Atlantis: the King's Return - D. K. Combs 2017-08-07

Ambrose. The name is not only feared, but shunned and reviled. He's a monster sentenced to a life of desolation and loneliness, and no one but his tormentor knows his whereabouts -- at the bottom of the ocean. A creature of the sea cursed because of one simple mistake...Mari. Her life was a small happy bubble until it's popped by the finding out that her boyfriend has been cheating on her -- just as the cruise ship she's on starts to sink! She's sure that death is near until she drowns upon an underwater cave...and a hulking man with swirling eyes. Seeing a chance to escape, Ambrose forces the terrified Mari to help them both, but not before ultimately changing her life...and her legs. Their worlds turning upside in the matter of minutes, Ambrose is on a mission to clear his name and Mari's on a mission to return to land. But how can she do that when she slowly starts to fall for the dangerous, damaged man who only wants to be free...and heal her own heart in the process?

The Bet - D. K. Combs 2017-02-10

Make her orgasm, right there in the theater. This was the bet that started the end, the bet that changed his life. Catfished and stuck with a sleezeball for a date, Bristol is

miserable and angry. Screw Tinder and swiping right, she just wanted a quick one night stand. With a fake as her date, she doesn't expect the night to end on a good note...until she sees him. When her eyes land on the dark, sinfully handsome man at the concession stand of the movie theater, she's unprepared when he sits right next to her. Every bet has a price; it's just a matter of how far you're willing to go. Noah never would have guessed that the uptight, condescending woman he saw at the concession line would turn out to be a fireball of lust and desperation. Getting her to climax in the middle of a movie? No problem. Getting her out of his head afterward? Definitely a problem.

Dracula in Love - Karen Essex

2010-08-10

In this wonderfully transporting novel, award-winning author Karen Essex turns a timeless classic inside out, spinning a haunting, erotic, and suspenseful story of eternal love and possession. From the shadowy banks of the river Thames to the wild and windswept Yorkshire coast, Dracula's eternal muse, Mina Murray, vividly recounts the intimate details of what really transpired between her and the Count--the joys and terrors of a passionate affair that has linked them through the centuries, and her rebellion against her own frightening

preternatural powers. Mina's version of this gothic vampire tale is a visceral journey into Victorian England's dimly lit bedrooms, mist-filled cemeteries, and asylum chambers, revealing the dark secrets and mysteries locked within. Time falls away as she is swept into a mythical journey far beyond mortal comprehension, where she must finally make the decision she has been avoiding for almost a millennium. Bram Stoker's classic novel offered one side of the story, in which Mina had no past and bore no responsibility for the unfolding events. Now, for the first time, the truth of Mina's personal voyage, and of vampirism itself, is revealed. What this flesh and blood woman has to say is more sensual, more devious, and more enthralling than the Victorians could have expressed or perhaps even have imagined.

Encyclopedia of Curriculum Studies - Craig Kridel 2010-02-16

For a free 30-day online trial to this title, visit www.sagepub.com/freetrial The study of curriculum, beginning in the early 20th century, first served the areas of school administration and teaching and was used to design and develop programs of study. The field subsequently expanded and drew upon disciplines from the arts, humanities, and social sciences to examine larger educational forces and their effects upon the individual, society, and conceptions of knowledge. Curriculum studies now embraces an array of academic scholarship in relation to personal and institutional needs and interests while it also focuses upon a diverse and complex dynamic among educational experiences, practices, settings,

actions, and theories. The Encyclopedia of Curriculum Studies provides a comprehensive introduction to the academic field of curriculum studies for the scholar, student, teacher, and administrator. This two-volume set serves to inform and to introduce terms, events, documents, biographies, and concepts to assist the reader in understanding aspects of this rapidly changing, expansive, and contested field of study. Key Features Displays different perspectives by having authors contribute independent essays on the nature and future of curriculum studies Presents a unique and in-depth treatment of the Twenty-Sixth Yearbook of the National Society for the Study of Education (NSSE), a 1927 publication that has taken on legendary dimensions for the field of curriculum studies Contains bibliographic entries which feature specific publications by curriculum leaders that helped to define the field Helps readers to learn unfamiliar terms and concepts, to become more comfortable with specialized phrases, and to understand the many significant and perplexing concepts and questions that characterize the field Key Themes Biography and Prosopography Concepts and Terms Content Descriptions Influences on Curriculum Studies Inquiry and Research Nature of Curriculum Studies Organizations, Schools, and Projects Publications Theoretical Perspectives Types of Curricula The Encyclopedia of Curriculum Studies offers the careful reader a surprisingly revealing depiction of the conventions, mores, and accepted research and writing practices of the field of curriculum studies as it continues to expand and change. Highland Surrender - Tracy Brogan
2012

