Thank you for reading **The Mary Celeste An Unsolved Mystery From History** . Maybe you have knowledge that, people have look hundreds times for their favorite books like this The Mary Celeste An Unsolved Mystery From History , but end up in malicious downloads.

Rather than reading a good book with a cup of coffee in the afternoon, instead they are facing with some harmful bugs inside their desktop computer.

The Mary Celeste An Unsolved Mystery From History is available in our book collection an online access to it is set as public so you can download it instantly.

Our digital library spans in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the The Mary Celeste An Unsolved Mystery From History is universally compatible with any devices to read

Lightning - Stephen Kramer  
1993-10-01

Covers a variety of facts on lightning, including how it is formed, the different types of lightning, what thunder is

and its relationship to lightning, safety measures, etc.

*Mysteries of the Bermuda Triangle* - Kathryn Walker  
2009

Why do aircraft and ships seem to 'disappear' in the Bermuda Triangle? Are the legends make-believe, or is there something sinister waiting in the waters of the Bermuda Triangle?

**Are Ghosts Real?** - Patrick Perish 2013-08

Presents famous ghost stories and briefly examines the claims, ultimately stating there is no hard proof of ghosts.

St. Louis Cemetery No. 1 -

Michael Ferut 2014-08-01

Although this New Orleans cemetery covers only one city block, it is the final resting place of more than 100,000 people. Many people believe that not all of these people are actually resting. Read this spooky children's title to find out which ghost still appears in front of his tomb and why visitors chalk X's on the grave of a famous voodoo queen.

*Ghost Ship* - Brian Hicks  
2004-06-01

On December 4th, 1872, a 100-foot brigantine was

discovered drifting through the North Atlantic without a soul on board. Not a sign of struggle, not a shred of damage, no ransacked cargo—and not a trace of the captain, his wife and daughter, or the crew. What happened on board the ghost ship *Mary Celeste* has baffled and tantalized the world for 130 years. In his stunning new book, award-winning journalist Brian Hicks plumbs the depths of this fabled nautical mystery and finally uncovers the truth. The *Mary Celeste* was cursed as soon as she was launched on the Bay of Fundy in the spring of 1861. Her first captain died before completing the maiden voyage. In London she accidentally rammed and sank an English brig. Later she was abandoned after a storm drove her ashore at Cape Breton. But somehow the ship was recovered and refitted, and in the autumn of 1872 she fell to the reluctant command of a seasoned mariner named

Benjamin Spooner Briggs. It was Briggs who was at the helm when the Mary Celeste sailed into history. In Brian Hicks's skilled hands, the story of the Mary Celeste becomes the quintessential tale of men lost at sea. Hicks vividly recreates the events leading up to the crew's disappearance and then unfolds the complicated and bizarre aftermath—the dark suspicions that fell on the officers of the ship that intercepted her; the farcical Admiralty Court salvage hearing in Gibraltar; the wild myths that circulated after Sir Arthur Conan Doyle published a thinly disguised short story sensationalizing the mystery. Everything from a voodoo curse to an alien abduction has been hauled out to explain the fate of the Mary Celeste. But, as Brian Hicks reveals, the truth is actually grounded in the combined tragedies of human error and bad luck. The story of the Mary

Celeste acquired yet another twist in 2001, when a team of divers funded by novelist Clive Cussler located the wreck in a coral reef off Haiti. Written with the suspense of a thriller and the vivid accuracy of the best popular history, *Ghost Ship* tells the unforgettable true story of the most famous and most fascinating maritime mystery of all time.

*The Bermuda Triangle* -

Orlin Richard 2015-08

Presents conjectures on the existence of the Bermuda Triangle, from famous disappearances and unexplained events to legends, lore, and theories about what really happened.

**Loch Ness Monsters and Raining Frogs** - Albert Jack 2009-03-10

FOOLED BY FABLES? LED ON BY LEGENDS? MYTH-GUIDED? WONDER NO MORE, MYSTERY-PHILES: THE TRUTH IS IN HERE!

