*Marcel Duchamp and the Architecture of Desire* - Penelope Haralambidou  
2017-03-02

While much has been written on Marcel Duchamp - one of the twentieth century's most beguiling artists - the subject of his

flirtation with architecture seems to have been largely overlooked. Yet, in the carefully arranged plans and sections organising the blueprint of desire in the Large Glass, his numerous pieces replicating architectural fragments, and his

involvement in designing exhibitions, Duchamp's fascination with architectural design is clearly evident. As his unconventional architectural influences - Niceron, Lequeu and Kiesler - and diverse legacy - Tschumi, OMA, Webb, Diller + Scofidio and Nicholson - indicate, Duchamp was not as much interested in 'built' architecture as he was in the architecture of desire, re-constructing the imagination through drawing and testing the boundaries between reality and its aesthetic and philosophical possibilities. Marcel Duchamp and the Architecture of Desire examines the link between architectural thinking and Duchamp's work. By employing design, drawing and making - the tools of the architect - Haralambidou performs an architectural analysis of Duchamp's final enigmatic work *Given: 1. The Waterfall, 2. The Illuminating Gas...* demonstrating an innovative research methodology able to

grasp meaning beyond textual analysis. This novel reading of his ideas and methods adds to, but also challenges, other art-historical interpretations. Through three main themes - allegory, visuality and desire - the book defines and theorises an alternative drawing practice positioned between art and architecture that predates and includes Duchamp.

*The Book of the City of Ladies and Other Writings* - Sophie Bourgault 2018-09-15

"A translation of Christine de Pizan's *Christine's Vision, The Book of the City of Ladies, the Lamentation on France's Ills* and her *Book of Body Politic*, with an introduction providing historical background and modern interpretations" -- *Hopeless* - Colleen Hoover 2013-07-09  
From the #1 New York Times bestselling author of *It Ends With Us* comes the beginning of Sky and Dean's passionate love story - where well-kept secrets

threaten to open wounds of a dark past. Would you rather know a truth that makes you feel hopeless, or keep believing the lies? Beloved and bestselling author Colleen Hoover returns with the spellbinding story of two young people with devastating pasts who embark on a passionate, intriguing journey to discover the lessons of life, love, trust - and above all, the healing power that only truth can bring. Sky, a senior in high school, meets Dean Holder, a guy with a promiscuous reputation that rivals her own. From their very first encounter, he terrifies and captivates her. Something about him sparks memories of her deeply troubled past, a time she's tried so hard to bury. Though Sky is determined to stay far away from him, his unwavering pursuit and enigmatic smile break down her defenses and the intensity of the bond between them grows. But the mysterious Holder has been keeping secrets of his own, and once they

are revealed, Sky is changed forever and her ability to trust may be a casualty of the truth. Only by courageously facing the stark revelations can Sky and Holder hope to heal their emotional scars and find a way to live and love without boundaries. Hopeless is a novel that will leave you breathless, entranced, and remembering your own first love.

*The Book of the Mutability of Fortune* -  
Christine (de Pisan) 2016

*The Lais of Marie De France* - Marie France  
2011-10-27

Marie de France (fl. late twelfth century) is the earliest known French woman poet and her *lais* - stories in verse based on Breton tales of chivalry and romance - are among the finest of the genre. Recounting the trials and tribulations of lovers, the *lais* inhabit a powerfully realized world where very real human protagonists act out their

lives against fairy-tale elements of magical beings, potions and beasts. De France takes a subtle and complex view of courtly love, whether telling the story of the knight who betrays his fairy mistress or describing the noblewoman who embroiders her sad tale on the shroud for a nightingale killed by a jealous and suspicious husband.

