*Under the Black Flag* -

David Cordingly

2013-02-06

"This is the most authoritative and highly literate account of these pernicious people that I have ever read."—Patrick O'Brian  
"[A] wonderfully entertaining history of pirates and piracy . . . a rip-roaring read . . . fascinating and unexpected."—Men's Journal  
This rollicking account of the golden age of piracy is packed with vivid history and high seas adventure. David Cordingly, an acclaimed expert on pirates, reveals the spellbinding truth behind the legends of

Blackbeard, Captain Kidd, Sir Francis Drake, the fierce female brigands Mary Read and Anne Bonny, and others who rode and robbed upon the world's most dangerous waters. Here, in thrilling detail, are the weapons they used, the ships they sailed, and the ways they fought—and were defeated. Under the Black Flag also charts the paths of fictional pirates such as Captain Hook and Long John Silver. The definitive resource on the subject, this book is as captivating as it is supremely entertaining. Praise for Under the Black Flag "[A] lively history . . . If you've ever been seduced by the myth of the cutlass-wielding pirate, consider David Cordingly's Under the Black Flag."—USA Today, "Best Bets" "Engagingly told . . . a tale of the

power of imaginative literature to re-create the past.”—Los Angeles Times “Entirely engaging and informative . . . a witty and spirited book.”—The Washington Post Book World “Plenty of thrills and adventure to satisfy any reader.”—The Philadelphia Inquirer Joseph Conrad and Ford Madox Ford - John Hope Morey 2021-03-29 Ford Madox Ford's literary relations with Joseph Conrad are closely and systematically examined in this volume in order to determine the nature of the various kinds of help Ford claimed to have given his famous friend and collaborator. **The Atrocities of the Pirates** - Aaron Smith 1929

The Atrocities of the  
Pirates - Aaron Smith  
2011-03-09

Originally published in 1824, this firsthand account describes how, in June 1822, young English seaman Aaron Smith was taken captive by Cuban pirates when his ship was boarded en route from Jamaica to England. A skilled navigator, fluent in Spanish, and regarded as what was then acceptable as a ship's surgeon, he was an attractive candidate for conscription. Forced to work as a navigator and participate in pirate boarding parties for ten months, he suffered mightily and witnessed unspeakable acts of

murder and torture. He struggled between resisting the orders of the cruel pirate captain and acting against his conscience to preserve his own life from the wrath of the pirates. After failed attempts to get away, he managed to narrowly escape with his life, but was arrested as a pirate upon arrival in Havana. Smith was jailed in Cuba and then sent back to England in chains, where he found himself on trial for his life at the Old Bailey courthouse. The attorney general himself led the prosecution, with the captains of the ships boarded by Smith and the pirates as the principal witnesses.

**The Pirates Laffite** -  
William C. Davis

2006-05-01

An “engrossing and exciting” account of legendary New Orleans privateers Pierre and Jean Laffite and their adventures along the Gulf Coast (Booklist, starred review). At large during the most colorful period in New Orleans’ history, from just after the Louisiana Purchase through the War of 1812, privateers Jean and Pierre Laffite made life hell for Spanish merchants on the Gulf. Pirates to the US Navy officers who chased them, heroes to the private citizens who shopped for contraband at their well-publicized auctions, the brothers became important members of a filibustering syndicate that included lawyers, bankers, merchants, and corrupt US officials. But this allegiance didn’t stop the Laffites from becoming paid Spanish

spies, disappearing into the fog of history after selling out their own associates. William C. Davis uncovers the truth about two men who made their names synonymous with piracy and intrigue on the Gulf.

**The Republic Afloat** - Matthew Taylor Raffety 2013-03-04

In the years before the Civil War, many Americans saw the sea as a world apart, an often violent and insular culture governed by its own definitions of honor and ruled by its own authorities. The truth, however, is that legal cases that originated at sea had a tendency to come ashore and force the national government to address questions about personal honor, dignity, the rights of

labor, and the meaning and privileges of citizenship, often for the first time. By examining how and why merchant seamen and their officers came into contact with the law, Matthew Taylor Raffety exposes the complex relationship between brutal crimes committed at sea and the development of a legal consciousness within both the judiciary and among seafarers in this period. The Republic Afloat tracks how seamen conceived of themselves as individuals and how they defined their place within the United States. Of interest to historians of labor, law, maritime culture, and national identity in the early republic, Raffety's work reveals much about the ways that merchant seamen sought to articulate the ideals of freedom and citizenship before the

courts of the land—and how they helped to shape the laws of the young republic.

*The War Against the Pirates* - Barry Gough  
2018-05-22

Based on hitherto unused sources in English and Spanish in British and American archives, in this book naval historian Barry Gough and legal authority Charles Borrás investigate a secret Anglo-American coercive war against Spain, 1815-1835. Described as a war against piracy at the time, the authors explore how British and American interests –

diplomatic and military – aligned to contain Spanish power to the critically influential islands of Cuba and Puerto Rico, facilitating the forging of an enduring but unproclaimed Anglo-American alliance which endures to this day. Due attention is given to United States Navy actions under Commodore David Porter, to this day a subject of controversy. More significantly though, through the juxtaposition of British, American and Spanish sources, this book uncovers the roots of piracy – and suppression– that laid the foundation for the tortured decline of the Spanish empire in the Americas and the subsequent rise of British and American empires, instrumental in stamping out Caribbean piracy for good.
