Woolf and the City - Elizabeth F. Evans 2010
Edited collection from acclaimed contemporary Woolf scholars, focusing on urban issues. These include addressing the ethical and political implications of Virginia Woolf's work, a move that suggests new insights into Woolf as a

"real world" and social critic.

The Reimagining of Place in English Modernism -

Sam Wiseman 2015
The work of English modernists in the 1920s and 1930s - particularly D.H. Lawrence, John Cowper Powys, Mary Butts and Virginia Woolf - often

expresses a fundamental ambivalence towards the social, cultural and technological developments of the period. These writers collectively embody the tensions and contradictions which infiltrate English modernism as the interwar period progresses, combining a profound sense of attachment to rural place and traditions with a similarly strong attraction to metropolitan modernity - the latter being associated with transience, possibility, literary innovation, cosmopolitanism, and new developments in technology and transportation. In this book, Sam Wiseman analyses key texts by these four authors, charting their respective attempts to forge new identities, perspectives and literary approaches that reconcile tradition and modernity, belonging and exploration, the rural and the metropolitan. This analysis is located within the context of ongoing critical debates regarding

the relationship of English modernism with place, cosmopolitanism, and rural tradition; Wiseman augments this discourse by highlighting stylistic and thematic connections between the authors in question, and argues that these links collectively illustrate a distinctive, place-oriented strand of interwar modernism. Ecocritical and phenomenological perspectives are deployed to reveal similarities in their sense of human interrelationship with place, and a shared interest in particular themes and imagery; these include archaeological excavation, aerial perspectives upon place, and animism. Such concerns stem from specific technological and socio-cultural developments of the era. The differing engagements of these four authors with such changes collectively indicate a distinctive set of literary strategies, which aim to

reconcile the tensions and contradictions inherent in their relationships with place.

Mrs. Dalloway, Virginia Woolf - 2014

Literature Guides Created by Harvard students for students everywhere, SparkNotes is a new breed of study guide: smarter, better, faster. Geared to what today's students need to know, SparkNotes provides: *Chapter-by-chapter analysis*Explanations of key themes, motifs, and symbols*A review quiz and essay topics Lively and accessible, these guides are perfect for late-night studying and writing papers.

Virginia Woolf and Heritage

- Jane De Gay 2017

Virginia Woolf was deeply interested in the past - whether literary, intellectual, cultural, political or social - and her writings interrogate it repeatedly. She was also a great tourist and explorer of

heritage sites in England and abroad. This book brings together an international team of world-class scholars to explore how Woolf engaged with heritage, how she understood and represented it, and how she has been represented by the heritage industry.

The Virginia Woolf Reader - Virginia Woolf 1984

This rich introduction to the art of Virginia Woolf contains the complete texts of five short stories and eight essays, together with substantial excerpts from the longer fiction and nonfiction. An ideal volume for those encountering Woolf for the first time as well as for those already devoted to her work. Edited and with a Preface by Mitchell A. Leaska.

Philological Papers - West Virginia University 1947

The Artist-Figure, Society, and Sexuality in Virginia Woolf's Novels - Ann

Ronchetti 2013-02-01

This book explores the relationship between aesthetic productivity and artists' degree of involvement in social and sexual life as depicted in Virginia Woolf's novels. Ann Ronchetti locates the sources of Woolf's lifelong preoccupation with the artist's relationship to society in her family heritage, her exposure to Walter Pater and the aesthetic movement, and the philosophical and aesthetic interests of the Bloomsbury group.

Mrs. Dalloway - Virginia Woolf 1925

Heralded as Virginia Woolf's greatest novel, this is a vivid portrait of a single day in a woman's life. When we meet her, Mrs. Clarissa Dalloway is preoccupied with the last-minute details of party preparation while in her mind she is something much more than a perfect society hostess. As she readies her house, she is flooded with remembrances of faraway

times. And, met with the realities of the present, Clarissa reexamines the choices that brought her there, hesitantly looking ahead to the unfamiliar work of growing old. "Mrs. Dalloway was the first novel to split the atom. If the novel before Mrs. Dalloway aspired to immensities of scope and scale, to heroic journeys across vast landscapes, with Mrs. Dalloway Virginia Woolf insisted that it could also locate the enormous within the everyday; that a life of errands and party-giving was every bit as viable a subject as any life lived anywhere; and that should any human act in any novel seem unimportant, it has merely been inadequately observed. The novel as an art form has not been the same since. "Mrs. Dalloway also contains some of the most beautiful, complex, incisive and idiosyncratic sentences ever written in English, and that alone would be reason enough to

read it. It is one of the most moving, revolutionary artworks of the twentieth century." --Michael Cunningham, author of *The Hours*

The Annotated Mrs.

