The Routledge Companion to International Hospitality Management - Marco A. Gardini 2020-11-09
The hospitality sector is facing increasing competition and complexity over recent decades in its development towards a global industry. The strategic response to this is still that hospitality companies try to grow outside their traditional territories and domestic markets, while the expansion patterns and M&A activities of international hotel and restaurant chains reflect this phenomenon. Yet, interestingly, the strategies, concepts, and methods of internationalization as well as the managerial and organizational challenges and impacts of globalizing the hospitality business are under-researched in this industry. While the mainstream research on international management offers an abundance of information and knowledge on topics, players, trends, concepts, frameworks, or methodologies, its ability to produce viable insights for the hospitality industry is limited, as the mainstream research is taking place outside of the service sector. Specific research directions and related cases like the international dimensions of strategy, organization, marketing, sales, staffing, control, culture, and others to the hospitality industry are rarely identifiable so far. The core rationale of this book is therefore to present newest insights from research and industry in the field of international hospitality, drawing together recent scientific knowledge and state-of-the-art expertise to suggest directions for future work. It is designed to raise awareness on the international factors influencing the strategy and performance of hospitality organizations, while analyzing and discussing the present and future challenges for hospitality firms going or being international. This book will provide a comprehensive overview and deeper understanding of trends and issues to researchers, practitioners, and students by showing how to master current and future challenges when entering and competing in the global hospitality industry.

Prophecy, Fate and Memory in the Early Medieval Celtic World - Professor Jonathan Wooding 2020-03-02
Prophecy, Fate and Memory in the Early and Medieval Celtic World brings together a collection of studies that closely explore aspects of culture and history of Celtic-speaking nations. Non-narrative sources and cross-disciplinary approaches shed new light on traditional questions concerning commemoration, sources of political authority, and the nature of religious identity. Leading scholars and early-career researchers bring to bear hermeneutics from studies of religion and literary criticism alongside more traditional philological and historical methodologies. All the studies in this book bring to their particular tasks an acknowledgement of the importance of religion in the worldview of antiquity and the Middle Ages. Their approaches reflect a critical turn in Celtic studies that has proved immensely productive across the last two decades.

The Princeton Companion to Atlantic History - Joseph C. Miller 2015-01-18

The first encyclopedic reference to Atlantic history Between the fifteenth and nineteenth centuries, the connections among Africa, the Americas, and Europe transformed world history—through maritime exploration, commercial engagements, human migrations and settlements, political realignments and upheavals, cultural exchanges, and more. This book, the first encyclopedic reference work on Atlantic history, takes an integrated, multicontinental approach that emphasizes the dynamics of change and the perspectives and motivations of the peoples who made it happen. The entries—all specially commissioned for this volume from an international team of leading scholars—synthesize the latest scholarship on central themes, including economics, migration, politics, war, technologies and science, the physical environment, and culture. Part one features five major essays that trace the changes distinctive to each chronological phase of Atlantic history. Part two includes more than 125 entries on key topics, from the seemingly familiar viewed in unfamiliar and provocative ways (the Seven Years' War, trading companies) to less conventional subjects (family networks, canon law, utopias). This is an indispensable resource for students, researchers, and scholars in a range of fields, from early American, African, Latin American, and European history to the histories of economics, religion, and science. The first encyclopedic reference on Atlantic history Features five major essays and more than 125 alphabetical entries Provides essential context on

major areas of change: Economies (for example, the slave trade, marine resources, commodities, specie, trading companies) Populations (emigrations, Native American removals, blended communities) Politics and law (the law of nations, royal liberties, paramount chiefdoms, independence struggles in Haiti, the Hispanic Americas, the United States, and France) Military actions (the African and Napoleonic wars, the Seven Years' War, wars of conquest) Technologies and science (cartography, nautical science, geography, healing practices) The physical environment (climate and weather, forest resources, agricultural production, food and diets, disease) Cultures and communities (captivity narratives, religions and religious practices) Includes original contributions from Sven Beckert, Holly Brewer, Peter A. Coclanis, Seymour Drescher, Eliga H. Gould, David S. Jones, Wim Klooster, Mark Peterson, Steven Pincus, Richard Price and Sophia Rosenfeld, and many more Contains illustrations, maps, and bibliographies

