The Book of Iowa Films - Marty Knepper 2014-08-04

This is the first comprehensive history of films made in or about Iowa. It reflects some twenty years of collecting, lecturing, and talking with some of Iowa's current generation of independent filmmakers. It covers the span from 1918 to 2013 and gives important background information on dozens of high profile films such as the STATE FAIR films of 1933 and 1945, THE BRIDGES OF MADISON COUNTY, FIELD OF DREAMS, and many others. It is designed as a companion for the State Historical Society's blockbuster "Hollywood in the Heartland" exhibition in Des Moines that is scheduled to run at least through 2016. The book has an interpretive essay

covering the entire history as well as paragraph length descriptions of each film. A user-friendly feature is the Index of Films, which makes it easy to locate discussions of individual films. Marty Knepper is a featured commentator on video screens in the "Hollywood in the Heartland" exhibition.

Known to Evil - Walter Mosley 2010-03-18
Mosley and his new hero return, in a series that's already being hailed as a classic of contemporary noir. A mystery caller sends Leonid McGill to an uptown address 'just to check a girl's OK'. There's no explanation -- just a name, Angelique -- a reward, and the chilling knowledge that he's working for Rinaldo Alphonse, the most feared man in New York. What LT finds is a crime scene. A girl lies with her face blown off, her assassin felled by a knife. But the dead girl isn't the one LT was sent to find, and her killer's injuries don't make sense. The next day Alphonse comes calling: LT must find Angelique before the assassin's assassin tracks her down. Alphonse isn't the only one who wants a bit of LT's time -- the NYPD, finding his appearance too convenient, think they can finally put away the thorn in their side. But why do so many people want a piece of the apparently normal, clean-living Angelique? And why is the mafia coming after McGill, linking his sons -- shy Dmitri and streetwise Twill -- to the escape of a sex-trafficked Belarussian girl? As both plots career towards a thrilling finale, McGill must put his street know-how and book of lethal contacts to the test, while haunted by the reappearance of a face from his crooked past and his wife Katrina's continued infidelities.

The premier source for journalists, now revised and updated for 2015. Does the White House tweet? Or does the White House post on Twitter? Can "text" be a verb and also a noun? When should you link? For anyone who writes--short stories or business plans, book reports or news articles--knotty choices of spelling,

grammar, punctuation and meaning lurk in every line: Lay or lie? Who or whom? That or which? Is Band-Aid still a trademark? It's enough to send you in search of a Martini. (Or is that a martini?) Now everyone can find answers to these and thousands of other questions in the handy alphabetical guide used by the writers and editors of the world's most authoritative news organization. The guidelines to hyphenation, punctuation, capitalization and spelling are crisp and compact, created for instant reference in the rush of daily deadlines. The 2015 edition is a revised and condensed version of the classic guide, updated with solutions to problems that plague writers in the Internet age: · How to cite links and blogs · How to handle tweets, hashtags and other social-media content · How to use current terms like "transgender," or to choose thoughtfully between "same-sex marriage" and "gay marriage" With wry wit, the authors have created an essential and entertaining reference tool.

Our Enemies in Blue - Kristian Williams
2015-08-03

Let's begin with the basics: violence is an inherent part of policing. The police represent the most direct means by which the state imposes its will on the citizenry. They are armed, trained, and authorized to use force. Like the possibility of arrest, the threat of violence is implicit in every police encounter. Violence, as well as the law, is what they represent. Using media reports alone, the Cato Institute's last annual study listed nearly seven thousand victims of police "misconduct" in the United States. But such stories of police brutality only scratch the surface of a national epidemic. Every year, tens of thousands are framed, blackmailed, beaten, sexually assaulted, or killed by cops. Hundreds of millions of dollars are spent on civil judgments and settlements annually. Individual lives, families, and communities are destroyed. In this extensively revised and updated edition of his seminal study of policing in the United States, Kristian Williams shows that police brutality isn't an anomaly, but is built

into the very meaning of law enforcement in the United States. From antebellum slave patrols to today's unarmed youth being gunned down in the streets, "peace keepers" have always used force to shape behavior, repress dissent, and defend the powerful. *Our Enemies in Blue* is a well-researched page-turner that both makes historical sense of this legalized social pathology and maps out possible alternatives.

