theory. The result is a profoundly original work of magical studies that also includes a selection of extremely powerful rituals and exercises for committed occultists with instructions that lead the reader through new concepts and practices to achieve Carroll's definition of magic itself: the raising of the whole individual in perfect balance to the power of infinity. This Weiser Classics edition is a thoroughly revised republication of Liber Null and Psychonaut, first published by Weiser

in 1987, and includes a new foreword by Ronald Hutton, a leading authority on modern witchcraft and paganism.

When God Had a Wife - Lynn Picknett

2019-12-10

Reveals the tradition of goddess worship in early Judaism and how Jesus attempted to restore the feminine side of the faith • Provides historical and archaeological evidence for an earlier form of Hebrew worship with both male and female gods, including a 20th-century discovery of a Hebrew temple dedicated to both Yahweh and the warrior goddess Anat • Explores the

Hebrew pantheon of goddesses, including Yahweh's wife, Asherah, goddess of fertility and childbirth • Shows how both Jesus and his great rival Simon Magus were attempting to restore the ancient, goddess-worshipping religion of the Israelites Despite what Jews and Christians--and indeed most people--believe, the ancient Israelites venerated several deities besides the Old Testament god Yahweh, including the goddess Asherah, Yahweh's wife, who was worshipped openly in the Jerusalem Temple. After the reforms of King Josiah and Prophet Jeremiah, the religion recognized Yahweh alone, and history was rewritten to make it appear that it had always been that way. The worship of Asherah and other goddesses was now heresy, and so the status of women was downgraded and

they were blamed for God's wrath. However, as Lynn Picknett and Clive Prince reveal, the spiritual legacy of the Jewish goddesses and the Sacred Feminine lives on. Drawing on historical research, they examine how goddess worship thrived in early Judaism and included a pantheon of goddesses. They share new evidence for an earlier form of Hebrew worship that prayed to both male and female gods, including a 20th-century archaeological discovery of a Hebrew temple dedicated to both Yahweh and the goddess Anat. Uncovering the Sacred Feminine in early Christianity, the authors show how, in the first century AD, both Jesus and his great rival, Simon Magus, were attempting to restore the goddess-worshipping religion of the Israelites. The authors reveal how

both men accorded great honor to the women they adored and who traveled with them as priestesses, Jesus's Mary Magdalene and Simon's Helen. But, as had happened centuries before, the Church rewrote history to erase the feminine side of the faith, deliberately ignoring Jesus's real message and again condemning women to marginalization and worse. Providing all the necessary evidence to restore the goddess to both Judaism and Christianity, Picknett and Prince expose the disastrous consequences of the suppression of the feminine from these two great religions and reveal how we have been collectively and instinctively craving the return of the Sacred Feminine for millennia.

useful meditations, invocations, some prayers, guidelines on how to do an oracle or angel card reading, so on and so forth. The fourth and final section of this book talks about how a person can get started with their practice and profession as an Angelic Therapy Practitioner.

The Book of Shadows - Brittany

Nightshade 2016-04-26

EDIT: Updates for 2017! Added more spells, illustrations and a glossary. I compiled this Book of Shadows from a collection of spells I have been using since I started down my path. This book contains over 100 spells, a list of runes, how they can be used in spell casting and even crafting your own spells. I've collected these spells from several different sources, mostly from witches I have met in my travels and covens I have

been a part of. I've tweaked a few of these spells to fit my needs from time to time and you can do the same as the words aren't what give the spells power, your energy is what really matters, so feel free to do the same and change what you want to suit your own needs. The craft of Magic is a constant fluctuating living thing and our ancestors have borrowed, changed, and made from scratch what we practice today. I hope this book helps you grow as a person and a spellcrafter. -Brittany Nightshade-Brittany Nightshade

Strickland 2021-05-18

A pansexual bloodmage reluctantly teams up with an undead spirit to start a rebellion among the living and the dead, in this dark YA fantasy by A.M. Strickland, author of *Beyond the Black Door*, whom Richard Kadrey calls “a storyteller of both grace and power.” In Thanopolis, those gifted with magic are assigned undead spirits to guard them—and control them. Ever since Rován’s father died trying to keep her from this fate, she’s hidden her magic. But when she accidentally reveals her powers, she’s bound to a spirit and thrust into a world of palace intrigue and deception. Desperate to escape, Rován finds herself falling for two people she can’t fully trust: Lydea, a

beguiling, rebellious princess; and Ivrilos, the handsome spirit with the ability to control Rován, body and soul. Together, they uncover a secret that will destroy Thanopolis. To save them all, Rován will have to start a rebellion in both the mortal world and the underworld, and find a way to trust the princess and spirit battling for her heart—if she doesn’t betray them first. An Imprint Book *Demons of Magick* - Gordon Winterfield 2017-05-26

