Troublemaker - Linda Howard
2016-05-10
A thrilling, fast-paced novel of

romantic suspense from
sensational New York Times
and USA Today bestselling

author Linda Howard. For Morgan Yancy, an operative and team leader in a paramilitary group, nothing comes before his job. But when he's ambushed and almost killed, his supervisor is determined to find out who's after the members of his elite squad—and why. Due to worries that this unknown enemy will strike again, Morgan is sent to a remote location and told to lay low and stay vigilant. But between a tempting housemate he's determined to protect and a deadly threat waiting in the shadows, keeping under the radar is proving to be his most dangerous mission yet. The part-time police chief of a small West Virginian mountain town, Isabeau "Bo" Maran finally has her life figured out. She's got friends, a dog, and a little money in the bank. Then Morgan Yancy shows up on her doorstep. Bo doesn't need a mysterious man in her life—especially a troublemaker as enticing and secretive as Morgan. The harder they fight the intense heat between them, the closer

Morgan and Bo become, even though she knows he's hiding from something. But discovering the truth could cost Bo more than she's willing to give. And when Morgan's cover is blown, it might just cost her life.

The Book of Twisted Truths -

J. Michael Blumer 2022-01-24

With their mother traveling to Gabendoor, Windslow and Hillary must weave white lies that could cost lives. The truth reveals her startling secrets. A third magic book from the Secret Library summons Hillary and Windslow, the Children of the Wind, back to the world of Gabendoor to stop an invasion. Life becomes complicated when their mother, Trish, "dream-slips" into the middle of their adventure. Trish thinks she's going crazy and reveals twisted truths from her childhood that link her to Gabendoor. It's up to the Children of the Wind to unravel that link and solve the mysteries of the magic book. Without the book, truths will stay hidden. Without the truth, Gabendoor will go to war. With war, many could die, including

the Children of the Wind and their mother.

Prey: Book Two: The Jackal's Trick - John Jackson Miller
2016-10-25

Continuing the milestone 50th anniversary celebration of Star Trek—an epic new trilogy that stretches from the events of The Original Series movie The Search for Spock to The Next Generation! The Klingon-Federation alliance is in peril as never before. Lord Korgh has seized control of the House of Kruge, executing a plot one hundred years in the making. The Klingon cult known as the Unsong rampages across the stars, striking from the shadows in their cloaked Birds-of-Prey. And the mysterious figure known as Buxtus Cross launches a scheme that will transform the Klingon Empire forever. Into danger flies Admiral William T. Riker and the USS Titan, charged with protecting the peace forged nearly a century before during the Khitomer Accords. Aided by Captain Jean-Luc Picard and the USS Enterprise, Riker and his officers scour the stars, seeking

to find the Unsong and uncover the truth behind the conspiracy before time runs out. Yet even as Commander Worf departs on a deeply personal mission of honor, hidden sinister forces seek to turn the crisis to their advantage. And the conspirators' plans threaten to spiral out of control, jeopardizing the very empire they aspire to rule.

The Tahara, Boy Adventurer MEGAPACK®: The Complete 4-Book Series! - Harold Sherman
2015-06-01

Harold Morrow Sherman (1898-1987) was most famous as a psychic researcher and New Thought author. His book "Your Key to Happiness" (1935) has been reprinted numerous times. But Sherman also had a career as an author of children's books, so it should come as no surprise that in the Tahara series, he blended classic New Thought elements such as mentalism, spiritualism, and the supernatural with exciting adventure stories aimed at young boys. The mix works well for the globe-trotting young heroes, and their

exciting adventures around the world hold up well today. Included in this volume are all 4 novels in the Tahara series: TAHARA AMONG AFRICAN TRIBES TAHARA: BOY KING OF THE DESERT TAHARA—BOY MYSTIC OF INDIA TAHARA IN THE LAND OF YUCATAN If you enjoy this book, search your favorite ebook store for "Wildside Press Megapack" to see the 200+ other entries in the series, covering science fiction, modern authors, mysteries, westerns, classics, adventure stories, and much, much more!