What in the world (or out of it) made those giant crop circles? Did skydiving

skyjacker D. B. Cooper really get away with it? Is Bigfoot a big fake? Are ETs just BS? If you're tired of scratching your head over persistent puzzlers like these, mystery-buster Albert Jack has the cure for your quizzical itch. He's gone hunting for the truth behind more than thirty of the most famous and baffling conundrums in history. Did a conspiracy or a calamity kill Marilyn Monroe? Is the Bermuda Triangle a tropical tall tale? Was a dead Paul McCartney replaced by a doppelgänger? How did Edgar Allan Poe meet his doom? In quick-witted entries on each enigmatic topic, Loch Ness Monsters and Raining Frogs offers answers certain to surprise, enlighten, amuse, and perhaps disappoint true believers. But Albert Jack never fails to fascinate and entertain as he spills the beans about the odd, the eerie, and the (no longer) unexplained.

*The Case of the 'Hail Mary'*

*Celeste* - Malcolm Pryce  
2015-03-12

Jack Wenlock is the last of the Railway Goslings: that fabled cadre of railway detectives created at the Weeping Cross Railway Servants' Orphanage, who trod the corridors of the GWR trains in the years 1925 to 1947. Sworn to uphold the name of God's Wonderful Railway, Jack keeps the trains free of fare dodgers and purse-stealers, bounders and confidence tricksters, German spies and ladies of the night. But now, as the clock ticks down towards the nationalisation of the railways Jack finds himself investigating a case that begins with an abducted great aunt, but soon develops into something far darker and more dangerous. It reaches up to the corridors of power and into the labyrinth of the greatest mystery in all the annals of railway lore – the disappearance in 1915 of twenty-three nuns from the 7.25 Swindon to Bristol

Temple Meads, or the case of the 'Hail Mary' Celeste. Shady government agents, drunken riverboat captains, a missing manuscript and a melancholic gorilla all collide on a journey that will take your breath away.

### **Mysteries Uncovered -**

Emily G. Thompson

2020-09-08

The mysterious is all around us... UFOs, extraterrestrial encounters, baffling disappearances-Mysteries Uncovered investigates, without prejudice, some of the most notorious, disturbing, and enduring mysteries ever recorded. - UFO activity: the Roswell Incident, the Phoenix Lights, the Rendlesham Incident... - Alien abduction: the Barney and Betty Hill case... - Uncanny events: the missing crew of the Marie Celeste, the lost colony of Roanoke, the fate of Amelia Earhart... - Notorious disappearances: the cases of Lord Lucan and "D.B. Cooper"... For every instance rationalized away,

there is another that defies explanation...

*The Mary Celeste* - Jane

Yolen 2002-07-01

In this spooky book from the nonfiction An Unsolved Mystery from History picture book series, set off on the high seas to a ghost ship left completely abandoned and adrift on the waves. The Mary Celeste was discovered adrift on the open sea by another ship in 1872—with no sign of captain or crew. What happened? Did the crew mutiny? Were they attacked by pirates? Caught in a storm? No one ever found out. Inside this book are the clues that were left behind and the theories of what people think happened aboard that ship. Become a detective, study the clues, and see if you can help solve this chilling mystery from history!

Unexplained Freaky

Phenomena - Grace Ramsey

2019-01-15

In Unexplained: Freaky Phenomena, readers in

grades 4–8 will explore a variety of unexplained phenomena. Is dance fever real? Can something be both a plant and an animal? Can a human simply burst into flames? The Unexplained series is designed for readers to be able to flip through until an image catches their interest. Each 32-page book includes spreads that feature a handful of info-packed sentences. Quick tidbits mean the book doesn't have to be read cover to cover, making this series perfect for reluctant readers.

Atlantis - Troy Michels  
2011-01-01

"Engaging images accompany information about the lost city of Atlantis. The combination of high-interest subject matter and light text is intended for students in grades 3 through 7"--Provided by publisher.

**The Mystery of the Mary Celeste** - Charles River  
Charles River Editors  
2018-02-20

\*Includes pictures \*Includes accounts of the Mary Celeste written by those who sailed on it and those who found it \*Includes online resources and a bibliography for further reading \*Includes a table of contents "In the month of December in the year 1873, the British ship Dei Gratia steered into Gibraltar, having in tow the derelict brigantine Marie Celeste, which had been picked up in latitude 38 degrees 40', longitude 17 degrees 15' W. There were several circumstances in connection with the condition and appearance of this abandoned vessel which excited considerable comment at the time, and aroused a curiosity which has never been satisfied." - Sir Arthur Conan Doyle, "J. Habakuk Jephson's Statement" People love mysteries, which is a good thing since history is so replete with them. This is especially true among seafaring people, and of all

the mysteries of the deep, few rise to the level of the Mary Celeste. In many ways, it is a story more suited for an episode of The X-Files than it is for any history book. There is the unlucky ship that began her sailing career under a cloud of bad fortune and accident. Then there is that handsome young captain, a man appearing to be of the highest moral fiber who chose to travel with his wife and young daughter rather than carouse with loose women. His crew was small but faithful, and his First Mate was an old friend. They set sail for Genoa late in 1872 but arrived instead in the history books, lost suddenly to a mystery that remains unsolved to this day. The first indication that anything unusual had happened came on December 5 of that year, when the Mary Celeste was found by another ship, the Dei Gratia, sailing safely and intact but completely devoid of human beings.