The magick of demons can lead to a life of success, power and extraordinary peace. Demons will demolish enemies, enrich bold ventures, satisfy material desires, and provide you with wisdom, charisma, healing and persuasive dignity. The beauty of demonic magick is that spiritual growth arises from

material pleasure. If these are works of darkness, they bring great light. Demons of Magick provides you with three rituals for working with the seventy-two demons of Goetia. The first method is a way to petition for a simple result. The second method is Connective Evocation, where you sense the presence of the demon, to obtain knowledge. The third method provides you with the instructions for a Full Evocation, with the demon brought to visible appearance. Each of the seventy-two demons is proficient in several areas, and all of their powers can be used alone or in combination. You have thousands of sophisticated powers at your disposal. Gordon Winterfield says, 'My intent in creating this book has been to offer something genuinely original, and unobtainable elsewhere,

based on the wisdom of experienced, practicing occultists. I have no interest in peddling the same weary methods that can be found elsewhere. It is therefore unavoidable that the contents of this book will challenge much of what has been said on the subject. The magick in this book is a modernized, workable method, and will violently contradict many beloved theories and beliefs. This book may offend you, but if you are open-minded, I believe you will find a method that works for you quite readily.' You will discover: The secret Evocation Keys for attracting the demon to you. The names of 288 angels used to constrain the demons. 144 demonic and angelic seals. 72 colored sigils for working the rituals. The Ritual Opening that calls on five archangels. Words of

Power for achieving altered states of consciousness. The safest and simplest methods for evoking demons.

When summoning an angel, their sigil (a kind of esoteric calling card) is supposed to be drawn on a piece of pure virgin parchment in red ink. To echo this color palette, the cards are made to look like fresh, pure parchment. The borders of each card are deep

crimson, which creates a striking contrast. The magical symbols are real. The artwork is hauntingly divine. These aren't your Aunt Doreen's angel cards . . .

Kabbalah, Magic, and the Great Work of Self-transformation - Lyam Thomas
Christopher 2006

Advancing to higher levels of ritual magic with purpose and power requires an exaltation of consciousness-a spiritual transformation that can serve as an antitode to the seeming banality of modern life. Based on Kabbalistic techniques, the teachings of the Hermetic Order of the Golden Dawn, and an Hermetic tradition spanning nearly two thousand years, this innovative new work introduces the history of the Golden Dawn and its mythology, the Tree of Life, Deities, demons, rules for practicing magic, and components of effective ritual. A comprehensive course of self-initiation using Israel Regardie's seminal Golden Dawn as a key reference point, Kabbalah, Magic and the Great Work of Self-Transformation guides you through the levels of the Golden Dawn system of

ritual magic. Each grade in this system corresponds with a sphere in the Kabbalistic Tree of Life and includes daily rituals, required reading, written assignments, projects, and additional exercises. Knowledgeable and true to tradition, author Lyam Thomas Christopher presents a well-grounded and modern step-by-step program toward spiritual attainment, providing a lucid gateway toward a more awakened state. Success Magick - Damon Brand

2020-03-11

There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a

successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you

have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries

ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success.

Sigils of Power and Transformation -
Adam Blackthorne 2017-01-02

There are one hundred and eleven sigils in this book that can help with anything from self-confidence to luck, from healing to protection, and from inspiration and intuition to love. When you work with the sigils

in this book, you throw out all the confusing magickal garbage and get straight to the power of change. Sigils provide you with a visual code that unlocks the essence of magick. This book does not contain anything to do with witchcraft, spellcasting, kabbalistic ritual, evocation or any other method of magick that you might be familiar with. A sigil is nothing more than a drawing, but in this case, the drawing is so much more than you can imagine. These drawings bypass the conscious mind, connecting you to a stream of pure magick. This is not dark magick, but magick of light. You can do no harm with this magick, to yourself or to others. The magick works because you have access to one hundred and eleven secret sigils, handed down from ancient times. Every one of them can work

wonders in the modern world. You will discover: The Magick of the Mind
Inspiring Others Extended Perception

Magick The magick presented here is not bound to any religion, and it requires no magick words. You don't have to learn any difficult pronunciations or say a single word out loud. The magick requires no visualization and no equipment. You won't light a candle or wave a wand. All you need is this book, your own strong desire and the will to carry out the instructions.

The Enochian Evocation of Dr. John Dee - Geoffrey James 2009-06-01

Based on the transcriptions of Dr. John Dee, the famous Elizabethan scientist and magus, The Enochian Evocation of Dr. John Dee is the translation of the original material received from direct Angelic contact. In 1852 Dee and his partner Edward Kelly, while gazing into a crystal stone, began to see and hear angels. These beings desired to re-establish the true art of magic, which had been lost due to man's wickedness and ignorance. The true magical art, these beings claimed, would bestow superhuman powers upon its practitioners, change the political structure of Europe, and herald the coming of the Apocalypse. Dee believed this research would greatly benefit mankind and documented all of the channeled information into a series of manuscripts and workbooks.