Highland beauty Fiona Sinclair is shocked by her brothers' treachery. To seal a truce, they have traded her hand in marriage to their sworn enemy, a man she has never met and was raised to despise. With no choice, Fiona makes a vow: though she may sacrifice her freedom, she will never surrender her heart. Commanded into marriage by the king, Myles Campbell is no more willing than his reluctant bride. Their marriage was meant to united warring clans. They never imagined it would ignite a once in a lifetime love.

Beyond the Highland Mist - Karen Marie Moning 2009-11-04

He would sell his warrior soul to possess her. . . . An alluring laird... He was known throughout the kingdom as Hawk, legendary predator of the battlefield and the boudoir. No woman could refuse his touch, but no woman ever stirred his heart—until a vengeful fairy tumbled Adrienne de Simone out of modern-day Seattle and into medieval Scotland. Captive in a century not her own, entirely too bold, too outspoken, she was an irresistible challenge to the sixteenth-century rogue. Coerced into a marriage with Hawk, Adrienne vowed to keep him at arm's length—but his sweet seduction played havoc with her resolve. A prisoner in time... She had a perfect "no" on her perfect lips for the notorious laird, but Hawk swore she would whisper his name with desire, begging for the passion he longed to ignite within her. Not even the barriers of time and space would keep him from winning her love. Despite her uncertainty about following the promptings of her own passionate heart, Adrienne's reservations were no match for Hawk's determination to keep her by his

side. . . .

The Highlander's Touch - D. Combs
2016-09-02

Terrified of being sent off to marry a man who would only control her, Saeran Sinclair disguises her identity by posing as a male. Instead of being the renowned beauty that she really is, she must help her sister gain "The Lion" of the Highlands favor, even though the feat seems impossible, for every word and look coming from him shows just how feral the man really is. A deadly Highlander shouldn't be forced to marry—but that's exactly what's happening to Kane "The Lion" Shaw. With a new squire, a leper of a lady living in his keep, and his neighboring highlanders beginning to stir with unease, Kane has a lot on his plate. But a Highlander never surrenders...and ignores the odd feelings his squire stirs inside of him. When Saeran, posing as a squire, is forced to be around "The Lion", the roughest, meanest, most barbarian man she's ever met, she is sure her ruse is hanging by a thread. When he begins to suspect what she really is, she makes the most dangerous decision...and finds that this Highlanders touch makes it harder and harder to deny what is happening between them, even while danger wars around them.

The Russian's Runaway Bride - Elizabeth Lennox 2015-11-20

She'd left him! And on their wedding day, no less! Stefan Kozlov couldn't believe that the woman he'd married

had disappeared only hours after exchanging their vows! After months of happy courting, interspersed with cold showers as he forced them to wait for their wedding night, Livia had left without explanation. Stefan was angry and confused, but still determined to reunite and consummate their relationship. Even if Livia wouldn't have him, her mother's medical emergency still made it critical that he find her! Livia had thought everything was perfect! The perfect man and the perfect life! So what had gone wrong? Why hadn't she seen the clues? Surely there had been something that could have warned her of Stefan's deep dark secret.