The bed was unmade and the captain's cabin a bit untidy, but otherwise there was no sign of struggle. Or was there? A sword turned up with spots that some thought must be blood, and there were also mysterious cuts on the ship's railing, but at the same time, the ship's provisions were almost entirely untouched, leading some to theorize pirates attacked the ship and others to believe all of it consisted of normal wear and tear? The Dei Gratia towed the Mary Celeste and brought it to an admiralty court to seek a salvage prize, and eventually the court could find no evidence of foul play. At the same time, it awarded the crew of the Dei Gratia only a fraction of what the ship had been insured for, a suggestion that the court didn't completely believe the crew's account. The mystery might have been forgotten altogether shortly after, but young Arthur Conan Doyle, who would

eventually earn fame for his Sherlock Holmes mysteries, helped popularize the Mary Celeste and its mysterious fate with his fictional story "J. Habakuk Jephson's Statement." Naturally, as the story spread, so did the rumors and the theories. Some believed the crew mutinied, while others speculated that the boat's own owner had those on board killed. As the decades passed, men turned up claiming to have new information, but nothing definitive was ever confirmed. Given the mystery, over the years, whatever fear was trending in popular culture found its way into the Mary Celeste story. For example, sea monsters were blamed in the 19th century, and in the 20th century, some posited that aliens from outer space had captured the unfortunate passengers and swept them off to their home planet. While this might be among the less believable theories, none of

the other theories can be completely proven either, ensuring that all of the theories (and new ones) will continue to form for as long as history remembers the story. The Mystery of the Mary Celeste: The History of the American Merchant Vessel and the Disappearance of Its Crew looks at one of America's most famous mysteries. Along with pictures of important people, places, and events, you will learn about the Mary Celeste like never before.

*Ghostly Evidence* - Kelly Milner Halls 2014-10-01

It's late at night, and you're on a tour of a so-called haunted house. You see something out of the corner of your eye and quickly snap a photo. Your hands tremble as you lower the camera. Your eyes widen as you stare at the image you've just captured. A face seems to be lurking in the background. But when you look up, there's no one standing there! Was it a

ghost? Ghost sightings are reported all the time. Many are easily explained. Others are harder to dismiss. But is there any proof? To find out, Kelly Milner Halls explored haunted houses. She examined photographs and investigated eyewitness accounts from ghost hunters, mediums, and paranormal experts. What's the verdict? Are the spirits of the dead wandering among us? Explore her findings and decide for yourself.

*The Book of Unexplained Mysteries* - Will Pearson  
2019-10-17

Everybody loves a good mystery and sometimes the questions can be more interesting than the answers. Will Pearson investigates twenty unique mysteries with their broad spectrum of strangeness. Some, like the sudden disappearance of the sailing ship *Mary Celeste*'s passengers and crew have gained universal currency. Was the Wow! Signal a

radio transmission from deep space, or was it the ambient resonating frequency of a passing comet? Cryptids like Bigfoot and the Loch Ness Monster teeter on the boundaries of probable and improbable, hoax and reality, fact and fiction. Whether it be the intrigue of lost civilisations, like Göblekli Tepe in Turkey, sensationalist interest in The Zodiac Killer, or the elusive Shugborough Code that neither Dickens nor Darwin could crack, each unsolved mystery presents a challenge in its own way. Occasionally, it can feel as if there's a conspiracy at work - one in which scientists, journalists and 'professional explainers' want to put an end to anything and everything mysterious in life. Thankfully, not everything can be nailed down, sucked dry of its secrets and turned into a factoid. Mysteries do still exist - and continue to tease us. Sceptic or believer, the

fun lies in probing them.

