The Power - Naomi Alderman 2017-10-10

In this stunning bestseller praised as "our era's Handmaid's Tale," a fierce new power has emerged—and only women have it (Washington Post). In *The Power*, the world is a recognizable place: there's a rich Nigerian boy who lounges around the family pool; a foster kid whose

religious parents hide their true nature; an ambitious American politician; a tough London girl from a tricky family. But then a vital new force takes root and flourishes, causing their lives to converge with devastating effect. Teenage girls now have immense physical power: they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets. From award-winning author Naomi Alderman, *The Power* is speculative fiction at its most ambitious and provocative, at once taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways. "Captivating, fierce, and unsettling...I was riveted by every page. Alderman's prose is immersive and, well, electric." —New York Times Book Review

The Owl and the Pussycat - Edward Lear 2007-09

After a courtship voyage of a year and a day, the owl and the pussycat finally buy a ring from Piggy and are blissfully married, in this illustrated version of Lear's nonsense poem.

The Story of V - Catherine Blackledge 2004

It is the seat of female sexual pleasure, the site of the creation of humankind, and the channel for its birth. Yet we know less about the vagina--its structure and function--than we do about any other organ of the human body. Why?

Vagina - Naomi Wolf 2013

The embarrassment and alienation we often feel when the word 'vagina' comes up in conversation is fairly new. In this book, Naomi Wolf explains why the vagina deserves an understanding of its own cultural lineage and ancestry because, what is true of the female body in general, is more true of the vagina than of any other feminine aspect.

Riot Days - Maria Alyokhina 2017-09-26

A Pussy Rioter's riveting, hallucinatory account of her years in Russia's criminal system and of finding power in the most powerless of situations In February 2012, after smuggling an electric guitar into Moscow's iconic central cathedral, Maria Alyokhina and other members of the radical collective Pussy Riot performed a provocative "Punk Prayer," taking on the Orthodox church and its support for Vladimir Putin's authoritarian regime. For this, they were charged with "organized hooliganism" and were tried while confined in a cage and guarded by Rottweilers. That trial and Alyokhina's subsequent imprisonment became an international cause. For Alyokhina, her two-year sentence launched a bitter struggle against the Russian prison system and an iron-willed refusal to be deprived of her humanity. Teeming with protests and police, witnesses and cellmates, informers and interrogators, *Riot Days* gives voice to Alyokhina's insistence on the right to say no, whether to a prison guard or to the president. Ultimately, this insistence delivers unprecedented victories for prisoners' rights. Evocative, wry, laser-sharp, and laconically funny, Alyokhina's account is studded with song lyrics, legal transcripts, and excerpts from her jail diary—dispatches from a young woman who has faced tyranny and returned with the proof that against all odds even one person can force its retreat.

Who wears the pants in your relationship? If it's your boyfriend or husband, there's no need to blink twice—help has arrived. Ladies, if you want a happy and lasting relationship your man shouldn't even think about wearing the pants, and neither should you. Am I proposing no one hold the power? Absolutely, not! Every couple needs a leader. However, if you're tired of being in rocky relationships with men who don't meet your needs and always have the upper hand, you need to learn how to wear the pussy! Wearing the pussy in your relationship doesn't just mean using what you've got (and what men desperately want) to get your way. It means getting men to value and respect your opinions, needs, desires, and emotions—without acting like the 'man' or emasculating your partner. *Wear the Pussy in your Relationship* will teach you how to tap into and use your unique feminine powers, above and below the waist, to grab the wheel and steer your relationship on a stable road to happiness. Men may still rule the world, but women are the axis they revolve around. Learn how to keep them in check today!

Mama Gena's School of Womanly Arts - Regena Thomashauer
2002-05-01

Mama Gena's School of Womanly Arts shows women how celebrating their sensuality can help them achieve their dreams—"think of it as The Power of Positive Thinking as interpreted by Anais Nin" (The New York Times). Relationship expert Regena Thomashauer teaches the lost "womanly arts" of identifying your desires, having fun no matter where you are, knowing sensual pleasure, befriending your inner bitch, flirting (in a way that makes your day, not just his), and more—because making pleasure your priority can actually help you reach your goals. So if you need a refresher course in fun—and you know you do—come to Mama.