Alfred Hitchcock - Paula Marantz Cohen 2021-10-05

This provocative study traces Alfred Hitchcock's long directorial career from Victorianism to postmodernism. Paula Marantz Cohen considers a sampling of Hitchcock's best films—*Shadow of a Doubt*, *Rear Window*, *Vertigo*, *Psycho*—as well as some of his more uneven ones—*Rope*, *The Wrong Man*, *Topaz*—and makes connections between his evolution as a filmmaker and trends in the larger society. Drawing on a number of methodologies including feminism, psychoanalysis, and family systems, the author provides an insightful look at the paradox of a Victorian-style gentleman who evolved into one of the leading masters of the modern medium of film. Cohen posits that Hitchcock's films are, in part, a masculine response to the domestic, psychological novels that had appealed primarily to women during the Victorian era. His career, she argues, can be seen as an attempt to balance "the two faces of Victorianism": the masculine legacy of law and hierarchy and the feminine

legacy of feeling and imagination. Cohen asserts that Hitchcock's films reflect his Victorian legacy and serve as a map for ideological trends. She charts his development from his British period through his classic Hollywood years into his later phase, tracing a conceptual evolution that corresponds to an evolution in cultural identity—one that builds on a Victorian inheritance and ultimately discards it.

The Moral Uncanny in Black Mirror - Margaret Gibson 2020-11-05

This erudite volume examines the moral universe of the hit Netflix show *Black Mirror*. It brings together scholars in media studies, cultural studies, anthropology, literature, philosophy, psychology, theatre and game studies to analyse the significance and reverberations of Charlie Brooker's dystopian universe with our present-day technologically mediated life world. Brooker's ground-breaking *Black Mirror* anthology generates often disturbing and sometimes amusing future imaginaries of the dark side of ubiquitous screen life, as it unleashes the power of the uncanny. This book takes the psychoanalytic idea of the uncanny into a moral framework befitting *Black Mirror*'s dystopian visions. The volume suggests that the *Black Mirror* anthology doesn't just make the viewer feel, on the surface, a strange recognition of closeness to some of its dystopian scenarios, but also makes us realise how very fragile, wavering, fractured, and uncertain is the human moral compass.

Tarantula - Thierry Jonquet 2011-12-31
Richard Lafargue is an eminent plastic surgeon haunted by dirty secrets. He has an operating theatre in the basement of his chateau and keeps his partner Eve imprisoned in her bedroom, a room he has equipped with an intercom and 300-watt speakers through which he bellows orders. Eve is only allowed out to be paraded at cocktail parties and on the last Sunday of

each month, when the couple visit a young woman in a mental asylum. Following these outings, Lafargue humiliates Eve by forcing her to perform lewd sexual acts with strangers while he watches through a one-way mirror. In alternating chapters, Jonquet introduces seemingly unrelated characters - a criminal on the run after murdering a policeman, and an abducted young man who finds himself chained naked in a dark chamber, forced to endure all manner of physical torture at the hands of a mysterious stranger, whom he calls Mygale, after a type of tropical spider. All of these characters are caught in a deceitful web, waiting to meet their fate.

The Gunman (Movie Tie-In Edition) -
Jean-Patrick Manchette 2015-02-16

The film also stars Javier Bardem, Idris Elba and Ray Winstone, and is directed by Pierre Morel (Taken). About *The Gunman*: Terrier is a hired killer who wants out of the game, so he can settle down and marry his childhood sweetheart. But the Organization won't let him go: they have other plans for him. In a violent tale that shatters as many illusions as bodies, Jean-Patrick Manchette subjects his characters and the reader alike to a fierce exercise in style. This tightly plotted, corrosive parody of "the success story" is widely considered to be Manchette's masterpiece, and was named a New York Times "Notable Book" in 2002. *The Gunman* is a classic of modern noir. Also available in its original edition titled *The Prone Gunman*, along with Manchette's *Three to Kill*, published by City Lights in 2002. "There's not a superfluous word or overdone effect . . . one of the last cool, compact and shockingly original crime novels Manchette left as his legacy to modern noir fiction." — New York Times "This is lean, mean noir fiction that cleverly sends up the tough guy genre while incarnating it perfectly." — Detroit Free Press "Manchette is a master of both economy and irony. Brutal and bracing: Terrier's tale fascinates even as it chills." —