## **The Ghost of the Mary**

**Celeste** - Valerie Martin

2014-01-28

A captivating, atmospheric return to historical fiction that is every bit as convincing and engrossing as Martin's landmark *Mary Reilly*. In 1872 the American merchant vessel *Mary Celeste* was discovered adrift off the coast of Spain. Her cargo was intact and there was no sign of struggle, but the crew was gone. They were never found. This maritime mystery lies at the center of an intricate narrative branching through the highest levels of late-nineteenth-century literary society. While on a voyage to Africa, a rather hard-up and unproven young writer named Arthur Conan Doyle hears of the *Mary Celeste* and decides to write an outlandish short story about what took place. This story causes quite a sensation back in the United States, particularly between

sought-after Philadelphia spiritualist medium Violet Petra and a rational-minded journalist named Phoebe Grant, who is seeking to expose Petra as a fraud. Then there is the family of the *Mary Celeste*'s captain, a family linked to the sea for generations and marked repeatedly by tragedy. Each member of this ensemble cast holds a critical piece to the puzzle of the *Mary Celeste*. These three elements—a ship found sailing without a crew, a famous writer on the verge of enormous success, and the rise of an unorthodox and heretical religious fervor—converge in unexpected ways, in diaries, in letters, in safe harbors and rough seas. In a haunted, death-obsessed age, a ghost ship appearing in the mist is by turns a provocative mystery, an inspiration to creativity, and a tragic story of the disappearance of a family and of a bond between husband and wife that, for

one moment, transcends the impenetrable barrier of death.

*Unsolved Historical Mysteries* - Allison Lassieur  
2015-08-13

What happened to the people of the Roanoke Colony? Why did the crew of the Mary Celeste abandon ship? Who wrote the mysterious Voynich Manuscript and what does it mean? History is filled with many unexplained and baffling mysteries. With dramatic photos and intriguing theories, readers can go on a journey through time to explore some of history's most fascinating mysteries.

*Ghosts* - Nadia Higgins  
2014-01-01

Do you believe in ghosts? Stories of apparitions have existed for centuries in cultures across the world. Young readers will find out more about the wide-ranging belief in ghosts and their appearances in this spooky title.

Unexplained Ghostly

Encounters - Kevin Walker  
2019-01-15

In *Unexplained: Ghostly Encounters*, readers in grades 5-9 will take a look at some of the scariest claims of ghostly encounters throughout history. Things go bump in the night, people see things they can't explain, strange figures suddenly appear and then vanish—are they real or imagined? The *Unexplained* series is designed for readers to be able to flip through until an image catches their interest. Each 32-page book includes spreads that feature a handful of info-packed sentences. Quick tidbits mean the book doesn't have to be read cover to cover, making this series perfect for reluctant readers.

The Mary Celeste and SS Baychimo - Charles River  
Charles River Editors  
2018-02-20

\*Includes pictures \*Includes contemporary accounts of the ships \*Includes online resources and a

bibliography for further reading People love mysteries, which is a good thing since history is so replete with them. This is especially true among seafaring people, and of all the mysteries of the deep, few rise to the level of the Mary Celeste. In many ways, it is a story more suited for an episode of The X-Files than it is for any history book. There is the unlucky ship that began her sailing career under a cloud of bad fortune and accident. Then there is that handsome young captain, a man appearing to be of the highest moral fiber who chose to travel with his wife and young daughter rather than carouse with loose women. His crew was small but faithful, and his First Mate was an old friend. They set sail for Genoa late in 1872 but arrived instead in the history books, lost suddenly to a mystery that remains unsolved to this day. The first indication that anything unusual had

happened came on December 5 of that year, when the Mary Celeste was found by another ship, the Dei Gratia, sailing safely and intact but completely devoid of human beings. The bed was unmade and the captain's cabin a bit untidy, but otherwise there was no sign of struggle. Or was there? A sword turned up with spots that some thought must be blood, and there were also mysterious cuts on the ship's railing, but at the same time, the ship's provisions were almost entirely untouched, leading some to theorize pirates attacked the ship and others to believe all of it consisted of normal wear and tear? The mystery might have been forgotten altogether shortly after, but young Arthur Conan Doyle, who would eventually earn fame for his Sherlock Holmes mysteries, helped popularize the Mary Celeste and its mysterious fate with his fictional story "J. Habakuk Jephson's