**The Lost Tapestries of the City of Ladies** - Susan Groag Bell 2004-11-29

Like a particularly good detective story, this richly textured book follows tantalizing clues in its hunt for a group of missing artistic masterpieces. Susan Bell recounts both her long search for a series of sixteenth-century tapestries that celebrated women and her efforts to understand their meaning for Queen Elizabeth I of England and the other powerful women who owned them. Opening a new window on the lives of noblewomen in the Renaissance, the brilliantly colored tapestries that were the

ultimate artistic luxury of the day, and the popular and influential fourteenth-century writer Christine de Pizan, Bell pursues a compelling tale that moves from centuries past to today. The tapestries around which this story revolves are linked to Christine de Pizan's *Book of the City of Ladies* (1405), originally published six hundred years ago in 1405. The book is a tribute to women that honors two hundred female warriors, scientists, queens, philosophers, and builders of cities. Though twenty-five manuscripts of the *City of Ladies* still exist, references to tapestries based on the book are elusive. Bell takes us along as she tracks down records of six sets of tapestries whose owners included Elizabeth I of England; Margaret of Austria; and Anne of Brittany, Queen of France. Bell examines the intriguing details of these women's lives—their arranged marriages, their power, their affairs of state—asking what

interest they had in owning these particular tapestries. Could the tapestries have represented their thinking? As she reveals the historical, linguistic, and cultural aspects of this unique story, Bell also gives a fascinating account of medieval and early-Renaissance tapestry production and of Christine de Pizan's remarkable life and legacy.

**Christine de Pizan's Letter of Othea to Hector** - Christine (de Pisan) 1997

Christine de Pizan (1364-?1430) was the first French woman poet to make her living by the pen, and the first female interpreter of classical myths; she held enormous power in the French court and influenced late medieval culture in France and in England in a number of ways. The Letter of Othea to Hector, her most popular work, is a series of a hundred verse texts about a mythological figure or moment, with prose moral glosses explaining how to read the

myth in order to improve human character. It is translated here with introduction, notes, and interpretative essay.

novel. In the near future, world wars have  
transformed the earth into a battleground.  
Fleeing the unending violence and the  
planet's now-radioactive surface, humans  
have regrouped to a mysterious platform  
known as CIEL, hovering over their  
erstwhile home. The changed world has  
turned evolution on its head: the surviving

humans have become sexless, hairless, pale-white creatures floating in isolation, inscribing stories upon their skin. Out of the ranks of the endless wars rises Jean de Men, a charismatic and bloodthirsty cult leader who turns CIEL into a quasi-corporate police state. A group of rebels unite to dismantle his iron rule—galvanized by the heroic song of Joan, a child-warrior who possesses a mysterious force that lives within her and communes with the earth. When de Men and his armies turn Joan into a martyr, the consequences are astonishing. And no one—not the rebels, Jean de Men, or even Joan herself—can foresee the way her story and unique gift will forge the destiny of an entire world for generations. A riveting tale of destruction and love found in the direst of places—even at the extreme end of post-human experience—Lidia Yuknavitch's *The Book of Joan* raises questions about what it means to be human,

the fluidity of sex and gender, and the role of art as a means for survival.

**A Desolation Called Peace** - Ather Zia  
2019-06-05

The accession of Kashmir to the Indian Union in 1947 had raised objections both in Kashmir and India, echoes of which continue to be heard even today. At the time, Sheikh Abdullah was the uncrowned king of Kashmir; today, his grave is under security lest it be vandalized. What accounts for this change in attitude? *A Desolation Called Peace* provides important insights to understand the political aspirations of the people of Kashmir and the change in their perceptions since Independence. Written and edited by Kashmiri authors, this collection of ethnographic essays explores the desire for 'azadi' as a historical and indigenous demand. While the accounts traverse the period from before 1947 to the momentous

time of 1989 when militancy began, the essays illustrate how postcolonial politics has impinged on Kashmiri lives and aspirations, thus paving the way for the intractable dispute of today. This anthology of deeply felt essays will enable an understanding of Kashmir beyond the hackneyed tropes that portray the issue reductively as a proxy war, terrorism or a simple law and order situation.