Dalloway - Merve Emre
2021-08-31

Virginia Woolf's groundbreaking novel, in a lushly illustrated hardcover edition with illuminating commentary from a brilliant young Oxford scholar and critic. "Mrs. Dalloway said she would buy the flowers herself." So begins Virginia Woolf's much-beloved fourth novel. First published in 1925, *Mrs. Dalloway* has long been viewed not only as Woolf's masterpiece, but as a pivotal work of literary modernism and one of the most significant and influential novels of the twentieth century. In this visually powerful annotated edition, acclaimed Oxford don and literary critic Merve Emre gives us an authoritative version of this landmark novel, supporting

it with generous commentary that reveals Woolf's aesthetic and political ambitions—in *Mrs. Dalloway* and beyond—as never before. *Mrs. Dalloway* famously takes place over the course of a single day in late June, its plot centering on the upper-class Londoner Clarissa Dalloway, who is preparing to throw a party that evening for the nation's elite. But the novel is complicated by Woolf's satire of the English social system, and by her groundbreaking representation of consciousness. The events of the novel flow through the minds and thoughts of Clarissa and her former lover Peter Walsh and others in their circle, but also through shopkeepers and servants, among others. Together Woolf's characters—each a jumble of memories and perceptions—create a broad portrait of a city and society transformed by the Great War in ways subtle but

profound ways. No figure has been more directly shaped by the conflict than the disturbed veteran Septimus Smith, who is plagued by hallucinations of a friend who died in battle, and who becomes the unexpected second hinge of the novel, alongside Clarissa, even though—in one of Woolf’s many radical decisions—the two never meet. Emre’s extensive introduction and annotations follow the evolution of Clarissa Dalloway—based on an apparently conventional but actually quite complex acquaintance of Woolf’s—and Septimus Smith from earlier short stories and drafts of Mrs. Dalloway to their emergence into the distinctive forms devoted readers of the novel know so well. For Clarissa, Septimus, and her other creations, Woolf relied on the skill of “character reading,” her technique for bridging the gap between

life and fiction, reality and representation. As Emre writes, Woolf’s “approach to representing character involved burrowing deep into the processes of consciousness, and, so submerged, illuminating the infinite variety of sensation and perception concealed therein. From these depths, she extracted an unlimited capacity for life.” It is in Woolf’s characters, fundamentally unknowable but fundamentally alive, that the enduring achievement of her art is most apparent. For decades, Woolf’s rapturous style and vision of individual consciousness have challenged and inspired readers, novelists, and scholars alike. The Annotated Mrs. Dalloway, featuring 150 illustrations, draws on decades of Woolf scholarship as well as countless primary sources, including Woolf’s private diaries and notes on writing. The result is not only a transporting edition

of Mrs. Dalloway, but an essential volume for Woolf devotees and an incomparable gift to all lovers of literature.

Approaches to Teaching Woolf's Mrs. Dalloway - Eileen Barrett 2009

Mrs. Dalloway is considered a central work in Virginia Woolf's oeuvre and in the modernist canon. It not only addresses historical and cultural issues such as war, colonialism, class, politics, marriage, sexuality, and psychology but also reimagines the novel form. Moreover, Mrs. Dalloway continues to grow in its influence and visibility, inspiring adaptations in film, theater, print, and other media. Despite Mrs. Dalloway's continued popularity, many students today find the prose daunting and a barrier to their appreciation and comprehension of the novel. This volume seeks to give instructors a variety of strategies for making Woolf's work compelling

and accessible to students while addressing the diverse ways it has been interpreted. Part 1, "Materials," reviews editions of Mrs. Dalloway as well as critical and historical resources related to the novel. Part 2, "Approaches," explores the task of contextualizing this key modernist text in the classroom. Some contributors situate Mrs. Dalloway in its historical time and place, namely, London in the period between the two world wars. Others discuss the novel's narrative form or interpret it using perspectives from cultural studies, feminism, or queer theory. Still others address the novel's relation to poems, films, and Victorian novels. Finally, a group of essays discusses the challenges and rewards of teaching the novel in settings both traditional and nontraditional, from a college classroom to a prison.