Never Chase Men Again - Bruce Bryans 2015-06-06

Discover How to Get the Guy You Want and Avoid Dead-End Relationships If a man doesn't take you seriously he may feel compelled to have a good time with you. Unfortunately, this good time will last until you finally realize you're being taken for a ride or until Mr. Time-Waster moves on to the woman he REALLY wants. In cases like this, what a woman really requires are two things: a healthy amount of self-respect and a set of "player-proof" dating rules that will allow her to make wise dating decisions as she navigates the treacherous territory of finding Mr. Right. How to Keep a Man Interested Without Playing Games or Becoming His Doormat Many dating advice books for women tout the idea that a high level of confidence is key when dealing with men. However, while this is partially true, being confident, at least in regards to making a man pursue you, is pointless without understanding how to apply that confidence in various dating situations when dealing with men. A woman's confidence is communicated to a man by what she stands for and what she doesn't. Being able to confidently socialize with men, having confident body language, and illustrating confidence in your femininity will only go so far if you still allow men to have their way with your emotions, time, affections, body, and anything else for that matter. Self-confidence makes a woman more attractive, but unless it effects how she enforces her personal boundaries it won't do anything to keep a man interested in her for the long-term. How to Date a Man to Keep Him Calling and Falling For You Women with strong personal boundaries are principle-centered, not men-centered or romance-centered. To them, their personal values, such as giving and receiving unconditional love, are more important to them than needing to be with any one particular guy. When a woman has strong personal boundaries she doesn't make excuses because of a man's handsomeness, status, wealth, race, background, promises, sexual chemistry, etc. She sticks to her guns and refuses to settle for dating situations that might cause her distress or jeopardize her future happiness. This book was designed to show women how men appraise female behavior in order to determine a woman's level of self-respect and therefore, her value as a romantic partner. In it, you'll discover the timeless seduction secrets and dating rules for women that will help you avoid those dating mistakes that make could make a woman appear desperate, needy, commonplace, or even "unqualified" for a serious commitment to a great guy. Here's what you're going to learn inside: The most powerful form of male seduction that can KEEP a woman helplessly "addicted" to chasing a man. How to keep a man interested by doing the one thing MOST women are terrified of doing when they find a great guy. An irritating habit that causes high-quality men to stop pursuing a woman almost INSTANTLY. How to "rebuff" undesirable male behavior and get the guy you want to either take you seriously or take a HIKE! A simple "Ego-Popping" phrase that burns into a man's memory, keeps you STUCK on his mind, and makes him DESPERATE to see you again. How to seduce a man and MELT his heart by overwhelming him with the ONE THING only the RIGHT woman

can give him. A dangerous and common dating mistake that FORCES a man to disappear or "log out" of a relationship...for GOOD. Foolproof dating rules for women (the "Nice Girls") who feel that men CONSTANTLY take advantage of their love and kindness. And much, much more... Would You Like to Know More? Get started right away and discover how to get the guy and keep him interested in you without playing games. Scroll to the top of the page and select the "buy button" now.

Water I Won't Touch - Kayleb Rae Candrilli 2021-04-20

Both radically tender and desperate for change, *Water I Won't Touch* is a life raft and a self-portrait, concerned with the vitality of trans people living in a dangerous and inhospitable landscape. Through the brambles of the Pennsylvania forest to a stretch of the Jersey Shore, in quiet moments and violent memories, Kayleb Rae Candrilli touches the broken earth and examines the whole in its parts. Written during the body's healing from a double mastectomy—in the wake of addiction and family dysfunction—these ambitious poems put new form to what's been lost and gained. Candrilli ultimately imagines a joyful, queer future: a garden to harvest, lasting love, the insistent flamboyance of citrus.

