There is More to the Secret - Ed Gungor 2007-05-27

Is it possible to believe in both God and the law of attraction? Isn't this all just some New Age, "power of the mind" thing? If the law of attraction works, why isn't it in the Bible – or is it? Questions like these are being asked by people around the world after reading the best-selling book, The Secret. According to the law of attraction, you can have virtually anything desired if your mind is trained to put out continual thoughts to attract it into your life. In this deeply compelling work, Ed Gungor seeks to establish a more complete and accurate representation of the power of the mind by explaining the role that God plays in the equation. This book is not written to attack but rather to examine what the author believes is misguided advice while still speaking to the heart-felt need that is causing so many to explore this ancient practice. Some of his views may surprise you. There is more to the story that must be told.

Prayer - Timothy Keller 2016-01-26

Renowned pastor and New York Times bestselling author of The Prodigal Prophet Timothy Keller explores the power of prayer. Christians are taught in their churches and schools that prayer is the most powerful way to experience God. But few receive instruction or guidance in how to make prayer genuinely meaningful. In Prayer, renowned pastor Timothy Keller delves into the many facets of this everyday act. With his trademark insights and energy, Keller offers biblical guidance as well as specific prayers for certain situations, such as dealing with grief, loss, love, and forgiveness. He discusses ways to make prayers more personal and powerful, and how to establish a practice of prayer that works for each reader. Dr. Keller's previous books have sold more than one million copies. His Redeemer Presbyterian Church is not only a major presence in his home base of New York, it has also helped to launch more than two hundred fifty other churches in forty-eight cities around the world. His teachings have already helped millions, the majority of whom pray regularly. And with Prayer, he'll show them how to find a deeper connection with God.

The Essential Zohar - Rav P.S. Berg 2011-11-30

For thousands of years, no book has been more shrouded in mystery than the Zohar, yet no book offers us greater wisdom. The central text of Kabbalah, the Zohar is a commentary on the Bible's narratives, laws, and genealogies and a map of the spiritual landscape. In The Essential Zohar, the eminent kabbalist Rav P. S. Berg decodes its teachings on evil, redemption, human relationships, wealth and poverty, and other fundamental concerns from a practical, contemporary perspective. The Zohar and Kabbalah have traditionally been known as the world's most esoteric sources of spiritual knowledge, but Rav Berg has dedicated his life to making this concentrated distillation of infinite wisdom available to people of all faiths so that we may use its principles to live each day in harmony with the divine.

Prayers of the Cosmos - Neil Douglas-Klotz 2010-12-14

Reinterpreting the Lord's Prayer and the Beatitudes from the vantage of Middle Eastern mysticism,

Douglas-Klotz offers a radical new translation of the words of Jesus Christ that reveals a mystical, feminist, cosmic Christ.

The 42 Letter Name of God - Baal Kadmon 2015-08-16

In this book, we will be discussing an ancient Jewish prayer, often called the "The Kabbalists Prayer" and the "Genesis Prayer" called in Hebrew "Ana Bekoach". This powerful prayer on the surface seems like a standard prayer, nothing particularly remarkable is contained within the verses. To most, it is just another prayer, but to those who look, they will find within the text the 42 letter name of God. This name of God is so powerful that just by reciting it and gazing upon the letters, you can gain immense powers from the divine. Powers that can solve all your problems. I know it sounds too good to be true, but this prayer and the 42 letter name of God within its verses has been proven to be very powerful. If you look it up you will find countless testaments to the power of this name. Let us begin.

The Doctrine of Addai, the Apostle - Labubnā bar Sennāḳ 1876

Daily Kabbalah - Gershon Winkler 2011-10-25

From sorcery to animal totems, buzzard feathers to hawk spirits, talking trees to magical stones, sacred circles to healing rituals, the Kabbalah brings readers a rich body of ancient wisdom that has been long neglected and even longer misunderstood. The Kabbalah celebrates a quality of consciousness that enables one to experience magic in the ordinary, miracles in the natural course of events, and spirituality in the physical. Its roots are as old and rich as most aboriginal shamanic traditions, sharing in common with many of them the belief that all of creation is alive, from animals and plants to the sun and the moon. The uniqueness of this book lies in its selections from this rare tradition of Jewish mystery wisdom. Culled from ancient and medieval Hebraic and Aramaic sources, much of this material has been hidden in dusty archives or obscure translations. These short selected readings are intended as contemplative, inspirational, and even entertaining extracts. As short as a few lines or as long as a page, they are translated and paraphrased here to render them accessible to readers of all backgrounds and spiritual paths. From the Trade Paperback edition.

