Songlines of the Soul - Veronica Goodchild 2012-10-01

The title for this book comes from the ancient Aboriginal concept of "song lines" - pathways to another world reached through dreamtime and visionary insight, and encounters with the unknown realm of experience. Veronica Goodchild addresses how dreams, synchronicities, UFO/ET encounters, Crop Circle mysteries, and NDEs all point to the new unfolding vision of reality. She draws on ancient mystery traditions to explore how this metamorphosis is already reflected cross-culturally in Hopi, Aztec, Mayan, Hindu, Tibetan, Maori, Zulu, Dogon, and Egyptian cultures. Songlines of the Soul proposes a new paradigm of reality, a new worldview. The signatures of this new reality are arising both in our own experiences and all around us if only we can stretch wide our stubbornly held perceptions of what is "reality." As we stand at a crucial turning point in our human history, this book offers hope, a call to awaken and expand our perceptions of the fundamental principles that orchestrate reality. In an age when the answers offered by governments and traditional religion are no longer sufficient, the quest for meaning must-as it always has in the past-arise first through visions, dreams, and journeys to other dimensions of consciousness.

The Mayan Factor - José Argüelles 1987-04-01

13 Moon Oracle Cards - Ariel Spilsbury 2013-07-07

The 13 Moon Oracle Cards are a concentrated from of light, a template for inner alchemy, that powerfully assists you in accessing your own intuitive wisdom and

mythically empowered Essential Self. The stunning original graphic art work depicted in 39 archetype, sacred tool and color frequency cards provide clear and profound guidance to your inner knowing.

2013 Oracle - David Carson 2006-11

2013 Oracle looks beyond 2012 with a powerful divination system, including 34 beautiful laminated cards, a colorful printed cenote cloth to contain and focus the oracular energies, and an illustrated book to explain and interpret the guidance of the ancients. In beautiful artwork by visionary artist G. Borri and David Carson's prophetic interpretations, users will find answers to guide them through the uncertainties ahead. Like the Medicine Cards, 2013 Oracle is based on the spiritual wisdom of the Native American ancestors. David Carson introduced us to our power animals through that popular deck; we can now go deeper into the Native American mysteries with the 2013 Oracle. This set, including a beautiful book, deck and cloth, immerses the seeker in the rich lore of the Mayans and mound builders. We access the cosmology around which they built cities of gold where they practiced highly advanced technologies based on mathematical and scientific knowledge beyond that of the Europe of their day, knowledge we are only now beginning to comprehend. 2013 Oracle marries the sacred information these ancient ones inscribed for us with a divination system that is a mirror of our internal truth. The voice of the oracle speaks across the centuries to lead us through the contradictions of our times. A Progression of New Light The coming world will be as different from our current one as day is from night. Ancient American geometers and metaphysicians left descriptions of these dimensional shifts to help future generations. These learned ones understood that the evolution of the human was incomplete and that our species faced great wars, natural catastrophes and other hardships before humanity developed the consciousness to enter the New Creation. 2013 Oracle is the ancient map left by the ancestors to help us make a leap into infinite possibility. Their knowledge was sculpted into stone and clay and laid out in the design of the cities and calendars. It was hidden within ritual and sacrifice. Clarity Born From The Light Dimensions overlap, one with another, and exist within sacred time. Ancient peoples saw the patterning and ... understood the true measure of time more deeply than any modern culture. Time is a living entity. Waves of time have personality and possibility Over the centuries, the numerical values twenty and thirteen became highly important, a sacred series based on the subtle energies of the cosmos. The sequencing of twenty and thirteen, or 2013, is the first year of the spiritizing of matter and time. 2013 is the dawn of the New Humanity.