Those Above: The Empty Throne - Daniel Polansky

2015-02-26

They enslaved humanity three thousand years ago. Tall, strong, perfect, superhuman and near immortal they rule from their glittering palaces in the eternal city in the centre of the world. They are called Those Above by their subjects. They enforce their will with fire and sword. Twenty five years ago mankind mustered an army and rose up against them, only to be slaughtered in a terrible

battle. Hope died that day, but hatred survived. Whispers of another revolt are beginning to stir in the hearts of the oppressed: a woman, widowed in the war, who has dedicated her life to revenge; the general, the only man to ever defeat one of Those Above in single combat, summoned forth to raise a new legion; and a boy killer who rises from the gutter to lead an uprising in the capital. Those Above is the first of an extraordinary new fantasy epic by the author of the acclaimed Low Town series that will sweep the reader into a wholly alien, wholly recognizable world of rebellion and revenge, of love and of death, of intrigue and pitiless war.

Discovering the Book of Changes - a Journey -

Graham Taylor 2012-09-01

Here is a fresh, fascinating look at the Book of Changes, tracing the mythical and legendary rulers, along with the Taoist and Confucian origins within it, and considering the role of each in the making of the Book of Changes. Essentially, it is

offered to the reader as a detailed reappraisal of the wisdom contained within the ancient text. Whether you are old or new to the Book of Changes you will gain much from the practical advice contained in this in-depth, well-researched work. You will discover the Book of Changes is a mirror into yourself and as such, you will learn, through your own inner mirror, to 'know thyself'. Through such a process, you will also learn to enhance your psyche, intuition and instincts, all neglected since the rise of modernity. You will discover, for the first time, the 'true' meaning of colour within the Book of Changes, according to the ancient Taoist, and its practical use in daily life. In addition, you will find out about the workings of an ancient magic charm, in trigram form, also for the first time, which opens up possibilities that a magical formula lies within the Book of Changes. It is a work you will want to reread.

The Good Book - Jawara D. King
2017-05-08

In every life situation, focus on all the positive outcomes. Destruction comes from focusing only on the negative. Whatever you focus on and give your attention to is what will manifest. Whatever you constantly think about is where you're focusing your energy. When you find yourself thinking in agreement with the dark side, direct your thinking to have your mind focus on anything positive. Ensure that your mind is nourishing you with its thoughts. By directing your thoughts, you can choose your mindstate. Never let your mind think whatever it wants. You will become the essence of your constant thought. Watch your mind!

The Masnavi of Rumi, Book One - Jalaloddin Rumi 2020-02-20
Jalaloddin Rumi's Masnavi-ye Ma'navi, or 'Spiritual Couplets', composed in the 13th Century, is a monumental work of poetry in the Sufi tradition of Islamic mysticism. For centuries before his love poetry became a literary phenomenon in the West, Rumi's Masnavi had been revered in the Islamic world as its greatest mystical text. Drawing upon a vast array of characters, stories and fables, and deeply versed in spiritual teaching, it takes us on a profound and playful journey of discovery along the path of divine love, toward its ultimate goal of union with the source of all Truth. In Book 1 of the Masnavi, the first of six volumes, Rumi opens the spiritual path towards higher spiritual understanding. Alan Williams's authoritative new translation is rendered in highly readable blank verse and includes the original Persian text for reference, and with explanatory notes along the way. True to the spirit of Rumi's

poem, this new translation establishes the Masnavi as one of the world's great literary achievements for a global readership. Translated with an introduction, notes and analysis by Alan Williams and including the Persian text edited by Mohammad Este'lami.