*The Treasure of the City of Ladies, Or, The Book of the Three Virtues* - Christine De Pisan 1985

Christine de Pisan's writing is a valuable counterbalance to most of the rest of our evidence of medieval life which was written by men. She addresses all women, from those at the royal court to prostitutes, painting a vivid picture of their lives in fine detail-and often in a dryly amusing way. Her tone is moral, but also down to earth. A woman's position, as Christine herself

knew, was hardly secure.

*Christine de Pizan's "Epistre Othéa"* - Sandra Hindman 1986

*A Medieval Woman's Companion* - Susan Signe-Morrison 2015-11-30

What have a deaf nun, the mother of the first baby born to Europeans in North America, and a condemned heretic to do with one another? They are among the virtuous virgins, marvelous maidens, and fierce feminists of the Middle Ages who trail-blazed paths for women today. Without those first courageous souls who worked in fields dominated by men, women might not have the presence they currently do in professions such as education, the law, and literature. Focusing on women from Western Europe between c. 300 and 1500 CE in the medieval period and richly carpeted with detail, *A Medieval Woman's Companion* offers a wealth of information

about real medieval women who are now considered vital for understanding the Middle Ages in a full and nuanced way. Short biographies of 20 medieval women illustrate how they have anticipated and shaped current concerns, including access to education; creative emotional outlets such as art, theater, romantic fiction, and music; marriage and marital rights; fertility, pregnancy, childbirth, contraception and gynecology; sex trafficking and sexual violence; the balance of work and family; faith; and disability. Their legacy abides until today in attitudes to contemporary women that have their roots in the medieval period. The final chapter suggests how 20th and 21st century feminist and gender theories can be applied to and complicated by medieval women's lives and writings. Doubly marginalized due to gender and the remoteness of the time period, medieval women's accomplishments are

acknowledged and presented in a way that readers can appreciate and find inspiring. Ideal for high school and college classroom use in courses ranging from history and literature to women's and gender studies, an accompanying website with educational links, images, downloadable curriculum guide, and interactive blog will be made available at the time of publication.

**The Seven Husbands of Evelyn Hugo** -

Taylor Jenkins Reid 2017-06-13

From Taylor Jenkins Reid, "a genius when it comes to stories about life and love" (Redbook), comes an unforgettable and sweeping novel about one classic film actress's relentless rise to the top—the risks she took, the loves she lost, and the long-held secrets the public could never imagine. Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses

unknown magazine reporter Monique Grant for the job, no one in the journalism community is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband, David, has left her, and her career has stagnated. Regardless of why Evelyn has chosen her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's Upper East Side apartment, Monique listens as Evelyn unfurls her story: from making her way to Los Angeles in the 1950s to her decision to leave show business in the late 80s, and, of course, the seven husbands along the way. As Evelyn's life unfolds—revealing a ruthless ambition, an unexpected friendship, and a great forbidden love—Monique begins to feel a very real connection to the actress. But as Evelyn's story catches up with the present, it

becomes clear that her life intersects with Monique's own in tragic and irreversible ways. Written with Reid's signature talent for "creating complex, likable characters" (Real Simple), this is a fascinating journey through the splendor of Old Hollywood into the harsh realities of the present day as two women struggle with what it means—and what it takes—to face the truth.

**Snowdrops** - A.D. Miller 2011-02-22  
SHORTLISTED for the 2011 Man Booker Prize for Fiction An intense psychological drama that echoes sophisticated entertainments like Gorky Park and The Talented Mr. Ripley. Nick Platt is a British lawyer working in Moscow in the early 2000s—a place where the cascade of oil money, the tightening grip of the government, the jostling of the oligarchs, and the loosening of Soviet social mores have led to a culture where corruption, decadence, violence, and betrayal define