Feminine Mysteries in the Bible - Ruth Rusca 2008-09-17

An exploration of the repressed, esoteric feminine mysteries in the Bible through the lives of four women, all archetypes of the sacred prostitute • Shows how these four archetypal women represent the four stages of development of soul consciousness • Reveals how the fear of the power of the sacred prostitute led to a rejection of female sexuality and a destructive dualistic notion of men and women • Explains how the dogma of the Immaculate Conception represents the repression of the divine feminine in Christianity In *Feminine Mysteries in the Bible*, Ruth Rusca unveils sacred mysteries of the feminine and the alchemical

relationship of the male and female forces at the heart of the Judeo-Christian tradition. Drawing on over 30 years of research, she explores four archetypal women in the Bible: Tamar, the sacred prostitute; Rahab, the meretrix; Ruth, who redeems the soul; and Bathsheba, the daughter of the Goddess. These women--sacred prostitutes one and all--represent the indestructible feminine life force, the wisdom of the Goddess, and the transformative power of the soul, and they symbolize the four stages of the development of soul consciousness. Mary, mother of Jesus, is the quintessence of these four women, but Rusca shows that the dogma of the Immaculate Conception has repressed the significance of Mary and subverted the divine feminine in Christianity due to the church's fear of women and their life-giving energy. These women pass an imperishable feminine life force from generation to generation, and understanding their lives creates a path to overcoming the destructive tendencies of dualistic "male-female" thinking--a duality that profanes feminine sexuality and mysteries rather than revering and celebrating them.

The Hidden Maya - Martin Brennan 1998

This work explains how Plains Indians used hand signs as symbols for communication, and that the graphic signs derived from hand gestures played an important role in the development of writing. The author deciphers Maya inscriptions to reveal their hidden messages.

The Pleiadian Workbook - Amora Quan Yin 1995-12-01

The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amora Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

Stone of Kings - Gerard Helferich 2012

A gripping account of the 400-year-old quest for the precious stone revered by the ancient Maya Jade has long been prized as one of the most precious substances on earth, used to adorn kings, cure disease, and perform sacred rituals, including human sacrifice. For millennia, it played a crucial role in the culture of the Maya and other ancient Americans, but the Spanish lusted after gold and silver, and within fifty years of the Conquest, the source of Maya jade had been forgotten. Centuries later, archaeologists excavating Maya cities uncovered stunning jades carved with the images of gods and kings, evoking all the mystery and power of a bygone civilization. But where had the stone come from? Some guessed China, others Atlantis--but no one could say for sure, because for the only time in history, a civilization's most valuable resource had been lost. Published at the long-anticipated resetting of the Maya Long Count calendar in 2012, this is the story of the gripping, 300-year search for the lost sources of this precious stone. A vivid tale of great rulers, renowned archaeologists, gifted scientists, unlettered prospectors, and hopeful entrepreneurs, Stone of Kings melds history, popular science, and armchair travel into a real-life, high-stakes treasure hunt for the astonishing Maya jade.

The Prophetic Mayan Queen - Leonide Martin 2019-01-25

She was born to serve the Goddess Ix Chel. But K'inuuh Mat is destined to continue the Palenque (Lakam Ha) dynasty by marriage to Tiwol, fourth son of famous ruler Pakal. Trained in prophetic arts, she uses scrying to foresee the face of the man with whom she will bear the dynastic heir--but it is not her husband's image. She is shocked upon arriving at Palenque to recognize that face as her husband's older brother, Kan Bahlam. They are immediately attracted, sharing deep interest in astronomy. Though she resists, the magnetic force of their attraction propels them into forbidden embraces, until Kan Bahlam designs a bold plan that would solve his inability to produce a son--if he can gain his brother's cooperation. Set in the splendor of Lakam Ha's artistic and scientific zenith, royal family conflicts and ambitions play out in a tapestry of brilliant Mayan accomplishments in calendars, astronomy, architecture, arts, and secret language codes that will astound people

centuries later. As K'inuuh Mat contends with explosive emotions, she must answer the Goddess' mandate to preserve Mayan culture for future generations. Her passion with Kan Bahlam leads to a pale daughter and bold son who carry this out as their civilization begins the decline and eventual collapse her prophetic vision foresees. One great cycle rolls into the next . . . Contemporary Mexican archeologist Francesca and her partner Charlie, a British linguist, venture into Chiapas jungles to a remote Maya village, seeking to unravel her grandmother's secrets. The hostile village shaman holds the key, but refuses to share with outsiders the scandal that leads to foreign blood and ancient Palenque lineages. Only by re-claiming her own shamanic heritage can Francesca learn the truth of who she is, and bring her dynasty into the present.