The Prayer of the Kabbalist - Yehuda Berg 2007

Explains the meaning behind the forty-two letters that make up the prayer known as Ana Bekho'ah and describes how to use the prayer effectively to achieve joy, fulfillment, and spiritual enlightenment.

Radical - David Platt 2010-05-04

New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In Radical, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a

"successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Hagah - Enoch B Mnisi, D.D 2020-01-03

The importance of meditation can never be over emphasised in human life. Whether one is religious or not, everyone in some form engages in the art of meditation. Almost every religion in the world maintains this practice as an integral part of their religious practices. While the methods of meditation practices may vary from each group, the underlying commonality is that meditation is a huge cornerstone in humanity.

However amongst some christians this practice has lost meaning and significance, it is regarded as an unimportant aspect of the christian experience. Success and prosperity has strong links to biblical meditation:

Bible Talk: Hidden Riches of Secret Places - Sharolyn Dawn 2007-07

Why did He select those particular men? This question led Sharolyn Dawn on the treasure hunt of a lifetime. While recovering her health in a one-room house on her mom's farm, Sharolyn searched for codes to reveal an ancient world's lost wealth in Bible Talk: Hidden Riches of Secret Places. Travel with her down aged trails through the past and present, discovering gold and jewels found in hidden treasures as the promise of Isaiah 45: 3 is fulfilled in Bible Talk: Hidden Riches of Secret Places.

The Jefferson Bible - Thomas Jefferson 2014-01-05

The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

The Genesis Prayer - Jeffrey Meiliken 2013-12-24

A prayer that promises miracles "This book is for anyone who wants a miracle, has ever wanted to see God's work in action, or needed proof of His existence. It is for the doubters and believers alike. If you think nothing is out there, think again. Whether you're an agnostic astrophysicist or a seminary priest, you will discover an ancient gift that works every time, no questions asked. By the time you finish this book, your perception of the universe will have changed. If you thought God was out there but not listening, you may

discover that you have been tuning into the wrong channels. It doesn't matter whether you want to call it the Light Force of God, the creative power of the Lord, or any other expression of omnipotent omniscience because as you'll soon discover, you have the ability to tap into it. In fact, you've had the ability all along. If you ever wondered if anyone was listening or if anyone cared, you'll soon see for yourself the benevolence that's been available to you and all of us since the dawn of time. You'll learn why the ancient sages said the Light Force always gives, always listens, and always answers. Find out how to get heard. Find out what you've been missing. See an infinite stream of miracles spread out before you, guiding your every step. As you rethink everything you've ever known, you'll see that life is not supposed to be difficult; man isn't supposed to suffer; fate isn't some abstraction beyond our control, and your life can indeed be wonderful".-- From the Introduction

Discovering the Ancient Paths - Daniel Rhodes 2017-09-16

The Secret Ancient Code of Daniel - Henry A. Rhyne 2015-07-29

What if the account of the fall of Ancient Babylon is prophetic? What if hidden within that account is a great secret that tells us when Mystery Babylon will fall? What if Daniel had secret ancient knowledge which reveals even more about the last week of years - the tribulation period? What if we found out what that secret was? The author, Henry A. Rhyne believes that is the case, and has received some of that secret ancient knowledge. Hidden within the account of the fall of Ancient Babylon is a secret key that tells us the year when Mystery Babylon will fall. Daniel had secret ancient knowledge that reveals the timing of the tribulation period and more. This secret ancient knowledge connects everything. Everything fits perfectly from Genesis 6:3 to the tribulation in Revelation. Everything ties together - all of God's great cycles of time are converging in one specific year, and it is soon. Very Soon. Inside this book the secret is revealed. The topic in this book is related to "The Harbinger", by Jonathan Cahn, "Blood Moons", by Mark Biltz, and the "Window Of The Lord's Return", by John Shorey. The Shemitah and Jubilee are small cycles compared to all the gigantic cycles meeting in 2016.

