The Pastor as Scholar and the Scholar as Pastor
- John Piper 2011-03-31

Following the 2009 Gospel Coalition conference John Piper and D. A. Carson presented two talks at Park Community Church in Chicago, IL, sponsored by the Henry Institute at Trinity Evangelical Divinity School. The topic of their presentation was on the relationship of scholarship and pastoral ministry. Piper centered on the importance of scholarship and academic pursuits in his role as pastor. Carson, conversely, focused on the importance of pastoral ministry in his career as scholar. The event was enthusiastically received and brought great insight and balance. Now their talks have been edited with additional content and put into book form. Weaving testimony and teaching, Piper and Carson challenge all those in ministry to think carefully and holistically about their calling. An

introduction by Owen Strachan and a conclusion by David Mathis provide context and application to these unique messages. Pastors and scholars will want to take advantage of this valuable insider perspective from two men who have been acclaimed for their sharp thinking and pastoral hearts.

Treasures in Dark Places - Leanna Cinquanta
2017-01-17

Captivating True Story of God's Supernatural Love at Work As a child, Leanna's young world pulsed with adventure, including emergency moves across the country in an old Dodge Dart

with a dismantled airplane strapped to the roof. By age fifteen, she had become an equestrian champion with sights fixed on the Olympics. Then, in a series of stunning revelations, Jesus appeared to her and revolutionized her life. A few years later, not expecting to return alive, she wrote a will for her parents, left everything behind, and embarked for northern India with a one-way ticket and a mission: to rescue people trapped in darkness. This firsthand, often-supernatural account follows the rigors, heartaches, and miracles of a life propelled by faith into one of the poorest and darkest places on earth. Leanna's fearless determination to shine Jesus' light into the shadows--whether helping the destitute in small villages or reaching girls abused in the sex-trafficking trade--will thrill and inspire you to believe his power can change even your most trying circumstances.

David Wilkerson - Gary Wilkerson 2014-09-02

How did one man's unshakable faith shape the future of thousands struggling to break free from the grip of addiction, poverty, and sin? Join Gary Wilkerson as he shares a never-before-seen look at the incredible life and legacy of his father, bestselling author and evangelist David Wilkerson. This book tells the story of David Wilkerson, a man who refused to give up on those on the streets even when they had given up on themselves, and who saw in the eyes of drug addicts and gang members what others

failed to see--the unconditional love of Jesus Christ. But who was David Wilkerson? When Wilkerson moved to New York from rural Pennsylvania in 1958 to confront the gangs who ran the streets, he was a skinny, 120-pound man. After the initial publicity that brought him face to face with some of the most dangerous young men in the city, he largely flew under the radar of the media, using the Word of God and a bit of tough love to help men and women of the street escape the destructive spiral of drugs and violence. Wilkerson was always the real deal, full of passion and conviction, not interested in what others said was the "right" thing to do. An evangelist both in America and overseas, David authored books that inspired people to be serious about their relationship with Christ. His financial generosity reached around the globe, providing homes for the destitute and feeding programs for the hungry. When he founded the Times Square Church in 1987, his ministry impacted more lives than he ever dreamed possible. Throughout David Wilkerson, you'll be inspired by: The life-changing power of faith What it means to trust God wholeheartedly The importance of following your true, God-given calling David was a man of faith who trusted God would give him what he needed to enter a cruel world; a man of conviction who took the dream God gave him and marched forward without ever looking back. As you come to know David's story, you'll learn to

see the world the way he did--through the lens of eternity.