Women Who Run with the Wolves - Clarissa Pinkola Estés PhD 1995-08-22

NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

Memes to Movements - An Xiao Mina 2019-01-08

A global exploration of internet memes as agents of pop culture, politics, protest, and propaganda on- and offline, and how they will save or destroy us all. Memes are the street art of the social web. Using social media-driven movements as her guide, technologist and digital media scholar An Xiao Mina unpacks the mechanics of memes and how they operate to reinforce, amplify, and shape today's politics. She finds that the "silly" stuff of meme culture—the photo remixes, the selfies, the YouTube songs, and the pun-tastic hashtags—are fundamentally intertwined with how we find and affirm one another, direct attention to human rights and social justice issues, build narratives, and make culture. Mina finds parallels, for example, between a photo of Black Lives Matter protestors in Ferguson, Missouri, raising their hands in a gesture of resistance and one from eight thousand miles away, in Hong Kong, of Umbrella Movement activists raising yellow umbrellas as they fight for voting rights. She shows how a viral video of then presidential nominee Donald Trump laid the groundwork for pink pussyhats, a meme come to life as the widely recognized symbol for the international Women's March. Crucially, Mina reveals how, in parts of the world where public dissent is downright dangerous, memes can belie contentious political opinions that would incur drastic consequences if expressed outright. Activists in China evade censorship by critiquing their government with grass mud horse pictures online. Meanwhile, governments and hate groups are also beginning to utilize memes to spread propaganda, xenophobia, and misinformation. Botnets and state-sponsored agents spread them to confuse and distract internet communities. On the long, winding road from innocuous cat photos, internet memes have become a central practice for political contention and civic engagement. *Memes to Movements* unveils the transformative power of memes, for better and for worse. At a time when our movements are growing more complex and open-ended—when governments are learning to wield the internet as effectively as protestors—Mina brings a fresh and sharply innovative take to the media discourse.

Nine Nasty Words - John McWhorter 2021-05-04

A New York Times bestseller One of the preeminent linguists of our time examines the realms of language that are considered shocking and taboo in order to understand what imbues curse words with such power—and why we love them so much. Profanity has always been a deliciously vibrant part of our lexicon, an integral part of being human. In fact, our ability to curse comes from a different part of the brain than other parts of speech—the urgency with which we say "f&*k!" is instead related to the instinct that tells us to flee from danger. Language evolves with time, and so does what we consider profane or unspeakable. *Nine Nasty Words* is a rollicking examination of profanity, explored from every angle: historical, sociological, political, linguistic. In a particularly coarse moment, when the public discourse is shaped in part by once-shocking words, nothing could be timelier.

Summary of Kara King's The Power of the Pussy - How to Get What You Want From Men - Everest Media, 2022-05-21T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 You must learn to control your emotions if you want to win the game of seduction. It is not necessary to become a cold-hearted bitch, but it is necessary to become aware of your emotions and their ability to control your actions. #2 You must be aware of the fact that there are a lot of bad guys out there, and they're everywhere. They know how to use a woman's emotions against her by telling her in the most sincere ways what she wants to hear. #3 Emotional creatures like us, ask ourselves why our exes are doing this to us. We make dozens of excuses as to why their behavior is forgivable. Then we plan how we'll get them back. But this is a mistake, as it allows our emotions to influence our actions and decisions. #4 We only do irrational things in order to feel better in the short term. We give in to our emotions in order to feel better in the short term, but we end up hurting even more over the long term.

Vagina Obscura: An Anatomical Voyage - Rachel E. Gross 2022-03-29

A myth-busting voyage into the female body. A camera obscura reflects the world back but dimmer and inverted. Similarly, science has long viewed woman through a warped lens, one focused narrowly on her capacity for reproduction. As a result, there exists a vast knowledge gap when it comes to what we know about half of the bodies on the planet. That is finally changing. Today, a new generation of researchers is turning its gaze to the organs traditionally bound up in baby-making—the uterus, ovaries, and vagina—and illuminating them as part of a dynamic, resilient, and ever-changing whole. Welcome to *Vagina Obscura*, an odyssey into a woman's body from a fresh perspective, ushering in a whole new cast of characters. In Boston, a pair of biologists are growing artificial ovaries to counter the cascading health effects of menopause. In Melbourne, a urologist remaps the clitoris to fill in crucial gaps in female sexual anatomy. Given unparalleled access to labs and the latest research, journalist Rachel E. Gross takes readers on a scientific journey to the center of a wondrous world where the uterus regrows itself, ovaries pump out fresh eggs, and the clitoris pulses beneath the surface like a shimmering pyramid of nerves. This paradigm shift is made possible by the growing understanding that sex and gender are not

