The Rational Male - Religion - Rollo Tomassi 2021-01-03

Why is premarital sex forbidden by religion? Why is marriage the worst life-decision a man can make today? How is an idealistic Romantic Love

destroying modern churches? Are female imperatives assimilating patriarchal religions? Why are so many religious men confused about masculinity? What's causing men to abandon religion? Why is pornography an "addiction" for religious men? Are Atheists 'religious' about finding love? Can Red Pill awareness and religious conviction coexist? Will there be a One-World Religion? **The Rational Male(R)** - Religion is an exploration of human intersexual dynamics and their influence on spiritual belief, religion and social values. In this 4th book of the **Rational Male** series author, Rollo Tomassi, connects the dots between human beings' evolved mating imperatives and the spiritual beliefs spawned by them that

still influence society in the data age. It is a Red Pill look under the hood at the roots of men and women's "need to believe" in love, God and the metaphysical to solve our mating imperatives. Are Old Order beliefs hindering our progress in today's data-driven New Age of Enlightenment? Since 2000, global access to information has exploded. Like the Gutenberg Press in Renaissance Europe, the internet, technology and global communication has given rise to a new age of enlightenment that a global society is only beginning to acknowledge. For better or worse, this new information awakening is explaining and challenging our old investments in faith, tradition, metaphorical truth and magical thinking. And in no other area are humans more emotionally invested than in solving their reproductive problem. The Rational Male(R) - Religion succinctly explains the origins of this old order thinking, what it got right, where it's gone wrong and how we can correct our course for the future. Often called the "Godfather of the Red Pill", Rollo Tomassi has been a permanent fixture in the online men's consortium of the Manosphere for almost 20 years. He is the author of the internationally best selling book series: The Rational Male The Rational Male - Preventive Medicine The Rational Male - Positive Masculinity Rollo is also the essayist/blogger/owner of The Rational Male blog, a weekly panelist/host of the Rule Zero livestream and the host of his own YouTube channel, The Rational Male.

Antifragile - Nassim Nicholas Taleb 2014-01-28

Antifragile is a standalone book in Nassim Nicholas Taleb's landmark Incerto series, an investigation of opacity, luck, uncertainty, probability, human error, risk, and decision-making in a world we don't understand. The other books in the series are Fooled by Randomness, The Black Swan, Skin in the Game, and The Bed of Procrustes. Nassim Nicholas Taleb, the bestselling author of The Black Swan and one of the foremost thinkers of our time, reveals how to thrive in an uncertain world. Just as human bones get stronger when subjected to stress and tension, and rumors or riots intensify when someone tries to repress them, many things in life benefit from stress, disorder, volatility, and turmoil. What Taleb has identified and calls "antifragile" is that category of things that not only gain from chaos but need it in order to survive and flourish. In The Black Swan, Taleb showed us that highly improbable and unpredictable events underlie almost everything about our world. In Antifragile, Taleb stands uncertainty on its head, making it desirable, even necessary, and proposes that things be built in an antifragile manner. The antifragile is beyond the resilient or robust. The resilient resists shocks and stays the same; the antifragile gets better and better. Furthermore, the antifragile is immune to prediction errors and protected from adverse events. Why is the city-state better than the nation-state, why is debt bad for you, and why is what we call

“efficient” not efficient at all? Why do government responses and social policies protect the strong and hurt the weak? Why should you write your resignation letter before even starting on the job? How did the sinking of the Titanic save lives? The book spans innovation by trial and error, life decisions, politics, urban planning, war, personal finance, economic systems, and medicine. And throughout, in addition to the street wisdom of Fat Tony of Brooklyn, the voices and recipes of ancient wisdom, from Roman, Greek, Semitic, and medieval sources, are loud and clear.

