Two Views on Women in Ministry - Zondervan, 2010-02-23

The role of women in positions of worship and church leadership is one of the most divisive and inconclusive biblical debates. Two Views on Women in Ministry furnishes you with a clear and thorough presentation of the two primary exegetical arguments so you can better understand each one's strengths, weaknesses, and complexities. Egalitarian - equal ministry opportunity for both genders (represented by Linda L. Belleville and Craig S. Keener) Complementarian - men and women fill distinctive ministry roles (represented by Craig L. Blomberg and Thomas R. Schreiner) This revised edition brings the exchange of ideas and perspectives into the traditional Counterpoints format. Each author states his or her case and is then critiqued by the other contributors. The fair-minded, interactive Counterpoints forum allows you to compare and contrast the two different positions and form your own opinion concerning the practical and often deeply personal subject of women in ministry. The

Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

Every pastor struggles with demands for his time, and how to determine priorities in ministry. Some choose to respond to the most urgent needs, while others seek a more balanced and intentional approach. But what determines these priorities? Where should a busy pastor look for wisdom in making decisions? In the Pastor's Ministry, pastor and author Brian Croft looks to the Scriptures to determine the top ten priorities for a faithful pastoral ministry. These biblically rooted responsibilities help pastors determine how to spend their time and with greater discernment respond to the demands of the church. Each of these priorities is rooted in a direct command of God's Word, including: Guarding the Truth Preaching and Teaching the Word Praying for the Flock Setting an Example Visiting the Sick Comforting the Grieving Caring for Widows Confronting Sin Encouraging the Faint-Hearted Identifying and Training Other Leaders To be successful and faithful in pastoral ministry, every pastor needs to understand these core callings and make them part of his regular practice. These ten responsibilities guide how a pastor schedules his time, helping him to lay the foundation for a biblically faithful ministry in his church.

Discerning Your Call to Ministry - Jason K. Allen 2016-08-19

"The church has needed this book for a long time." — Russell Moore If you are considering the ministry, there are two mistakes to avoid. The first is taking up a calling that isn't yours. The second is neglecting one that is. *Discerning Your Call to Ministry* will help you know the difference. A tool for seminary students, pastors-in-training, and even current pastors, it serves to confirm or prompt deep thought about the calling to ministry through 10 probing questions, including: Do you desire the ministry? Does your church affirm your calling? Do you love the people of God? Are you willing to surrender? Pastoral dropout rates are high, and seminary admission rates are declining—signs that many of us don't quite know what we're signing ourselves up for. Author Jason Allen, a former pastor and the president of North America's fastest growing seminary, gives readers a better picture of the calling. Presenting a series of diagnostic questions informed by Scripture, church history, and his own experience, he helps those seeking ordination or ministry positions make confident decisions about their service to God, one way or the other.

Biblical Theology in the Life of the Church (Foreword by Thomas R. Schreiner) - Michael Lawrence 2010-04-01

Capitol Hill Baptist Church associate pastor Michael Lawrence contributes to the IXMarks series as he centers on the practical importance of biblical theology to ministry. He begins with an examination of a pastor's tools of the trade: exegesis and biblical and systematic theology. The book

distinguishes between the power of narrative in biblical theology and the power of application in systematic theology, but also emphasizes the importance of their collaboration in ministry. Having laid the foundation for pastoral ministry, Lawrence uses the three tools to build a biblical theology, telling the entire story of the Bible from five different angles. He puts biblical theology to work in four areas: counseling, missions, caring for the poor, and church/state relations. Rich in application and practical insight, this book will equip pastors and church leaders to think, preach, and do ministry through the framework of biblical theology.