Kirkus Reviews "For Manchette and the generation of writers who followed him, the crime novel is no mere entertainment, but a means to strip bare the failures of society, ripping through veils of appearance, deceit, and manipulation to the greed and violence that are the society's true engines." — Boston Globe "Jean-Patrick Manchette's terse prose moves like the swift, almost automatic methods and mannerisms of his protagonist." — Wall Street Journal
A Panorama of American Film Noir (1941-1953) - Raymond Borde 2002

No Room at the Morgue - Jean-Patrick Manchette 2020-08-11

Inspired by the works of Dashiell Hammett, *No Room at the Morgue* is Jean-Patrick Manchette's unparalleled take on the private eye novel — fierce, politically inflected, and finely rendered by the haunting, pitch-black prose for which the author is famed. *No Room at the Morgue* came out after Jean-Patrick Manchette had transformed French crime fiction with such brilliantly plotted, politically charged, unrelentingly violent tales as *Nada* and *The Mad and the Bad*. Here, inspired by his love of Dashiell Hammett, Manchette introduces Eugene Tarpon, private eye, a sometime cop who has set up shop after being kicked off the force for accidentally killing a political demonstrator. Months have passed, and Tarpon desultorily tries to keep in shape while drinking all the time. No one has shown up at the door of his office in the midst of the market district of Les Halles. Then the bell rings and a beautiful woman bursts in, her hands dripping blood. It's Memphis Charles, her roommate's throat has been cut, and Memphis can't go to the police because they'll only suspect her. Can Tarpon help? Well, somehow he can't help trying. Soon bodies mount, and the craziness only grows.

Dark Times in the City - Gene Kerrigan
2013-10-01

The author of *The Rage* delivers "an absorbing, beautifully written, gritty tale of

Irish detection and corruption” (The Times, London). Danny Callaghan is having a quiet drink in a Dublin pub when two men with guns walk in. They’re here to take care of a minor problem—petty criminal Walter Bennett. On impulse, Callaghan intervenes to save Walter’s life. Soon, his own survival is in question. With a troubled past and an uncertain future, Danny finds himself drawn into a vicious scheme of revenge. *Dark Times in the City* depicts an edgy city where affluence and cocaine fuel a ruthless gang culture, and a man’s fleeting impulse may cost the lives of those who matter most to him. Gene Kerrigan’s new novel is his finest yet; a CWA Gold Dagger Crime Novel finalist, it’s gripping from start to finish, powerful, original, and impossible to put down. “Following *The Rage*, Kerrigan delivers another spare, cut-to-the-bone noir in which a well-meaning ex-con finds himself trapped in the vice of circumstance. . . . Kerrigan’s grasp of contemporary Dublin and its underworld denizens puts him shoulder to shoulder with the best Irish crime writers.” —Booklist (starred review) “Kerrigan gives us a Dublin we never knew in sharp clear prose and neatly bounded dramatic scenes of Irish cops and robbers that leave us fearing that some of the dust and other detritus they stir up may very well end up splattering on our shoes.” —The Boston Globe “Kerrigan’s gripping police procedural . . . is good news for readers who can appreciate the moral complexities of this flawed hero.” —The New York Times