Mask of the Sun: The Science, History and Forgotten Lore of Eclipses - John Dvorak 2017-03-07

They have been thought of as harbingers of evil as well as a sign of the divine. Eclipses--one of the rarest and most stunning celestial events we can witness here on Earth--have shaped the course of human history and thought since humans first turned their eyes to the sky. What do Virginia Woolf, the rotation of hurricanes, Babylonian kings and Einstein's General Theory Relativity all have in common? Eclipses. Always spectacular and, today, precisely predicable, eclipses have allowed us to know when the first Olympic games were played and, long before the first space probe, that the Moon was covered by dust. Eclipses have stunned, frightened, emboldened and mesmerized people for thousands of years. They were recorded on ancient turtle shells discovered in the Wastes of Yin in China, on clay tablets from Mesopotamia and on the Mayan "Dresden Codex." They are mentioned in Homer's Iliad and Odyssey and at least eight times in the Bible. Columbus used them to trick people, while Renaissance painter Taddeo Gaddi was blinded by one. Sorcery was banished within the Catholic Church after astrologers used an eclipse to predict a pope's death. In Mask of the Sun, acclaimed writer John Dvorak the importance of the number 177 and why the ancient Romans thought it was bad to have sexual intercourse during an eclipse (whereas other cultures thought it would be good luck). Even today, pregnant women in Mexico wear safety pins on their underwear during an eclipse. Eclipses are an amazing phenomena--unique to Earth--that have provided the key to much of what we now know and understand about the sun, our moon, gravity, and the workings of the universe. Both entertaining and authoritative, Mask of the Sun reveals the humanism behind the science of both lunar and solar eclipses. With insightful detail and vividly accessible prose, Dvorak provides explanations as to how and why eclipses occur--as well as insight into the forthcoming eclipse of 2017 that will be visible across North America.

Red Rock Road, Light Blue Sea - Nowick Gray 2017-07-20

Edging Spain, southern France, and Portugal, a midlife Canadian couple tracks landscapes between bliss and burnout, art and love. After the rigors of backpacking and wild camping, a Formentera cottage offers cozy comfort, honeymoon bliss, creative freedom. Noella sketches in watercolor, while Wilson skirts the boundaries of the postmodern novel. Amid the wild and picturesque beauty of landscape and sea, their refuge becomes a crucible of creative and romantic tension. Will it yield despair and separation—or, through willing embrace, a new intimacy, a new metafictional art?

Time and the Technosphere - José Argüelles 2002-08-03

A groundbreaking study that distinguishes the natural time of the cosmos from artificial mechanistic time. • Reveals September 11 as the signal of the end of artificial time according to the Law of Time. • Long awaited sequel to the author's bestselling book *The Mayan Factor*. • Explains the Great Calendar Change of 2004 and its enormous potential for the future of humanity. In *Time and the Technosphere*, José Argüelles presents a groundbreaking study that distinguishes the natural time of the cosmos from the artificial mechanistic time under which we currently live. Argüelles defines the actual nature of time as the frequency of synchronization. Applying this Law of Time to an understanding of the entire system of life on Earth, he shows that in order to not destroy Earth's ability to sustain life, we must change our definition of time and adopt a natural harmonic calendar based on the 13-moon 28-day cycle. Until the creation of the Gregorian

calendar and the 60-minute hour, most of humanity lived by the 28-day cycle of natural time. The adoption of artificial time has subjected us to a 12:60 time frequency that governs the entire global industrialized civilization--the technosphere. With the collapse of the Twin Towers on September 11, a fissure was created in this artificial technosphere, opening up the noosphere (Earth's mental envelope). Humanity has a golden opportunity to leave the strife of the past and enter a time of peace by adopting a harmonious natural calendar that will repair the damages caused by the irregular tempo of technospheric time. Our last best chance to adopt this natural time and step into the bright new future promised by the galactic shift of 2012 is the Great Calendar Change of 2004, a new discovery based on the author's mathematical research into the Mayan calendar first begun in his landmark work *The Mayan Factor*. In *Time and the Technosphere*, Argüelles reveals the clear distinction between third-dimensional astronomical time and the fourth-dimensional synchronic order of the Law of Time, which holds enormous potential for the future of humanity.

