*The Third Testament-Spirit of Truth* - T. R. Ross 2005-03-08

Did I not promise, that all knowledge would be restored to its original truth? Christ's prophecy has been fulfilled. The following words have become absolute reality: "I have yet many things to say unto you, but ye cannot bear them now. Howbeit when he, the Spirit of truth is come, he will guide you into all truth." (John 16, 12-13). This book of my teachings has been formed from the lessons of love and charity and dictated to you through human understanding. Since ancient times I have entrusted to you my teachings, through my envoys, my emissaries, my interpreters, and you have used it to create myths and traditions. But you will not fulfill your purpose unless you

meditate and study this lesson with respect and love. Truly I say to you that he who meditates and analyzes the teachings of my Book, with a true desire to elevate his knowledge, will acquire the light for his spirit and he will feel Me nearer to him.

The Sealed Portion - The Final Testament of Jesus Christ - Christopher Na 2005-04

The Sealed Portion-Another Testament of Jesus Christ is the second part of the Book of Mormon, which millions of people throughout the world accept as the word of God along with the Bible. Joseph Smith, Jr. (1830), the founder of the Mormon faith, claimed to have received gold plates from an angel of God named Moroni. When he received the plates, Smith relates that 2/3 of them were sealed. The angel Moroni commanded him not to break the seals, but to translate only the portion of the plates that was unsealed. It was prophesied that the sealed portion of the plates would one day be given to the people of the world. Using two stones called the Urim and Thummim, Joseph Smith translated the unsealed portion. Before returning the plates to the angel Moroni, Joseph showed them to several others. These men gave their personal testimony as witnesses to the existence of the plates and to the

truthfulness of the Book of Mormon. Claiming to have received the same instructions to translate the sealed portion of the gold plates, an obscure man, once an active member of the LDS faith, who goes only by the name of Christopher, has published the remaining sealed portion. Though others have made similar claims before him, none has ever testified that he received the Urim and Thummim that was prepared by God to translate the plates, and none has made claim that he has received the exact same gold plates that were in Joseph Smith's possession-except for Christopher. This book is a result of that translation. The Sealed Portion-The Final Testament of Jesus Christ, written by Moroni, relates the vision seen by the Brother of Jared. Within the pages, the entire history of mankind is covered. It begins with the kingdom where the spirits of the children of men were first created, and

continues through until the end of the millennium, when the earth will be restored to a state similar to the garden of Eden, and the planets will be prepared as the degrees of glory in the kingdom of God. The most accurate and precise account ever given of the life of Christ is contained within the pages, including his early years with his family, his youth, baptism, marriages, mission, and death. Moroni explains the atonement, the LDS temple endowment, and some of the hidden symbolism of the book of Revelation. He recounts the prophets Ubaid, Zarathustra, Antioch, Socrates, Sythipian, Mohammad, and Joseph Smith, Jr., among others. The histories of the Egyptians, Hittites, Babylonians, Romans, and Americans are also covered. Also given is the in-depth and beautiful description of Jesus' intercessory prayer among the Nephites and the Lamanites on the American continent. Along with the

translation of the sealed portion, the first part of the gold plates that was translated by Joseph Smith, Jr. and subsequently lost by his scribe, Martin Harris, is also included in this extraordinary work. This part is known as the Book of Lehi (the lost 116-page manuscript). The full text of Joseph Smith's reported First Vision, in which he claims to have been visited by God the Father and Jesus Christ, is also included in the book. The reader is lead from blindness into the light as he or she discovers the truths written within these pages.

The Lost Pillars of Enoch - Tobias Churton  
2020-12-29

Explores the unified science-religion of early humanity and the impact of Hermetic philosophy on religion and spirituality • Investigates the Jewish and Egyptian origins of Josephus's famous story that Seth's descendants inscribed knowledge on two pillars to save it from global catastrophe • Reveals how this original knowledge has influenced civilization through Hermetic, Gnostic, Kabbalistic, Masonic, Hindu, and

Islamic mystical knowledge • Examines how “Enoch’s Pillars” relate to the origins of Hermeticism, Freemasonry, Newtonian science, William Blake, and Theosophy Esoteric tradition has long maintained that at the dawn of human civilization there existed a unified science-religion, a spiritual grasp of the universe and our place in it. The biblical Enoch--also known as Hermes Trismegistus, Thoth, or Idris--was seen as the guardian of this sacred knowledge, which was inscribed on pillars known as Enoch’s or Seth’s pillars. Examining the idea of the lost pillars of pure knowledge, the sacred science behind Hermetic philosophy, Tobias Churton investigates the controversial Jewish and Egyptian origins of Josephus’s famous story that Seth’s descendants inscribed knowledge on two pillars to save it from global catastrophe. He traces the fragments of this sacred knowledge as it descended through the