The White Prisoner - Ognian Georgiev
2014-05-28

This wasn't the first time Galabin Boevski felt oppressed. He had suffered the atrocious legacy of communism and the lack of support that a talented athlete like him should otherwise expect from his motherland. It had been a week since his arrest. He'd spent a night in the jail of Sao Paulo's airport, then transferred to another Brazilian prison for temporary detention. Now he was in Itai, a prison for foreigners, full of people from all over the world. His memories kept rushing in and he kept going

over the unfortunate events over and over. What went wrong? He spent his first night in jail with 1500 prisoners who were serving their sentences there - murderers, rapists, fraudsters and thieves, but the majority of them people like him - accused of drug trafficking. "I'm not a mule," he thought, "I am Galabin Boevski. Legendary weightlifter and Olympic champion, not a criminal!" ...based on a true story... -----

----- Galabin Boevski is a complicated figure and weightlifting is a complex sport, filled with intrigue and drama. On the stage, the bar does not lie. You either lift it or not. Behind the scenes, however, as *The White Prisoner: Galabin Boevski's Secret Story* makes plain, it can be an enormous struggle not just to become Olympic champion but to stay on top. Alan Abrahamson, bestselling author I read the entire volume in two days. I could not put it down. The plot lines leading up to what would hopefully reveal the final athletic and legal outcomes of Boevski were compelling. Mr. Georgiev has done a master job of story telling. One that will provide a much need insight into the psyches, personalities and foibles of star weightlifters and their coaches. Bob Takano, coach and author of *Olympic weightlifting* It's quite a fascinating story, with quite a bit of drama, as well as elements of tragedy. I found it to be a very gripping and compelling read. Daniel Rosen, author of *Dope: A History of Performance Enhancement in Sports from the Nineteenth Century to Today* *The White Prisoner* provides a rare glimpse into the world of Bulgarian weightlifting-chronicling the development of Olympic gold medalist, world champion and world record holder Galabin Boevski, and how things went awry: first in weightlifting and then in Brazil. If you are a weightlifting fan, this is a must-read book, and if you want to be introduced to a gritty world and a universal sport you might never have known existed, you will also want to dive into *The White Prisoner*. Tardi 2011

The Tardi/Manchette team of West Coast Blues reunites for another brutal neo-noir classic.

Streets of Paris, Streets of Murder - Jacques Tardi 2020-06-23

The first of two volumes presenting all of the world-renowned hardboiled crime graphic novels (one of which has never before been collected in English!). In the never-before-collected Griffu, the titular character is a legal advisor, not a private eye, but even he knows that when a sultry blonde appears in his office after hours, he shouldn't trust her — and she doesn't disappoint. Griffu is soon ensnared in a deadly web of sexual betrayal, real estate fraud, and murder. In West Coast Blues, a young sales executive goes to the aid of an accident victim, and finds himself sucked into a spiral of violence involving an exiled war criminal and two hired assassins. This volume also offers a bonus, 21-page unfinished story by Manchette and Tardi, as well as a single page introduction to another incomplete story, both appearing in English for the first time.

Julie and Peter escape. Thompson pursues. Bullets fly. Bodies accumulate. The craziness is just getting started. Like Jean-Patrick Manchette's celebrated *Fatale*, *The Mad and the Bad* is a clear-eyed, cold-blooded, pitch-perfect work of creative destruction.

Martin Terrier is a hired killer who wants out of the game — so he can settle down and marry his childhood sweetheart. After all, that's why he took up this profession! But "the company" won't let him go: they have other plans. Once again, the gunman must assume the prone firing position. A tour de force, this violent tale shatters as many illusions about life and politics as it does bodies. Jean-Patrick Manchette subjects his characters and the reader alike to a fierce exercise in style. This tightly plotted, corrosive parody of "the success story" is widely considered to be Manchette's masterpiece, and was named a New York Times "Notable Book" in 2002. *The Prone Gunman* is a classic of modern noir. The series may prove to be the most needed contribution to contemporary fiction by any publisher in a good long while." —The San Francisco Chronicle Jean-Patrick Manchette was a French crime novelist credited with

reinventing and reinvigorating the genre. He wrote ten short novels in the 1970s and early 80s, and is widely recognized as the foremost French crime fiction author of that time. His stories are violent, existentialist explorations of the human condition and French society. Jazz saxophonist and screenwriter, Manchette was also a left-wing activist influenced as much by the writings of the Situationist International as by Dashiell Hammett. Jean-Patrick Manchette's other work, *3 to Kill* is also published by City Lights Publishers.

