The Night Boy - Michael Preddy 2004-10

WHAT THE REVIEWERS AND READERS SAY:

(The following reviews are from the Barnes and Noble and Amazon sites) *The Night Boy* is really good Pulp Fiction, November 15, 2004 **FOUR** out of **FIVE** Stars Reviewer: Laslow Jordan (United Kingdom) Finally some real pulp fiction and it's good too. Preddy doesn't try to articulate every thought of every character like so many writers do; instead he leaves some space for the readers' imaginations. *The Night Boy's* rapid pacing is as visual and as exciting as a good movie. The best one-night stand I've had in years! *The Night Boy* is a real page burner, November 15, 2004 **FIVE** out of **FIVE** Stars Reviewer: Jay Michaels (California) - I read a lot of thrillers but I had to read *The Night*

Boy twice as Preddy conjures up some clever misdirection, some just a word, that turn on a dime. It's funny too. In fact I found some of the humorous passages, like "you can't get pregnant from spit", creeping into my thoughts days later. The Night Boy is a real page burner that sticks with you like mashed potatoes! The Night Boy has something for everyone! FIVE out of FIVE Stars Reviewer: Carl Connors@New Book Tattler, November 19, 2004, The Night Boy is a novella with a big bang. From the intriguing first line to the bold final scene this fresh tale has something for everyone. Sheryn is the personification of insecurity, vanity, and self-absorption; her sidekick is a witty guy hiding a dark side of his own. The two good cops are horny for each other in a sweet way, but end up breaking the rules, and the heroine is a psychopath with a big secret. Preddy's perpetrator, the Night Boy, is a deliberate, cunning killer and something more. If viewed from the inside out Preddy may be using the Night Boy character as a metaphor for the darkness, the Night, which lives in everyone. Or maybe not. The premise is now and unique and the language is active and fresh. The Night Boy is an excellent first book for Preddy and worth every penny. Night Boy has arrived FOUR out of FIVE Stars Reviewer: Weston Allred, a journalist, November 12, 2004, The Night Boy is a subsonic thriller that's quite humorous too if you can believe it. Preddy pokes fun at pathetic obsession, convenient love, and romantic expectations all the while serving up a tidy thriller. The ending is a real pisser. The Night Boy rips and I want more! Great Pulp Fiction FIVE out of FIVE Stars Reviewer: Frank Long, @ebookcritique November 12, 2004, The cover says that it is a 'tight thriller bathed in sarcastic social commentary and sly dark humor', what it is is a modern and warped social commentary and dark humor wrapped in a sick and slick thriller! Excellent language, some pretty gritty, and scenarios. Preddy delivers.

Terror to Triumph - Dwight E. Vilhauer 2002-09
 "...so that when the day of evil comes, you may be able to stand your ground..." If you could view this world through the eyes of God Himself, how much more might you understand? How much wiser would you be? If you could know God's heart, how might your heart be changed? We are living through one of the most tragic events in world history. September 11 will forever stand as a new benchmark for evil in this world. At the first year anniversary of the terrorist attacks on the World Trade Center and Pentagon, Dwight Vilhauer offers an insightful and reflective look at these tragic events, in his new book, **TERROR to TRIUMPH; A Christian Perspective On 9-11**. The events of September 11 have raised anew those challenging questions dealing with the problem of evil in the world. How can it coexist with God's love? As the author points out, "We continue to struggle with the problem of evil because it repeatedly challenges trust in our Creator as a God of love. September 11 is the latest, and perhaps one of the most profound examples of how evil can shake our faith to its core. We need to hear God's voice now more than ever, for strength and healing. At this turbulent and spiritually challenging point in time, when our ears have been filled with evil's threatening voice and news of terror reverberates unceasingly from every corner of the media, God still speaks. If we take time to listen to His voice, amidst all the noise and confusion, we will find solid foundational answers to our many questions." In **TERROR to TRIUMPH**, Dwight Vilhauer leads you back to God's comforting voice where peace and rest are found. Discover how God works in a multitude of ways, through evil's great onslaught, to guide us, protect us, and lead us to ultimate victory ÷ whenever the day of evil comes. **TERROR to TRIUMPH** is built upon eight insights that provide a basis for exploring how God works through the evil in this world to accomplish greater ends. Historical events from the Bible, and the teachings of our Savior Jesus Christ, are employed