Book Two My Green, Green Grass - Linnet Brown

2014-01-17

Jerri told Andrea the remaining portion of her story. She told her of the manner in which she joined effort with her parents, relatives, and friends to achieve outcomes she never dreamt were possible. At the end of telling her story, Jerri said, "Well, Andrea, I am done." "Jerri, if you were going to write your story, what title would you give to this part of it?" asked Andrea. "I know. The green grass situation has now been changed. But you are using the changed experience to teach important lessons. So, what happens when the green grass changes?" "It dries up and becomes hay. And the same sheep that wanted the green grass from over the fence can

still eat the hay, only in a different form," said Jerri.

"There you go, girlfriend. You made hay . . . you could say, 'I made hay while the sun was shining,'" replied Andrea.

Troublemaker - Kathleen Burk
2000-01-01

A.J.P. Taylor was arguably the most influential and popular British historian of the 20th century. This biography explores Taylor's activities as historian, Oxford don, broadcast journalist, husband and friend during a brilliant life punctuated by success, failure and frequent controversy.

The Book of Salsa - César Miguel Rondón
2008-03-10

Salsa is one of the most popular types of music listened to and danced to in the United States. Until now, the single comprehensive history of the music--and the industry that grew up around it, including musicians, performances, styles, movements, and production--was available only in Spanish. This lively translation provides for English-reading and music-loving fans the chance to enjoy Cesar

Miguel Rondon's celebrated *El libro de la salsa*. Rondon tells the engaging story of salsa's roots in Puerto Rico, Cuba, Colombia, the Dominican Republic, and Venezuela, and of its emergence and development in the 1960s as a distinct musical movement in New York. Rondon presents salsa as a truly pan-Caribbean phenomenon, emerging in the migrations and interactions, the celebrations and conflicts that marked the region. Although salsa is rooted in urban culture, Rondon explains, it is also a commercial product produced and shaped by professional musicians, record producers, and the music industry. For this first English-language edition, Rondon has added a new chapter to bring the story of salsa up to the present.

A Taste of Shine (A Trick of the Light Book One) -

Addison Cain

"I am deeply in love with this story! It satisfies, it shines, it fed my soul." - USA TODAY bestselling author, Alta Hensley
Unanticipated, unwanted... unavoidable love at first sight.

One glance, and Matthew knew—just as he knew that the intriguing new girl in town would be nothing but trouble. Country folk talk, and tongues were wagging about the blonde and her checkered past. One that sweet girl was trying and failing to outrun. Yet, this was no ordinary wayward soul. Charlotte was practically Chicago nobility. And the city's reigning kingpin wants Charlotte back under his wing. But small-town moonshiner, Matthew Emerson, will keep her right where she is—safe in his arms and hidden away from her sordid past. *A TASTE OF SHINE* is Book One in the *A Trick of the Light* duet. Nineteenth-Century Transatlantic Reprinting and the Embodied Book -

Jessica DeSpain 2016-05-06
Until the Chace Act in 1891, no international copyright law existed between Britain and the United States, which meant publishers were free to edit text, excerpt whole passages, add new illustrations, and substantially redesign a book's appearance. In spite of this ongoing process of transatlantic transformation of texts, the metaphor of the book as a physical embodiment of its author persisted. Jessica DeSpain's study of this period of textual instability examines how the physical book acted as a major form of cultural

exchange between Britain and the United States that called attention to volatile texts and the identities they manifested. Focusing on four influential works"Charles Dickens's American Notes for General Circulation, Susan Warner's The Wide, Wide World, Fanny Kemble's Journal of a Residence on a Georgian Plantation, and Walt Whitman's Democratic Vistas"DeSpain shows that for authors, readers, and publishers struggling with the unpredictability of the textual body, the physical book and the physical body became interchangeable metaphors of flux. At the same time, discourses of destabilized bodies inflected issues essential to transatlantic culture, including class, gender, religion, and slavery, while the practice of reprinting challenged the concepts of individual identity, personal property, and national identity.