binary; we all share the same universal body plan and origin in the womb. That's why insights into the vaginal microbiome, ovarian stem cells, and the biology of menstruation don't mean only a better understanding of female bodies, but a better understanding of male, non-binary, transgender, and intersex bodies—in other words, all bodies. By turns funny, lyrical, incisive, and shocking, *Vagina Obscura* is a powerful testament to how the landscape of human knowledge can be rewritten to better serve everyone.

Words Will Break Cement - Masha Gessen 2014-01-08

From National Book Award winner Masha Gessen, the heroic story of Pussy Riot, who resurrected the power of truth in a society built on lies. On February 21, 2012, five young women entered the Cathedral of Christ the Savior in Moscow. In neon-colored dresses, tights, and balaclavas, they performed a "punk prayer" beseeching the "Mother of God" to "get rid of Putin." They were quickly shut down by security, and in the weeks and months that followed, three of the women were arrested and tried, and two were sentenced to a remote prison colony. But the incident captured international headlines, and footage of it went viral. People across the globe recognized not only a fierce act of political confrontation but also an inspired work of art that, in a time and place saturated with lies, found a new way to speak the truth. Masha Gessen's riveting account tells how such a phenomenon came about. Drawing on her exclusive, extensive access to the members of Pussy Riot and their families and associates, she reconstructs the fascinating personal journeys that transformed a group of young women into artists with a shared vision, gave them the courage and imagination to express it unforgettably, and endowed them with the strength to endure the devastating loneliness and isolation that have been the price of their triumph.

How to Grab Women by the Pussy - Ronald Crump 2017-09-14

Highly relevant! Perhaps one of the most relevant pieces of writing out there today. An instant landmark classic of indecency that means more than it says. This book is not for the faint of heart and great caution and maturity should be observed if you must venture into it. Sophisticated readers, however, will find the terrible ideas of our hero, "Mr. Crump," devilishly entertaining. Seriously though, this book is a crude social commentary on the character of our most newly elected president. The book consists of maniacal visions and advice on how to sexually assault women. Its purpose is to call into question the nature of abusive rhetoric and our willingness to be complacent in the face of it. Furthermore, it demands accountability not only from our so called "president," but from those of us who elected him as well. The book is written in a racist and misogynistic tone, and there is plenty of vulgarity to go around. It is mostly founded on the premise of the superiority of white men. The narrative takes full advantage of the attitude against political correctness and openly addresses issues that are often hard to discuss. There are themes of race, gender, xenophobia, white supremacy and idiocy that will keep any student of philosophy entertained. The book is insulting to the reader, but it is all part of the act. Mr. Crump treats the subject of sexual harassment as a sport and outlines tactics and criteria for playing such a sport. He references the sexual revolution of the '60s, deranged ideas about penis envy, and male sexual entitlement. He advises against falling in love and warns men about the strength of the weaker sex. He is an avid advocate of sexual dominance, and to that effect he proposes the ideas of money, power, race, good looks, and the right mental attitude as fundamental to achieving that goal. Crump goes on to clearly detail "how to grab women by the pussy." He talks about how to get started: where to train, what to expect, how to choose your victims. He establishes levels of difficulty in the game, and how to overcome those challenges. Heavily influenced by pop culture, Crump references several movies and news stories of the scandalous sort: Schwarzenegger's love child, Bill Cosby's allegations of sexual abuse, etc. Finally, Crump admits that in his game, as fun as it may be, there will always be a price to pay. He admonishes the reader of the consequences of engaging in such foul behavior, and concludes by predicting the rise of Trump. In spite of its silliness and shameful content, this book should not fail to challenge our notions about truth and decency. When filth, deceit and arrogance become a source of entertainment and leverage rather than condemnation, then it's time to start asking some serious questions about ourselves. There are things, awful, terrible things, festering under the surface of seemingly innocent boys' locker room talk. And these are things that we really must have a conversation about. The subject matter of this book is not to be taken seriously. However, what should be taken seriously is the fact that it exists, and that its source of inspiration is none other than the president of the United States. All in all, if there is

one thing that the success of this book will do is prove one of the most valued tenets of the United States; a principle that Trump's own election has come to endorse. And that is that anything is still possible in this great country of ours.