Statement." Naturally, as the story spread, so did the rumors and the theories. Some believed the crew mutinied, while others speculated that the boat's own owner had those on board killed. As the decades passed, men turned up claiming to have new information, but nothing definitive was ever confirmed. By the early decades of the 20th century, the fur trade had tapered off some from its heyday in the 19th century, but it still proved profitable enough for hunters to live for months at a time in remote regions of Alaska. Their only contact with the outside world consisted of the company ships that came to buy their furs and bring them supplies. One of these vessels was the steamer Baychimo, a Hudson's Bay Company ship that plied the treacherous waters off Alaska, Arctic Canada, and Siberia for many years, supplying remote outposts of Inuit and Anglo trappers

and bringing back their catch of furs. Her sailors were experts at handling Arctic waters, but one year the weather proved too much for them. In October of 1931, the Baychimo was carrying \$1 million in furs for the Hudson's Bay Company when it was trapped by early winter pack ice in the Beaufort Sea. Ice is a powerful force of nature that can crush even the strongest of ships, so the captain had no choice but to order his crew of 14 men to unload all equipment essential for their survival and abandon the Baychimo. Nature had other ideas. On November 24, a month into their vigil, the crew had to hide inside their makeshift home as a fierce windstorm howled over the bleak icescape. However, when they could finally emerge into the daylight, they saw their ship had disappeared. The ghost ship continued to be sighted in the region for years afterwards. The Baychimo

continued to float in the waters between Alaska and Siberia, mostly in the Beaufort Sea. The latest confirmed report was by some Native Americans in 1969, between Barrow and Icy Cape, almost four decades after it had been lost. It's remarkable that it survived storms, pack ice, and encroaching rust after all that time.

*The Salem Witch Trials* -

Jane Yolen 2021-05-25

In this spooky book from the nonfiction *An Unsolved Mystery from History* picture book series, tragedy strikes Salem, Massachusetts, in 1692 as the community is torn apart by accusations of witchcraft. When a group of girls came down with a horrible, mysterious bout of illness, they pointed the finger at people in their community they claimed were witches. Soon, the whole town was convinced they were in danger from supernatural forces. Today, we have details about the

accusations, trials, and those who lost their lives, but the question remains: What caused the mass hysteria? Become a detective, study the clues, and see if you can help solve this chilling mystery from history!

**Ghosts** - Adam Stone

2010-08-01

Provided by publisher.

*Ghosts in Australia* - Paige

V. Polinsky 2021-08-01

The Min-Min lights are mysterious orbs that float around the Australian Outback. Are they just a trick of light? Or are they something much more sinister? In this thrilling title, reluctant readers will explore this and other spine-tingling stories across Australia. Leveled text pair with atmospheric photos to draw readers in, and special

features offer more detail about the origins of the tale, a similar story around the world, and a possible explanation.

### **J. Habakuk Jephson's**

**Statement** - Arthur Conan Doyle 2014-03-20

Sir Arthur Ignatius Conan Doyle DL (22 May 1859 - 7 July 1930) was a Scottish physician and writer who is most noted for his fictional stories about the detective Sherlock Holmes, which are generally considered milestones in the field of crime fiction. He is also known for writing the fictional adventures of a second character he invented, Professor Challenger, and for popularising the mystery of the Mary Celeste. He was a prolific writer whose other works include fantasy and science fiction stories, plays, romances, poetry, non-fiction, and historical novels. Sherlock Holmes is a fictional detective created by Scottish author and physician Sir Arthur Conan

Doyle, a graduate of the University of Edinburgh Medical School. A London-based "consulting detective" whose abilities border on the fantastic, Holmes is famous for his astute logical reasoning, his ability to adopt almost any disguise, and his use of forensic science skills to solve difficult cases. Holmes, who first appeared in publication in 1887, was featured in four novels and 56 short stories. The first novel, *A Study in Scarlet*, appeared in Beeton's Christmas Annual in 1887 and the second, *The Sign of the Four*, in Lippincott's Monthly Magazine in 1890. The character grew tremendously in popularity with the first series of short stories in *The Strand Magazine*, beginning with "A Scandal in Bohemia" in 1891; further series of short stories and two novels published in serial form appeared between then and 1927. The stories cover a period from around 1880 up

to 1914. All but four stories are narrated by Holmes's friend and biographer, Dr. John H. Watson; two are narrated by Holmes himself ("The Blanched Soldier" and "The Lion's Mane") and two others are written in the third person ("The Mazarin Stone" and "His Last Bow"). In two stories ("The Musgrave Ritual" and "The Gloria Scott"), Holmes tells Watson the main story from his memories, while Watson becomes the narrator of the frame story. The first and fourth novels, *A Study in Scarlet* and *The Valley of Fear*, each include a long interval of omniscient narration recounting events unknown to either Holmes or Watson.