Female Embodiment and Subjectivity in the

Modernist Novel - Renée Dickinson 2012-08-21

This study considers the work of two experimental British women modernists writing in the tumultuous interwar period--Virginia Woolf and Olive Moore--by examining four crucial incarnations of female embodiment and subjectivity: female bodies, geographical imagery, national ideology and textual experimentation. Dickinson proposes that the ways Mrs. Dalloway, and The Waves by Virginia Woolf and Spleen and Fugue by Olive Moore reflect, expose and criticize physical, geographical and national bodies in the narrative and form of their texts reveal the authors' attempts to try on new forms and experiment with new possibilities of female embodiment and subjectivity.

Edinburgh Companion to Virginia Woolf and the

Arts - Maggie Humm

2010-04-20

The Edinburgh Companion to Virginia Woolf and the Arts is the most authoritative and up-to-date guide to Virginia Woolf's artistic influences and associations. In original, extensive and newly researched chapters by internationally recognised authors, the Companion explores Woolf's ideas about creativity and the nature of art in the context of the recent 'turn to the visual' in modernist studies with its focus on visual technologies and the significance of material production. The in-depth chapters place Woolf's work in relation to the most influential aesthetic theories and artistic practices, including Bloomsbury aesthetics, art and race, Vanessa Bell and painting, art galleries, theatre, music, dance, fashion, entertaining, garden and book design, broadcasting, film, and photography. No previous

book concerned with Woolf and the arts has been so wide ranging or has paid such close attention to both public and domestic art forms. Illustrated with 16 colour as well as 39 black and white illustrations and with guides to further reading, the Companion will be an essential reference work for scholars, students and the general public. Key Features* An essential reference tool for all those working on or interested in Virginia Woolf, the arts, visual culture and modernist studies* Provides a new intellectual framework for the exciting discoveries of the past decades* Draws on archival and historical research into Virginia Woolf's manuscripts and her Bloomsbury milieu* Original chapters from expert contributors newly commissioned by Maggie Humm, widely known for her important work on Virginia Woolf and visual culture* Combines broad

synthesis and original reflection setting Woolf's work in historical, cultural and artistic contexts
Modernism and the Idea of Modernity - Adina Ciugureanu 2008

The Mrs. Dalloway Reader - Virginia Woolf 2003

This first volume of its kind contains the complete text of and guide to Virginia Woolf's masterpiece plus Mrs. Dalloway's Party, and numerous journal entries and letters by Virginia Woolf relating to the book's genesis and writing. The distinguished novelist Francine Prose has selected these pieces as well as essays and appreciations, critical views, and commentary by writers famous and unknown. This complete volume illuminates the creation of a beloved book and the genius of its author.

The Measure of Life - Herbert Marder 2018-08-06
This elegantly written and

richly detailed biography tells the story of Virginia Woolf's last ten years, from the creation of her great visionary novel, *The Waves*, to her suicide in 1941. Herbert Marder looks closely at Woolf's views on totalitarianism and her depictions of Britain under siege to create a remarkable portrait of a mature and renowned writer during a time of rising fascist violence. An awareness of personal danger, Marder says, colored Woolf's actions and consciousness in the years leading up to World War II. She practiced her art with intense dedication and was much admired for her wit and vivacity. But she had previously tried to kill herself, and she asserted her right to die if her manic-depressive illness became intolerable. *Waves* and *Water* haunted her imagination; visions of drowning recurred in her work. *The Measure of Life* suggests that Woolf

anticipated her suicide, and indeed enacted it symbolically many times before the event. Marder's account of her death emphasizes the importance of her relationship with her doctor and distant cousin, Octavia Wilberforce. Wilberforce's letters about Woolf's last months, including some previously unpublished passages, appear in the appendix. Staying close to the spirit of Woolf's own writing, Marder traces her evolving social consciousness in the 1930s, connecting her growing concern with politics and social history with the facts of her daily life. He stresses her endurance as a working writer, and explores her friendships, her complex relations with servants, and her activities at the Hogarth Press. *The Measure of Life* illuminates the unspoken quarrels and obscure acts of courage that provide a key, as Woolf herself believed, to the hidden roots of our existence. By letting the

reader see events as Virginia Woolf saw them, Marder's compelling narrative captures both her unique comic spirit and her profound seriousness.