Why Men Love Bitches - Sherry Argov 2002-10-01

Do you feel like you are too nice? Sherry Argov's *Why Men Love Bitches* delivers a unique perspective as to why men are attracted to a strong woman who stands up for herself. With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask: · Why are men so romantic in the beginning and why do they change? · Why do men take nice girls for granted? · Why does a man respect a woman when she stands up for herself? Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," *Why Men Love Bitches* gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only increase the romantic chemistry—you'll gain your man's love and respect with far less effort.

Co-parenting with a Toxic Ex - Amy J. L. Baker 2014-05-01

Protect your child from alienation and loyalty conflicts. During and after a difficult divorce, it's easy for your relationship with your kids to become strained—especially if you are dealing with a toxic ex who bad-mouths you in front of your children, accuses you of being a bad parent, and even attempts to "replace" you with a new partner in your children's lives. Your children may become confused, conflicted, angry, anxious, or depressed—and you may feel powerless. But there is help. Make Him Desperate - Amelia Farris 2015-08-25

Make Him Desperate Quick, Easy Ways to Make Him Chase You and Beg to be Your Boyfriend We have all experienced the pain of meeting someone that we are romantically interested in, only for them to not reciprocate those feelings. But what if we could do things slightly differently in future and, as a result, get these same men to be the ones who are chasing us? Well that thought is precisely what we are going to explore over the course of this book. There's no need to feel like you need to be perfect in every way to attract any man you want. As long as you have the basics down, if there are a couple of things here and there that you don't get right then it shouldn't matter too much at all. The changes that we are going to talk about in this book, don't mean that you need to change who you are, what you like, or what you're interested in. You won't be pretending to be someone you're not. By following these simple changes in the way we act around men and talk to men, you will get them to not only be romantically interested in you far more often, you will also get them to actively crave your attention and chase you. This may sound a bit too good to be true, but it's incredible what the practical application of basic psychology can do and how much it can affect your interactions with the opposite sex. In fact, the things I am going to cover in this book are so simple, that you will be able to apply most of them on day one. So even if you already have a man who you're interested in and he's not giving you enough attention, you can begin to repair the damage and alter the way you are acting as soon as you finish this book.

Ho Tactics (Uncut Edition) - G L Lambert 2014-08-06

This is the book that no man wants you to read... Countless women play by the bias male rules of dating and relationships, one that keeps them in a constant state of stress and worry. Victims of romance instead of masters of love, today's women settle for cheap dates and cheaper talk. Why are you splitting the bill with a man that should be spoiling you? Why are you preparing home cooked meals for a man that can't provide you a home? Why are you having sex with a man that promises the world, but refuses to give you his heart? Why are you playing by outdated rules in hopes that one day your kindness will be rewarded? I have discovered a group of women who refuse to be exploited, are immune to manipulation, and who never settle in the name of love. These ladies know what they want and take what they want by beating men at their own game. Utilizing the secrets exposed in this book, these women gain power, money, and status. Men call them Gold Diggers, women call them Hos, but they call themselves Winners. This is the book that society

doesn't want you to read... Ho Tactics: How To MindF**k A Man into Spending, Spoiling, and Sponsoring lays out the practical steps to evolve from a woman that goes Dutch to a woman that gets pampered. Ho Tactics provides the Sex-Free blueprint on how to turn any man into your personal ATM. Stop spending nights with men that can't offer you anything but conversation, stop being understanding of men who are underachieving, stop settling and submitting, and learn how to seduce and destroy! You tried to play by their rules, now it's time to play by Ho rules.