### **The World's Greatest Unsolved Mysteries -**

Lionel Fanthorpe 1997-09  
Accompany the Fanthorpes on their intriguing investigations in Canada and worldwide, through years of research into the unexplained.

If you are tired or bored with routine - or simply want to relax after busy work schedule, this book will prove the best companion. In fact, thrillers have always fascinated the

young and old alike. There is no clear-cut demarcation line between myth and history, or between appearance and reality. Many mysteries have been solved but there are still many more which have remained unsolved and defied all rational explanations.

#v&spublishers

**Roanoke** - Jane Yolen 2007

When John White returned to Roanoke, he found it completely empty. Carved into a tree near the village were the letters "CRO." On one of the palisade posts was the word "CROATOAN." All that they found inside the fort were bars of iron, pigs of lead, and iron shot. The small boat used by the colonists was gone. Weeds grew everywhere.

*House of Hollow* - Krystal Sutherland 2022-03-01

A New York Times Bestseller! An Instant Indie Bestseller! A dark, twisty modern fairytale where three sisters discover they are not exactly all that they

seem and evil things really do go bump in the night. Iris Hollow and her two older sisters are unquestionably strange. Ever since they disappeared on a suburban street in Scotland as children only to return a month a later with no memory of what happened to them, odd, eerie occurrences seem to follow in their wake. And they're changing. First, their dark hair turned white. Then, their blue eyes slowly turned black. They have insatiable appetites yet never gain weight. People find them disturbingly intoxicating, unbearably beautiful, and inexplicably dangerous. But now, ten years later, seventeen-year-old Iris Hollow is doing all she can to fit in and graduate high school on time--something her two famously glamorous globe-trotting older sisters, Grey and Vivi, never managed to do. But when Grey goes missing without a trace, leaving behind bizarre clues

as to what might have happened, Iris and Vivi are left to trace her last few days. They aren't the only ones looking for her though. As they brush against the supernatural they realize that the story they've been told about their past is unraveling and the world that returned them seemingly unharmed ten years ago, might just be calling them home.

**Ghosts in Asia** - Monika Davies 2021-08-01

Have you ever heard of the Aleya? These mysterious lights shine through the swamps of Bengal, India. Could they be ghosts? The Aleya are one of three ghost stories of Asia highlighted in this chilling title. Through engaging text and creepy images, readers will come face-to-face with ghostly spirits from around the continent. Maps show where each story is from, while other features highlight similar stories and possible explanations.

**The Wolf Girls** - Jane Yolen

2021-05-25

In this eerie book from the nonfiction *An Unsolved Mystery from History* picture book series, travel to an Indian orphanage where two new arrivals are so wild that some claim they were raised by wolves. In 1920 a missionary brought two young girls to an orphanage in India. The girls didn't know how to talk, walk, or eat from a plate. Some people thought the girls had been abandoned by their parents. Some people said the girls were brought up by wolves in the wild. Still others thought that the missionary who ran the orphanage made up the story about the girls. No one knows for sure. Become a detective, study the clues, and see if you can help solve this chilling mystery from history!

*The Last Anniversary* -

Liane Moriarty 2010-04-20

From Liane Moriarty, author of the #1 New York Times bestsellers *Big Little*

Lies and Truly Madly Guilty, comes an unforgettable novel defined by her signature sharp wit, page-turning storyline, and lovable and eccentric characters. Sophie Honeywell always wondered if Thomas Gordon was the one who got away. He was the perfect boyfriend, but on the day he was going to propose, she broke his heart. A year later he married his travel agent, while Sophie has been mortifyingly single ever since. Now Thomas is back in her life because Sophie has unexpectedly inherited his aunt Connie's house on Scribbly Gum Island—home of the famously unsolved Munro Baby mystery. Sophie moves onto the island and begins a new life as part of an unconventional family, where it seems everyone has a secret.

Grace, a beautiful young mother, is feverishly planning a shocking escape from her perfect life. Margie, a frumpy housewife, has made a pact with a stranger, while dreamy Aunt Rose wonders if maybe it's about time she started making her own decisions. As Sophie's life becomes increasingly complicated, she discovers that sometimes you have to stop waiting around—and come up with your own fairy-tale ending.
