Gods of Tin - James Salter 2010-05-21

A singular life often circles around a singular moment, an occasion when one's life in the world is defined forever and the emotional vocabulary set. For the extraordinary writer James Salter, this moment was contained in the fighter planes over Korea where, during his young manhood, he flew more than one hundred missions. James Salter is considered one of America's greatest prose stylists. 'The Arm of Flesh '(later revised and retitled 'Cassada') and his first novel, 'the Hunters, 'are legendary in military circles for their descriptions of flying and aerial combat. A former Air Force pilot who flew

F-86 fighters in Korea, Salter writes with matchless insight about the terror and exhilaration of the pilot's life.

the other side of the world, where no one knew him, and took on the toughest radio market in the world - Australia. Why? Is the question he's been asked every day since landing Down Under. Until now he's never shared the real reason. No One Listens to Your Dad's Show is the story of Christian risking everything, uprooting his wife, two daughters and his dog to move to Australia. A move that lands him as a complete unknown in a country where, he soon finds out, no one wants to hear him on the radio. He was failing, fortysomething and falling apart. Until he wasn't.

*Previously published as Transformation, Revelation, Ramification, and Infiltration. Book One: Tempted by the Jaguar
Kylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared. However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the worst possible way, but could also railroad her efforts of finding out what really happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous

minefield of politics and perpetual battles over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Book Two: Accepting the Jaguar
Kylie knew from the beginning that getting romantically involved with Hunter was an extremely bad idea, and now because of the

Pandora's Box she inadvertently blew wide open in order to protect him, more than just Hunter may now determine the consequences she and those she loves will ultimately end up paying. Get ready for your IVF - Gabriela Lacerda
2020-04-23

There is a limiting belief around in vitro fertilization (IVF) that must be reframed: the idea that it is only a

technical, difficult, painful and artificial process. IVF is another one of those wonderful proofs of God's love towards us. Therefore, it is nothing but a christic alternative to enable men and women to achieve their paternity and maternity dreams. It was from this perspective that the author, Gabriela Lacerda, a former trying woman and mother of two children via assisted reproductions, shares with her readers a spiritual perspective about the most advanced treatment for couples who have difficulty to get pregnant. In this book, she talks about the metaphysical teachings that were essential to achieve her much-dreamed-of positive in her first in vitro fertilization attempt, giving life to her son Gael, and again, three years later, from the

transfer of a single frozen embryo that enabled the arrival of her second son, Benício. What may be seen as good fortune from a distance, for her, who experienced it with a lot of energy, it was the certainty that there was a spirituality watching over every detail of her journey as a conscious trying woman. The one that goes beyond physical symptoms and scarcity thoughts. The one that acknowledges that life goes beyond the visible, the material world. Welcome to the wonderful world of assisted reproduction from a spiritual perspective. Read each page with an open heart. It is safe to get pregnant easily via in vitro fertilization.

Breach of Contract -
Laramie Briscoe
2021-06-12
Our love can't be silenced... Everett

James Thompson Known for my charismatic stage presence and being the oldest son of music royalty, I've always been able to do exactly what I want. Front my own band? Become one of the powerhouses in the metal genre? Make a name for myself without using that of my parents? I've done all of it. But when Brianna Jenkins walked into my life during a Vegas show, I knew without a doubt my carefully laid plans were over. Getting married to her after a drunken night of debauchery should've been the worst mistake of my life. Instead? It's the best decision I've ever made, and our record company thinks so too. Or they did... Brianna Jenkins Thompson I've traveled the world, performed at Madison

Square Garden, and sold out arenas everywhere. Nothing ever really made me nervous. That is, until I met EJ Thompson in Vegas. I needed liquid courage to talk to him, and that night changed my life forever. Gone is the girl under her parents thumb, doing everything the record company tells her, and worrying constantly. In her place is a wife. A woman who knows her worth, standing beside the man who gave her his last name, his ring, and the confidence to let her voice be heard. When the record company realizes just how much of a power couple we are; they serve us with a summons for breach of contract, expecting us to roll over. But there's two things they can't silence. Our voices, and our love.