Let Go of the Ring - Ralph Moore 2019-06-19

If you make disciples and want to multiply churches, this book is for you. In its 6th edition since appearing in 1983 this book has helped several thousand pastors move from growing strong Christ-followers to multiplying churches. It will teach you to leverage your gifts in the lives of others. Ralph's story and the story of Hope Chapel is a challenge to let go of our ways for God's ways. Not the most charismatic speaker, he makes up for it with his writing. The title came from a challenge by Ralph's dentist over plans to leave a megachurch in California to start over in Hawaii, "You'll never do it, Frodo, you'll never let go of the ring. The big ones never do." The motive behind the book is to do things beyond our comfort zone and learned behavior. To believe in others when others normally wouldn't. To let go of our desire for self-importance for God's plans. In other words, to "LET GO OF THE RING". Read and observe as one tiny congregation grows into a movement of more than 2,400 congregations (more than 200,000 people). Ralph's account of what it took to abandon security and begin again is three times inspiring. What sets it apart from other books on church multiplication is that this man actually experienced the story with all its bumps, bruises and victories. The book is short on theory and long on reality. This story of the

Hope Chapel mosaic of churches is funny and heartwarming, it also presents a simple, practical approach to making disciples and multiplying churches. See how God turned a handful of people, with no money and few resources, into a movement operating on every continent. You'll learn how individual surrender to God mounts up to allow ordinary people to make a great difference in the world. What happened to these people could happen to you! Gather: 1. The organic nature of making disciples through relationships. 2. Just how little material support you need to plant a church. 3. The power of God to turn broken lives into strong tools of his grace. 4. Why a promise "to love you... as is!" is important to the spread of the gospel. 5. Next steps in your own life. In truth, ministry shouldn't be such hard work. Disciplemaking and church multiplication ought to be easier and life as a leader shouldn't be as difficult as it is. Perhaps you struggle in your dreams to make disciples and plant churches. Let Ralph Moore come alongside, through this book and the tools he offers on his blogsite, www.ralphmoore.net. He's been in your shoes-hopeful to make a dent in the world, yet unsure of himself. Let his experience come alongside to guide you to where God wants you to go. As you learn to walk the uncommon path, you'll find new ways to model the character of Jesus and discover his supernatural power to help you along the way.

Scholarship Reconsidered - Ernest L. Boyer
2015-10-06

Shifting faculty roles in a changing landscape Ernest L. Boyer's landmark book *Scholarship Reconsidered: Priorities of the Professoriate* challenged the publish-or-perish status quo that dominated the academic landscape for generations. His powerful and enduring argument for a new approach to faculty roles and rewards continues to play a significant part of the national conversation on scholarship in the academy. Though steeped in tradition, the role of faculty in the academic world has shifted significantly in recent decades. The rise of the non-tenure-track class of professors is well documented. If the historic rule of promotion and tenure is waning, what role can scholarship play in a fragmented, unbundled academy? Boyer offers a still much-needed approach. He calls for a broadened view of scholarship, audaciously refocusing its gaze from the tenure file and to a wider community. This expanded edition offers, in addition to the original text, a critical introduction that explores

the impact of Boyer's views, a call to action for applying Boyer's message to the changing nature of faculty work, and a discussion guide to help readers start a new conversation about how Scholarship Reconsidered applies today.

It Is Finished - David Wilkerson 2013-04-01

Founder of Teen Challenge Shows How to Overcome Persistent Sins This is David Wilkerson's capstone teaching, poured out from a heart that discovered the power God has given his people to triumph over sin. Through Wilkerson's expert ability to blend teaching with personal application, he shows that the key to defeating life-controlling habits is found in one thing: the new covenant God enacted with his people. In today's era of pop psychology, most Christians battle temptation and sin through self-help techniques or gritty self-will. Even Wilkerson, through decades of ministry that led hundreds of thousands to salvation and deliverance, struggled to know true peace as he battled his own "besetting sins." Determined to find victory, Wilkerson came to grasp the stunning reality that the vast love of God provides the spiritual resources believers need to obey his every command. Gathered from some of his most prominent sermons, this is one of Wilkerson's most powerful teachings--one that will redeem countless lives into the life-giving experience of purity.

