Practicing the Power - Sam Storms 2017-02-07

The Bible teaches us that we are to be filled with God's Spirit and that God's presence and grace is manifested among his people as they serve, love, and minister to one another. Yet some of the gifts that God offers to his people aren't commonly seen in many churches today.

Gifts of prophecy, healing, tongues, and other supernatural gifts of God seem to be absent, and many Christians are unsure how to cultivate an atmosphere where God's Spirit can work while remaining committed to the foundational truth of God's Word. How can Christians pursue and implement the miraculous gifts of the Spirit without falling into fanatical excess and splitting the church in the process? In *Practicing the Power*, pastor and author Sam Storms offers practical steps to understanding and exercising spiritual gifts in a way that remains grounded in the word and centered in the gospel. With examples drawn from his forty years of ministry as a pastor and teachers, Storms offers a guidebook that can help pastors, elders, and church members understand what changes are needed to see God move in supernatural power and to guard against excess and abuse of the spiritual gifts. If you long to see God's Spirit move in your church and life, and aren't sure why that isn't happening or where to begin, this book is for you.

"Where the word of a king is, there is power: and who may say unto him, what doest thou?" Ecclesiastes 8:4 Shout it loud, prophesy it, announce it, demand it, decree it, declare it, because you are a king, and the Almighty God will back you up! Now, you have an instrument in your hands to live with, you have no excuse for a failure again. I know some lives issues will not yield to pampering nor bother about secret weeping; rather they listen to heartfelt prayer with an open declaration. [Binding Earth and Heaven](#) - Gary

Shepherd 2015-06-13

In *Binding Earth and Heaven*, Gary Shepherd and Gordon Shepherd use early nineteenth-century Mormonism as a case study to examine questions about how new religious movements may, as rare exceptions, survive and even eventually become successful in spite of intense opposition. Initial scorn and contempt for Mormonism—the fledgling creation of the young Joseph Smith—quickly elevated to mob violence as both Smith's innovative teachings and converted followers proliferated, resulting in the widely held perception that the Mormons constituted a social menace. This book examines how Mormonism attracted and maintained the loyalty of increasing numbers of people despite mounting hostilities and severe hardships. The book focuses on the unique Mormon ritual (and accompanying doctrinal underpinnings) of “patriarchal blessings.”

Patriarchal blessings were an innovative adaptation of the Old Testament practice of fathers making quasi-legal pronouncements over the heads of their sons—a way of verbally conferring rights, promises, admonition, and guidance to heirs. *Binding Earth and Heaven* shows how the organizational complexities of this practice contributed to strengthening and sustaining member faith and fealty, thereby bolstering the continuity and development of Mormonism.

Agents of the Apocalypse - David Jeremiah
2014-10-07

Revelation through the lens of its major players—the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their individual personalities and motives, and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready?

The Power of the Blood of Jesus -

Andrew Murray 2013-08-20

"The Power of the Blood of Christ" does a wonderful job of introducing the need for Christians to claim the blood of Jesus, and in confirming its biblical authenticity. In a day when the blood of Jesus is being removed from the very translation of the Bible itself, when the mention of the blood of Jesus is considered offensive even in the churches, it is more important than ever for this book by Andrew Murray to remove the misconceptions. "The Power of the Blood of Christ" is a God-send for those who are willing to accept the ways of God without cringing. Though the blood of Jesus is not in any way magical, it is nonetheless crucial and foundational to receiving any benefit whatsoever from God. In "The Power of the Blood of Christ," Andrew Murray clearly shows this truth in his books. He also mentions scores of benefits that are only available through the shed blood of Jesus. This book remains a Christian classic, a tremendous discourse on "The Power of the Blood of Christ." The New Testament book of Hebrews states that, "Without the shedding of blood there is no forgiveness of sin." Andrew Murray shows clearly that within that statement is included ALL

the resulting benefits of forgiveness, as well.

The Power of Spoken Blessings - Bill Gothard 2008-12-30

This book explores how verbal blessings can change and restore difficult relationships, highlighting the great power of the living God to work in our daily lives. The spoken blessing is a powerful spiritual weapon with enduring impact. By giving spoken blessings, we can see healing brought to aching souls and restoration brought to bruised relationships. Such wonders are accomplished by the power of God's Spirit through the agency of spoken blessings, just as Scripture affirms: "Death and life are in the power of the tongue." Our words have the power to crush or to heal, to break bones or to plant a tree of life where none has grown before. And these dynamics of the spoken blessing may be truer today than ever. Mr. Gothard's timely message brings this awareness to us in a helpful and encouraging way. "Death and life are in the power of the tongue." Proverbs 18:21 What if spoken blessings could grant freedom from years of bitter hurts? What if they could break down the walls that divide husband from wife, parent from child, and friend from friend? Our words have lasting impact not only for harm, but also for great good. By speaking blessings, we can help bring healing to aching souls and restoration to bruised relationships. Let Bill Gothard share with you the secret of spoken blessings, and embark on a rich family tradition that brings harmony and closeness beyond anything you've previously experienced. Story Behind the Book While dealing with layer after layer of hurts, fears, and barriers that teenagers experience with their parents and God, I often heard cruel statements by a parent during a time of anger. Statements like "I wish you

were never born" or "You'll never amount to anything" were like deadly poison affecting everything in that teenager's life. Such is the power of a verbal curse. However, more powerful have been the verbal blessings of a parent to a son or daughter. They have been like sources of refreshment and energy that have guided the goals and decisions of those who received them. With such lasting results from the life-and-death power of the tongue, it was essential to me that this book be written.

Genesis - Bruce K. Waltke 2016-11-22
This landmark commentary marshals the vast experience and brilliant insights of one of today's most revered Old Testament scholars. To those familiar with the work of Bruce K. Waltke, the significance and value of Genesis will be instantly apparent. Others who are unfamiliar with Waltke have only to read the first few chapters to understand why he has earned the reputation of a scholar's scholar, and why this masterful volume stands like a monolith among Old Testament commentaries. Exploring the first book of the Bible as "theological literature," Waltke illuminates its meanings and methods for the pastor, scholar, teacher, student, and Bible-lover. Genesis strikes an unusual balance by emphasizing the theology of the Scripture text while also paying particular attention to the flow and development of the plot and literary techniques--inclusion, irony, chiasm, and concentric patterning--that shape the message of

the "book of beginnings". Genesis Models the way to read and interpret the narratives of the book of Genesis Provides helpful exegetical notes that address key issues and debates surrounding the text Includes theological reflections on how the message addresses our contemporary theological and social issues, such as ecology, homosexuality, temperance, evil, prayer, and obedience Addresses critical interpretive issues, such as authenticity, date, and authorship For all the author's formidable intellect and meticulous research, Genesis is amazingly accessible. This is no mere study tool. Lucidly and eloquently written, it is a work of the heart that helps us not only to understand deeply God's Word in its context, but also to consider how it applies to us today.