Author Geoffrey James presents here the direct translation of the core of the channeled material itself, framed in a historical context, with authority and integrity.

If you've ever done magick of any kind - whether casting a spell, performing a ritual or even just praying - this may sound too good to be true. Author Damon Brand says, 'I felt the same way when I first explored these ideas, because I have spent a lot of time working with more complex magick. When I tried the Words of Power, the results I received convinced me that this

magick works.' Damon Brand works with a group of occultists known as The Gallery of Magick and they have spent several decades testing the best combinations to create the most safe and effective Words of Power. Words of Power work because they connect you to spirit forces with direct access to divine power. Practical Jinn Magick - Corwin Hargrove 2018-07-18

Jinn Magick is simple to execute, and the results can be some of the best you will find in all occultism. Much has been written about The Fire Spirits, known as the Jinn (or Djinn), but books of practical Jinn Magick are rare. Hardly any exist, and those that do are often a disappointment. This book reveals a practical method for calling on the Jinn and receiving a response. There are forty-two rituals, and the magick can help with influence and passion or destruction and transformation. The

rituals deal with reputation and the souring of love. Some rituals affect competition, uncover flaws, weaken others, improve your discipline or make somebody else burn out. Where you feel stuck, you can find release, and there are ways to create more abundance or make somebody else lose what they have. Rituals can create obsessive thoughts in others and make people see the best in you or the worst in another. They can help you seduce or cause somebody to be sexually disgusted by another person. Financial magick works to increase what you have and can make people appreciate your work or make others lose what money they have. There's great potential if you use your imagination. The magick can be subtle and delicate or life-changing and devastating, according

to your wish. Most of the rituals can be modified and are directed at clear, practical results. The Jinn are neither angels or demons, but fire spirits, and they execute your magickal wishes with immense power. The magick may only work half the time, but when it does, it works with alarming intensity. The book is expensive, but that's because there's decades of research in here and these secrets should not be given to those who don't value them. Pay a fair price, do the work well, and you will get what you want.

Wealth Magick - Damon Brand

2014-10-30

Damon Brand reveals the closely guarded secrets of the super-rich. This much sought-after volume is available once more. It contains a complete magickal system for attracting great wealth. The system has been developed over thirty years by a group of occultists known as The Gallery of Magick. Magick is not for everybody, and the magick in this book is certainly not suitable for the casual user, or for somebody who just wants a little extra cash. Although you do not need any

particular skills or experience to benefit from this book, you do need to dedicate time, effort and mental energy to the working, as well as moving the focus of your life to wealth. If you are prepared for that level of commitment, there can be great rewards. This book is designed for those who want to focus on long term wealth creation. It is not designed for those in desperate poverty, but for those who can afford to turn their attention to wealth. Damon says, 'To be clear, and for the sake of complete honesty, I am not super-rich, but I am extremely wealthy compared to where I was a few years ago, and compared to my childhood I feel like a billionaire. I have also found that the effects of the working grew long after it was initially performed, with my wealth

continuing to expand years later.' How rich you become is up to you. Wealth Magick concentrates magick into a series of workings that will enable you to attract the wealth you desire. If you want money, it's yours. As Damon Brand points out, magick is often over-complicated. He says, 'Before you know it you're trying ten different methods at once and your house is filled with candles, altars, incense and all sorts of images, crystals and magickal gadgets. The good news is that most of this can be thrown out. Everything you need is contained in Wealth Magick.' You do not have to spend years performing endless spells or make offerings to dangerous spirits. This method has been concentrated into the purest magick. You begin attracting wealth from day one. You should note,

however, that this is not a quick fix, and although the daily rituals are brief, several months of dedication are required. The magickal operations in this book are not about attracting a little extra cash. They are about creating a completely new lifestyle, based on a flow of extreme prosperity. Only go ahead if you genuinely want to focus on creating wealth and if you are willing to accept the challenges and changes that come with extreme wealth. You will discover: The number one mistake people make when trying to manifest money. A set of unique secret seals, drawn from ancient texts and combined with modern magick. The power of The Daily Practice. Seven wealth workings that can not be found anywhere else. WARNING: This book uses angels and demons to attain your desires.

The entire working is made safe by three omnipotent angels who oversee the operation, but if the thought of working with demons makes you uneasy, look to my other books such as Magickal Cashbook and Magickal Riches, which have no demonic content. DISCLAIMER: Magick is not for everybody. If you are drawn to magick, you will get good results. If you are afraid of magick, you will not. The magick in Damon Brand's books has been developed by The Gallery of Magick to get results safely. There is plenty of evil in the world, but there is no evil in these books. You will not be punished by karma or chased down by demons, and there is no magickal backlash that will punish you for being rich. But if you are afraid of magick or think that magick is evil or that you

are underserving of wealth, this book is not for you. If you're uncertain, you can read more about magick on the website. If you feel that magick can help you take control of your life, then welcome the power that this book offers.