The Pussy Trap - Nene Capri 2022-04-30

hey say if you leave an enemy breathing they rise up and take revenge. Kayson, a big time dealer in New York, got his come-up early in the game by killing anybody he had to on his way to the top. Anxiously waiting for fifteen years to get revenge, an opportunity finally presents itself when his right-hand man Aldeen introduces him to KoKo. KoKo is a boss in her own right and down for whatever, so when the offer is placed on the table to work with the top man, she accepts. Kayson carefully trained KoKo to be his best angel of death. With a score needing to be settled, it will be KoKo who will not only seduce and trap Kayson's enemy, but she will also end up stumbling upon an enemy of her own. Will the trap Kayson sets for his enemy quench his thirst for revenge or will the power of the pussy prove to be his own downfall? The Pussy Trap is a dramatic web full of sex, greed, power and payback.

Pussy - Regena Thomashauer 2018-04-03

"Required reading for every woman who longs to step into her power and live with pleasure and purpose." — Kris Carr, New York Times best-selling author Author, educator, and School of Womanly Arts founder Regena Thomashauer has been working with women for the past 25 years, and what began as just a few women in her living room has since grown into a global movement with thousands of graduates worldwide. In her New York Times bestseller *Pussy: A Reclamation*, she reveals what no one taught you about the source of your feminine power and how to use it. This power is the part of a woman that she has been taught to ignore, push down, and despise. Indeed, the word that most viscerally sums it up is "arguably the most powerful pejorative word in the English language." Like any expletive used effectively, the title of this book is meant to be a wake-up call. It is a reclamation, in a world that desperately requires the feminine. Readers learn the secret ingredient every woman is missing; how to crack the confidence code; why sex appeal is an inside job; what's ahead on the next frontier of feminism—and how they can help make it happen; and much more. By

turns earthy and erudite, passionately argued and laugh-out-loud funny, *Pussy* delivers the tools and practices a woman requires to do and be whatever she wants in this life. It's a call for her to tune in, turn on, and not drop out—but live more richly, fully, and lusciously than she ever thought she could.

The Mystery Method - Mystery 2007-02-06

"One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as:

- *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention.
- *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower.
- *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want.
- *Smile. Guys who don't get laid, don't smile.

Bad Romeo - Leisa Rayven 2014-12-23

While performing the greatest love story of all time, they discovered one of their own... Cassie Taylor was just another acting student with big dreams at her prestigious performing arts college...then she met Ethan Holt. She was the good girl actress. He was the bad boy on campus. But one fated casting choice for *Romeo and Juliet* changed it all. Like the characters they were playing on stage, Cassie and Ethan's epic romance seemed destined. Until it ended in tragedy when he shattered her heart. Now they've made it to Broadway where they're reunited as romantic leads once again—and their passionate scenes force them to confront the heartbreaking lows and pulse-pounding highs of their intense college affair. For Ethan, losing Cassie was his biggest regret—and he's determined to redeem himself. But for Cassie, even though Ethan was her first and only great love, he hurt her too much to ever be trusted again. The trouble is, working with him again reminds her that people who rub each other the wrong way often make the best sparks. And when it comes to love, sometimes it's the things that aren't good for us that are the most irresistible. Don't miss Leisa Rayven's *Bad Romeo*, the intoxicating romance beloved by over two million fans online—a story that'll captivate you and hold you breathless until the final page.

Texts So Good He Can't Ignore - Bruce Bryans 2018-05-02

What to Text Him Back to Keep Him Hooked and Make Him BEG to See You Again Did you know that men secretly use texting as a way to "pre-screen" a woman's romantic value? A woman's texting habits can reveal a lot about her self-worth, confidence, intelligence, and even her level of class and emotional maturity. Because guys covertly appraise a woman's relationship potential this way, many women often have no idea that the way they communicate via text is actually sending the wrong message and thus, they unknowingly end up chasing men away. Discover the Secrets of Texting Men to Effortlessly Stand Out from EVERY Other Woman Men have their own unique way of interpreting a woman's communication attempts. Therefore, although many women mean well, they often do things when texting men that sometimes makes them appear too easy, too needy, too bossy, or too boring...even if these things aren't necessarily true about them. Texting is the one medium of communication in which a great guy can easily get the wrong idea about you. And as these wrong ideas pile up inside his mind, they usually coalesce into a single romance-killing thought: That he can do better than you. So, what's a girl supposed to do then? Simple really. All she needs to do is understand exactly how men appraise female texting habits and how to use this knowledge to differentiate herself as being a high-value woman. Doing so will make it easy for her to stand out from EVERY other woman who texts him. How to Use Texting to Tease, Flirt, and Entice Your Way into Becoming His TOP Priority If you want to arouse the kind of long-term desire in a man that makes him eager to pursue you for dates, romance, commitment, and more, you must take advantage of texting and use it to make subtle and seductive displays of your high-status, and thus, your high-value. Fortunately, this is exactly what you're going to learn in, Texts So Good He Can't Ignore! In this fun and insightful dating book, you'll learn the texting habits of high-value women and gain access to a vast collection of irresistible, man-melting text messages that make men EAGER to text you back and