Virginia Woolf's Mrs. Dalloway - Molly Hoff
2018-10-01

This reader's guide to Mrs. Dalloway brings to light a web of allusions weaved into one of Virginia Woolf's most read novels.

Time and Perception in "Mrs. Dalloway". The Formulation of the Human Experience - Lena Dassonville 2016-12-07
Essay from the year 2016 in the subject English - Literature, Works, grade: A, , course: Seminar III, language: English, abstract: Virginia Woolf's classic modernist work, "Mrs. Dalloway", interrogates the inner-workings of every day life, exposing and unfurling the idiosyncrasies, complexities, and intimacies that are so surreptitiously ensconced within all human interaction. Though "Mrs.

Dalloway" covers the span of a single day, Woolf's treatment of time is much more complex than a linear, chronological expounding of a group of people's activities leading up to a much anticipated soirée. Indeed, one of Woolf's greatest strengths as a writer is her ability to unveil the significance behind every action and structure; to make meaningful many of the mechanisms and interactions which we usually deem common, menial or insubstantial. By detailing varying perceptions and probing remembrances and interpersonal linkages, Woolf demonstrates the complexity and diversity of human experience.

One of Ours - Willa Cather
2015-08-16

An American Farm Boy In Search Of Meaning "Life was so short that it meant nothing at all unless it were continually reinforced by something that endured; unless the shadows of

individual existence came and went against a background that held together.” - Willa Cather, One of Ours Claude tries to escapes from his family firm grasp who want him pious and working at their family farm in Nebraska. He marries in his attempt to escape only to realize that his wife is not interested at all in him. That’s when another opportunity arises: going overseas and fight for the American army in World War One. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you’ll share this book with your friends, neighbors and colleagues and can’t wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Mrs. Dalloway - Virginia Woolf 2022-05-17

Mrs Dalloway, Virginia Woolf's fourth novel, offers the reader an impression of a single June day in London in 1923. Clarissa Dalloway, the wife of a Conservative member of parliament, is preparing to give an evening party, while the shell-shocked Septimus Warren Smith hears the birds in Regent's Park chattering in Greek. There seems to be nothing, except perhaps London, to link Clarissa and Septimus. She

is middle-aged and prosperous, with a sheltered happy life behind her; Smith is young, poor, and driven to hatred of himself and the whole human race. Yet both share a terror of existence, and sense the pull of death. The world of Mrs Dalloway is evoked in Woolf's famous stream of consciousness style, in a lyrical and haunting language which has made this, from its publication in 1925, one of her most popular novels.

Mrs. Dalloway - Virginia Woolf 2021-01-05

A stunning new edition of Virginia Woolf's engulfing portrait of one day in a woman's life, featuring a new foreword by Jenny Offill, the New York Times bestselling author of *Weather* and *Dept. of Speculation* A Penguin Classics Deluxe Edition "Mrs. Dalloway said she would buy the flowers herself." It's one of the most famous opening lines in literature, that of Virginia

Woolf's beloved masterpiece of time, memory, and the city. In the wake of World War I and the 1918 flu pandemic, Clarissa Dalloway, elegant and vivacious, is preparing for a party and remembering those she once loved. In another part of London, Septimus Smith is suffering from shell-shock and on the brink of madness. Their days interweave and their lives converge as the party reaches its glittering climax. In a novel in which she perfects the interior monologue and recapitulates the life cycle in the hours of the day, from first light to the dark of night, Woolf achieves an uncanny simulacrum of consciousness, bringing past, present, and future together, and recording, impression by impression, minute by minute, the feel of life itself. This edition is collated from all known proofs, manuscripts, and impressions to reflect the author's intentions, and

includes a catalog of emendations, an illuminating introduction and endnotes by the distinguished feminist critic Elaine Showalter, and a map of Mrs. Dalloway's London.

