Delroy Grant, the 'Night Stalker' first struck in 1992, raping an 84-year-old woman in her flat in Croydon. What followed was a sickening series of horrifying sexual assaults on elderly victims across south London, Kent and Surrey. All the victims lived alone and were woken in the night by a man dressed in black, his face obscured by a balaclava. Delroy would shine a torch into their eyes, or switch off their electricity, before subjecting them to terrifyingly violent attacks. DNA profiling revealed a list of 21,000 possible suspects before officers working on Operation Minstead finally pieced together enough evidence to make an arrest. This is the full story of the man dubbed the 'Night Stalker', who brought terror and violence to the streets of South London.

Fadeout - Joseph Hansen 2022-01-11

CELEBRATING 50 YEARS OF DAVE BRANDSTETTER With a new Introduction by Michael Nava. Published fifty years ago, a time when being gay was illegal in 49 out of 50 states, Joseph Hansen's first Dave Brandstetter novel shattered stereotypes and redefined the Private Eye novel as we know it. Five decades after its original landmark publication, Joseph Hansen's Fadeout is as fresh and important as ever. Preceded only by a handful of gay protagonists in crime fiction, Hansen's Dave Brandstetter, a ruggedly handsome World War II vet with a quick wit, faultless moral compass, and endless confidence, shattered stereotypes and won over a large reading audience, a feat previously considered impossible for queer fiction. Set in the mid-1960s, Fadeout centers on the disappearance of a southern California radio personality named Fox Olson. A failed writer, Olson finally found success as a beloved folksinger and wholesome country raconteur with a growing national audience. The community is therefore shocked when Olson's car is found wrecked, having been driven off a bridge and swept away in a fast-moving arroyo on a rainy night. A life insurance claim is filed by Olson's widow and the company holding the policy sends their best man to investigate. The problem is that Olson's body was never found. Not in the car. Not further down the river. As Dave Brandstetter begins his investigation he quickly finds that none of it adds up.

Tortures of the Damned - Hunter Shea 2015-08-01

SHOCK... First, the electricity goes—plunging the east coast in darkness after a devastating nuclear attack. Millions panic. Millions die. They are the lucky ones. AFTER SHOCK... Next, the chemical weapons take effect—killing or contaminating everything alive. Except a handful of survivors in a bomb shelter. They are the damned. HELL IS FOR HUMANS Then, the real nightmare begins. Hordes of rats force two terrified families out of their shelter—and into the savage streets of an apocalyptic wasteland. They are not alone. Vicious, chemical-crazed animals hunt in packs. Dogs tear flesh, cats draw blood, horses crush bone. Roaming gangs of the sick and dying are barely recognizable as human. These are the times that try men's

souls. These are the tortures that tear families apart. This is hell on earth. The rules are simple: Kill or die.

Circle of Six - Randy Jurgensen 2007-09-01

Circle of Six is the true story of what is perhaps the most notorious case in the history of the New York Police Department. It details Randy Jurgensen's determined effort to bring to justice the murderer of Patrolman Phillip Cardillo, who was shot and killed inside Harlem's Mosque #7 in 1972, in the midst of an all-out assault on the NYPD from the Black Liberation Army. The New York of this era was a place not unlike the Wild West, in which cops and criminals shot it out on a daily basis. Despite the mayhem on the streets and the Machiavellian corridors of Mayor Lindsay's City Hall, Detective Jurgensen single-handedly took on the Black Liberation Army, the Nation of Islam, NYPD brass, and City Hall, capturing Cardillo's killer, Lewis 17X Dupree. He broke the case with an unlikely accomplice, Foster 2X Thomas, a member of the Nation of Islam who became Jurgensen's witness. The relationship they formed during the time before trial gave each of the two men a greater perspective of the two sides in the street war and changed them forever. In the end, Jurgensen had to settle for a conviction on other charges, and Dupree served a number of years. The murder case is still officially unsolved. In 2006 the NYPD re-opened the case, and it is once again an active investigation with full media attention. The book has received acclaim from current New York City Police Commissioner Ray Kelly, as well as former Commissioner William Bratton.