Genocide of the Mind - MariJo Moore 2009-07-21

After five centuries of Eurocentrism, many people have little idea that Native American tribes still exist, or which traditions belong to what tribes. However over the past decade there has been a rising movement to accurately describe Native cultures and histories. In particular, people have begun to explore the experience of urban Indians—individuals who live in two worlds struggling to preserve traditional Native values within the context of an ever-changing modern society. In *Genocide of the Mind*, the experience and determination of these people is recorded in a revealing and compelling collection of essays that brings the Native American experience into the twenty-first century. Contributors include: Paula Gunn Allen, Simon Ortiz, Sherman Alexie, Leslie Marmon Silko, and Maurice Kenny, as well as emerging writers from different Indian nations.

How to Practice Mayan Astrology - Bruce Scofield 2006-11-27

A contemporary and practical guide to Mayan astrological techniques • Discusses the logic and meaning of the 20 day-signs of the Mayan calendar • Explains the many cycles of Mayan astrology, such as the 9-day cycle of the Night Lords and the 13-day trecena • Contains extensive tables of Mayan astrological data, allowing readers to cast their own Mayan horoscopes
How to Practice Mayan Astrology presents a contemporary guide to one of the most sophisticated astrological systems ever developed. Like other ancient peoples, the Maya looked to the cycles of the planets as markers of time and designators of order. The predictable cycles they observed became codified in the Mayan calendar and astrological system as a way of organizing the seeming chaos of human life. Mayan astrology is based on 20 named days that are cycled 13 times to create a 260-day calendar, the Tzolkin. The authors explain the symbolism, logic, and meaning of the 20 day-signs; how these signs reflect 260 possible personality types; and how they can be used for divination. They also explain the important role of the Four Directions and the planet Venus in one's personality matrix and life issues. Included are extensive, easy-to-use tables of Mayan astrological data, allowing readers to determine their day-signs, to see how these signs are also influenced by the cycle of the Night Lords and the 13-day trecena, and to cast their own horoscopes.

Pyramid of Fire: The Lost Aztec Codex - John Major Jenkins 2004-11-03

The first translation of a previously unknown Aztec codex and its initiatory teachings for 2012 • Discloses the potential for great spiritual awakening offered at the end of the Aztec calendar cycle • Presents the only existing English-language transcription of the Aztec codex, with line-by-line commentary • Contains the epic poetry and metaphysical insights of Beat poet Marty Matz (1934-2001 In 1961 an unknown Aztec codex was revealed to Beat poet and explorer Marty Matz by a Mazatec shaman in the mountains of Oaxaca, Mexico. Originally intended for dramatic performance, this codex presents a profound metaphysical teaching describing how the end of time will bring about a visionary ascent. At the behest of his Mazatec teacher, Matz transcribed this pictorial codex into a literary form that would preserve its initiatory teachings and reveal its secret meanings to a wider audience. *Pyramid of Fire* is an epic poem that provides a vehicle to

transport the initiate into the higher realms of consciousness. It represents a barely surviving thread of teachings that have been passed down in secret since the time of the Spanish Conquest. Revealed are the techniques by which man is transported to the stellar realm after death via the solar energy within what the ancients called the "serpent of consciousness." Line-by-line commentary by Matz and John Major Jenkins provides insights into the perennial philosophy contained in the codex and its relevance to our times.