Original Meditation - Neil Douglas-Klotz 2016-12-03

The New Story about the Oldest Stories in the World Today apocalyptic predictions and images dominate popular culture and social media. Yet for most of our history, human consciousness focused on the mystery of beginnings, not endings. Our ancestors felt that the most powerful energy and clearest vision for the future could be found at our inception. They meditated on stories of the Great Beginning as the way to go forward. Original Meditation is two books in one. First it investigates the ancient tradition of creation mysticism and shows how Western culture became sidetracked into an increasingly narrow, apocalyptic world view. Second, it shows how we can begin to recover an authentic meditation on our shared beginnings, a meditation that can bring us into a more embodied and compassionate present. To help us on our way, Neil Douglas-Klotz offers us a living anthology of voices, from a mystical view of the first chapters of Genesis, to the Aramaic words of Jesus, to translations of mystical voices like Jelaluddin Rumi, Ibn Arabi, Meister Eckhart and the Jewish Kabbalists. Uniting the native spirituality of the Middle East with Western creation spirituality, we catch a glimpse of the life-affirming energy of "beginning-time" and experience what it means to be fully human in today's world. "After reading this very welcome resource, you will want to join Douglas-Klotz in exclaiming: "Genesis Now!" --Spirituality and Health (voted one of best spiritual books of the year). "Neil Douglas-Klotz is a rare jewel; a brilliant scholar with heart whose words have the power to reconnect us with our sacred source. This is truly a book for our times.... The perfume of divine belonging rises from every page as this modern mystic skillfully guides us into the essence of the Sacred Mystery. --Dr. Joan Borysenko, author of Your Soul's Compass "Deeply moving, compelling, and radiant with hope, the book is a living prayer that can contribute to personal and inter-religious transformation." --Mary Ford-Grabowsky, author of Sacred Voices "By the time we finish this book, we are ready and able to join body, heart, mind, and spirit into a healing wholeness-indeed, the wholeness of Creation." --Rabbi Arthur Waskow, Director of the Shalom Center, author of God Wrestling

The Hidden Book in the Bible - Richard Elliott Friedman 2009-06-30

Renowned biblical sleuth and scholar Richard Elliot Friedman reveals the first work of prose literature in the world-a 3000-year-old epic hidden within the books of the Hebrew Bible. Written by a single, masterful author but obscured by ancient editors and lost for millennia, this brilliant epic of love, deception, war, and redemption is a compelling account of humankind's complex relationship with God. Friedman boldly restores this prose masterpiece-the very heart of the Bible-to the extraordinary form in which it was originally written.

The Trance of Terror - Mordechai Rotenberg 2006

How do western "life oriented" democracies understand the threatening "suicide bombing" phenomenon which Islamic culture nurtures in recent years? "The Trance of Terror" is the first study that scrutinizes the psychological mechanisms that social systems use to create the robotic person who acts in an automatic fashion in the name of one single truth. The psychological technique which Rotenberg terms "hypnotic mantrism" may be identified in various social processes such as praying, singing and dancing. But it is the ecstatic dimension, claims Rotenberg, that religious despots often use to inculcate fanatic behavior which may even include suicide bombing. Mordechai Rotenberg is a Professor at the Hebrew University of Jerusalem where he taught psychology and religion. Among his other books are Seventy faces of Life, PaRDeS and Psychonarration and The Yetzer. His book Existence in the Secret of Tzimtzum won the Jerusalem Award for Jewish Philosophy.

A Hunger for God - John Piper 2013-04-23

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

The Priestly Prayer of the Blessing - Warren Marcus 2018

MYSTERY REVEALED! THE GREATEST PRAYER OF GRACE EVER GIVEN TO US BY GOD HIMSELF!

This Precious Life - Solovy Alden 2020-12-10

In This Precious Life, liturgist Alden Solovy presents prayers, poetry, and meditations inspired by encounters with God. The first part draws from divine moments in our sacred texts, mostly the Torah but also the Prophets and the Writings. Using a contemporary voice, Solovy imagines these holy moments as experienced by our biblical ancestors so we can reclaim them as our own. The second part focuses on sacred moments in our daily lives, connections with the Divine that occur simply because we are human beings created in God's image. Equally suited to individual reflection and group prayer, the book completes a trilogy with This Grateful Heart and This Joyous Soul.

The Isaiah Effect - Gregg Braden 2009-02-04

Seventeen hundred years ago, key elements of our ancient heritage were lost, relegated to the esoteric traditions of mystery schools and sacred orders. Among the most empowering of the forgotten elements are references to a science with the power to bring everlasting healing to our bodies and initiate an unprecedented era of peace and cooperation between governments and nations. In his groundbreaking new book, The Isaiah Effect, Gregg Braden turns to the Isaiah Scroll, perhaps the most important of the Dead Sea Scrolls discovered in 1946, to offer insight into a powerful form of ancient prayer. In The Isaiah Effect, Braden, author of Awakening to Zero Point and Walking Between the Worlds, combines research in quantum physics with the works of the prophet Isaiah and the ancient Essenes. He demonstrates how prophecies of global catastrophe and suffering may only represent future possibilities, rather than forecast impending doom, and that we have the power to influence those possibilities. In addition to describing multiple futures, the Isaiah texts take us one step further, clearly describing the science of how we choose our futures. Tracing key words of Isaiah's text back to their original language, we discover how he taught a mode of prayer that was lost to the West during Biblical editing in the fourth century. Braden offers detailed accounts of how elements of this mode of prayer have been applied in a variety of situations, ranging from healing life-threatening conditions to entire villages using collective prayer to prevail during the 1998 fires in southern Peru. In each instance, the correlation between the offering of the prayer and a shift of the events in question was beyond coincidence--the prayers had measurable effects! As modern science continues to validate a relationship between our outer and inner worlds, it becomes more likely that a forgotten bridge links the world of our prayers with that of our experience. Each time we engage ourselves, our loved ones, and our communities with Isaiah's life-affirming message of hope, we secure nothing less than our future and the future of the only home we know.

