Why We Play - Roberte Hamayon 2016

Play is one of humanity's straightforward yet deceitful ideas: though the notion is unanimously agreed upon to be universal, used for man and animal alike, nothing defines what all its manifestations share, from childish playtime to on stage drama, from sporting events to market speculation. Within the author's anthropological field of work (Mongolia and Siberia), playing holds a core position: national holidays are called "Games," echoing in that way the circus games in Ancient Rome and today's Olympics. These games convey ethical values and local identity. Roberte Hamayon bases her analysis of the playing spectrum on their scrutiny. Starting from fighting and dancing, encompassing learning, interaction, emotion and strategy, this study heads towards luck and belief as well as the ambiguity of the relation to fiction and reality. It closes by indicating two features of play: its margin and its metaphorical structure. Ultimately revealing its consistency and coherence, the author displays play as a modality of action of its own. "Playing is no 'doing' in the ordinary sense" once wrote Johan Huizinga. Isn't playing doing something else, elsewhere and otherwise ?

The Book of Night Women - Marlon James 2009-02-19

From the author of the National Book Award finalist Black Leopard, Red Wolf and the WINNER of the 2015 Man Booker Prize for A Brief History of Seven Killings "An undeniable success." - The New York Times Book Review A true triumph of voice and storytelling, The Book of Night Women rings with both profound authenticity and a distinctly contemporary energy. It is the story of Lilith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the slave women around her recognize a dark power that they- and she-will come to both revere and fear. The Night Women, as they call themselves, have long been plotting a slave revolt, and as Lilith comes of age they see her as the key to their plans. But when she begins to understand her own feelings, desires, and identity, Lilith starts to push at the edges of what is imaginable for the life of a slave woman, and risks becoming the conspiracy's weak link. But the real revelation of the book-the secret to the stirring imagery and insistent prose-is Marlon James himself, a young writer at once breathtakingly daring and wholly in command of his craft.

Big Boys Don't Cry - Willie McCarney 2017-03-24

Big Boys Don't Cry records how Willie McCarney played the hand he was dealt. Experiencing the deep trauma of his mother's death at an early age, he recounts how he also experienced freedom, success and responsibility as a child, learning how to deal with it all to become the master of his own destiny.

Life - 1966

The Marvel Universe - Bruce Wagner 2020-12

THE MARVEL UNIVERSE: ORIGIN STORIES tracks the hallucinatory, transcendent, interconnected lives and deaths of an ensemble - an orphaned billionaire, a black man wrongly convicted of murder, a schizophrenic child obsessed with the comic book character Wolverine, a cancelled television showrunner, a hustler pretending to be the love child of Elon Musk, an aging standup comedienne - as they slouch toward 2020. For some of them, that pandemic year of tectonic social unrest will be their last; for others, a watershed allowing them to

flourish in the new reality, one that surpasses any Hollywood tent-pole franchise's imaginings. It is truly the time of horror and chaos, yet of astonishing marvels...

Each Wild Idea - Geoffrey Batchen 2002-02-22

Essays on photography and the medium's history and evolving identity. In Each Wild Idea, Geoffrey Batchen explores a wide range of photographic subjects, from the timing of the medium's invention to the various implications of cyberculture. Along the way, he reflects on contemporary art photography, the role of the vernacular in photography's history, and the Australianness of Australian photography. The essays all focus on a consideration of specific photographs—from a humble combination of baby photos and bronzed booties to a masterwork by Alfred Stieglitz. Although Batchen views each photograph within the context of broader social and political forces, he also engages its own distinctive formal attributes. In short, he sees photography as something that is simultaneously material and cultural. In an effort to evoke the lived experience of history, he frequently relies on sheer description as the mode of analysis, insisting that we look right at—rather than beyond—the photograph being discussed. A constant theme throughout the book is the question of photography's past, present, and future identity.

