[Activism, Inclusion, and the Challenges of Deliberative Democracy](#) - Anna Drake 2021-03-01

Deliberative democracy – whereby people debate competing ideas before agreeing upon political action – must rest on its capacity to include all points of view. But how does this inclusive framework engage with activism that occurs in opposition to deliberative systems themselves? Through the examples of ACT UP, Black Lives Matter, and other contemporary activist movements, *Activism, Inclusion, and the Challenges of Deliberative Democracy* explores the systemic oppression that prevents activists from participating in deliberative systems as equals. Anna Drake concludes that only by addressing activism separately and on its own terms can we acknowledge its distinct democratic contribution.

Viking Betrayed - Ree Thornton 2021-01-18

A wife with a dark past... Two years ago, thief Helga Tannrsson made the fatal mistake of falling for her mark. To marry the man her heart desired, she faked her own death and adopted the noblewoman persona that had been her cover story when she'd met Ulf. Now Helga should be happy-she has the life of her dreams, yet she's caught in a trap of her own making. Living a lie is harder than she'd imagined, her deep-seated mistrust of men still haunts her, and she's unable to even bare her body to her husband when they make love. As Helga struggles to hold onto the fraying threads of her marriage, a shadow from her past reappears. The Viking who loves her... For much of his life, overseer of the city's defenses Ulf Eriksson felt unworthy of his prestigious family name. Claiming a Viking noblewoman as his bride had finally allowed him to hold his head high as an Eriksson brother. Yet all is not well within his marriage. He'd hoped that his beloved Helga would come to trust him, but she remains frustratingly closed-off and distant, not even disrobing for the marriage bed. When outlaws breach the city wall and are revealed to be Helga's kin, the shocking truth about his wife is laid bare. Devastated, shamed, and with his reputation in tatters, Ulf doubts whether his marriage was even real or just one long con. Had the thief that stole his heart ever loved him? And, after all the lies and betrayal can he trust her again?

Four Signs of a Dynamic Catholic - Matthew Kelly 2014-12

As human beings we are constantly engaging and disengaging in everything we do. We engage and disengage at work, in marriage, as parents, in our quest for health and well-being, in personal finances, environmentally, politically, and, of course, we engage or disengage spiritually. If you walk into any Catholic church next Sunday and look around, you will discover that some people are highly engaged, others are massively disengaged, and the majority are somewhere in between. Why? What is the difference between highly engaged Catholics and disengaged Catholics? Answering this question is essential to the future of the Catholic Church. If we truly want to engage Catholics and reinvigorate parish life, we must first discover what drives engagement among Catholics. Matthew Kelly explores this question in his groundbreaking new book, and the simplicity of what he discovers will amaze you. Four things make the difference between highly engaged Catholics and disengaged Catholics: the four signs of a Dynamic Catholic. Whether you are ready to let God take your spiritual life to the next level or want to help reinvigorate your parish, *The Four Signs of a Dynamic Catholic* promises to take you on a journey that will help you live out the genius of Catholicism in your everyday life.