Expanded Cinema - Gene Youngblood 2020-03-03

Fiftieth anniversary reissue of the founding media studies book that helped establish media art as a cultural category. First published in 1970, Gene Youngblood's influential Expanded Cinema was

the first serious treatment of video, computers, and holography as cinematic technologies. Long considered the bible for media artists, Youngblood's insider account of 1960s counterculture and the birth of cybernetics remains a mainstay reference in today's hypermediated digital world. This fiftieth anniversary edition includes a new Introduction by the author that offers conceptual tools for understanding the sociocultural and sociopolitical realities of our present world. A unique eyewitness account of burgeoning experimental film and the birth of video art in the late 1960s, this far-ranging study traces the evolution of cinematic language to the end of fiction, drama, and realism. Vast in scope, its prescient formulations include "the paleocybernetic age," "intermedia," the "artist as design scientist," the "artist as ecologist," "synaesthetics and kinesthetics," and "the technosphere: man/machine symbiosis." Outstanding works are analyzed in detail. Methods of production are meticulously described, including interviews with artists and technologists of the period, such as Nam June Paik, Jordan Belson, Andy Warhol, Stan Brakhage, Carolee Schneemann, Stan VanDerBeek, Les Levine, and Frank Gillette. An inspiring Introduction by the celebrated polymath and designer R. Buckminster Fuller—a perfectly cut gem of countercultural thinking in

comprehensive perspective. Providing an unparalleled historical documentation, Expanded Cinema clarifies a chapter of countercultural history that is still not fully represented in the arthistorical record half a century later. The book will also inspire the current generation of artists working in ever-newer expansions of the cinematic environment and will prove invaluable to all who are concerned with the technologies that are reshaping the nature of human communication.

Out of the Devil's Cauldron - John Ramirez 2012

Have you ever wondered if Satan is real? In his book *Out of the Devil's Caldron: A Journey from Darkness to Light*, John Ramirez tells the story of how he was trained to be the third-ranked high priest of a satanic cult in New York City-casting powerful witchcraft spells and controlling entire spiritual regions. But what started as a long spiral into the underworld ended in a miraculous encounter with Jesus Christ that changed the course of his life. Let John Ramirez walk you through the dark alleys of this world as he uncovers the hidden secrets of darkness through his powerful testimony. People from all ethnic backgrounds dabble in the occult and fall victim to this satanic underworld, never seeing the way out. John Ramirez is one in a million who made it out. John Ramirez's home church for the past

nine years has been Times Square Church in New York, founded by David Wilkerson. John has been blessed with the opportunity not only to attend there and sit under the Word and mature spiritually, but the Lord opened the door through the security ministry to form a tight bond between him and Pastor Dave. For two and a half years John had the privilege and blessing to walk with Pastor Dave, and he became a spiritual father to John. He prayed with him, laid hands on him, and even read the manuscript of *Out of the Devil's Cauldron* before the book was published, giving his blessing. Pastor Dave was so touched by John's testimony that one night he brought him up on stage to have him share his story with the congregation. In the 1950s, Pastor Dave had a young Nicky Cruz in his life. When Nicky told Pastor Dave "I will cut you into a thousand pieces," through the Holy Spirit Pastor Dave said, "Nicky, if you cut me into a thousand pieces, all one thousand pieces would say 'Jesus loves you.'" Many years later, David Wilkerson through the Holy Spirit said to John Ramirez, "I see Jesus in you." And those words forever changed John's life, to go minister anywhere in the world. Today, John Ramirez says, "Thank you, Pastor Dave, for seeing Jesus in me." John Ramirez is a sought-out speaker by many who want to hear of his involvement in the highest levels of the occult and how he got out. He speaks at churches, schools, rallies, and conferences--both secular and

Christian--and has been a featured guest on TV and radio programs. He can be reached at JohnRamirez.org

Run Baby Run - Nicky Cruz 2017-03-13

The Late Great Planet Earth - Hal Lindsey 2016-10-11

The impact of *The Late Great Planet Earth* cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the

midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not.” In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched, and beautifully written narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people’s lives and behavior and the nation’s fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball’s Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is

experienced every day. She documents how the Nazis studied the racial systems in America to plan their outcasting of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity.

Original and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.