The Endless Night - Eugene D'Rozario 2017-12-12

As a child, Eugene happily grew up in a large middle-class family with his mother in a rural village while his father worked away in Darjeeling, India. On September 5, 1962, a tragedy struck his family shattering their dreams, their happiness and their life. Eugene was only ten. Consequently, it left him in a dead end, an unknown world completely lost without hope, love, and security. The volatile vulnerability in a boarding house; the aftermath of the famine and the flood as well as the atrocity of war and crossing to India on foot, nearly cost his life. Eugene pledged himself; nothing was going to deter him from achieving his success. With initiative and perseverance, he risked his life and plunged into the unknown. In the process, he went through fire and water yet he believed in his instinct and followed his heart. In the end, Eugene achieved something extraordinary. The Endless Night is

not simply a true story about his childhood and young adulthood, it is also about to connect with the young generation, not just teaching them to value life but also helping them to understand why they want to value others. It is a captivating, amusing, adventurous, and inspiring book.

*The Brain That Changes Itself* - Norman Doidge 2007-03-15  
"Fascinating. Doidge's book is a remarkable and hopeful portrait of the endless adaptability of the human brain."—Oliver Sacks, MD, author of *The Man Who Mistook His Wife for a Hat* What is neuroplasticity? Is it possible to change your brain? Norman Doidge's inspiring guide to the new brain science explains all of this and more An astonishing new science called neuroplasticity is overthrowing the centuries-old notion that the human brain is immutable, and proving that it is, in fact, possible to change your brain. Psychoanalyst, Norman Doidge, M.D., traveled the country to meet both the brilliant scientists championing neuroplasticity, its healing powers, and the people whose lives they've transformed—people whose mental limitations, brain damage or brain trauma were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace, depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these marvelous stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an immensely moving, inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.

**Arabs** - Tim Mackintosh-Smith 2019-04-30

A riveting, comprehensive history of the Arab peoples and tribes that explores the role of language as a cultural touchstone This kaleidoscopic book covers almost 3,000 years of Arab history and shines a light on the footloose Arab peoples and tribes who conquered lands and disseminated their language and culture over vast distances. Tracing this process to the origins of the Arabic language, rather than the advent of Islam, Tim Mackintosh-Smith begins his narrative more than a thousand years before Muhammad and focuses on how Arabic, both spoken and written, has functioned as a vital source of shared cultural identity over the millennia. Mackintosh-Smith reveals how linguistic developments—from pre-Islamic poetry to the growth of script, Muhammad's use of writing, and the later problems of printing Arabic—have helped and hindered the progress of Arab history, and investigates how, even in today's politically fractured post-Arab Spring environment, Arabic itself is still a source of unity and disunity.

*Historical Perspectives of the Operational Art* - Michael D. Krause 2006-05

NOTE: NO FURTHER DISCOUNT FOR THIS PRINT PRODUCT--OVERSTOCK SALE -- Significantly reduced list price while supplies last *Historical Perspectives of the Operational Art*, a companion volume to Clayton R. Newell's and Michael D. Krause's *On Operational Art*, captures the doctrinal debate over the evolving concept of operational art—the critical link between strategy and tactics—in the face of the new complexities of warfare and the demands of irregular operations in the twenty-first century. Consisting of fifteen original essays selected and edited by Michael D. Krause in collaboration with R. Cody Phillips, the well-organized anthology presents the collective view of distinguished military historians and scholars that operational art must be adjusted to accommodate the changing circumstances happening around the world, especially when dealing with broad coalitions and alliances in regional environments and at an international level. **The Targeter** - Nada Bakos 2019-06-04

A CIA analyst's "revealing and utterly engrossing account" of the world of high-stakes foreign intelligence and her role within the campaign to stop top-tier targets inside Al-Qaida (Joby Warrick). In 1999, 30-year-old Nada Bakos moved from her lifelong home in Montana to Washington, D.C., to join the CIA. Quickly realizing her affinity for intelligence work, Nada was determined to rise through the ranks of the agency first as an analyst and then as a Targeting Officer, eventually finding herself on the frontline of America's war against Islamic extremists. In this role, Nada was charged with determining if Iraq had a relationship with 9/11 and Al-Qaida, and finding the mastermind behind this terrorist activity: Abu Musab al-Zarqawi. Her team's analysis stood the test of time, but it was not satisfactory for some members of the Administration. In a tight, tension-packed narrative that takes the reader from Langley deep into Iraq, Bakos reveals the inner workings of the Agency and the largely hidden world of intelligence gathering post 9/11. Entrenched in the world of the CIA, Bakos, along with her colleagues, focused on leading U.S. Special Operations Forces to the doorstep of one of the world's most wanted terrorists. Filled with on-the-ground insights and poignant personal anecdotes, *The Targeter* shows us the great personal sacrifice that comes with intelligence work. This is Nada's story, but it is also an intimate chronicle of how a group of determined, ambitious men and women worked tirelessly in the heart of the CIA to ensure our nation's safety at home and abroad.