The Sufi Book of Life - Neil Douglas-Klotz 2005-02-22

Part meditation book, part oracle, and part collection of Sufi lore, poetry, and stories, *The Sufi Book of Life* offers a fresh interpretation of the fundamental spiritual practice found in all ancient and modern Sufi schools—the meditations on the 99 Qualities of Unity. Unlike most books on Sufism, which are primarily collections of translated Sufi texts, this accessible guide is a handbook that explains how to apply Sufi principles to modern life. With inspirational commentary that connects each quality with contemporary concerns such as love, work, and success, as well as timeless wisdom from Sufi masters, both ancient and modern, such as Rumi, Hafiz, Shabistari, Rabia, Inayat Khan, Indries Shah, Irina Tweedie, Bawa Muhaiyadden, and more, *The Sufi Book of Life* is a dervish guide to life and love for the twenty-first century. Prayer, Magic, and the Stars in the Ancient and Late Antique World - Scott Noegel 2010-11-01

In the religious systems of ancient Mesopotamia, Egypt, and the Mediterranean, gods and demigods were neither abstract nor distant, but communicated with mankind through signs and active intervention. Men and women were thus eager to interpret, appeal to, and even control the gods and their agents. In *Prayer, Magic, and the Stars in the Ancient and Late Antique World*, a distinguished array of scholars explores the many ways in which people in the ancient world sought to gain access to—or, in some cases, to bind or escape from—the divine powers of heaven and earth. Grounded in a variety of disciplines, including Assyriology, Classics, and early Islamic history, the fifteen essays in this volume cover a broad geographic area: Greece, Egypt, Syria-Palestine, Mesopotamia, and Persia. Topics include celestial divination in early Mesopotamia, the civic festivals of classical Athens, and Christian magical papyri from Coptic Egypt. Moving forward to Late Antiquity, we see how Judaism, Christianity, and Islam each incorporated many aspects of ancient Near Eastern and Graeco-Roman religion into their own prayers, rituals, and conceptions. Even if they no longer conceived of the sun, moon, and the stars as eternal or divine,

Christians, Jews, and Muslims often continued to study the movements of the heavens as a map on which divine power could be read. The reader already familiar with studies of ancient religion will find in *Prayer, Magic, and the Stars* both old friends and new faces. Contributors include Gideon Bohak, Nicola Denzey, Jacco Dieleman, Radcliffe Edmonds, Marvin Meyer, Michael G. Morony, Ian Moyer, Francesca Rochberg, Jonathan Z. Smith, Mark S. Smith, Peter Struck, Michael Swartz, and Kasia Szpakowska. Published as part of Penn State's *Magic in History* series, *Prayer, Magic, and the Stars* appears at a time of renewed interest in divination and occult practices in the ancient world. It will interest a wide audience in the field of comparative religion as well as students of the ancient world and late antiquity.

[A Commentary on the Holy Scriptures: Genesis](#) - Johann Peter Lange 1899

[A History of the Bible](#) - John Barton 2019

In Western culture, the Bible is monolithic. John Barton argues that the Bible is not a prescription to a complete, fixed religious system, but rather a product of a long and intriguing process, which has inspired Judaism and Christianity, but still does not describe the whole of either religion. He further argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible's literal wording - which is impossible to determine - and focus instead on the broader meanings of scripture.

Unveiling Ancient Biblical Secrets - Larry Huch 2011-04-05

God's eyes are constantly searching for someone to heal, someone to bless, someone to prosper, and someone to favor. In *Unveiling Ancient Biblical Secrets*, Pastor Larry Huch reveals God's ancient blessings for your life, such as: Destruction of the curse of poverty Healing beneath the wings of the tallit The first ten minutes that can change your whole day The covenant of success Opening the "windows of heaven" The hundredfold breakthrough in the parable of the seed By understanding and tapping into these timeless truths, Christians can rediscover the destiny that God intends for His people. We were meant to be shining examples of God's power, blessing, and favor!