A Companion to the Global Renaissance - Jyotsna G. Singh 2021-04-26

A COMPANION TO THE GLOBAL RENAISSANCE An innovative collection of original essays providing an expansive picture of globalization across the early modern world, now in its second edition A Companion to the Global Renaissance: Literature and Culture in the Era of Expansion, 1500-1700, Second Edition provides readers with a deeper and more nuanced understanding of both macro and micro perspectives on the commercial and cross-cultural interactions of the sixteenth and seventeenth centuries. Covering a uniquely broad range of literary and cultural materials, historical contexts, and geographical regions, the Companion's varied chapters offer interdisciplinary perspectives on the implications of early modern concepts of commerce, material and artistic culture, sexual and cross-racial encounters, conquest and enslavement, social, artistic, and religious cross-pollinations, geographical "discoveries," and more. Building upon the success of its predecessor, this second edition of A Companion to the Global Renaissance radically extends its scope by moving beyond England and English culture. Newly-commissioned essays investigate intercultural and intra-cultural exchanges, transactions, and encounters involving England, European powers, Eastern kingdoms, Africa, Islamic empires, and the Americas, within cross-disciplinary frameworks. Offering a complex and multifaceted view of early modern globalization, this new edition: Demonstrates the continuing global "turn" in Early Modern Studies through original essays exploring interconnected exchanges, transactions, and encounters Provides significantly expanded coverage of global interactions involving England, European powers such as Portugal, Spain, and The Netherlands, Eastern empires such as Japan, and the Ottoman, Safavid, and Mughal empires Includes a Preface and Afterword, as well as a revised and expanded Introduction summarizing the evolving field of Global Early Modern Studies and describing the motifs and methodologies informing the essays within the volume Explores an array of new subjects, including an exceptional woman traveler in Eurasia, the Jesuit presence in Mughal India and sixteenth-century Japan, the influence of Mughal art on an Amsterdam painter-cum-poet, the cultural impact of Eastern trade on plays and entertainments in early modern London, Safavid cultural disseminations, English and Portuguese slaving practices, the global contexts of English pattern poetry, and global lyric transmissions across cultures A wide-ranging account of the global expansions and interactions of the period, A Companion to the Global Renaissance: Literature and Culture in the Era of Expansion, 1500-1700, Second Edition remains essential reading for early modern scholars and students ranging from undergraduate and graduate students to more advanced scholars and specialists in the field.

An Arab Ambassador in the Mediterranean World - Nabil Matar 2015-04-10

This book provides translated selections from the writings of Muhammad Ibn Othman al-Miknasi (d. 1799). The only writings by an Arab-Muslim in the pre-modern period that present a comparative perspective, his travelogues provide unique insight with in to Christendom and Islam. Translating excerpts from his three travelogues, this book tells the story of al-Miknasi's travels from 1779-1788. As an ambassador, al-Miknasi was privy to court life, government offices and religious buildings, and he provides detailed accounts of cities, people, customs, ransom negotiations, historical events and political institutions. Including descriptions of Europeans, Arabs, Turks, Christians (both European and Eastern), Muslims, Jews, and (American) Indians in the last quarter of the eighteenth century, An Arab Ambassador in the Mediterranean World explores how the most travelled Muslim writer of the pre-modern period saw the world: from Spain to Arabia and from Morocco to Turkey, with second-hand information about the New World. Supplemented with extensive notes detailing the historic and political relevance of the translations, this book is of interest to researchers and scholars of Mediterranean History, Ottoman Studies and Muslim-Christian relations.