**Elsie Venner** - Oliver Wendell Holmes 2022-09-15

*Elsie Venner: A Romance of Destiny* is an 1861 novel by American author and physician Oliver Wendell Holmes, Sr. Later dubbed the first of his "medicated novels", it tells the story of a young woman whose mother was bitten by a rattlesnake while pregnant, which imbued the child with some characteristics of the reptile. Bernard Langdon, who takes a teaching job at Elsie's school, becomes curious about her, even as he slightly fears her.

**The Evolution of the Cruise Missile** - Kenneth P. Werrell 1985

*Smile When You're Lying* - Chuck Thompson 2007-11-27

From Bangkok to Bogotá, a hilarious behind-the-scenes tour of picture-perfect locales, dangerous destinations, and overrated hellholes from a guy who knows the truth about travel Travel writer, editor, and photographer Chuck Thompson has spent more than a decade traipsing through thirty-five (and counting) countries across the globe, and he's had enough. Enough of the half-truths demanded by magazine editors, enough of the endlessly recycled clichés regarded as good travel writing, and enough of the ugly secrets fiercely guarded by the travel industry. But mostly, he's had enough of returning home from assignments and leaving the most interesting stories and the most provocative insights on the editing-room floor. From getting swindled in Thailand to running afoul of customs inspectors in Belarus, from defusing hostile Swedish rockers backstage in Germany to a closed-door meeting with travel execs telling him why he's about to be fired once again, Thompson's no-holds-barred style is refreshing, invigorating, and all those other adjectives travel writers use to describe spa vacations where the main attraction is a daily colonic. *Smile When You're Lying* takes readers on an irresistible series of adventures in Europe, Asia, the Caribbean, Latin America, and beyond; details the effects of globalization on the casual traveler and ponders the future of travel as we know it; and offers up a treasure trove of travel-industry secrets collected throughout a decidedly speckled career.

**The Stolen Lady** - Laura Morelli 2021-09-21

From the acclaimed author of *The Night Portrait* comes a stunning historical novel about two women, separated by five hundred years, who each hide Leonardo da Vinci's Mona Lisa—with unintended consequences. France, 1939 At the dawn of World War II, Anne Guichard, a young archivist employed at the Louvre, arrives home to find her brother missing. While she works to discover his whereabouts, refugees begin flooding into Paris and German artillery fire rattles the city. Once they reach the city, the Nazis will stop at nothing to get their

hands on the Louvre's art collection. Anne is quickly sent to the Castle of Chambord, where the Louvre's most precious artworks—including the Mona Lisa—are being transferred to ensure their safety. With the Germans hard on their heels, Anne frantically moves the Mona Lisa and other treasures again and again in an elaborate game of hide and seek. As the threat to the masterpieces and her life grows closer, Anne also begins to learn the truth about her brother and the role he plays in this dangerous game. Florence, 1479 House servant Bellina Sardi's future seems fixed when she accompanies her newly married mistress, Lisa Gherardini, to her home across the Arno. Lisa's husband, a prosperous silk merchant, is aligned with the powerful Medici, his home filled with luxuries and treasures. But soon, Bellina finds herself bewitched by a charismatic monk who has urged Florentines to rise up against the Medici and to empty their homes of the riches and jewels her new employer prizes. When Master Leonardo da Vinci is commissioned to paint a portrait of Lisa, Bellina finds herself tasked with hiding an impossible secret. When art and war collide, Leonardo da Vinci, his beautiful subject Lisa, and the portrait find themselves in the crosshairs of history.