everyday life. Nick doesn't ask too many questions about the shady deals he works on—he's too busy enjoying the exotic, surreally sinful nightlife Moscow has to offer. One day in the subway, he rescues two willowy sisters, Masha and Katya, from a would-be purse snatcher. Soon Nick, the seductive Masha, and long-limbed Katya are cruising the seamy glamour spots of the city. Nick begins to feel something for Masha that he is pleased to think is love. Then the sisters ask Nick to help their aged aunt, Tatiana, find a new apartment. Of course, nothing is as it seems—including this extraordinary debut novel. The twists in the story take it far beyond its noirish frame—the sordid and vivid portrayal of Moscow serves as a backdrop for a book that examines the irresistible allure of sin, featuring characters whose hearts are as cold as the Russian winter.

"Fresh, accurate, and engaging, this new translation of the Book of the City of Ladies helps us to understand what made Christine de Pizan so popular with her fifteenth-century contemporaries. The editors provide a rich historical and philosophical context that will be very useful to both students and scholars of the history of political ideas. The translations themselves gracefully navigate the fine line between accuracy and readability with considerable charm. Rounding out this portrait of the turmoil of fifteenth-century France, the volume is enriched by excerpts from other works, Christine's Vision, the Book of the Body Politic, and the Lamentation on France's Ills." —Kate Forhan, Emeritus, Siena College

A medieval French author considers why so many philosophers, speakers, and poets malign women, and defends feminine character, behavior, and accomplishments *Christine's Vision* - de Pisan Christine 2020-07

Originally published in 1993, this book offers a translation of Christine de Pizan's *Christine's Vision*, as translated by Glenda K. McLeod. One of France's first professional writers, Christine de Pizan wrote a large and remarkable body of work, distinguished not only for its variety and quality but also for its unusual blend of introspective and public commentary. As *Christine's Vision*

makes clear, Christine sensed the similarities between her fate and France's and felt a close bond with her adopted land. *The Book of the City of Ladies* - Christine De Pizan 1998-06-01

In dialogues with three celestial ladies, Reason, Rectitude, and Justice, Christine de Pizan (1365-ca. 1429) builds an allegorical fortified city for women using examples of the important contributions women have made to Western Civilization and arguments that prove their intellectual and moral equality to men. Earl Jeffrey Richards' acclaimed translation is used nationwide in the most eminent colleges and universities in America, from Columbia to Stanford.

Early Christian Writings - 1987-04-30  
The writings in this volume cast a glimmer  
of light upon the emerging traditions and  
organization of the infant church, during an  
otherwise little-known period of its  
development. A selection of letters and  
small-scale theological treatises from a  
group known as the Apostolic Fathers,  
several of whom were probably disciples of  
the Apostles, they provide a first-hand  
account of the early Church and outline a  
form of early Christianity still drawing on  
the theology and traditions of its parent  
religion, Judaism. Included here are the  
first Epistle of Bishop Clement of Rome, an  
impassioned plea for harmony; The Epistle  
of Polycarp; The Epistle of Barnabas; The  
Didache; and the Seven Epistles written by  
Ignatius of Antioch - among them his

moving appeal to the Romans that they grant him a martyr's death.

**CITY OF WOMEN** - Christine Stansell  
2012-12-19

In this brilliant and vivid study of life in New York City during the years between the creation of the republic and the Civil War, a distinguished historian explores the position of men and women in both the poor and middle classes, the conflict between women of the laboring poor and those of the genteel classes who tried to help them and the ways in which laboring women traced out unforeseen possibilities for themselves in work and in politics.

Christine Stansell shows how a new concept of womanhood took shape in America as middle-class women constituted themselves the moral guardians of their families and of the nation, while poor workingwomen, cut adrift from the family ties that both sustained and oppressed

them, were subverting—through their sudden entry into the working and political worlds outside the home—the strict notions of female domesticity and propriety, of “woman’s place” and “woman’s nature,” that were central to the flowering and the image of bourgeois life in America. Here we have a passionate and enlightening portrait of New York during the years in which it was becoming a center of world capitalist development, years in which it was evolving in dramatic ways, becoming the city it fundamentally is. And we have, as well, a radically illuminating depiction of a class conflict in which the dialectic of female vice and virtue was a central issue. *City of Women* is a prime work of scholarship, the first full-scale work by a major new voice in the fields of American and urban history.