Unfortunately, even her knowledge of his true nature couldn't stop her from falling under his spell. There had always been a powerful chemistry between the two of them. Now she was truly in a bind: caught between trying to help and protect her injured mother while living with a husband she now felt she barely knew!
Delhi - Khushwant Singh 1990

Days of Darkness - John Pearce
1994-11-15

" Among the darkest corners of Kentucky's past are the grisly feuds that tore apart the hills of Eastern Kentucky from the late nineteenth century until well into the twentieth. Now, from the tangled threads of conflicting testimony, John Ed Pearce, Kentucky's best known journalist, weaves engrossing accounts of six of the most notorious accounts to uncover what really happened and why. His story of those days of darkness brings to light new

evidence, questions commonly held beliefs about the feuds, and us and long-running feuds—those in Breathitt, Clay Harlan, Perry, Pike, and Rowan counties. What caused the feuds that left Kentucky with its lingering reputation for violence? Who were the feudists, and what forces—social, political, financial—hurled them at each other? Did Big Jim Howard really kill Governor William Goebel? Did Joe Eversole die trying to protect small mountain landowners from ruthless Eastern mineral exploiters? Did the Hatfield-McCoy fight start over a hog? For years, Pearce has interviewed descendants of feuding families and examined skimpy court records and often fictional newspaper puts to rest some of the more popular legends.

Popular Tales of the West Highlands - John Francis Campbell 1860

Survival of the Prettiest - Nancy Etcoff 2011-02-02

A provocative and thoroughly researched inquiry into what we find beautiful and why, skewering the myth that the pursuit of beauty is a learned behavior. In *Survival of the Prettiest*, Nancy Etcoff, a faculty member at Harvard Medical School and

a practicing psychologist at Massachusetts General Hospital, argues that beauty is neither a cultural construction, an invention of the fashion industry, nor a backlash against feminism—it's in our biology. Beauty, she explains, is an essential and ineradicable part of human nature that is revered and ferociously pursued in nearly every civilization—and for good reason. Those features to which we are most attracted are often signals of fertility and fecundity. When seen in the context of a Darwinian struggle for survival, our sometimes extreme attempts to attain beauty—both to become beautiful ourselves and to acquire an attractive partner—suddenly become much more understandable. Moreover, if we understand how the desire for beauty is innate, then we can begin to work in our own interests, and not just the interests of our genetic tendencies.

Mountaineer Jamboree - Ivan M. Tribe
2015-01-13

Jamboree! To many country music fans the word conjures up memories of Saturday nights around the family radio listening to live broadcasts from that haven of hillbilly music, West Virginia. From 1926 through the 1950s, as Ivan Tribe shows in his lively history, country music radio programming made the Mountain State a mecca for country singers and instrumentalists from all over America. Wilma Lee and Stoney Cooper, Little Jimmy Dickens, Hawkshaw Hawkins, Red Sovine, Blaine Smith, Curly Ray Cline, Grandpa Jones, Cowboy Loye, Rex and Eleanor Parker, Lee Moore, Buddy Starcher, Doc and Chickie Williams, and Molly O'Day were among the many who came to prominence via West Virginia radio. Wheeling's "WVVA jamboree," first broadcast in 1933, attracted a wide audience, especially after 1942, when

the station increased its power. The show's success spawned numerous competitors, as new stations all over West Virginia followed WVVA's lead in headlining country music. The state also played an important role in the early recording industry. The Tweedy Brothers, Frank Hutchison, Roy Harvey, Blind Alfred Reed, Frank Welling and John McGhee, Cap and Andy, and the Kessinger Brothers were among West Virginians whose waxings contributed to the state's reputation for fine native musicianship. So too did those who sought out and recorded the Mountaineer folksong heritage. As Nashville's dominance has grown since the 1960s, West Virginia's leadership in country music has lessened. Young performers must now seek fame outside their native state. But, as Ivan Tribe demonstrates, the state's numerous outdoor festivals continue to keep alive the heritage of country music's "mountain mama."

"Our women cannot be wooed." Warned the King. "They have not met my men." The Sovereign replied. In Rowland, a kingdom void of love, where even a kiss is unheard of, Princess Illyria is the prim and proper niece of the King, his bodyguard, and has spent her lifetime working towards that which she desires most, the role of General over the royal army. On the eve of her wedding to a wealthy local nobleman, a mysterious foreign ruler intrudes the castle walls; a masked leader known only as "The Sovereign." King Hal of Rowland assumes this invasion to be a declaration of war, but instead the masked monarch strikes a strange bargain. 100 of Morwick's youthful male elite must face off against 100 of Rowland's most prestigious young noblewomen in the Sovereign's strange encampment. Upon arrival, the Morwick's weapon of choice is nothing like Illyria could have ever expected; neither is Meridian, the suave, light hearted General of the Sovereign's army. All is fair when love IS war. _____**450 pages of meticulously, professionally edited literary gold****Ranked #1 in Historical Fiction on Wattpad for 7 months straight**