desperate to see you again. And because this in-depth guide focuses on how men think (unlike most dating books for women), it will give you a distinct advantage over your peers when it comes to texting men. Here's what you're going to learn inside: Exactly what to text a guy when he's stringing you along and only doing the BARE MINIMUM to keep you interested. How to use mischievous "Feisty Girl" texts to get a man to finally ask you out (or ask you out AGAIN), while making it seem like it was all HIS idea. What to do (and what NOT to do) if a guy suddenly stops texting you or starts responding to your texts less and less. How to get him to CALL YOU instead of texting all the time. What to text a man to "let him down easy" but KEEP him interested whenever he sends an inappropriate or overly sexual text. Exactly what to text a guy who keeps "coming BACK from the DEAD" and suddenly starts taking an interest in you again. (Hint: These cheeky little texts can end his mind games for GOOD!) A simple method for starting conversations that IMMEDIATELY grabs his attention and makes him EAGER to text you back. What to text a guy you know and like to initiate his "Chase Mode" and make him see you as MORE than "just-a-friend." Game-changing answers to every woman's MOST PUZZLING questions about men's texting habits. And much, much more... Would You Like to Know More? Get started right away and discover how to text a man to finally get him OFF of his smartphone and ON more dates with you. Scroll to the top of the page and select the "buy button" now.

The Pussy Trap 5: Family Ain't Family. Blood Ain't Blood. - NeNe Capri 2021-02-15

The question is asked, can love exist when everything that was supposed to be pure turns into shit? Forbidden territory is breached when the sexy allure of money and power slips into the hearts of so-called loyal men forcing the birth of murder stained hands and evil intentions. The bond that was built with laws set firm in place, that no man was supposed to cross, is infiltrated when treason begins to rest in every seat at the table and each man quickly finds out that, "Family ain't family, and Blood ain't blood." The Pussy Trap 5 is the end of a journey which will confirm the truth of the statement, "Pussy is the only thing that gives life, and takes it." ~NeNe Capri

Rage Becomes Her - Soraya Chemaly 2018-09-11

A BEST BOOK OF 2018 SELECTION NPR * The Washington Post * Book Riot * Autostraddle * Psychology Today ***A BEST FEMINIST BOOK SELECTION*** Refinery 29, Book Riot, Autostraddle, BITCH Rage Becomes Her is an "utterly eye opening" (Bustle) book that gives voice to the causes, expressions, and possibilities of female rage. As women, we've been urged for so long to bottle up our anger, letting it corrode our bodies and minds in ways we don't even realize. Yet there are so many legitimate reasons for us to feel angry, ranging from blatant, horrifying acts of misogyny to the subtle drip, drip drip of daily sexism that reinforces the absurdly damaging gender norms of our society. In Rage Becomes Her, Soraya Chemaly argues that our anger is not only justified, it is also an active part of the solution. We are so often encouraged to resist our rage or punished for justifiably expressing it, yet how many remarkable achievements would never have gotten off the ground without the kernel of anger that fueled them? Approached with conscious intention, anger is a vital instrument, a radar for injustice and a catalyst for change. On the flip side, the societal and cultural belittlement of our anger is a cunning way of limiting and controlling our power—one we can no longer abide. "A work of great spirit and verve" (Time), Rage Becomes Her is a validating, energizing read that will change the way you interact with the world around you.
