One Flew Over the Cuckoo's Nest meets Orange is the New Black in this new psychological thriller, where a new patient suspects that women at her high-risk psychiatric clinic are being stalked by a serial killer . . . Hannah had a perfect life in London—a loving husband, a great job—until she did something shocking. Something that she doesn't quite understand herself; and now she has landed herself in a high-risk psychiatric unit. Since Hannah has been admitted, two women have died, including Charlie, one of her closest friends in the institution. It's a high-risk unit, the authorities say. Deaths happen. But Hannah knows Charlie wouldn't have killed herself. She is convinced there's a serial killer picking off the patients one by one, passing their deaths off as suicides. But why? And who will believe her? Corinne, Hannah's mother, is worried sick about her eldest daughter. She hates that she's ended up in the unit, though she knows it's the best place for her to get the treatment she needs. At first, Corinne assumes Hannah's outlandish claims about a killer in the unit are just another manifestation of her psychological condition, but as she starts to uncover strange inconsistencies surrounding the unit's charismatic director, Dr. Roberts, she begins to wonder if her daughter might have stumbled upon the truth. But who can Corinne trust, when she doesn't even trust her own daughter?

Hidden Among the Stars - Melanie Dobson 2018-09-04

From the award-winning author of *Catching the Wind*, which Publishers Weekly called "unforgettable" and a "must-read," comes another gripping time-slip novel about hidden treasure, a castle, and ordinary people who resisted evil in their own extraordinary way. The year is 1938, and as Hitler's troops sweep into Vienna, Austrian Max Dornbach promises to help his Jewish friends hide their most valuable possessions from the Nazis, smuggling them to his family's summer estate near the picturesque village of Hallstatt. He enlists the help of Annika Knopf, his childhood friend and the caretaker's daughter, who is eager to help the man she's loved her entire life. But when Max also brings Luzia Weiss, a young Jewish woman, to hide at the castle, it complicates Annika's feelings and puts their entire plan—even their very lives—in jeopardy. Especially when the Nazis come to scour the estate and find both Luzia and the treasure gone. Eighty years later, Callie Randall is mostly content with her quiet life, running a bookstore with her sister and reaching out into the world through her blog. Then she finds a cryptic list in an old edition of *Bambi* that connects her to Annika's story . . . and maybe to the long-buried story of a dear friend. As she digs into the past, Callie must risk venturing outside the safe world she's built for a chance

at answers, adventure, and maybe even new love.