The Book of Illusions - Paul Auster 2003

A man's obsession with a silent-film star sends him on a journey into a shadow world of lies, illusions, and unexpected love. Six months after losing his wife and two young sons in an airplane crash, Vermont professor David Zimmer spends his waking hours mired in a blur of alcoholic grief and self-pity. Then, watching television one night, he stumbles upon a clip from a lost silent film by comedian Hector Mann. Zimmer's interest is piqued, and he soon finds himself embarking on a journey around the world to research a book on this mysterious figure, who vanished from sight in 1929 and has been presumed dead for sixty years. When the book is published the following year, a letter turns up in Zimmer's mailbox bearing a return address from a small town in New Mexico-supposedly written by Hector's wife. "Hector has read your book and would like to meet you. Are you interested in paying us a visit?" Is the letter a hoax, or is Hector Mann still alive? Torn between doubt and belief, Zimmer hesitates,

until one night a strange woman appears on his doorstep and makes the decision for him, changing his life forever. This stunning novel plunges the reader into a universe in which the comic and the tragic, the real and the imagined, the violent and the tender dissolve into one another. With *The Book of Illusions*, one of America's most powerful and original writers has written his richest, most emotionally charged work yet.

The Lady and The Captain (Book 2 Gentlemen of Honor Series) - Beverly Adam

2014-04-22

Sarah Duncan had the kind of beauty suited for the ballrooms of London, not the back alleys of Ireland. But she was a healer, not a debutante. Her life was devoted to helping others, not dressing up and attending fancy balls. And then one stormy night she met him. He was a young, English naval officer, who arrived on her doorstep with his deathly ill friend. Her life would be forever changed. Lieutenant Robert Smythe, acting Captain of The

Brunswick, was determined to find the killer who'd poisoned his commander and friend. With Sarah's knowledge of plants and herbs, he would investigate this devious crime. Posing as his fiancée, she would be off limits to a crew of randy men at sea. Sarah's beauty was captivating, but her strength and courage drew him like a talisman. He was determined to catch the killer and keep her safe. Indeed, he would protect her with his very life.

Troublemaker - Leah Remini
2015-11-03

#1 NEW YORK TIMES

BESTSELLER • An eye-opening, no-holds-barred memoir about life in the Church of Scientology, now with a new afterword by the author—the outspoken actress and star of the A&E docuseries *Leah Remini: Scientology and the Aftermath*. Leah Remini has never been the type to hold her tongue. That willingness to speak her mind, stand her ground, and rattle the occasional cage has enabled

this tough-talking girl from Brooklyn to forge an enduring and successful career in Hollywood. But being a troublemaker has come at a cost. That was never more evident than in 2013, when Remini loudly and publicly broke with the Church of Scientology. Now, in this frank, funny, poignant memoir, the former King of Queens star opens up about that experience for the first time, revealing the in-depth details of her painful split with the church and its controversial practices. Indoctrinated into the church as a child while living with her mother and sister in New York, Remini eventually moved to Los Angeles, where her dreams of becoming an actress and advancing Scientology's causes grew increasingly intertwined. As an adult, she found the success she'd worked so hard for, and with it a prominent place in the hierarchy of celebrity Scientologists alongside people such as Tom Cruise, Scientology's most high-profile adherent. Remini spent time directly with Cruise and

was included among the guests at his 2006 wedding to Katie Holmes. But when she began to raise questions about some of the church's actions, she found herself a target. In the end, she was declared by the church to be a threat to their organization and therefore a "Suppressive Person," and as a result, all of her fellow parishioners—including members of her own family—were told to disconnect from her. Forever. Bold, brash, and bravely confessional, Troublemaker chronicles Leah Remini's remarkable journey toward emotional and spiritual freedom, both for herself and for her family. This is a memoir designed to reveal the hard-won truths of a life lived honestly—from an author unafraid of the consequences. Praise for Troublemaker "An aggressively honest memoir . . . Troublemaker is the most raw and revealing Scientology memoir to date."—Entertainment Weekly "Leah's story is a juicy, inside-Hollywood read, but it's more than that. It's a moving story

about the value of questioning authority and how one woman survived a profound crisis of faith."—People