ages into initiated circles, influencing civilization through Hermetic, Gnostic, Kabbalistic, Masonic, Hindu, and Islamic mystical knowledge. He follows the path of the pillars’ fragments through Egyptian alchemy and the Gnostic Sethites, the Kabbalah, and medieval mystic Ramon Llull. He explores the arrival of the Hermetic manuscripts in Renaissance Florence, the philosophy of Copernicus, Pico della Mirandola, Giordano Bruno, and the origins of Freemasonry, including the “revival” of Enoch in Masonry’s Scottish Rite. He reveals the centrality of primal knowledge to Isaac Newton, William Stukeley, John Dee, and William Blake, resurfacing as the tradition of Martinism, Theosophy, and Thelema. Churton also unravels what Josephus meant when he asserted one Sethite pillar still stood in the “Seiriadic” land: land of Sirius worshippers. Showing how the lost pillars stand as a twenty-first century symbol for

reattaining our heritage, Churton ultimately reveals how the esoteric strands of all religions unite in a gnosis that could offer a basis for reuniting religion and science.

**Return of the Children of Light** - Judith Bluestone Polich 2001-08-01

A personal exploration of the conjunction between ancient Mesoamerican prophesy and New Age higher consciousness. • Selected by the Independent Publisher's Book Awards as one of the top two New Age books of the year. • Explores ancient prophesies and their relevance in the contemporary world. The Incan and Mayan cultures saw themselves as “children of light”--descended from celestial realms--and their prophesies foretell a time of great spiritual awakening. They prophesied a time when the gateways to higher consciousness would open once again. That time is now. Award-winning author Judith Bluestone Polich draws on her extensive research in

quantum physics, archeoastronomy, holography, cosmology, and pioneering studies of human consciousness to show how science and contemporary thought are consistent with this ancient knowledge. As the ancients predicted, the human god-seed is beginning to awaken, and modern civilization is finally beginning to perceive human potential in ways that the ancient cultures accepted as truth. Polich introduces techniques for awakening our own human potential through dreaming, meditations, and the power of sacred sites.

**The Book of Giants** - 2015-08-11

Take a journey with the artist and writer Petar Meseldzija, who tells how he was allowed unparalleled access through the Invisible Curtain and into the land of giants. A year in the making, this book's sixteen paintings and nearly ninety drawings bring to life Petar's experiences on this journey and secrets uncovered, going back to

ancient times. He shares stories of new discoveries that free giants from the murky abyss of myth and a forgotten past. Told in three stages, *The Book of Giants* includes the illustrated stories *The Giants Are Coming*, recounting a dynamic clash that lasted one hundred years; *The Little Kingdom*, where a giant befriends a nation of humans and becomes their adamant protector against ferocious invaders; *The Northern Giants*, who embrace the warrior spirit through countless battles; *Giant Velles*, the story of ignorance and how the strength of goodness perseveres; and *The Great Forest*, wherein the author discovers little creatures called the keppetz and relates his experiences spent with ogres while on his quest to meet the Golden One and to determine the purpose of his journey. Through the strength of his own power, he discovers his blessings, his limitations and finally his personal myth. Furthermore, you

will discover why giants made a push into the underground, followed by their exodus and deliverance to a new land. You'll also learn why the myth of giants is still alive, why their time spent with humans remains elusive and why giants prefer to remain hidden in their world. Join Petar Meseldzija on his journey of discovery.

*Giza's Industrial Complex* - James Ernest Brown 2019-03-15

*Giza's Industrial Complex* is a visual feast. The book is filled with original on-site photographs that provide evidence to support the authors' thesis. The authors believe evidence indicates that the Great Pyramid on the Giza Plateau had the ability to electrically charge, or change the molecular structure of water, giving it unique properties. We believe the ancient Egyptians created a fourth form of electrically-charged water, giving it unique properties.

Knowledge of Self - Supreme Understanding  
2009-07-30

Do you know who - and what - you are? Do you know who you're meant to be? Do you know how to find the answers to questions like these? Knowledge of Self is the result of a process of self-discovery, but few of us know where to begin when we're ready to start looking deeper. Although self-actualization is the highest of all human needs, it is said that only 5% of people ever attain this goal. In the culture of the Nation of Gods and Earths, commonly known as the

Five Percent, students are instructed that they must first learn themselves, then their worlds, and then what they must do in order to transform their world for the better. This often intense process has produced thousands of revolutionary thinkers in otherwise desperate environments, where poverty and hopelessness dominate. Until now, few mainstream publications have captured the brilliant yet practical perspectives of these luminary men and women. Knowledge of Self: A Collection of Writings on the Science of Everything in Life presents the thoughts of Five Percenters, both young and old, male and female, from all over the globe, in their own words. Through essays, poems, and even how-to articles, this anthology presents readers with an accurate portrait of what the Five Percent study and teach, as well as sound direction on how to answer timeless questions like: Who am I, and why am I

here? Why is there so much injustice in the world, and what can be done about it? Who is God and where on Earth is he? How do I improve myself without losing myself? Why are people of color in the situations they're in? What can we do about the global problems of racism and poverty?

