Illustrations depict a pale, red-haired librarian, nearly always smiling despite the obstacles that nature puts in her path. Light and shadow are used effectively to convey Mother Earth's shifting moods... Educational and inspiring." -Kirkus Reviews

Librarians like Edith helped an entire generation learn to read and gain lifesaving knowledge in a critical time in history.

Because maybe if Alex volunteers to help Molly learn how to get her dream girl to fall for

her, she can prove to her ex that she's not a selfish flirt. That she's ready for an actual commitment. And while Alex is the last person Molly would ever think she could trust, she can't deny Alex knows what she's doing with girls, unlike her. The Things We Cannot Say - Kelly Rimmer 2019-03-19

Now a New York Times bestseller! From the author of Truths I Never Told You, Before I Let You Go, and the Warsaw Orphan, Kelly Rimmer's powerful WWII novel follows a woman's urgent search for answers to a family mystery that uncovers truths about herself that she never expected. "Kelly Rimmer has outdone herself. I thought that Before I Let You Go was one of the best novels I had ever read...If you only have time to read one book this year The Things We Cannot Say should be that book. Keep tissues handy."—Fresh Fiction "Fans of The Nightingale and Lilac Girls will adore The Things We Cannot Say." —Pam Jenoff, New York Times bestselling

author In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. The Things We Cannot Say is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don't miss Kelly Rimmer's latest gripping novel, The German Wife. For more by Kelly Rimmer, look for Before I Let You Go Truths I Never Told You The Warsaw Orphan

The Class - Erich Segal 2014-11-12

From world-renowned author Erich Segal comes a powerful and moving saga of five extraordinary members of the Harvard class of 1958 and the women with whom their lives are intertwined. Five lives, five love stories: Danny Rossi, the musical prodigy, risks it all for Harvard, even a break with his domineering father. Yet his real problems are too much fame too soon—and too many women. Ted Lambros spends his four years as a commuter, an outsider. He is obsessed by his desire to climb to the top of the Harvard academic ladder, heedless of what it will cost him in personal terms. Jason Gilbert, the Golden Boy—handsome, charismatic, a brilliant athlete—learns at Harvard that he cannot ignore his Jewish background. Only in tragedy will he find his true identity. George Keller, a refugee from Communist Hungary, comes to Harvard with the barest knowledge of English. But with ruthless determination, he masters not only the language but the power structure of his new country. Andrew Eliot is haunted by three centuries of Harvard ancestors who cast giant shadows on his confidence. It is not until the sad and startling events of the reunion that he learns his value as a man. Their explosive story begins in a time of innocence and spans a turbulent quarter century, culminating in their dramatic twenty-five year reunion at which they confront their classmates—and the balance sheet of their own lives. Always at the center; amid the passion, laughter, and glory, stands Harvard—the symbol of who they are and who they will be. They were a generation who made the rules—then broke them—whose glittering successes, heartfelt tragedies, and unbridled ambitions would stun

the world. Praise for *The Class* “Erich Segal’s best.”—Pittsburgh Press “First class entertainment.”—Cosmopolitan “An absorbing page-turner.”—Publishers Weekly “A panoramic saga.”—Philadelphia Inquirer

Emily and her mom were always lucky. But Emily's mom's luck ran out three years ago when she succumbed to cancer, and nothing has felt right for Emily since. Now, the summer before her senior

year, things are getting worse. Not only has Emily wrecked things with her boyfriend Matt, who her mom adored, but her dad is selling the house she grew up in and giving her mom's belongings away. And with her best friend away for the summer and her other friends taking her ex's side, the only person she has to talk to about it is Blake, the swoony new girl she barely knows. But that's when Emily finds the list—her mom's senior year summer bucket list—buried in a box in the back of her closet. When Blake suggests that Emily take it on as a challenge, the pair set off on a journey to tick each box and help Emily face her fears before everything changes. As they go further down the list, Emily finally begins to feel close to her mom again, but her bond with Blake starts to deepen, too, into something she wasn't expecting. Love, Theodosia - Lori Anne Goldstein 2021-11-02

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? meatpacking centers. The proud city fell on hard economic times in the second half of the twentieth century. Broad swaths of empty buildings were razed as an enticement to promised redevelopment programs that never happened. In 1990, South St. Paul began to chart out its own successful path to renewal with a pristine riverfront park, a trail system and a business park where the stockyards once stood. Author and historian Lois A. Glewwe brings the story of the city's revival to life in this history of a remarkable community. Book jacket.