Antifragile is a blueprint for living in a Black Swan world. Erudite, witty, and iconoclastic, Taleb’s message is revolutionary: The antifragile, and only the antifragile, will make it. Praise for *Antifragile* “Ambitious and thought-provoking . . . highly entertaining.”—The Economist “A bold book explaining how and why we should embrace uncertainty, randomness, and error . . . It may just change our lives.”—Newsweek

The only thing new in the world, is what has already been forgotten. Red Pill Wisdom is something that has been rediscovered and is growing in popularity, mostly out of necessity in the face of an increasingly hostile culture. In *On Women*, Schopenhauer laid out the nature of women as he saw it, offering up an early version of Red Pill Wisdom. This brief essay and accompanying quotes provides men with an important perspective on the Red Pill.

The Rational Male - Rollo Tomassi 2017-07-25

Building once more on the core works of *The Rational Male* by Rollo Tomassi, *Positive Masculinity* is the newest supplemental reading in the series designed to give men, not a prescription, but actionable information to build better lives for themselves based on realistic and objective intersexual dynamics between men and women. Rational and pragmatic, the book outlines four key themes: Red Pill Parenting, The Feminine Nature, Social Imperatives and Positive Masculinity. Free of the pop-psychology pablum about parenting today, Red Pill Parenting is primarily aimed at the fathers (and fathers-to-be) who wanted more in depth information about raising their sons and daughters in a Red Pill aware context. While not an instruction manual, it will give men some insight into how to develop a parenting style based on Red Pill principles as well as what they can expect their kids to encounter from a feminine-primary social order determined to 'educate' them. The Feminine Nature is a collection of essays, revised and curated, that specifically address the most predictable aspects of the female psyche. It outlines and explores both the evolutionary and socialized reasons for women's most common behaviors and their motives, and how men can build this awareness into a

more efficient way of interacting with them. *Social Imperatives* details how the female psyche extrapolates into western (and westernizing) cultural narratives, social dictates and legal and political legislation. This is the Feminine Imperative writ large and this section explores how feminism, women's sexual strategy and primary life goals have molded our society into what we take for granted today. Also detailed is the 'women's empowerment' narrative, and the rise of a blank-slate egalitarian equalism masking as a form of female supremacism that has fundamentally altered western cultures. The last section, *Positive Masculinity*, is comprised of essays, reformed and expanded upon, that will give men a better idea of how to define masculinity for themselves from a conventional and rational perspective. In an era when popular culture seeks to dismiss, ridicule, shame and obscure masculinity, this section and this book is intended to raise men's awareness of how fluid redefinitions of masculinity have been deliberately used to disempower and feminize men by a feminine-primary social order. This book is the third in of series complements to *The Rational Male*, the fifteen-year core writing of author/blogger Rollo Tomassi from therationalmale.com. Rollo Tomassi is one of the most prominent voices in the globally growing, male-focused online consortium known as the "Manosphere" as well as one of the 'Godfathers' of intersexual Red Pill awareness.

Free Speech Isn't Free - Roosh V 2016-05-31

Free speech may be your right, but unless you fight for it, you'll lose it. That is the message of *Free Speech Isn't Free*, which chronicles how organizing a lecture tour for masculine men inserted Roosh Valizadeh into an unexpected free speech fight spanning several continents, putting both him and his family in danger from the globalist establishment and their mob of deranged social justice warriors. After becoming activated by mass-scale media distortions and mayoral denouncements, the SJW mob in Canada rose up against Roosh and his followers to halt his tour. Roosh refused to cancel and set out to hold the lectures in secret. He shares how he fought back against the mob while trying to come to terms with the globalist agenda that they are controlled by. The well-informed men he met throughout the tour were critical in sharing hidden knowledge that put the agenda's puzzle pieces into place. Even after the lecture, when Roosh tried to conduct happy hour meetings for his followers, a bigger worldwide outrage befell him, leading to the doxxing of his family and threats to burn their house to the ground. *Free Speech Isn't Free* shares that story for the first time in a special epilogue, and what was going through the mind of a man who was the number one target for a 1984-inspired "two minutes of

hate" that took place worldwide. How far will you go if the establishment attacks you for what you believe in? Are you ready to defend yourself if they come after your reputation, your job, and your family? Free Speech Isn't Free shows what one man did when powerful groups tried to silence him, and everything he learned during the most momentous months of his life that will help others be able to identify and defend against attacks in their own lives. Bonuses included are the transcript of the "dangerous" speech that started it all, The State Of Man, and an important new feature explaining how to keep yourself safe from social justice attacks.