**The Books of Enoch** - Enoch 2017-02  
The Books of Enoch is an ancient Jewish religious work, ascribed by tradition to Enoch, the great grandfather of Noah, although modern scholars estimate the older sections to date from about 300 BC, and the latest part (Book of Parables) probably to the first century BC. It is not part of the biblical canon as used by Jews, apart from Beta Israel. Most Christian

denominations and traditions may accept the Books of Enoch as having some historical or theological interest or significance, but they generally regard the Books of Enoch as non-canonical or non-inspired. It is regarded as canonical by the Ethiopian Orthodox Tewahedo Church and Eritrean Orthodox Tewahedo Church, but not by any other Christian group.

**The Secret Teachings of All Ages** - Manly P. Hall 2021-01-01

NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world, but the ageless truths of life, like many of the earth's greatest thinkers, have usually been clothed in shabby garments. The present work is an attempt to supply a tome worthy of those seers and sages whose thoughts are the substance of its pages. To bring about this coalescence of Beauty and Truth has proved most costly, but I believe that

the result will produce an effect upon the mind of the reader which will more than justify the expenditure.

The Holiest of the Holies (THOTH), the Last Testament - Maitreya (Joseph Emmanuel)  
2013-06-20

For thousands of years humanity has longed for a truth, revelation, or knowledge that explains the unity of God behind all mystical experiences, previous revelations, and religions of the world, and the truth behind the universe (science). There have been mystical explanations of God from those claiming they have experienced the truth by direct contact with Spirit. There are also those who have founded great religions of the world. However, a great confusion still reigns among spiritualists, religions of the world, and the many different branches

within each religion. If you study this Book carefully, with a sincere mind and an Open Heart, it will be revealed to you that the major religions on earth are not contradictory and separated at all. In fact they are complementary and were sent to earth systematically by One God. When this is understood, the Path to Salvation (Eternal Divine Path) is known! This book is the main writing of Maitreya of the Mission of Maitreya: [www.maitreya.org](http://www.maitreya.org)

The Enoch-Metatron Tradition - Andrei A. Orlov 2005

Andrei A. Orlov examines the tradition about the seventh antediluvian patriarch Enoch, tracing its development from its roots in the

Mesopotamian lore to the Second Temple apocalyptic texts and later rabbinic and Hekhalot materials where Enoch is often identified as the supreme angel Metatron. The first part of the book explores the imagery of the celestial roles and titles of the seventh antediluvian hero in Mesopotamian, Enochic and Hekhalot materials. The analysis of the celestial roles and titles shows that the transition from the figure of patriarch Enoch to the figure of angel Metatron occurred already in the Second Temple Enochic materials, namely, in 2 (Slavonic) Enoch, a Jewish work, traditionally dated to the first century CE. The second part of the book demonstrates that mediatorial polemics with the traditions of the exalted patriarchs and prophets played an important role in facilitating the transition from Enoch to Metatron in the Second Temple period.

[Making Contact](#) - Alan Steinfeld 2021-05-04

"I feel it is one of the best approaches I have found to grasp the most jarring enigma humanity has ever faced." —George Noory, host of Coast to Coast AM "We cannot separate the earth from its greater cosmic environment. What is needed is a new story and Alan Steinfeld's Making Contact is part of that story." —Deepak Chopra, Author, Total Meditation How can we prepare for an event that is literally beyond anything humanity has ever faced? Making Contact presents multiple perspectives on what no longer can be denied: UFOs and their occupants are visiting our world. The book answers questions which remain in the wake of the recent Pentagon's disclosures as to who and why these beings are here. The volume contains original writings by the leading experts of the phenomena such as: Linda Moulton Howe, Earthfiles reporter, Whitley Strieber best-selling author of Communion, Professor John E. Mack, former

head of the Harvard Medical school of psychiatry and an alien abduction investigator, Darryl Anka internationally known for his communication with the extraterrestrial Bashar, Nick Pope, former UK Ministry of Defense UFO investigator, Grant Cameron expert on American presidents and UFOs, Drs. J.J. and Desiree Hurtak, globalists and founders of the worldwide organization, The Academy for Future Science, Caroline Cory, director of Superhuman and ET: Contact, Mary Rodwell, author of the New Human about star-seed children, Henrietta Weekes, actress and writer, expressing the poetic aspects of making contact. Alan Steinfeld, contributes and curates the collection with 30 years of experience with the subject. The Foreword by George Noory of Coast to Coast AM kicks off the volume with his veteran overview of the need to wake up to the “new realities of extraterrestrial existence.” At this critical

junction in the government’s official acknowledgement of the reality of UFOs/UAPs, scientists, politicians and mainstream news outlets have no idea what to make of these startling revelations or the outpouring of sightings and “contact” experiences currently being reported on a global scale. The book stands as the most comprehensive clarification to date on the intent and intelligence behind the phenomena. The variety of viewpoints expressed in the volume provide a solid foundation for the “preparation” of the greatest challenge to ever face humankind. Making Contact stands as the essential handbook for embracing the most exalted moment in history: Meeting the cosmic others.