The Celestine Prophecy - James Redfield 2008-08-01

The #1 bestselling phenomenon with millions of copies sold around the world -- now with a guide to creating your own Celestine Prophecy experience. You have never read a book like this before--a book that comes along once in a lifetime to change lives forever. In the rain forests of Peru, an ancient manuscript has been discovered. Within its pages are 9 key insights into life itself -- insights each human being is predicted to grasp sequentially; one insight, then another, as we move toward a completely spiritual culture on Earth. Drawing on ancient wisdom, it tells you how to make connections among the events happening in your life right now and lets you see what is going to happen to you in the years to come. The story it tells is a gripping one of adventure and discovery, but it is also a guidebook that has the power to crystallize your perceptions of why you are where you are in life and to direct your steps with a new energy and optimism as you head into tomorrow. Praise for The Celestine Prophecy "A gripping adventure story filled with intrigue, suspense, and spiritual revelations." - Commonwealth Journal "A spiritual classic...a book to read and reread, to cherish, and to give to friends." - Joan Borysenko, PhD, author of Fire in the Soul "In his inimitable style of great storytelling, Redfield opens us up to a world of insight, inspiration, synchronicity, and power." - Deepak Chopra

The Maya End Times - Patricia Mercier 2012-01-01

According to the Maya Prophecies, the 5,000-year "Fourth Age" will come to its end in 2012. In a remarkable adventure which takes her all over Central South America and involves strange ceremonies at sacred pyramids, scaling an active volcano and chases with drug runners, Patricia Mercier attempts to discover whether 2012 will be the end of the world as we know it or the dawning of a new golden age.

The Origin of Consciousness in the Breakdown of the Bicameral Mind - Julian Jaynes 2000-08-15

National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's The Origin of Consciousness in the Breakdown of the Bicameral Mind. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor."—The New York Times "When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, The New Yorker "He is as startling as Freud was in The Interpretation of Dreams, and Jaynes is equally as adept at forcing a new view of known human behavior."—American Journal of Psychiatry

Visionary Path Tarot: A 78-Card Deck - Lucy Delics 2020-11-03

Shamanic Mysteries of Egypt - Nicki Scully 2007-03-20

A book of wisdom teachings and rituals that invoke ancient Egyptian deities to awaken human consciousness • Provides guided shamanic visualizations to invoke 26 of the most significant gods • Takes the reader through shamanic portals of death, rebirth, and illumination • Reconciles internal conflict through a sacred marriage of heart and mind In Shamanic Mysteries of Egypt, Nicki Scully and Linda Star Wolf renew humanity's connection to the ancient gods of Egypt, the neteru. Voices from these divine ancestors remind us of the healing power of the heart, and call us to bring their consciousness into the present to help us remember our true nature as divine humans with sacred purpose. The authors provide rituals, meditations, and rites of passage to help us meet our personal and planetary challenges with grace, wisdom, and love. The shamanic initiations provided are invoked, directly experienced, and transformed into embodied wisdom that awakens consciousness and illumines the intelligence of the heart. Scully and Star Wolf focus their rituals on 26 of the primary divine entities that preside over the ancient mysteries whose roots are in Old Kingdom and pre-historic Egypt. This fresh interpretation of ancient mysteries unites the energies of Thoth and Anubis to guide us through the current cycle of Earth changes and to help us remember who we really are at heart. Through these passages, Anubis lives up to his ancient title as the Opener of the Way, and Thoth as the Architect of Higher Learning. Together they evoke their power to unite heart and mind in the sacred marriage that brings transformation, renewal, and the awakening of consciousness.

From Fear to Eternity - Gina-Dianne Harding 2011-11-18

Whether you want quick tips to shift into higher vibration, or want to take a reflective journey along your spiritual path, this book provides the essential information you need. The author invites you to start your transformation today. Humanity is going through a rapid transformation. You may follow one of two paths: Be dragged through; stuck in overwhelmingly fearful and limiting beliefs, energy-draining thoughts, and painful feelings. OR Learn the tools that shift you into the higher-conscious life you've yearned for—where you experience improved health, connected and loving relationships, fulfilling work, and the knowledge that, no matter what happens around you, everything is ultimately right in your life! Dive into this book and discover: • How vibrational energy can connect you to everything around you; • How modifying your affirmations to bite-size, believable pieces helps prevent becoming overwhelmed; • How to prevent leaking your energy and keep energy vampires from depleting your vitality; • Tools to shift your energy almost instantaneously, • Why consciously adopting these new behaviors now is vital as we approach 2012 and move toward the next age of human evolution.