Iqbal: Poet, Philosopher, and His Place In World Literature - Zafar M. Iqbal 2015-02-21

For most Urdu speakers in the Indian subcontinent, Iqbal has long been one of the most loved and admired poets. Much has been written about his poetry and philosophy. This book stays away from his politics. Iqbal first received recognition in the West in 1920 when his translation of Asrar-e-Khudi by R. A. Nicholson (The Secrets of the Self) first appeared. Most of the recurring criticism was on his concept of Khudi which Iqbal addressed then and later, explaining the basic nature of influence of much older Sufi philosophy on khudi versus Nietzsche's Übermensch. Several authors, both from the subcontinent and the West, have translated Iqbal's poetry before, and in this book have highlighted the positive outcomes over some controversies and confusion. This book presents translation of well over 150 of Iqbal's Urdu poems from Kuliyaath-e-Iqbal and about 30 or so from Payam-e-Mashriq (PM), in Persian. Iqbal offered PM as a response to Goethe's West-östlicher Diwan, in German. Goethe had long been interested in Eastern (rather, Middle Eastern) culture and his Divan was inspired by the fourteenth-century Persian poet Hafez/Hafiz/Hafis, which also involved some literary traverse through a different religio-philosophical territory. Translation from Urdu or Persian to English across a vast cultural, prosodic, and linguistic gulf presents enormous problems. Section "On Translation" discusses some of these issues. Although Iqbal's philosophy has been covered from by many others before, some of Iqbal's own explanation of Khudi in a larger historical Sufi context are discussed here. In addition, Iqbal's own contribution to what Goethe called Weltliteratur (or world literature), is recognized in PM (mostly) and elsewhere in his Urdu Kuliyaath. Iqbal not just brought various Western themes and figures to Urdu literature, but presented them, with his own comments and interpretation, to a readership that may have been largely unfamiliar with these Western themes. The Appendices include important recognition Iqbal received in Germany.

The Wiley Blackwell Companion to Race, Ethnicity, and Nationalism - John Stone 2020-08-12

A broad examination of the rise of nationalism, populism, xenophobia, and racism throughout the world The Wiley Blackwell Companion to Race, Ethnicity, and Nationalism provides expert insight into the complex, interconnected factors that are influencing patterns of human relations worldwide in a time of rising populist nationalism, intensified racial and religious tensions, and mounting hostilities towards immigrants and minorities. Analyzing the underlying forces which continue to drive global trends, this volume examines contemporary patterns based on the most recent evidence spanning five continents—offering a diversity of interpretations, models and perspectives that address the challenges facing the study of race, ethnicity, and nationalism. The Companion features original contributions by both established experts and emerging

scholars that explore an expansive range of theoretical, historical, and empirical case studies. Organized into five sections, the text first discusses growing trends in the United States, the significance of populism in major societies around the globe, and how global changes are influencing regional variations in race, ethnicity, and nationalism. An investigation of global migration patterns is followed by examination of conflict and violence, from urban riots and boundary disputes to warfare and genocide. The final section focuses on the policy debates resulting from changing patterns and their impact on politics, the economy, and society. Timely and highly relevant, this book: Discusses contemporary issues such as the failure of school systems to provide equal opportunities to minorities, the evolution of the School-to-Prison pipeline, and the Black Lives Matter movement Explores shifts in American race relations, the influence of social media and the internet, and the links between increased globalization and contemporary forms of nationalism, racism, and populism Features essays on national and ethnic identity in China, Japan, and South Korea, India, Central Asia, Africa, Latin America, and Europe Analyzes policies regarding borders, immigration, refugees, and human rights in different countries and regions Offers perspectives on the radicalization of social movements, the creation of ethnic, linguistic and other boundaries between groups, and the models used to understand intractable conflicts in many global settings The Wiley Blackwell Companion to Race, Ethnicity, and Nationalism is an indispensable resource for scholars, researchers, instructors, and students across the social sciences, including sociology, political science, global affairs, economics, comparative race and ethnic relations, international migration, social change, and sociological theory.