Virginia Woolf - Mrs Dalloway - Michael Whitworth 2015-09-29
Virginia Woolf's *Mrs Dalloway* (1925) has long been recognised as one of her outstanding achievements and one of the canonical works of modernist fiction. Each generation of readers has found something new within its pages, which is reflected in its varying critical reception over the last ninety years. As the novel concerns itself with women's place in society, war and madness, it was naturally interpreted differently in the ages of second wave feminism, the Vietnam War and the anti-psychiatry movement. This has, of course, created a rather daunting number of

different readings. Michael H. Whitworth contextualizes the most important critical work and draws attention to the distinctive discourses of critical schools, noting their endurance and interplay. Whitworth also examines how adaptations, such as Michael Cunningham's *The Hours*, can act as critical works in themselves, creating an invaluable guide to *Mrs Dalloway*.

Street Haunting and Other Essays - Virginia Woolf
2014-10-02

Virginia Woolf began writing reviews for the *Guardian* 'to make a few pence' from her father's death in 1904, and continued until the last decade of her life. The result is a phenomenal collection of articles, of which this selection offers a fascinating glimpse, which display the gifts of a dazzling social and literary critic as well as the development of a brilliant and influential novelist. From reflections on class

and education, to slyly ironic reviews, musings on the lives of great men and 'Street Haunting', a superlative tour of her London neighbourhood, this is Woolf at her most thoughtful and entertaining. *Modernist Fiction and Vagueness* - Megan Quigley 2015-02-02

Modernist Fiction and Vagueness marries the artistic and philosophical versions of vagueness, linking the development of literary modernism to changes in philosophy. This book argues that the problem of vagueness - language's unavoidable imprecision - led to transformations in both fiction and philosophy in the early twentieth century. Both twentieth-century philosophers and their literary counterparts (including James, Eliot, Woolf, and Joyce) were fascinated by the vagueness of words and the dream of creating a perfectly precise language. Building on

recent interest in the connections between analytic philosophy, pragmatism, and modern literature, *Modernist Fiction and Vagueness* demonstrates that vagueness should be read not as an artistic problem but as a defining quality of modernist fiction.

Palgrave Advances in Virginia Woolf Studies - A. Snaith 2007-03-28

This book is an invaluable guide to the body of criticism on Virginia Woolf. It includes comprehensive and insightful chapters on different approaches to Woolf, including feminist, historicist, postcolonial and biographical. The essays provide concise summaries of the key works in the field as well as an engaging description of the approach itself.

Virginia Woolf - Julia Briggs 2006

Julia Briggs has written a chronological exploration of Woolf's life that reads her life through her books,

using the novels to create a new form of biography.

Each chapter is illustrated with a sample of Woolf's original manuscript.

Mrs. Dalloway - Richard J. Lane 2001

"Gale Study Guides to Great Literature is a unique reference line composed of three series: "Literary Masters, Literary Masterpieces and "Literary Topics. Convenient, comprehensive and targeted toward current coursework, these guides place authors, titles and topics into context for high school and college students as well as general researchers. Each "Literary Masters volume introduces a significant author, covering basic biographical information. The related "Literary Masterpieces volume explores a major title from this author's works in detail. Finally, the "Literary Topics volume places the author and work within a relevant literary movement or genre.

Screening Woolf - Earl G.

Ingersoll 2016-12-06

Screening Woolf examines the three film adaptations of her novels *To the Lighthouse*, *Orlando*, *Mrs. Dalloway*; her theorizing about film and its impact on her thinking about fiction; and her central role in the David Hare/Stephen Daldry adaptation of Michael Cunningham's Pulitzer Prize-winning novel *The Hours*.

A Companion to Virginia Woolf - Jessica Berman 2019-04-15

A Companion to Virginia Woolf is a thorough examination of her life, work, and multiple contexts in 33 essays written by leading scholars in the field. Contains insightful and provocative new scholarship and sketches out new directions for future research Approaches Woolf's writing from a variety of perspectives and disciplines, including modernism, post-colonialism, queer theory, animal studies, digital

humanities, and the law
Explores the multiple
trajectories Woolf's work
travels around the world,
from the Bloomsbury Group,
and the Hogarth Press to
India and Latin America
Situates Woolf studies at
the vanguard of
contemporary literature
scholarship and the new
modernist studies

**Political Economy and
the Novel** - Sarah Comyn
2018-10-04

Political Economy and the
Novel: A Literary History of
'Homo Economicus'
provides a transhistorical
account of homo
economicus (economic
man), demonstrating this
figure's significance to
economic theory and the
Anglo-American novel over
a 250-year period.

