But with their cutting-edge method

pending approval, they run into a roadblock by the name of Senator Ashley Butler, who views their technique as an attack on traditional American values. Then Butler is diagnosed with rapidly progressing Parkinson's disease, and he must make a Faustian pact with the very doctors whose groundbreaking technology he is trying to destroy: treatment in exchange for unwavering support. But the DNA transference procedure has never been tested before, and working

under less than favorable conditions to keep the premature trial under wraps, the doctors place their careers—and their patient's life—at risk, all in the name of scientific progress. Once they hit the point of no return, they feel invincible, but when Butler starts experiencing violent, horrifying seizures, they realize their luck may have run out...

A trio of novels from internationally bestselling suspense master and seven-time Edgar Award nominee Jeffery Deaver, featuring quadriplegic NYPD detective Lincoln Rhyme and his beautiful protégée, Detective Amelia Sachs (portrayed by Denzel Washington and Angelina Jolie in the film *The Bone Collector*). The *Coffin Dancer* Lincoln Rhyme is on the hunt for an elusive murderer known only as the *Coffin Dancer*, a brilliant hitman who changes his appearance even faster than he adds to his trail of victims. enough to offer a clue to the killer's identity: an eerie tattoo on his arm of the Grim Reaper waltzing with a woman in front of a casket. When the chameleonlike assassin targets three federal witnesses for death in forty-eight hours, Rhyme must use his protégée and partner, Detective Amelia Sachs, as his eyes, ears, and legs to track the cunning murderer through the subways, parks, and airports of New York City and stop him before he strikes again. The *Empty Chair* Desperate to improve his condition, Lincoln Rhyme travels to the University of North Carolina Medical Center for high-risk experimental surgery. When a local teen is murdered and two young women go missing in the sleepy Southern outpost of Tanner's Corner, Rhyme and his partner, Amelia Sachs, are the town's best chance to find the girls alive. The prime suspect is a strange teenaged truant known as the *Insect Boy*, so nicknamed for his disturbing obsession with bugs, and Rhyme agrees to find the boy

while awaiting his operation. But even Rhyme can't anticipate that Sachs will disagree with his crime analysis, and that her vehemence will put her in the swampland, harboring the very suspect whom Rhyme considers a ruthless killer. The Stone Monkey Recruited to help the FBI and the Immigration and Naturalization Service, Lincoln Rhyme and Amelia Sachs, manage to track down a cargo ship headed for New York City carrying two dozen illegal Chinese immigrants, as well as the notorious human smuggler and killer known as "the Ghost." In the early hours of a quiet, weekend morning in Manhattan's Diamond District, a brutal triple murder shocks the city. Lincoln Rhyme and Amelia Sachs quickly take the case. Curiously, the killer has left behind a half-million dollars' worth of gems at the murder scene, a jewelry store on 47th street. As more crimes follow, it becomes clear that the killer's target is not gems, but engaged couples themselves. The Promisor vows to take the lives of men and women during their most precious moments--midway through the purchase of an engagement ring, after a meeting with a wedding planner, trying on the perfect

gown for a day that will never come. The Promisor arrives silently, armed with knife or gun, and a time of bliss is transformed, in an instant, to one of horror. Soon the Promisor makes a dangerous mistake: leaving behind an innocent witness, Vimal Lahori, a talented young diamond cutter, who can help Rhyme and Sachs blow the lid off the case. They must track down Vimal before the killer can correct his fatal error. Then disaster strikes, threatening to tear apart the very fabric of the city--and providing the perfect cover for the killer to slip through the cracks.

But the Digger becomes a far more sinister threat when his accomplice is killed in a freak accident while en route to the money drop.