Supernatural Selection - Matt Rossano
2010-06-08

In 2006, scientist Richard Dawkins published a blockbuster bestseller, *The God Delusion*. This atheist manifesto sparked a furious reaction from believers, who have responded with numerous books of their own. By pitting science against religion, however, this debate overlooks what science can tell us about religion. According to evolutionary psychologist Matt J. Rossano, what science reveals is that religion made us human. In *Supernatural Selection*,

Rossano presents an evolutionary history of religion. Neither an apologist for religion nor a religion-basher, he draws together evidence from a wide range of disciplines to show the valuable--even essential--adaptive purpose served by systematic belief in the supernatural. The roots of religion stretch as far back as half a million years, when our ancestors developed the motor control to engage in social rituals--that is, to sing and dance together. Then, about 70,000 years ago, a global ecological crisis drove humanity to the edge of extinction. It forced the survivors to create new strategies for survival, and religious rituals were foremost among them. Fundamentally, Rossano writes, religion is a way for humans to relate to each other and the world around them--and, in the grim struggles of prehistory, it offered significant survival and reproductive advantages. It emerged as our ancestors' first health care system, and a critical part of that health care system was social support. Religious groups tended to be far more cohesive, which gave them a competitive advantage over non-religious groups, and enabled them to conquer the globe. Rather than focusing on one aspect of religion, as many theorists do, Rossano offers an all-encompassing approach that is rich with surprises, insights, and provocative conclusions.

Handbook of hair in health and disease - Victor R. Preedy 2012-05-23
Hair is a major component of the body's tissue system that contributes to the individual's make up and confers a large degree of personal identity. Apart from its visible

façade, hair also has a functional role. It has an unique structure and complex molecular development. The very nature of hair makes it a suitable marker for the prognosis of disease. Hair can also be used to screen for toxins and changes in the diet. However, there are currently no suitable publications available that describe hair in a rational scientific context. This handbook provides an academic approach to hair in health and disease. Divided into five sections the Handbook of Hair in Health and Disease provides an insight into hair growth and loss, molecular and cellular biology of hair, dietary toxicity and pathological history, diseases and treatments of hair, as well as shampoos and conditioners. Unique features of each chapter in this volume include relevant and useful 'Key facts' which highlight interesting or important findings of the specific subjects and 'Summary points' that will give a clear overview of the subjects treated in each chapter. The Handbook of Hair in Health and Disease will be essential to a variety of users, such as trichologists, doctors and nurses and all those interested or working within the area of hair health. This includes nutritionists and dieticians, scientific beauticians, health workers and practitioners, college and university lecturers and undergraduate and graduate students.

The Highlander's Kiss - D. K. Combs
2017-08-08

Blayne "Blay" Shaw is a woman graced with beauty, passion, and a painful secret that haunts her mind. The daughter of The Lion, she is used to being revered and protected, until she makes a fatal mistake that sends her life wayward-and into a situation she never thought she would be put in; being kidnapped. Through sheer desperation and fury, she retaliates against her attackers and escapes, not realizing that her actions hold a dark consequence. Finding a drunk woman, stumbling around the woods she had just set aflame, is not what Alec McGregor expected to see when he is warned of danger. Assumed to be a rake who seduces anything with legs, Alec has a reputation that deceives his calculative mind-and his love of solving mysteries, which is precisely what this inebriated woman gives him...until things turn from chaotic to dangerous. No longer is Alec trying to figure out who she is, but now he's faced with helping her come to terms with her past-and faced with coming to terms with his own feelings for a woman who could not be more wrong for him. When Blay realizes her family is in true danger, they begin to realize their feelings for each other are growing, yet their battles are different. Alec wants nothing more than to help the insane woman he's come to care for, but when she won't accept his help with even the slightest task, her stubbornness may drive her right into the arms of danger itself.