Blaze in a Desert - Victor Serge 2017-05-01
Victor Serge (1890-1947) played many parts, as he recounted in his indelible *Memoirs of a Revolutionary*. The son of anti-czarist exiles in Brussels, Serge was a young anarchist in Paris; a syndicalist rebel in Barcelona; a Bolshevik in Petrograd; a Comintern agent in Central Europe; a comrade of Trotsky's; a friend of writers like Andrei Bely, Boris Pilnyak, and André Breton; a prisoner of Stalin; a dissident Marxist in exile in Mexico... Like Serge's extraordinary novels, *A Blaze in a Desert: Selected Poems* bears witness to decades of revolutionary upheavals in Europe and the advent of totalitarian rule; many of the poems were written during the "immense shipwreck" of Stalin's ascendancy. In poems datelined Petrograd, Orenburg, Paris, Marseille, the Caribbean, and Mexico, Serge composed elegies for the fallen—as well as prospective elegies for the living who, like him, endured prison, exile, and bitter disappointment in the revolutions of the first half of the twentieth century: Night falls, the boat pulls in, stop singing. Exile relights its captive lamps on the shore of time. Throughout *A Blaze in a Desert*, Serge draws on the heritage of late- and post-Symbolist writers like Verhaeren, Rictus, Apollinaire, Blok, and Bely—themselves authors of messages of a more general resistance by the human spirit—to express the anguish of the failure of the Russian Revolution and to search out glimmers of hope in the ruins of the Second World War. *A Blaze in a Desert* comprises Victor Serge's sole published book of

poetry, *Resistance* (1938), his unpublished manuscript *Messages* (1946), and his last poem, "Hands" (1947).

Nada - Jean-Patrick Manchette 2019-08-27
This tour de force political thriller, told in Manchette's signature noir style, follows a group of far left extremists in the throes of post-1968 disillusionment. The thrill of 1968 is long over, and the heavy fog of the 1970s has settled in. In Paris, however, the Nada gang—or groupuscule—still retains a militant attachment to its revolutionary dreams. Bringing together an anarchist orphaned by the Spanish Civil War, a Communist veteran of the French resistance, a frustrated high-school teacher of philosophy, a timid office worker, a terminal alcoholic, and one uncompromising young woman with a house in the country, Nada sets out to kidnap the American ambassador and issue a call to arms. What could possibly go wrong?

Miami Blues - Charles Willeford
2009-08-19

After a brutal day investigating a quadruple homicide, Detective Hoke Moseley settles into his room at the un-illustrious El Dorado Hotel and nurses a glass of brandy. With his guard down, he doesn't think twice when he hears a knock on the door. The next day, he finds himself in the hospital, badly bruised and with his jaw wired shut. He thinks back over ten years of cases wondering who would want to beat him into unconsciousness, steal his gun and badge, and most importantly, make off with his prized dentures. But the pieces never quite add up to revenge, and the few clues he has keep connecting to a dimwitted hooker, and her ex-con boyfriend and the bizarre murder of a Hare Krishna pimp. Chronically depressed, constantly strapped for money, always willing to bend the rules a bit, Hoke Moseley is hardly what you think of as the perfect cop, but he is one of the the greatest detective creations of all time.