The Night Portrait - Laura Morelli 2020-09-08

USA Today Bestseller "This is a truly original novel that has earned its place among my favorite works of historical fiction."--Jennifer Robson, USA Today bestselling author of *The Gown* An exciting, dual-timeline historical novel about the creation of one of Leonardo da Vinci's most famous paintings, *Portrait of a Lady with an Ermine*, and the woman who fought to save it from Nazi destruction during World War II. Milan, 1492: When a 16-year old beauty becomes the mistress of the Duke of Milan, she must fight for her place in the palace—and against those who want her out. Soon, she finds herself sitting before Leonardo da Vinci, who wants to ensure his own place in the ducal palace by painting his most ambitious portrait to date. Munich, World War II: After a modest conservator unwittingly places a priceless Italian Renaissance portrait into the hands of a high-ranking Nazi leader, she risks her life to recover it, working with an American soldier, part of the famed Monuments Men team, to get it back. Two women, separated by 500 years, are swept up in the tide of history as one painting stands at the center of their quests for their own destinies.

*NIGHT FLIGHT TO PARIS*. - DAVID. GILMAN 2018

*Dakotah* - Charles Bowden 2019-11-15

The author of *Blood Orchid* explores the history of the Sioux alongside that of his own family in this posthumous work. When award-winning author Charles Bowden died in 2014, he left behind a trove of unpublished manuscripts. *Dakotah* marks the landmark publication of the first of these texts, and the fourth installment in his acclaimed "Unnatural History of America." Bowden uses America's Great Plains as a lens—sometimes sullied, sometimes shattered, but always sharp—for observing pivotal moments in the lives of anguished figures, including himself. In scenes that are by turns wrenching and poetic, Bowden describes the Sioux's forced migrations and rebellions alongside his own ancestors' migrations from Europe to Midwestern acres beset by unforgiving winters. He meditates on the lives of his resourceful mother and his philosophical father, who rambled between farm communities and city life. Interspersed with these images are clear-eyed, textbook-defying anecdotes about Lewis and Clark, Daniel Boone, and, with equal verve, twentieth-century entertainers "Pee Wee" Russell, Peggy Lee, and other musicians. The result is a kaleidoscopic journey that penetrates the senses and redefines the notion of heartland. *Dakotah* is a powerful ode to loss from one of our most fiercely independent writers. "[*Dakotah*] is about hope, disappointment, impermanence and erasure . . . This is a meditation Bowden fans will not want to miss." —Arizona Daily Star "This posthumous work continues Bowden's uniquely ecocritical writing—starting from human common ground and ending with the ground itself—and allows us to hear his voice long past his own time in earth. It is a worthy offering." —Western American Literature

Songs in the Key of Z - Irwin Chusid 2000

Irwin Chusid profiles a number of "outsider" musicians - those who started as "outside" and eventually came "in" when the listening public caught up with their radical

ideas. Included are The Shaggs, Tiny Tim, Syd Barrett, Joe Meek, Captain Beefheart, The Cherry Sisters, Daniel Johnston, Harry Partch, Wesley Willis, and others.

Seven Gothic Tales - Isak Dinesen 1939

America's Most Alarming Writer - Bill Broyles 2019-11-15

The author of more than twenty books and a revered contributor to numerous national publications, Charles Bowden (1945-2014) used his keen storyteller's eye to reveal both the dark underbelly and the glorious determination of humanity, particularly in the borderlands between the United States and Mexico. In *America's Most Alarming Writer*, key figures in his life—including his editors, collaborators, and other writers—deliver a literary wake for the man who inspired them throughout his forty-year career. Part revelation, part critical assessment, the fifty essays in this collection span the decades from Bowden's rise as an investigative journalist through his years as a singular voice of unflinching honesty about natural history, climate change, globalization, drugs, and violence. As the Chicago Tribune noted, "Bowden wrote with the intensity of Joan Didion, the voracious hunger of Henry Miller, the feral intelligence and irony of Hunter Thompson, and the wit and outrage of Edward Abbey." An evocative complement to *The Charles Bowden Reader*, the essays and photographs in this homage brilliantly capture the spirit of a great writer with a quintessentially American vision. Bowden is the best writer you've (n)ever read.