The Beautiful Warriors - Cornelia Sollfrank 2019-12-05

The Beautiful Warriors: Technofeminist Practice in the 21st Century brings together seven current technofeminist positions from the fields of art and activism. In very different ways, they expand the theories and practices of 1990's cyberfeminism and thus react to new forms of discrimination and exploitation. Gender politics are negotiated with reference to technology, and questions of technology are combined with questions of ecology and economy. The different positions around this new techno-eco-feminism understand their practice as an invitation to take up their social and aesthetic interventions, to join in, to continue, and never give up.

Christ in the Psalms - Patrick Henry Reardon 2000

The Psalms run like a golden thread through the beautiful garment of Orthodox worship. In addition to inspiring the public prayer of the church,

the Psalms are an indispensable part of the private devotions of all who seek a closer relationship with God. Most important, however, the Psalms point toward the ultimate liberation of humanity from sin, death and despair through Jesus Christ. Father Pat Reardon, drawing on his long experience as an Episcopal, and then as a priest in the Orthodox Church, has produced a work of depth and devotion. He rightly understands that one cannot truly probe the deep meaning of the Psalms unless one understands them in the light of the redemption brought by Christ...He provides the fresh and intensely personal insights of a pastor to the study of the Book of Psalms. "Every now and then a book comes along that is a small classic. Here is such a book: elegantly written, deceptively simple, and utterly absorbing." Father Addison Hart, Priest, Newman Center, Northern Illinois University

God's Revelation to the Human Heart - Seraphim Rose 1987

What does man seek in religion, and what should he seek in it? How does God reveal Himself in order to bring man to a knowledge of the Truth? How does suffering help this revelation to occur? These and other questions were discussed by Fr. Seraphim Rose, an Orthodox Christian

monk from the mountains of northern California, during a lecture he gave at the University of California, Santa Cruz, in 1981. The contents of this lecture comprise God's Revelation to the Human Heart. Drawing from a variety of sources -- the Holy Scriptures, patristic writings, the lives of both ancient and modern saints, and accounts of persecuted Christians behind the Iron Curtain -- Fr. Seraphim goes to the core of all Christian life: the conversion of the heart of man, which causes it to burn with love for Christ and transforms one into a new being.

This book will also teach you how to easily keep or even marry a woman if that's your desire. This book can help you get through the following situations: 1) You're dating someone new, and you feel a special connection with them, but you don't know how or if you should take it to the next level. 2) You're not bad when it comes to dating. But you know that there's room for improvement. 3) Your woman doesn't treat you with respect, and you don't know what to do about it. 4) You've just ended a long-term or a short-term relationship, and you don't know the reasons that lead to it. 5) You were 100% sure that you're with "the one," yet she still dumped you like you were nothing. 6) All the other dating advice feels unnatural, scripted, impractical, too complicated to follow or even understand. 7) You feel like you have it all, "the complete package," but you always get sidelined, and someone else gets to play the lead role. 8) You always wonder why women say that they prefer "nice guys" but always end up with douchebags. 9) You let people walk all over you, and don't know how to stand up for yourself. 10) You want to find out what your life purpose is and how to live a fulfilled life. 11) You want to know what it takes to become a true alpha male and take control of your life. 12) You just swallowed the red pill and feel lost, angry or bitter. This is a book

that will hopefully push your boundaries, offer new ideas, and provide different strategies when it comes to dating and human relationships in general. I'm challenging you to improve in all essential aspects of your life.