The Films of Joseph H. Lewis - Gary D. Rhodes 2012-09-05

Joseph H. Lewis enjoyed a monumental career in many genres, including film noir and B-movies (with the East Side Kids) as well as an extensive and often overlooked TV career. In *The Films of Joseph H. Lewis*, editor Gary D. Rhodes, PhD. gathers notable scholars from around the globe to examine the full range of Lewis's career. While some studies analyze Lewis's work in different areas, others focus on particular films, ranging from poverty row fare to westerns and "television films." Overall, this collection offers fresh perspectives on Lewis as an auteur, a director responsible for individually unique works as well as a sustained and coherent style. Essays in part 1 investigate the texts and contexts that were important to Lewis's film and television career, as contributors explore his innovative visual style and themes in both mediums. Contributors to part 2 present an array of essays on specific films, including Lewis's remarkable and prescient *Invisible Ghost* and other notable films *My Name Is Julia Ross*, *So Dark the Night*, and *The Big Combo*. Part 3 presents an extended case study of Lewis's most famous and-arguably-most important work, *Gun Crazy*. Contributors take three distinct approaches to the film: in the context of its genre as film noir and modernist and postmodernist film; in its relationship to masculinity and masochism; and in terms of ethos and ethics. *The Films of Joseph H. Lewis* offers a thorough assessment of Lewis's career and also provides insight into film and television making in the 1930s, 40s, and 50s. Scholars of film and television studies and fans of Lewis's work will appreciate this comprehensive collection.

Fatale - Jean-Patrick Manchette 2011-12-07
A New York Review Books Original

Whether you call her a coldhearted grifter or the soul of modern capitalism, there's no question that Aimée is a killer and a more than professional one. Now she's set her eyes on a backwater burg—where, while posing as an innocent (albeit drop-dead gorgeous) newcomer to town, she means to sniff out old grudges and engineer new opportunities, deftly playing different people and different interests against each other the better, as always, to make a killing. But then something snaps: the master manipulator falls prey to a pure and wayward passion. Aimée has become the avenging angel of her own nihilism, exacting the destruction of a whole society of destroyers. An unholy original, Jean-Patrick Manchette transformed the modern detective novel into a weapon of gleeful satire and anarchic fun. In *Fatale* he mixes equal measures of farce, mayhem, and madness to prepare a rare literary cocktail that packs a devastating punch.

The Philosophy of Film Noir - Mark T. Conard 2007-08-17

From *The Maltese Falcon* (1941) to *Touch of Evil* (1958), the classic film noir is easily recognizable for its unusual lighting, sinister plots, and feeling of paranoia. For critics and fans alike, these films defined an era. *The Philosophy of Film Noir* explores philosophical themes and ideas inherent in classic noir and neo-noir films, establishing connections to diverse thinkers ranging from Camus to the Frankfurt School. The authors, each focusing on a different aspect of the genre, explore the philosophical underpinnings of classic films such as *The Big Sleep* (1946), *Out of the Past* (1947), and *Pulp Fiction* (1994). They show how existentialism and nihilism dominate the genre as they explore profound themes in a vital area of popular culture.

Hollywood Genres: Formulas, Filmmaking, and The Studio System - Thomas Schatz 1981-02-01

The central thesis of this book is that a genre approach provides the most effective means for understanding, analyzing and appreciating the Hollywood cinema. Taking into account not only the formal and aesthetic aspects of feature filmmaking, but various other cultural aspects as well, the genre approach treats movie production as a dynamic process of exchange between the film industry and its audience. This process, embodied by the Hollywood studio system, has been sustained primarily through genres, those popular narrative formulas like the Western, musical and gangster film, which have dominated the screen arts throughout this century.

Darkness Calls - Sue Short 2019-09-14

This book examines the contrasting forms neo-noir has taken on screen, asking what prompts our continued interest in tales of criminality and moral uncertainty. Neo-noir plots are both familiar and diverse, found in a host of media formats today, and now span the globe. Yet despite its apparent prevalence—and increased academic attention—many core questions remain unanswered. What has propelled noir's appeal, half a century on after its supposed decline? What has led film-makers and

series-creators to rework given tropes? What debates continue to divide critics? And why are we, as viewers, so drawn to stories that often show us at our worst? Referencing a range of films and series, citing critical work in the field—while also challenging many of the assumptions made—this book sets out to advance our understanding of a subject that has fascinated audiences and academics alike. Theories relating to gender identity and neo-noir's tricky generic status are discussed, together with an evaluation of differing comic inflections and socio-political concerns, concluding that, although neo-noir is capable of being both progressive and reactionary, it also mobilises potentially radical questions about who we are and what we might be capable of.