**Film Form** - Sergei Eisenstein 2014-06-17

A classic on the aesthetics of filmmaking from the pioneering Soviet director who made *Battleship Potemkin*. Though he completed only a half-dozen films, Sergei Eisenstein remains one of the great names in filmmaking, and is also renowned for his theory and analysis of the medium. *Film Form* collects twelve essays, written between 1928 and 1945, that demonstrate key points in the development of Eisenstein's film theory and in particular his analysis of the sound-film medium. Edited, translated, and with an introduction by Jay Leyda, this volume allows modern-day film students and fans to gain insights from the man who produced classics such as *Alexander Nevsky* and *Ivan the Terrible* and created the renowned "Odessa Steps" sequence.

Lady of the Eternal City - Kate Quinn 2015-03-03

From the New York Times and USA Today bestselling author of *The Alice Network* and *The Rose Code* comes a historical saga about obsession, betrayal, and destiny. Sabina may be Empress of Rome, but she still stands poised on a knife's edge. She must keep the peace between two deadly enemies: her husband Hadrian, Rome's brilliant and sinister Emperor; and battered warrior Vix, her first love. But Sabina is guardian of a deadly secret: Vix's beautiful son Antinous has become the Emperor's latest obsession. Empress and Emperor, father and son will spin in a deadly dance of passion, betrayal, conspiracy, and war. As tragedy sends Hadrian spiraling into madness, Vix and Sabina form a last desperate pact to save the Empire. But ultimately, the fate of Rome lies with an untried girl, a spirited redhead who may just be the next Lady of the Eternal City....

*The Secrets We Kept* - Lara Prescott 2019-09-03

NEW YORK TIMES BESTSELLER • A thrilling tale of secretaries turned spies, of love and duty, and of sacrifice—inspired by the true story of the CIA plot to infiltrate the hearts and minds of Soviet Russia, not with propaganda, but with the greatest love story of the twentieth century: Doctor Zhivago • A HELLO SUNSHINE x REESE WITHERSPOON BOOK CLUB PICK At the height of the Cold War, Irina, a young Russian-American secretary, is plucked from the CIA typing pool and given the assignment of a lifetime. Her mission: to help smuggle Doctor Zhivago into the USSR, where it is banned, and enable Boris Pasternak's magnum opus to make its way into print around the world. Mentoring Irina is the glamorous Sally Forrester: a seasoned spy who has honed her gift for deceit, using her magnetism and charm to pry secrets out of powerful men. Under Sally's tutelage, Irina learns how to invisibly ferry classified documents—and discovers deeply buried truths about herself. *The Secrets We Kept* combines a legendary literary love story—the decades-long affair between Pasternak and his mistress and muse, Olga Ivinskaya, who inspired Zhivago's heroine, Lara—with a narrative about two women empowered to lead lives of extraordinary

intrigue and risk. Told with soaring emotional intensity and captivating historical detail, this is an unforgettable debut: a celebration of the powerful belief that a work of art can change the world.

**New York Times Saturday Review of Books and Art** - 1973

**The Essay Film After Fact and Fiction** - Nora M. Alter 2018-01-02

Nora M. Alter reveals the essay film to be a hybrid genre that fuses the categories of feature, art, and documentary film. Like its literary predecessor, the essay film draws on a variety of forms and approaches; in the process, it fundamentally alters the shape of cinema. The Essay Film After Fact and Fiction locates the genre's origins in early silent cinema and follows its transformation with the advent of sound, its legitimation in the postwar period, and its multifaceted development at the turn of the millennium. In addition to exploring the broader history of the essay film, Alter addresses the innovative ways contemporary artists such as Martha Rosler, Isaac Julien, Harun Farocki, John Akomfrah, and Hito Steyerl have taken up the essay film in their work.