"This important book shows how we have an opportunity to greatly improve our lives and, by this simple action, uplift humanity" —James F. Twyman, Peace Troubadour.

"This book makes relevant to the reader the path of personal awakening and self-empowerment. Gina-Dianne's personal life experience and spiritual awakening has created this fine reference work for the seeker who wishes to improve their spiritual focus and avoid the many distractions of our time." —Richard Jelusich, PhD, author of Eye of the Lotus: Psychology of the Chakras "Gina-Dianne Harding's book becomes a bridge between the different theories about 2012 written by scientists and researchers of the Mayan culture. She shares her own Spiritual experiences which she lived during her visits to the Mayan ceremonial centers in the lands of Yucatan. Sacred Knowledge, practice, and experiences of the Maya worldview has left a deep imprint on her mind and soul, which gives this book a special stamp, written as a real experience of the heart and manifesting the messages that shape this magnificent example. ...Miguel Angel Vergara, Maya Wisdom Teacher

The Mayan Code - Barbara Hand Clow 2007-03-29

Bestselling author Barbara Hand Clow shows how the Mayan Calendar is a bridge to galactic wisdom that fosters personal growth and human evolution • Unearths the meaning behind the calendar, its message for modern civilization, and what will

happen when the calendar ends • Reveals how time acceleration is a manifestation of the acceleration of consciousness • By the author of The Pleiadian Agenda The Mayan Code is a deep exploration of how, as we approach the end of the Mayan Calendar, time and consciousness are accelerating, giving us a new understanding of the universe. Using Carl Johan Calleman's research, as well as the ideas of other Mayan Calendar scholars, Barbara Hand Clow examines 16.4 billion years of evolution to decode the creative patterns of Earth--the World Mind. These great patterns culminate in 2011, and then during 2012 major astrological influences will inspire us to attain oneness and enlightenment. The Mayan Code shows how the time cycles of the Calendar match important periods in the evolutionary data banks of Earth and the Milky Way Galaxy. These stages of evolution are converging during the final stage of the Calendar, the period between 1999 and 2011. War and territoriality, resource management and separation from nature, are all part of daily events we must process during these few short years: evidence of the tightening spiral of time that we experience as time speeding up. Barbara Hand Clow counsels that our own personal healing is the most important factor as we prepare to make this critical leap in human evolution--now referred to as the awakening of the World Mind.

Sacred Monkey River - Christopher Shaw 2000

The former editor of Adirondack Life provides a profound and entertaining account of his odyssey by canoe along the Usumacinta River and its tributaries along the border of Guatemala and Mexico, a little-known region that once spawned the ancient Olmec and Maya civilizations of Mesoamerica.

Star * Avatar - Miranda* Linda Weisz 2012-02-09

In a profound recollection Miranda* remembers her earthly mission. Under the guidance of Spirit and extra-terrestrials Miranda* undergoes years of training, in multiple dimensions and the synchronistic realm. With spiritual initiations as well as trials and suffering, Miranda* evolves, rapidly integrating lessons learned in other lifetimes, and developing the paranormal abilities needed for the monumental role she is to play as she fulfills her destiny. On a trip to Peru in 2001 she finds an ancient engraved stone, and when she unravels its message, it unveils a Truth so astonishing that she guards it in secret. Revealing the written prophecy too soon may unleash the greatest religious and political revolution in the history of mankind. Tuning in to the collective consciousness, Miranda* has waited to come forward until humanity was not only ready for this momentous message, but eagerly awaiting it. With the Mayan Calendar ending in 2012, that time is now. After "The Secret" which quickly spread around the world, this book is "The Revelation". Adventure, romance, magic and miracles all come together in an inspiring blend of spirituality, mythology and cosmic science. Incredulous as it may appear, this is a true story.