Your Battle against Porn Isn't about Porn. It's about Hope. Pornography may seem inescapable, but God can free us from its destructive power. The gospel replaces the dehumanizing lies of pornography with this surprising truth: God created us as royalty. How then can we reclaim our God-given identity to take a stand against—and ultimately starve—the predatory porn industry? In The Death of Porn, Ray Ortlund writes six personal letters, as from a father to his son. Ideal for individuals and small groups, it will give hope to men who have been misled by porn into devaluing themselves and others. Through Scripture and personal stories,

Ortlund assures readers that God loves them the most tenderly in their moments of deepest shame. The Death of Porn inspires men to come together in new ways to fight the injustice of porn and build a world of nobility for every man and woman—for the sake of future generations.

The David Story: A Translation with Commentary of 1 and 2 Samuel - Robert Alter 2009-10-21

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

We need good preaching—preaching that challenges us by God's Word and brings the comfort that comes from God's promises. Yet many of us rely solely on others to preach to us and are not benefitting from the kind of preaching that should be most consistent and personal—preaching to ourselves. *Note to Self* is a practical introduction to this daily discipline. Pastor Joe Thorn delivers fifty brief, devotional chapters that model preaching the gospel to ourselves and its practical implications. Readers will be challenged by the book's direct, personal exhortations to apply the law and the gospel to their own lives. Part of the *Re:Lit* series.

God's Role for Women in Ministry - Doug Batchelor 2009-01-01

First Timothy - Gregory Brown 2017-04-15

How can we become good ministers of Christ Jesus? In 1 Timothy, Paul writes his protege Timothy, who is overseeing the church in Ephesus, to encourage him to complete the work God called him to (1 Tim 1:18-19). False teachers had infiltrated the congregation, church members were looking down on Timothy because of his youth, and Timothy was frequently sick with stomach ailments. There were many obstacles to discourage and make him want to quit. Throughout the letter, Paul encourages Timothy to be faithful (1 Tim 4:14-16, 6:11-12), instructs him on how the church of the living God should be run (1 Tim 3:15), and on how to be a good minister of Christ Jesus (1 Tim 4:6). Although 1 Timothy is often called a pastoral epistle, it doesn't just speak to pastors. It speaks to all of us, because we're all called to ministry. It instructs us on issues like combatting false teaching (Ch. 1), prayer and worship (Ch. 2), church organization (Ch. 3), the minister's life and doctrine (Ch. 4), the mercy ministry of the church (Ch. 5), and the believer's relationship with money (Ch. 6), among other things. It also encourages us to complete our God-given tasks, amidst various obstacles (cf. 1 Tim 1:18-19, 4:12). As we read it, we are challenged, like Timothy, to become good ministers of Christ Jesus, at a time when the church desperately needs them. Let's study it together with *The Bible Teacher's Guide*: "Expositional, theological, and candidly practical! I highly recommend *The Bible Teacher's Guide* for anyone seeking to better understand or teach God's Word." -Dr. Young-Gil Kim, Founding President of Handong Global University "Helpful to both the layman and the serious student, *The Bible Teacher's Guide*, by Dr. Greg Brown, is outstanding!" -Dr. Neal Weaver, President of Louisiana Baptist University

Worship Heartcries - Ed Steele 2016-03-11

The seeds for *Worship HeartCries* were planted years ago as I sat in a seminary class under Dr. T. W. Hunt. The Spirit of God used him to light a fire about worship in my heart that has been burning ever since. Now, after teaching about worship for twenty years in Latin America as a missionary and over ten years as a Seminary Professor, I am convinced there is a greater desire now to worship God than I have seen in years past. As great as the desire is, there seems to be more confusion as to what biblical worship is and even more confusion about what it looks like when we do it. If information alone could transform our worship, then we should have long since seen a revolution in our church services. But information is only part of the solution. Learning how to apply what we know may be the biggest challenge we face. One of the key issues is not so much the amount of content available about worship, but how to worship. My sincere desire is to help push back all the preconceived notions and give some practical helps as we gather together for corporate worship. Regardless of who may be on the platform, only God's Spirit can transform those moments together into what may be called "worship," and there are some definite things that the Body must do so that worship may occur. What are they? That's the heart of this book.