Love, Theodosia - Lori Anne Goldstein 2021-11-02

A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

Documenting the Documentary - Barry Keith Grant 2013-12-16

Originally released in 1998, Documenting the Documentary responded to a scholarly landscape in which documentary film was largely understudied and undervalued aesthetically, and analyzed instead through issues of ethics, politics, and film technology. Editors Barry Keith Grant and Jeannette Sloniowski addressed this gap by presenting a useful survey of the artistic and persuasive aspects of documentary film from a range of critical viewpoints. This new edition of Documenting the Documentary adds five new essays on more recent films in addition to the text of the first edition. Thirty-one film and media scholars, many of them among the most important voices in the area of documentary film, cover the significant developments in the history of documentary filmmaking from Nanook of the North (1922), the first commercially released documentary feature, to contemporary independent film and video productions like Werner Herzog's Grizzly Man (2005) and the controversial Borat (2006). The works discussed also include representative examples of many important national and stylistic movements and various production contexts, from mainstream to avant-garde. In all, this volume offers a series of rich and revealing analyses of those "regimes of truth" that still fascinate filmgoers as much today as they did at the very beginnings of film history. As documentary film and visual media become increasingly important ways for audiences to process news and information, Documenting the Documentary continues to be a vital resource to understanding the genre. Students and teachers of film studies and fans of documentary film will appreciate this expanded classic volume.

Haunted - Chuck Palahniuk 2005-05-03

Haunted is a novel made up of twenty-three horrifying, hilarious, and stomach-churning stories. They're told by

people who have answered an ad for a writer's retreat and unwittingly joined a "Survivor"-like scenario where the host withholds heat, power, and food. As the storytellers grow more desperate, their tales become more extreme, and they ruthlessly plot to make themselves the hero of the reality show that will surely be made from their plight. This is one of the most disturbing and outrageous books you'll ever read, one that could only come from the mind of Chuck Palahniuk.

The Book of Life - Upton Sinclair 2008-08

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures .

Jackson Pollock - Jackson Pollock 1999

Published to accompany the exhibition Jackson Pollock held the Museum of Modern Art, New York, from 1 November 1998 to 2 February 1999.

**The Winemaker's Wife** - Kristin Harmel 2020-03-17

The author of the "engrossing" (People) international bestseller The Room on Rue Amélie returns with a moving story set amid the champagne vineyards of France during the darkest days of World War II, perfect for fans of Heather Morris's The Tattooist of Auschwitz. Champagne, 1940: Inès has just married Michel, the owner of storied champagne house Maison Chauveau, when the Germans invade. As the danger mounts, Michel turns his back on his marriage to begin hiding munitions for the Résistance. Inès fears they'll be exposed, but for Céline, the French-Jewish wife of Chauveau's chef de cave, the risk is even greater—rumors abound of Jews being shipped east to an unspeakable fate. When Céline recklessly follows her heart in one desperate bid for happiness, and Inès makes a dangerous mistake with a Nazi collaborator, they risk the lives of those they love—and the vineyard that ties them together. New York, 2019: Recently divorced, Liv Kent is at rock bottom when her feisty, eccentric French grandmother shows up unannounced, insisting on a trip to France. But the older woman has an ulterior motive—and a tragic, decades-old story to share. When past and present finally collide, Liv finds herself on a road to salvation that leads right to the caves of the Maison Chauveau.

**Cane River** - Lalita Tademy 2001-04-17

NEW YORK TIMES BESTSELLER OPRAH'S BOOK CLUB PICK The unique and deeply moving saga of four generations of African-American women whose journey from slavery to freedom begins on a Creole plantation in Louisiana. Beginning with her great-great-great-great grandmother, a slave owned by a Creole family, Lalita Tademy chronicles four generations of strong, determined black women as they battle injustice to unite their family and forge success on their own terms. They are women whose lives begin in slavery, who weather the Civil War, and who grapple with contradictions of emancipation, Jim Crow, and the pre-Civil Rights South. As she peels back layers of racial and cultural attitudes, Tademy paints a remarkable picture of rural Louisiana and the resilient spirit of one unforgettable family. There is Elisabeth, who bears both a proud legacy and the yoke of bondage... her youngest daughter, Suzette, who is the first to discover the promise—and heartbreak—of freedom... Suzette's strong-willed daughter Philomene, who uses a determination born of tragedy to reunite her family and gain unheard-of economic independence... and Emily, Philomene's spirited daughter, who fights to secure her children's just due and preserve their dignity and future. Meticulously researched and beautifully written, Cane River presents a slice of American history never before seen in such piercing and personal detail.