**Debate of the Romance of the Rose** -

Christine de Pizan 2010-04-15

In 1401, Christine de Pizan (1365a 1430?)

wrote a letter to the provost of Lille criticizing the highly popular 'Romance of the Rose' for its unwarranted misogynistic depictions of women. Here, Hult collects debate documents, letters and excerpts from other works of Pizan, including one from 'City of Ladies' her major defense of women.

**Approaches to Teaching the Works of Christine de Pizan** - Andrea Tarnowski

Gives syllabus suggestions for undergraduate and graduate courses.

**Lily Daw and the Three Ladies** - Ruth

Perry 1972

"Lily Daw is young, pretty, perhaps more than a little peculiar, and in love! However, the well-meaning ladies of the Helping Hand Society are determined to see Lily off to the State Home for the Feeble-Minded. They just don't believe her when she says she's planning to be married this very day. The ladies certainly do have grounds for concern. Lily has always had an odd imagination, and the man she's describing now is a 'show fellow.' One thing is clear to the ladies, the faster they can get Lily committed, the better. They urgently try to get her consent. As they're winning her over, a 'show fellow' appears and actually wants to marry Lily."--Publisher's website

**Feminist Moments** - Susan Bruce  
2015-12-17

This book is available as open access through the Bloomsbury Open Access programme and is available on

www.bloomsburycollections.com. The challenges presented by feminism to traditional understandings of representation, normative values, power relations and the political are not simply the product of late-20th century thinking. *Feminist Moments*, in examining some of the pivotal texts in the history of feminist thought, demonstrates that these challenges emerge from a long and varied history of feminist writing. The volume brings together texts from literary and analytical works written by women and men, and from inside and outside the Western tradition, including Mary Wortley Montagu, Anna Wheeler and William Thompson, Nazira Zeineddine, Betty Friedan, Andrea Dworkin and Luisa Valenzuela. The volume is unique in offering close readings of key passages from the selected texts, making it ideal for classroom use; its original essays, all

authored by specialists, will also be of interest to more advanced scholars. In juxtaposing and analysing a wide range of texts which despite their significance are rarely discussed together, *Feminist Moments* provides a fascinating historical narrative of feminist thought which will be highly valuable to students and scholars of the history of political thought, political philosophy and gender and literary studies. *The New Southern Gentleman* - Jim Booth 2002

"Daniel Randolph Deal is a Southern aristocrat, having the required bloodline, but little of the nobility. A man resistant to the folly of ethics, he prefers a selective, self-indulgent morality. He is a confessed hedonist, albeit responsibly so."--Back cover.

*The Book of the City of Ladies* - Christine Pizan 1999-06-09

Christine de Pizan (c.1364-1430) was

France's first professional woman of letters. Her pioneering *Book of the City of Ladies* begins when, feeling frustrated and miserable after reading a male writer's tirade against women, Christine has a dreamlike vision where three virtues - Reason, Rectitude and Justice - appear to correct this view. They instruct her to build an allegorical city in which womankind can be defended against slander, its walls and towers constructed from examples of female achievement both from her own day and the past: ranging from warriors, inventors and scholars to prophetesses, artists and saints. Christine de Pizan's spirited defence of her sex was unique for its direct confrontation of the misogyny of her day, and offers a telling insight into the position of women in medieval culture. **THE CITY OF LADIES** provides positive images of women, ranging from warriors and inventors, scholars to prophetesses, and

artists to saints. The book also offers a fascinating insight into the debates and controversies about the position of women in medieval culture.