Beginning with Adam
Smith's seminal texts -
Theory of Moral Sentiments
and The Wealth of Nations -
and Henry Fielding's A
History of Tom Jones, this
book combines the
methodologies of new

historicism and new
economic criticism to
investigate the evolution of
the homo economicus model
as it traverses through
Ricardian economics and
Jane Austen's Sanditon; J. S.
Mill and Charles Dickens'
engagement with mid-
Victorian dualities;
Keynesianism and Mrs
Dalloway's exploration of
post-war consumer
impulses; the a/moralistic
discourses of Friedrich von
Hayek, and Ayn Rand's
Atlas Shrugged; and finally
the virtual crises of the
twenty-first century
financial market and Don
DeLillo's Cosmopolis.
Through its sustained
comparative analysis of
literary and economic
discourses, this book
transforms our
understanding of the genre
of the novel and offers
critical new understandings
of literary value, cultural
capital and the moral
foundations of political
economy.

Between the Acts - Virginia

Woolf - Virginia Woolf

2021-06-15

Love. Hate. Peace. Three emotions made the ply of human life. *Between the Acts* takes place on a June day in 1939 at Pointz Hall, the Oliver family's country house in the heart of England. In the garden, everyone from the village has gathered to present the annual pageant scenes from the history of England starting with the Middle Ages. As the story of England unfolds, the lives of the villagers also take shape. The past blends with the present and art blends with life in a narrative full of invention, affection, and lyricism. Through her characters' passionate musings and private dramas, and through the enigmatic figure of the pageant's author, Miss La Trobe, Virginia Woolf's final novel both celebrates and mocks Englishness. Even so, the coming of war looms over the whole community, heralding a new act.

Romantic Moderns -

Alexandra Harris

2015-02-01

While the battles for modern art and society were being fought in France and Spain, it has seemed a betrayal that John Betjeman and John Piper were in love with a provincial world of old churches and tea-shops. In this multi-award-winning book now available in paperback Alexandra Harris tells a different story. In the 1930s and 1940s, artists and writers explored what it meant to be alive in England. Eclectically, passionately, wittily, they showed that the modern need not be at war with the past. Constructivists and conservatives could work together, and even the Bauhaus émigré, László Moholy-Nagy, was beguiled into taking photographs for Betjemans nostalgic Oxford University Chest. This modern English renaissance was shared by writers, painters, gardeners, architects, critics, tourists

and composers. John Piper, Virginia Woolf, Florence White, Christopher Tunnard, Evelyn Waugh, E. M. Forster and the Sitwells are part of the story, along with Bill Brandt, Graham Sutherland, Eric Ravilious and Cecil Beaton.

Mrs. Dalloway - Virginia Woolf 1981

Direct and vivid in its telling of the details of a day in the life of Clarissa Dalloway, the novel manages ultimately to deliver much more. It is the feelings that loom behind those daily events--the social alliances, the shopkeeper's exchange, the fact of death--that give Mrs. Dalloway texture and richness. Copyright © Libri GmbH. All rights reserved.

Virginia Woolf - Rachel Bowlby 2016-07-01

Rachel Bowlby's anthology of articles conjures up the enormous richness and variety of recent work that returns to Woolf not so much for final answers as for insights into questions about writing, literary

traditions and the differences of the sexes. The collection includes pieces by such well-known writers as Gillian Beer, Mary Jacobus, Peggy Kamuf and Catharine Stimpson. With a substantial Introduction, headnotes to each piece and full supporting material, this volume provides an ideal guide to Woolf and her place in modern literary and cultural studies.

Essays for Richard Ellmann - Susan Dick 1989-03-01

Ellmann's sensitivity to what it meant to be an artist shaped his work from the outset: "The life of an artist ... differs from the lives of other persons in that its events are becoming artistic sources even as they command his present attention. Instead of allowing each day, pushed back by the next, to lapse into imprecise memory, he shapes again the experiences which have shaped him." Richard Ellmann died in 1987. His

life and work have touched the lives of many. Some of the essays in this collection commemorate Richard Ellmann and his commitment to Twentieth Century literature: most provide a continuing investigation of the Twentieth Century literature to which he devoted his career.