as launching points to explain how God's past victories over evil have direct application to victories that can be realized today. However, the book is not just about September 11. As the author observes, "It's really about how to deal with tragedy whenever the day of evil comes, and in whatever way it enters a person's life. My goal was to help people view the world through the eyes of God Himself and to become one with Him in understanding and purpose. I believe that is how the greatest victory over evil is realized." From this vantage point, the reader is able to view issues of good vs. evil from a unique and spiritually edifying perspective. The result is an extremely refreshing and spiritually uplifting experience.

Triple Crossed - James William Jones 2010-10-20
An urgent midnight call from the Vatican awakens Dr. Joseph McPherson, a former CIA scientist, from a drunken sleep. He is summoned to Rome to help recover the most sacred relics in Christendom, known only to the Pope and a handful of cardinals. The mere existence of these relics could cast doubts on the very foundations of Christianity; they must be recovered quickly and covertly to preserve the Church. In Israel, Mossad director Meir Snir has taken notice. He questions why the Vatican would appoint an alcoholic research nerd to team with five Vatican cardinals and the Pope himself, on any project. Snir, who has a sixth sense for intrigue, wonders if this development could have long-reaching implications. He dispatches the clever and beautiful Myra Cohen to keep an eye on McPherson. During McPherson's quest to solve this biblical yet timely puzzle, he encounters an ancient and secret brotherhood that has vowed to seek revenge for past atrocities and destroy the Catholic Church. The dangerous trail leads through England, Kentucky Bluegrass country, Washington DC, and Amsterdam in search of a mysterious genius who may have unraveled the secret of eternal life. On

his journey, McPherson learns the innermost secrets of the Vatican as well as how to resurrect his own life.

Riding Man - Mark Gardiner 2012-07-15

For 100 years, the Isle of Man Tourist Trophy races have been the world's most dangerous organized

sporting event. As one of thirty thousand fans who attended the annual spectacle, Mark Gardiner harbored no illusions about his own skill or bravery. He was, however, an avid motorcyclist for whom the race represented a boyhood dream. He went home, quit his job, sold everything he owned, and returned to the Island to race there himself. *Riding Man* is the account of an Everyman, struggling to qualify for -- and survive -- the TT races. If you're a dreamer, the lesson in this book is that the pursuit of any worthwhile goal involves risks, rewards and, almost inevitably some regrets. If you're not a dreamer, the lesson is more important: the deepest regrets are always over risks not taken.

Triple Six Fix - Stephen Brown 2010-06-02

An unshaven, evasive and chastened man in the small old mill city of Norton is recognized as he tries to hide from his past. The man, Jack Webster, is revealed as once having been the fabulously popular host of a nightly televised lottery drawing show, as well as the most renown sports anchor in the city of Boston and the envy of all who knew him. Looking into the past, we see Jack top of the world, but there are dark tidings as Jack's seemingly perfect life is not quite as wonderful as it appears. Thirty-three years old and submerged in the partying lifestyle of a local celebrity, Jack hatches a scheme to fix the very lottery drawing he hosts on television every night. Back in today's world, Jack—solely in order to get close to a young woman—cynically joins Earthpeace, a group of environmental activists opposing an airport expansion guided by the long-sitting Senator Shea to the doorstep of the powerless working-class city of Norton. Entirely insincere in all he does and on the cusp of regaining all he'd lost, Jack finds himself at an unexpected crossroad. *Triple Six Fix* is the dramatic telling—with foreshadow and flashback—of the rise, fall and ultimate fate of Jack Webster, a beloved local celebrity who crashes from great heights and who schemes again to regain

what he'd lost.