Mayan Calendar Astrology - Kenneth Johnson 2011-12

"Mayan Calendar Astrology: Mapping Your Inner Cosmos" is the quintessential handbook to help you understand the art of Mayan astrology and how to harness it for a profound illumination of your personal lifepath. If you liked "Jaguar Wisdom," this book will take you even deeper into the powerful insights that Mayan astrology can offer, whether you're a seasoned expert or just a beginner. Included in the book are: - Complete information about the day signs and numbers - The importance of the Year Lord - The Mayan Destiny chart (also known as the Mayan Cross) - The complete nine-sign horoscope - Solar and lunar cycles - A unique method for determining the phases of human life - The personal compatibility matrices embedded within the Tzolk'in - A little-known technique for assessing human relationships by combining two horoscopes into a composite chart - Calendar diagrams and horoscope templates - A powerful and meditative technique called the "Path of Feathered Serpent," based on our own "personal lunar month" and designed, through a series of guided meditations, to awaken the koyopa or inner lightning we all possess. REVIEWS: "I am profoundly grateful to Kenneth Johnson for sharing his experientially based understanding of the Tzolk'in in this remarkable book. As a long-time lover of the Mayan world, 'Mayan Calendar Astrology' finally opened my eyes to the subtle workings of the 260-day calendar and led me to embrace it as a

genuine path to self-understanding. The author's work is based upon his years of work with several aj q'ijab' in the Guatemalan highlands, primarily in Momostenango, the important center for contemporary Mayan calendar knowledge. Johnson's explanations of the significance of the 13 numbers, the Mayan Destiny chart, the Year Lords, and the Path of Feathered Serpent are unique in popular literature and will enrich the understanding of even dedicated scholars." - Robert Sitler, PhD, Director, Latin American Studies, Stetson University

Sojourns of the Soul - Dana Micucci 2012-12-19

Sojourns of the Soul differs from other inspirational travel books by providing a rare mix of in-depth wisdom and literary insights from the holistic view of one experienced female traveler. Dana Micucci gives a compelling account of her growing spiritual illumination through visits to some of the most sacred places on earth. Her lively, engaging narrative takes us to seven sites in all: the Australian outback, Angkor in Cambodia, the Valley of the Kings in Egypt, Lhasa in Tibet, Chichen Itza in the Yucatan; the Monastery of Christ in the Desert in New Mexico, and Machu Picchu in Peru. Micucci links each visit with the awakening of a particular chakra- the chakras being the seven energy centers of the body associated in Hinduism with progressive enlightenment. In the afterword, she reflects on how her experiences continue to shape her life after resuming her career as a journalist in New York City: she finds she is more tolerant, can engage in daily activities with more heart-centered awareness, and can sustain states of joy and gratitude for longer periods of time. The book will be a page turner for readers who yearn for long-delayed adventure, with the added benefit that it is not just a journey log but more of a seeker's manual; travel is simply the vehicle. Readers will find that they don't have to travel to far-flung places for the spiritual inspiration available in their everyday lives. As Micucci says, "Each day brings new remembrances of our divinity, of the Divine presence in all beings, and of our eternal connection to each other. I am so grateful to be here NOW . . . with you.

Bringers of the Dawn - Barbara Marciniak 1992-12-01

Compiled from more than four hundred hours of channeling by Barbara Marciniak, Bringers of the Dawn imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a

new reality, a new Earth.

Secrets of Mayan Science/Religion - Hunbatz Men 1990

An engaging study that reveals sacred teachings that the Mayan priesthood hid from Spanish conquistadores in Mexico in 1519. The author explores the scientific and spiritual principles underlying the ancient glyphs, numbers, and language of the Maya.

Flight of the Feathered Serpent - Peter Balin 1983

Guide to the Xultun (Mayan) Tarot Deck. Peter Balin, the painter of the Xultun Tarot deck, has written a book about the tarot and the Maya Indians' view of the world. Although the approach is new and deals with American knowledge, it will serve all Tarot decks regardless of their origin. The reader journeys with the Fool towards the impeccability of the sorcerer, with each step along the way clearly defined. The graphics alone are so spellbinding that even if you are not interested in the Mayas or the tarot, there is something in this book for you.