Contributors include: Alison Armstrong, Daniel Albright, Christopher Butler, Carol Cantrell, Jonathan Culler, Elizabeth Butler Cullingford, Andonis Decavelles, Rupin Desai, Susan Dick, Terence Diggory, Terry Eagleton, Rosita Fanto, Charles Feidelson, James Flannery, Charles Huttar, Bruce Johnson, John Kelleher, Brendan Kennelly, Frank Kermodé, Declan Kiberd, Peter Kuch, Bruce Johnson, James Laughlin, A. Woolf in the Real World -
Karen V. Kukil 2005

The Reception of Virginia
Woolf in Europe - Mary Ann
Caws 2002-12-01

The intellectual scope and cultural impact of British writers cannot be assessed without reference to their European fortunes. These essays, prepared by an international team of scholars, critics and translators, record the ways in which Virginia Woolf has been translated, evaluated and emulated in different national and linguistic areas of Europe. Diverse as her reception has been, as analyst of consciousness, as a decadent (censored and banned), as stylistic

innovator of Modernism, as crusading feminist and socialist, and as a model for other writers, she has emerged as one of the foremost writers and principal icons of the century.

Mrs Dalloway - Virginia Woolf 2000

Heralded as Woolf's greatest work of fiction, "Mrs. Dalloway" is not only a thorough rendering of a vivid human life, it is the outline on paper of human consciousness. In this vivid portrait of a single day in a woman's life, Clarissa Dalloway readies her house for friends and neighbors as she is flooded with remembrances of faraway times.

Virginia Woolf - Lorraine Sim 2016-02-11

In her timely contribution to revisionist approaches in modernist studies, Lorraine Sim offers a reading of Virginia Woolf's conception of ordinary experience as revealed in her fiction and nonfiction. Contending that

Woolf's representations of everyday life both acknowledge and provide a challenge to characterizations of daily life as mundane, Sim shows how Woolf explores the potential of everyday experience as a site of personal meaning, social understanding, and ethical value. Sim's argument develops through readings of Woolf's literary representations of a subject's engagement with ordinary things like a mark on the wall, a table, or colour; Woolf's accounts of experiences that are both common and extraordinary such as physical pain or epiphanic 'moments of being'; and Woolf's analysis of the effect of new technologies, for example, motor-cars and the cinema, on contemporary understandings of the external world. Throughout, Sim places Woolf's views in the context of the philosophical and lay accounts of ordinary

experience that dominated the cultural thought of her time. These include British Empiricism, Romanticism, Platonic thought and Post-Impressionism. In addition to drawing on the major novels, particularly *The Voyage Out*, *Mrs. Dalloway*, and *To the Lighthouse*, Sim focuses close attention on short stories such as 'The Mark on the Wall', 'Solid Objects', and 'Blue & Green'; nonfiction works, including 'On Being Ill', 'Evening over Sussex: Reflections in a Motor-car', and 'A Sketch of the Past'; and Woolf's diaries. Sim concludes with an account of Woolf's ontology of the ordinary, which illuminates the role of the everyday in Woolf's ethics.

Word of Mouth - Patricia Moran 1996

Word of Mouth focuses on the two most prominent women in British modernism, Virginia Woolf and Katherine Mansfield. Both wrote with an

extraordinary and sometimes celebratory self-consciousness about their status as "women writers". At odds with their explicit privileging of female difference, however, are patterns of imagery that demonstrate self-revulsion and self-hatred, the woman writer's rejection of herself. Patricia Moran points out that strategies of resistance and challenge are also strategies of repudiation and revulsion directed at female embodiment. *Word of Mouth* reevaluates Mansfield and Woolf, focusing on the figures of the anorexic and the hysteric and on the extensive imagery of eating, feeding, starvation, suffocation, flesh, and longing that permeates both fictional and nonfictional texts; it locates this writing within the overlapping frames of psychoanalytic theory, studies of women and eating disorders, and feminist work on women's anxiety of authorship.