**White Trash** - Nancy Isenberg 2016-06-21

dealing . . . necessary." —The New York Times "This eye-opening investigation into our country's entrenched social hierarchy is acutely relevant." —O Magazine In her groundbreaking bestselling history of the class system in America, Nancy Isenberg upends history as we know it by taking on our comforting myths about equality and uncovering the crucial legacy of the ever-present, always embarrassing—if occasionally entertaining—poor white trash. "When you turn an election into a three-ring circus, there's always a chance that the dancing bear will win," says Isenberg of the political climate surrounding Sarah Palin. And we recognize how right she is today. Yet the voters who boosted Trump all the way to the White House have been a permanent part of our American fabric, argues Isenberg. The wretched and landless poor have existed from the time of the earliest British colonial settlement to today's hillbillies. They were alternately known as "waste people," "offals," "rubbish," "lazy lubbers," and "crackers." By the 1850s, the downtrodden included so-called "clay eaters" and "sandhillers," known for prematurely aged children distinguished by their yellowish skin, ragged clothing, and listless minds. Surveying political rhetoric and policy, popular literature and scientific theories over four hundred years, Isenberg upends assumptions about America's supposedly class-free society—where liberty and hard work were meant to ensure real social mobility. Poor whites were central to the rise of the Republican Party in the early nineteenth century, and the Civil War itself was fought over class issues nearly as much as it was fought over slavery. Reconstruction pitted poor white trash against newly freed slaves, which factored in the rise of eugenics—a widely popular movement embraced by Theodore Roosevelt that targeted poor whites for sterilization. These poor were at the heart of New Deal reforms and LBJ's Great Society; they haunt us in reality TV shows like *Here Comes Honey Boo Boo* and *Duck Dynasty*. Marginalized as a class, white trash have always been at or near the center of major political debates over the character of the American identity. We acknowledge racial injustice as an ugly stain on our nation's history. With Isenberg's landmark book, we will have to face the truth about the enduring, malevolent nature of class as well.

**Competing Visions** – Robert Cherny 2014

With a strong social emphasis and succinct narrative, *COMPETING VISIONS: A HISTORY OF CALIFORNIA, 2E* chronicles the stories of people who have had an impact on the state's history while presenting California as a hub of competing economic, social, and political

visions. It highlights the state's cultural diversity and explicitly compares it to other Western states, the nation, and the world—illustrating the national and international significance of California's history. Its chronological organization and thematic approach enables readers to keep track of events and fully understand their significance. Telling the full story, the text concludes by discussing such current events as immigration and demographic changes, the Occupy Movement, energy challenges, and more.

*The Heart's Invisible Furies* – John Boyne 2017-08-22  
Named Book of the Month Club's Book of the Year, 2017  
Selected one of New York Times Readers' Favorite Books of 2017  
Winner of the 2018 Goldsboro Books Glass Bell Award  
From the beloved New York Times bestselling author of *The Boy in the Striped Pajamas*, a sweeping, heartfelt saga about the course of one man's life, beginning and ending in post-war Ireland Cyril Avery is not a real Avery -- or at least, that's what his adoptive parents tell him. And he never will be. But if he isn't a real Avery, then who is he? Born out of wedlock to a teenage girl cast out from her rural Irish community and adopted by a well-to-do if eccentric Dublin couple via the intervention of a hunchbacked Redemptorist nun, Cyril is adrift in the world, anchored only tenuously by his heartfelt friendship with the infinitely more glamorous and dangerous Julian Woodbead. At the mercy of fortune and coincidence, he will spend a lifetime coming to know himself and where he came from – and over his many years, will struggle to discover an identity, a home, a country, and much more. In this, Boyne's most transcendent work to date, we are shown the story of Ireland from the 1940s to today through the eyes of one ordinary man. *The Heart's Invisible Furies* is a novel to make you laugh and cry while reminding us all of the redemptive power of the human spirit.

*Billy the Kid: The Endless Ride* – Michael Wallis  
2008-03-17

"This might be the best Billy the Kid book to date."  
—Fritz Thompson, *Albuquerque Journal*  
In this revisionist biography, award-winning historian Michael Wallis re-creates the rich anecdotal saga of Billy the Kid (1859-1881), a young man who became a legend in his time and remains an enigma to this day. In an extraordinary evocation of the legendary Old West, Wallis demonstrates why the Kid has remained one of our most popular folk heroes. Filled with dozens of rare images and period photographs, *Billy the Kid* separates myth from reality and presents an unforgettable portrait of this brief and violent life.