*The Vision of Christine de Pizan* - Christine (de Pizan) 2005

Translation of Christine's autobiographical *Vision*, both dealing with her own life and career, and offering a possible solution to the troubled state of France at the time.

**Ditié de Jehanne D'Arc** - Christine 1977

*The Romance of the Rose* - Guillaume (de Lorris) 1900

**A Medieval Woman's Mirror of Honor** - Christine (de Pizan) 1989

A fifteenth-century instruction book for women provides an inside look at life in medieval France and discusses the role of women on each economic level

**The Romance of the Rose** - Guillaume (de

Lorris) 1995-07-23

Many English-speaking readers of the *Roman de la rose*, the famous dream allegory of the thirteenth century, have come to rely on Charles Dahlberg's elegant and precise translation of the Old French text. His line-by-line rendering in contemporary English is available again, this time in a third edition with an updated critical apparatus. Readers at all levels can continue to deepen their understanding of this rich tale about the Lover and his quest-against the admonishments of Reason and the obstacles set by Jealousy and Resistance--to pluck the fair Rose in the Enchanted Garden. The original introduction by Dahlberg remains an excellent overview of the work, covering such topics as the iconographic significance of the imagery and the use of irony in developing the central theme of love. His new preface reviews selected scholarship

through 1990, which examines, for example, the sources and influences of the work, the two authors, the nature of the allegorical narrative as a genre, the use of first person, and the poem's early reception. The new bibliographic material incorporates that of the earlier editions. The sixty-four miniature illustrations from thirteenth-and fifteenth-century manuscripts are retained, as are the notes keyed to the Langlois edition, on which the translation is based.

Christine de Pizan - Charlotte Cooper-Davis  
2021-11-06

The first popular biography of a pioneering feminist thinker and writer of medieval Paris. The daughter of a court intellectual, Christine de Pizan dwelled within the cultural heart of late-medieval Paris. In the face of personal tragedy, she learned the tools of the book trade, writing more than forty works that included poetry, historical

and political treatises, and defenses of women. In this new biography—the first written for a general audience—Charlotte Cooper-Davis discusses the life and work of this pioneering female thinker and writer. She shows how Christine de Pizan’s inspiration came from the world around her, situates her as an entrepreneur within the context of her times and place, and finally examines her influence on the most avant-garde of feminist artists, through whom she is slowly making a return into mainstream popular culture.

The Letters of Abelard and Heloise - Peter Abelard 1925

**Christine de Pizan and the Moral Defence of Women** - Rosalind Brown-

Grant 2003-09-18

Christine de Pizan's *Livre de la Cité des Dames* (1405) is justly renowned for its full-scale assault on the misogynist stereotypes

which dominated the culture of the Middle Ages. Rosalind Brown-Grant locates the *Cité* in the context of Christine's defence of women as it developed over a number of years and through a range of different texts. Arguing that Christine tailored her critique of misogyny according to the genre in which she was writing and the audience she was addressing, this study shows that Christine's case for women nonetheless had an underlying unity in its insistence on the moral, if not the social, equality of the sexes. Whilst Christine may not have been a radical in modern feminist terms, she was able to draw upon the cultural resources of her day in order to construct an intellectual authority for herself that challenged the prevailing orthodoxy of the day.

*The Lost Kitchen* - Erin French 2017-05-09  
An evocative, gorgeous four-season look at cooking in Maine, with 100 recipes No one can bring small-town America to life better than a native. Erin French grew up in Freedom, Maine (population 719), helping her father at the griddle in his diner. An entirely self-taught cook who used cookbooks to form her culinary education, she now helms her restaurant, The Lost Kitchen, in a historic mill in the same town,

creating meals that draw locals and visitors from around the world to a dining room that feels like an extension of her home kitchen. The food has been called “brilliant in its simplicity and honesty” by Food & Wine, and it is exactly this pure approach that makes Erin’s cooking so appealing—and so easy to embrace at home. This stunning giftable package features a vellum jacket over a printed cover.
